Country music superstar Mac McPhail returns to her hometown of Wintergreen, Missouri, where she learns to appreciate her family and to

open her heart to love and commitment with the man next door. Delaney Abbot has never wanted to live anywhere other than Spring Grove, Kentucky. She loves the town, the people, and the whiskey made right down the road at McElroy's Distillery. If only she could find a man in her beloved small town worthy of all that love she has to give. The first thing Reed McElroy did when he finished high school was get the heck out of Spring Grove, Kentucky. He's happy with his life as a veterinarian in the big city, and he would just as soon never step foot in his small town again. Delaney has had a crush on Reed since she was knee-high to a grasshopper, but he

never looked at her the same way. Now that tragedy has dragged him back home kicking and screaming, Reed has no choice but to make peace with a past clouded by small-mindedness and judgment. He is forced to see his hometown through grown-up eyes, and everywhere he looks, he finds local sweetheart Delaney. It seems like everyone in Spring Grove loves her. So, why shouldn't he? "When Lauren Smith begrudgingly returns to the small Vermont town where she grew up to arrange for the sale of her late grandmother's old farmhouse, she has everything she's always worked for...The moment Caleb Cochran steps through the old

screen door to fix the hot water, the glittery facade that masquerades as Lauren's life begins to crumble around her"-P. [4] of cover. Rule #1 Don't fall for the ridiculously hot straight guy Rule #2 Especially not if he's your best friend Rule #3 Extra-especially not when you're supposed to be his private tutor Rule #4 Oh, god, but those eyes Rule #5 Okay, maybe eyes are fine if you don't look south Rule #6 Don't look south Rule #7 You looked south, didn't you? Rule #8 Are you even listening? Gabe Mitchell isn't listening. What's worse, ever since he moved back to the small town he thought he'd left for good, he's turned into a habitual rule

breaker. Falling for his straight best friend, Clark Summers? Check. Falling for his straight best friend, Clark Summers, who also happens to be his newest mature student? Check. And don't you dare get him started about what's going on down south, because Gabe doesn't need to check that to know he's in deep. It's a good thing Clark's missed him these last four years, and a better thing that he's willing to do whatever it takes to have Gabe back in his life, because rules are about to be broken. All of them. And Clark's only rule? The one about being straight? It might just end up broken, too. Before the Call is the second book in the Small Town

Hearts series, which features heroes scattered across the rural United States who find love where they're least expecting it. In addition to friendship that turns red-hot, you can expect to find generous servings of vanilla ice cream that are anything but vanilla, interesting "tutoring" techniques, a nerd who's head over heels for the best friend he can't have, and a jock who loves his Dork even after years apart. Jeff Buck thought he'd seen it all. Twenty years working undercover in the netherworld of drugs had left him burned out and grateful to assume the quiet job of police chief in the small town of Reminderville, Ohio. That is,

until a simple domestic assault case turns out to have links to the murder of a drug runner in upstate New York and a syndicate smuggling billions of dollars in drugs across the U.S.-Canada border. As Buck reluctantly plunges back into his old world of death and deceit, he uncovers a complex chain linking the Hells Angels to the Russian Mafia in a plot to use Native American tribal land to smuggle their deadly wares into the United States. From grow houses set ablaze in Quebec to the insular St. Regis Mohawk Indian Reservation, from board rooms and biker wars to the frozen rivers that serve as private turnpikes for the drug gangs, Buck opposes a

serpentine criminal enterprise that has every reason to want to end his crusade in violence and bloodshed. Ultimately, his efforts lead to an unprecedented slew of indictments on both sides of the border and prison terms for even the kingpins, toppling an empire once deemed invincible. Takedown spans the period of December 2007 to June 2009. Filled with charts, worksheets, and profiles of folks who've made the move (and love it), Moving to a Small Town is an inspirational guide book dedicated to helping you pinpoint your ideal small town and make your life there work - permanently. Thinking about leaving the city? Or just

