Petite Jolie Blonde Oct 24 2020 "My mother's hair... My delight as a child had a lot to do, poetically speaking, with the color of that..." Presenting a memoir rich with good will, sentiment & humor- a story from beneath the prim tall oaks draped in Spanish moss. And the fable of childhood is chock-full with the irony & divine mystery of Mother's surely magnificent adult world! -The state of Louisiana, devastated time & time again, is in a slow mode of recuperation as everyone knows. The author feels herself akin, wishes share the gift of her surprisingly refined Southern heritage, of its ability to win non-natives over with the vibrant sounds of music, the delicious smells & flavors, & of course, the stories passed down "word of mouth." Yes, growing up in "the 'Deep'" allows one an uncommon allowance towards "perspective!" The wonder & struggle of Ms. Rokovic's life, her early tiny victories, the understanding of the impact the choices her yellow-haired mama "Jolie Blonde" have made, are newly unveiled. It is bright and sunny- the piquant tale of the squirrely chestnut-haired girl likewise possessing a "wanderlust" for adventure, searching for & gathering a treasure of small history. An often unabashedly comical journey, crude as it is youthful...as it is guileless, shah, where else but from beyond those deviate backwoods!

Angelina Jolie Apr 10 2022 A biography of American actress and philanthropist Angelina Jolie discusses her childhood, her acting career, her relationships, and her charitable work with the United Nations.

Sure of One Jan 07 2022 What's Your Price? It's a question I've asked any number of times as both CEO of a weapons manufacturer and working undercover for the CIA. Every person has a price. My daughter was abducted. I would have given every dollar in my name to get her back. For my daughter, I'll do anything. No price is too high. Now she's back, safe at home. When I hire a therapist to help her recovery, I find myself drawn to the doctor. But Ava Amara is one indulgence I can't allow myself. Or can I? What would you do for one hundred million dollars? Jack Sullivan is a man of few words. His cold emotionless countenance shields any glimpse of the human being within. If he didn't hire me to help his daughter, I'd suspect the man sold his soul for success. He's a billionaire with an ego to match. He flat out told me everyone has a price. What is mine? It's a question I've answered more than once over tumultuous

years filled with bad choices. But when I agree to his unorthodox plan to move into his home, he ups the ante. What will I do for one hundred million dollars? He asks at a time of financial weakness, which is to say, my standard business-as-usual situation. My answer? Whatever you wish, Sir. He wants me for a four-week arrangement. I hope I'm strong enough to survive. Sure of One is a billionaire, forbidden romantic suspense featuring an illicit contract between a former military billionaire alpha silver fox and his daughter's therapist. Sure of One is the second standalone romance in the Arrow Tactical Series.

B.F.F. Dec 26 2020 From the author of *Group*, a New York Times bestseller and Reese's Book Club Pick, comes a moving, heartwarming, and powerful memoir about Christie Tate's lifelong struggle to sustain female friendship, and the friend who helps her find the human connection she seeks. After more than a decade of dead-end dates and dysfunctional relationships, Christie Tate has reclaimed her voice and settled down. Her days of agonizing in group therapy over guys who won't commit are over, the grueling emotional work required to attach to another person tucked neatly into the past. Or so she thought. Weeks after giddily sharing stories of her new boyfriend at Saturday morning recovery meetings, Christie receives a gift from a friend. Meredith, twenty years older and always impeccably accessorized, gives Christie a box of holiday-themed scarves as well as a gentle suggestion: maybe now is the perfect time to examine why friendships give her trouble. "The work never ends, right?" she says with a wink. Christie isn't so sure, but she soon realizes that the feeling of "apartness" that has plagued her since childhood isn't magically going away now that she's in a healthy romantic relationship. With Meredith by her side, she embarks on a brutally honest exploration of her friendships past and present, sorting through the ways that debilitating shame and jealousy have kept the lasting bonds she craves out of reach—and how she can overcome a history of letting go too soon. But when Meredith becomes ill and Christie's baggage threatens to muddy their final days, she's forced to face her deepest fears in honor of the woman who finally showed her how to be a friend. Poignant, laugh-out-loud funny, and emotionally satisfying, *B.F.F.* explores what happens when we finally break the habits that impair our ability to connect with others, and the ways that one life—however messy and imperfect—can change another.

Jack Apr 22 2023 At a time of life when most people think of retiring, Jack Nicholson remains as energetic and charismatic as ever. Known for his trademark shark's grin and sunglasses, Nicholson has been acting for the past 37 years, and has just celebrated 25 years since the classic *The Shining* was released. This book shares the truth about this avid LA Lakers fan, partying legend, and charismatic performer, revealed with the help and cooperation of many of Nicholson's Hollywood associates. This comprehensive biography goes behind the wolfish grin to discover that there is much more to Nicholson than the good-time partying figure found regularly in gossip columns; he does remain, after all these years, untamed and wild.