wishing you could? You're not alone. America is undergoing a rural renaissance, as countless thousands seek a simpler life and a safe, comfortable community in which to start businesses, raise families, and eventually retire. Fresh out of high school, Babe Vogel should be thrilled to have the whole summer at her fingertips. She loves living in her lighthouse home in the sleepy Maine beach town of Oar's Rest and being a barista at the Busy Bean, but she's totally freaking out about how her life will change when her two best friends go to college in the fall. And when a reckless kiss causes all three of them to break up, she may lose them a

lot sooner. On top of that, her ex-girlfriend is back in town, bringing with her a slew of memories, both good and bad. And then there's Levi Keller, the cute artist who's spending all his free time at the coffee shop where she works. Levi's from out of town, and even though Babe knows better than to fall for a tourist who will leave when summer ends, she can't stop herself from wanting to know him. Can Babe keep her distance, or will she break the one rule she's always had - to never fall for a summer boy? The Texas Matchmakers of Mule Hollow are at it again! It's been eight years since hairstylist Lacy Brown drove into town in her ancient pink

Cadillac and set the town on the map. Now, she's hired a new stylist, Izzie Cranberry who is happy to be in the town that's made history with its everlasting "wives wanted campaign" that is still running even now. But she's not looking, she's just intrigued and took the job because an old friend of hers moved to town and started over. She's doing the same thing—but man not included. Styling is all she's here for...and maybe a laugh or two from the legendary matchmakers who sit in her styling chair and think they have her on their target board. Horse trainer Luc Asher has taken a job in the town he's heard a lot about but has no

plan to be one of the "matches". He's a loner, with good reason, and as far from looking for love as a man can get. Making him the perfect target...at least that's what Esther Mae, Norma Sue and Adela, the town matchmakers, believe the moment he strides into Sam's Diner looking as handsome and alone as a man shouldn't be. Let the fun begin in this new series set in the all-time favorite town of Mule Hollow, Texas where the "Wives Wanted Campaign" lives on... This book is about a time when life was not as simple as it is today. People worked manual labor and ate very little living through tougher times than ever before

but those people survived to see our generation grow up and be able to live in a less complicated time. Those were a generation of survivors who successfully brought children into the world and raised them to survive in today's world. But when she starts to receive unsolicited gifts and messages from a stranger, her life turns to chaos. Against her better judgment, Savannah accepts Deputy Chief Mackenzie Blake's help in the investigation and is more than a little annoyed when Mackenzie suggests herself as a part-time, live-in bodyguard. Savannah isn't Mackenzie's favorite person. She's rude and entitled, and she always has to have the last word. Always. But when she and her daughter Eliana need help, protecting them becomes more than just a

job. Mackenzie's mission is to find the person harassing them before they cause real harm. Savannah's fleeting and incredibly sexy smiles don't make the task any easier, and there's no time for distractions. Not when someone waits in the shadows, watching and preparing to strike. An unexpected rescue rekindles an old romance between a single dad widower and a woman caught in a small town scandal that made her flee the one place where she belongs. Can a second chance at first love end in a happily ever after? Luke Luview has given up on love. Finally ready to let go of his late wife's clothes, the grieving small-town police officer and

single dad thinks he's hearing things when he opens the charity box door. Who knocks from the inside of a donation bin? The raccoon he assumes is in there turns out to be way prettier – and very familiar. Rescuing the first girl he ever kissed means life has dealt him a wild card with Kylie Hood, his late wife's best friend who left town suddenly fifteen years ago under a cloud of scandal. Kylie Hood will never depend on a man again. Dumped by her boyfriend and fired by his parents from her children's programming job at their ski resort in rural Maine, she hits rock bottom while throwing out her ex's clothes — along with her phone and car keys. Being

rescued by Luke Luvview, of all people, is a gift and a curse. The boy she once loved is now all grown up, everything her ex wasn't - and absolutely off limits. Accepting his offer to be his temporary nanny while she job searches in New York City, Kylie falls hard for his sweet daughter, and even harder for Luke. A clause in her employment contract means they can't fraternize, but fate has other plans, and forbidden fruit is twice as sweet. As the town she reluctantly left years ago accepts her more and more, and Luke makes it clear he wants a second chance with her in their close-knit community, Kylie has to decide: an exciting new career in

Manhattan on her own, or an instant family and a sense of belonging in her small hometown? And as Luke wrestles with the pain of being left behind by his wife's accidental death, he has to balance his responsibilities to his daughter with his own needs. Needs he's ignored for far too long. Needs only Kylie can meet. But not if she leaves. Can Luke and Kylie rekindle their first love and find a new future together in a place where love conquers all? If you're looking for a fun read about first kisses and second chances, featuring a hot single-dad police officer and his accidental nanny, set in a small town in New England, with a

golden retriever named Jester, a heroine whose dream in life is to run a fairy camp, and a hero who wants to build a place where everyone belongs-then this is your book. Grab a cup of coffee or tea, and maybe some edible glitter, and get your happy meter ready as you read the second book in the Love You, Maine, series-where love isn't just a feeling... it's a way of life. Standalone Slow burn Single dad widower Nanny/police officer Second chance ... and a golden retriever named Jester There's not much Chrissy Davenport loves more than the small town of Heirloom Point in the midst of the Christmas season. The annual wreath auction kicks off

the holiday, and even though this year's winning wreath is lackluster, Chrissy still hangs it on her candle shop's door with pride. But she can't explain the handwritten notes that begin to show up, tucked neatly into the sprigs of greenery. And she can't make sense of the memories they bring back—ones she's tried hard to forget. After a career ending injury, hockey superstar Nick McHenry has no other choice than to return to his hometown of Heirloom Point. But things aren't easy with his high school sweetheart working in the candle shop directly across from his parents' hardware store. And it's even harder to ignore the town chatter regarding his

failed career and failed past relationship. Suddenly, he's reliving the Christmas traditions he thought he'd left behind, and revisiting old feelings he figured were long gone. Will Nick and Chrissy discover that some Christmas heirlooms aren't actual things, but the people who make up those nostalgic memories? Or are memories better left in the past where they were made? An Heirloom Christmas is a heartwarming romance filled with second chances, hometown traditions, and the magical promise of the holiday season. Think you know what rural America is like? Discover a plurality of perspectives in this enlightening anthology of

stories that turns preconceptions on their head. Gracie sees a chance of fitting in at her South Carolina private school, until a “white trash”-themed Halloween party has her steering clear of the rich kids. Samuel's Tejano family has both stood up to oppression and been a source of it, but now he's ready to own his true sexual identity. A Puerto Rican teen in Utah discovers that being a rodeo queen means embracing her heritage, not shedding it. . . . For most of America's history, rural people and culture have been casually mocked, stereotyped, and, in general, deeply misunderstood. Now an array of short stories, poetry,

graphic short stories, and personal essays, along with anecdotes from the authors' real lives, dives deep into the complexity and diversity of rural America and the people who call it home. Fifteen extraordinary authors—diverse in ethnic background, sexual orientation, geographic location, and socioeconomic status—explore the challenges, beauty, and nuances of growing up in rural America. From a mountain town in New Mexico to the gorges of New York to the arctic tundra of Alaska, you'll find yourself visiting parts of this country you might not know existed—and meet characters whose lives might be

surprisingly similar to your own. Featuring contributors: David Bowles Joseph Bruchac Veeda Bybee Nora Shalaway Carpenter Shae Carys S. A. When twelve inmates pull off an audacious prison break, it liberates more than a thousand convicts into the nearby small town. The newly

freed prisoners rape, murder, and destroy the quiet community—burning down homes and businesses. An immense search ensues, but the twelve who plotted it all get away. After two years, the local and federal police agencies have yet to find them. Then, the mayor calls in Leah Hawkins, a local cop who lost a loved one that terrible night. She's placed on sabbatical to travel across the country learning advanced police procedures. But the sabbatical is merely a ruse. Her real job is to track down the infamous twelve—and kill them. Leah's mission takes her from Florida to New York and from the beaches of California to an

anti-government settlement deep in the Ozarks. But when the surviving fugitives realize what she's up to, a race to kill or be killed ensues in this nonstop tale of vengeance from the Edgar Award-winning author of *The Butcher's Boy*. "Leah proves to be both a brilliant detective and a cunning predator."

—Associated Press "Perry is an expert storyteller . . . *A Small Town* unfolds like a 1950s film noir." —Wall Street Journal And his poignant, engaging text, grounded in his memories of his own small town upbringing and populated by characters he has met in the course of his work, brings to life the essence of the small

town experience. Think "Woodstock" and the mind turns to the seminal 1969 festival that crowned a seismic decade of sex, drugs, and rock 'n' roll. But the town of Woodstock, New York, the original planned venue of the concert, is located over 60 miles from the site to which the fabled half a million flocked. Long before the landmark music festival usurped the name, Woodstock—the tiny Catskills town where Bob Dylan holed up after his infamous 1966 motorcycle accident—was already a key location in the '60s rock landscape. In *Small Town Talk*, Barney Hoskyns re-creates Woodstock's community of brilliant

dysfunctional musicians, scheming dealers, and opportunistic hippie capitalists drawn to the area by Dylan and his sidekicks from the Band. Central to the book's narrative is the broodingly powerful presence of Albert Grossman, manager of Dylan, the Band, Janis Joplin, Paul Butterfield, and Todd Rundgren—and the Big Daddy of a personal fiefdom in Bearsville that encompassed studios, restaurants, and his own record label. Intertwined in the story are the Woodstock experiences and associations of artists as diverse as Van Morrison, Jimi Hendrix, Tim Hardin, Karen Dalton, and Bobby Charles (whose

immortal song-portrait of Woodstock gives the book its title). Drawing on numerous first-hand interviews with the remaining key players in the scene-and on the period when he lived there himself in the 1990s-Hoskyns has produced an East Coast companion to his bestselling L.A. canyon classic Hotel California. This is a richly absorbing study of a vital music scene in a revolutionary time and place. Can shattered hearts be healed? Dealing with the trauma of recurring nightmares and nursing a broken heart, Zane Larsen arrives in Hope's Ridge resolved to recover his self-confidence and find a new direction for his life. However,

he's stunned to discover he still has feelings he can't ignore for his sister's best friend, the one woman in Hope's Ridge who's hated him since high school. When her business plans crumble overnight, Asha Jones is wrong to assume life can't get any worse. She's made an enemy of an influential local property developer, and the man who crushed her heart ten years earlier has returned to town. Sure, she can do her best to ignore Zane's existence, but what will she do when her feelings resurface for him? She can't go there again...can she? Zane needs to redeem himself and fight for a second chance. But is working with the man who wants to destroy Asha's

business a guaranteed way to reignite her hate - or could it be an opportunity to change her opinion of him? Finding Hope's Ridge is the first story in the Hope's Ridge small town series. Vultures wheeled overhead as Tim Watson found himself running out of fuel in the desert. Indeed he had many hair-raising encounters in his 8,000-mile ride across small-town America - severe dust storms, mountain snow, an angry rattlesnake and even angrier racoon, not to mention weird folk, and the novice rider's struggles with a huge motorcycle. His account, informative and hilarious, is a must for armchair adventurers and anyone who has ever

wondered what small-town America is really like. Teaches large businesses to use word-of-mouth and reputation-building to gain a loyal customer base in the way small businesses do. For Sophie, small town life has never felt small. With her four best friends—loving, infuriating, and all she could ever ask for—she can weather any storm. But when Sophie’s beloved Acadia High School marching band is selected to march in the upcoming Rose Parade, it’s her job to get them all the way to LA. Her plan? To persuade country singer Megan Pleasant, their Midwestern town’s only claim to fame, to come back to Acadia to headline a

fundraising festival. The only problem is that Megan has very publicly sworn never to return. What ensues is a journey filled with long-kept secrets, hidden heartbreaks, and revelations that could change everything—along with a possible fifth best friend: a new guy with a magnetic smile and secrets of his own. From New York Times bestselling author Diane Chamberlain comes a novel of chilling intrigue, a decades-old disappearance, and one woman’s quest to find the truth... “A novel about arts and secrets...grippingly told...pulls readers toward a shocking conclusion.”—People magazine, Best New Books North Carolina, 2018: Morgan

Christopher's life has been derailed. Taking the fall for a crime she did not commit, her dream of a career in art is put on hold—until a mysterious visitor makes her an offer that will get her released from prison immediately. Her assignment: restore an old post office mural in a sleepy southern town. Morgan knows nothing about art restoration, but desperate to be free, she accepts. What she finds under the layers of grime is a painting that tells the story of madness, violence, and a conspiracy of small town secrets. North Carolina, 1940: Anna Dale, an artist from New Jersey, wins a national contest to paint a mural for the post office in

Edenton, North Carolina. Alone in the world and in great need of work, she accepts. But what she doesn't expect is to find herself immersed in a town where prejudices run deep, where people are hiding secrets behind closed doors, and where the price of being different might just end in murder. What happened to Anna Dale? Are the clues hidden in the decrepit mural? Can Morgan overcome her own demons to discover what exists beneath the layers of lies? "Chamberlain, a master storyteller, keeps readers hooked, with a story line that leavens history and social commentary with romance and mystery."—Lexington Dispatch

Sam and Brody remind each other of what they want to forget—broken relationships and aching hearts. Sam lost her job and her boyfriend on the same day. In an emotional tailspin, she makes a radical decision—leave the big city for a small town, get a regular job, and slam the door on men and romance. Brody is picking up the pieces after divorce. He's hoping for a fresh start in the small community of Maple Cove. Instead, he's forced to co-manage a failing animal hospital with Sam, who hates him on sight. He's ready to do the same, even though his dog, Aramis, falls in love with her at first whiff. When an emergency forces them to work together,

will they be able to face their fears, trust their blessings, and love again? ★★★★★ "Along with the characters being relatable, the dialogue was really well written, making it easy to see this story actually happening. Overall, it's a really enjoyable book that will appeal to many readers and provide some clean, enjoyable romance. If readers love Hallmark movies, they'll definitely love this story!" -- Judge, Writer's Digest Self-Published eBook Awards ★★★★★ "I would give this wonderful sweet romance way over five stars!" KRP, Amazon Review ★★★★★ "I love a wholesome small town romance and this one is awesome! It's well written and

light hearted. It's got heartbreak and betrayal, but also love, trust, and humour." Deb E., Goodreads Review

□ Best friends, lovers once ... and now? □ Seasons in a Small Town – Spring In small-town Drago, Illinois, Zeke came by his “the Geek” nickname honestly, more comfortable with algebra and algorithms than high school’s social hallways. Though that didn’t keep him from longing for the unattainable prom queen, Jennifer. The one person who understood his out-of-the-box brain was Darcie, his best friend. For one night, Zeke and Darcie jolt from friends to lovers. Then he leaves town. Darcie knew her Zeke. He’d

never look back, wouldn’t ever see her feelings for him. Now, 17 years later, Zeke’s a self-made tech billionaire, Darcie’s a local cop, Jennifer’s divorced and Darcie’s best friend. Their town is flagging, but Darcie has a plan. It starts with luring Zeke back to Drago for its annual Lilac Festival, then persuading him to boost the town’s economy. Even if that means matchmaking him with the beautiful Jennifer he’s always longed for. She’ll do it for him, for Jennifer, for Drago. Zeke swore he’d never come back to where he was miserable, other than his connection with Darcie. But maybe being back won’t be so bad. Especially spending time

with Jennifer ... and Darcie. Now why did he think of Darcie when things were going so well with Jennifer? Darcie’s plan doesn’t get off to the best start when she puts Zeke in handcuffs, but they can get past that. For Drago’s sake, they have to. Just like she’ll get past wondering what if... From acclaimed author Phil Stamper (*The Gravity of Us* and *As Far as You'll Take Me*) comes a poignant coming-of-age, contemporary middle grade debut novel about finding your place, using your voice, and the true meaning of pride. Perfect for fans of *Rick* by Alex Gino and *The Best at It* by Maulik Pancholy. Jake is just starting to enjoy life as his school's first openly gay kid. While his family and friends are accepting and supportive, the same can't be said about everyone in their small town of Barton Springs, Ohio. When

Jake's dad hangs a comically large pride flag in their front yard in an overblown show of love, the mayor begins to receive complaints. A few people are even concerned the flag will lead to something truly outlandish: a pride parade. Except Jake doesn't think that's a ridiculous idea. Why can't they hold a pride festival in Barton Springs? The problem is, Jake knows he'll have to get approval from the town council, and the mayor won't be on his side. And as Jake and his friends try to find a way to bring Pride to Barton Springs, it seems suspicious that the mayor's son, Brett, suddenly wants to spend time with Jake. A welcome second chance... Or a recipe for disaster? After their ill-fated fling quashed her dreams, small-town chef Philippa Gayle's onetime rival-

turned-lover Dominic Crawford upended her life. But when Philippa's forced together with the celebrity cook on a project that could change her life, there's no denying that the flames that were lit years ago were only banked, not extinguished. Can Philippa trust Dominic enough to let him in...or are they just cooking up another heartbreak? From Harlequin Special Edition: Believe in love. Overcome obstacles. Find happiness. Small Town Secrets Book 1: A Chef's Kiss Enjoy this clean, small town, holiday romance by award winning and bestselling author, Lucinda Race. Can a Christmas wish come true... When social media director

Vera Davis loses her job in the city, she takes her adorable, goofy rescue pup and heads home for the holidays, to her sweet hometown of Dickens. She's hoping to move in with her mom and start a new business. But her drive is interrupted when she rescues a handsome, snowbound stranger stranded by side of the road. Newspaper reporter Tony Barbee may be a stranger to Vera, but Dickens is his hometown, too. He's come to spend Christmas with the uncle who raised him. But Vera and Tony are in for a surprise when they find her mother and his uncle living together. Aren't they moving too fast? Tony and Vera share something besides

relatives in a blossoming romance: a tradition that when they see the Christmas tree in the gazebo on the village green—a scene right out of a Norman Rockwell painting—they should make a Christmas wish. Though they resist their own growing attraction to one another, Christmas is a time of surprises and gifts, and the unexpected answer to a heartfelt holiday wish may bring Vera and Tony the greatest gift of all... Holiday Heart Wishes is the first novella in A Dickens Holiday Romance, although each book can be read as standalone. A sweet and clean romantic story with a guaranteed happily ever after.

Happy reading! From the New York Times bestselling author of *Small Town Rumors* comes a sweet Southern story of family, forgiveness, and true love. Growing up, Cricket Lawson was never one of the popular girls. And that was just fine with her. If the Belles couldn't deal with her curves or tell-it-like-is attitude, she didn't want to be friends with them anyway. Now she's perfectly content running her little bookshop and tending to her garden. Then Bryce Walton comes to town. He's sweet, friendly, and successful, and suddenly all the ladies in Bloom, Texas, are pulling out every ounce of Southern charm they have to win him over. But

they're shocked to discover the only one Bryce wants to spend time with is Cricket. When one of the Belles reaches out to her for help, Cricket will have to decide whether the opportunity for true friendship means losing the man who's quickly winning her heart. At the center of this investigation is the great modernization effort of a West German state, Bavaria, in the 1970s and 1980s, by means of a reform of the smaller units of local government. The reforms were meant to abolish all autonomous local governments serving populations of fewer than 3,000, thereby reducing the number of local governments in Bavaria from

more than 7,000 to less than 2,000. Based on interviews, surveys, and statistical research, this study chronicles fifteen communities and their challenges, developments, and social changes from post-1945 up to the present. While this book explores the decline of the iconic village community, it also reveals the survival of medieval towns in a contemporary world, and despite the modern desire for comprehensive and well-integrated services, there remains a seemingly perennial appeal of small town and village life. Peter H. Merkl is Professor Emeritus of Political Science at the University of California, Santa Barbara. He

has published extensively on comparative and German government and politics, in particular the origin of the West German Republic and German unification. He also edited a series of volumes on German politics. She's trying to save the family candle company. He's trying not to fall for Bayberry—and her—again. Kate Taylor knows what she wants in life: to one day run her family's candle business, which is at the heart of the close-knit community of Bayberry, Vermont. But the company isn't doing well. Wesley Adams is on the fast track to be an assistant vice president at his financial firm in Manhattan. Before the

promotion is announced, he's sent to this small town from his past to do an analysis of the candle company. He doesn't expect to bump into his childhood crush, Kate, and when he does, sparks fly. As he spends time in Bayberry, he falls for the town's Christmas traditions—and for her. But he has a responsibility to submit an honest report. Will it extinguish Kate's dreams...along with any chance they have for a future together? This heart-warming romance contains a free Hallmark original recipe for Cast Iron Beef Stew. He's happy as a lone wolf Firefighter Luke Trainer loves his family, but that was where he drew the

line. He had no interest in opening himself up to the pain of loving anyone who doesn't share his blood after the hell that was his childhood. Luke's carefully controlled life seemed on track. That is, until Quinn Harper came home and wreaked havoc on his heart. She's beautiful, distant and wanted to be left alone, which suited him just fine. Then her father's barn burns down, and a series of accidents suggest that something is off with the Harper family and he finds himself wanting to keep her safe. Luke gets news that the mother who left when he was a child is dead. She leaves a younger brother that he and his brothers must step in and

claim. The life that he'd carefully built for himself was imploding fast. But the one person he found himself turning to constantly was Quinn. She's got no time in her life for love After joining the air force at eighteen, Quinn worked hard to become a fighter pilot, a goal she's had since childhood. There was no time for boyfriends or fashion, or the things her old school friends had been doing. Dedication and focus was how she lived her life. She hadn't planned to go home to Ryker Falls. Her life was the air force, but when her father has an accident, she knows it's time. Time to reassess what she's realized. Quinn wanted a place

to call home, and someone to share it with. Finding the sexy Luke Trainer still there had been a surprise. The man had turned his life around, but like her, she knew beneath the surface there were demons. When they are continually thrown together, she realizes that in Luke she's found something she never knew she was missing. Someone who understands her. As their spark of attraction flares into a fully fledged inferno, Quinn and Luke are facing a scary, uncertain future. Will forgiveness allow them the chance to make things work? Or will the scars and danger of the past keep them apart forever? BOOKS IN THE

Heartbroken and lost.

That's how Annie Collins left small-town Crestpoint Beach when she was eighteen and an aspiring interior designer. And that's how she returns years later, starting over as a widow at thirty-five. Coming home to help care for her aging father while she sorts out her life, Annie moves into her grandparents' old beach house. The big, beautiful home needs a little TLC, but Annie has the support of her free-spirited younger sister, Hannah, who dreams of turning the beach house into a B&B together. If only repairing Annie's wounded heart were that easy. Complicating things even more, her high school heartbreak, Noah Davis, still lives in

Crestpoint Beach. Now the town's favorite science teacher, recently divorced single dad Noah is the same handsome, charming man he was back then. Soon, that charm draws Annie back into his life with his teenage daughter, Lainey. Noah walked away from Annie once; will he stand by her this time, even when his ex-wife would like nothing better than to split them apart? BACK TO YOU is a clean contemporary romance, and Book 1 of the Turning Tides B&B series. The second, highly anticipated novel from Carnegie-shortlisted author Bonnie-Sue Hitchcock. Come on a journey across the rural American West . . . Meet the teenagers who live

in the small towns across these states, separated by distance, but whose stories are woven together in the most unexpected of ways. Whether they are brought together by the spread of wildfire, by the priest who's moved from state to state or by the hunt for a missing child, these incredible tales blaze with secrets, rage and love. A novel like no other, this intricate, intense and beautiful book will take your breath away. 'A clever and unusual novel . . . powerful.' Sally Nicholls 'Gorgeous and compelling . . . breathtaking.' Katherine Webber 'A beautiful literary writer.' The Bookseller 'It's cut like a gemstone. Turn the pages, and

facets gleam.' Hilary McKay 'Beautifully observed and deeply satisfying.' Lisa Williamson 'Breathes life into wonderful, complex characters.' Lisa Heathfield 'A heartbreakingly brilliant tangle of teenage voices.' Judith Eagle 'Content warning: child abuse, arson, bereavement, addiction' A revealing examination of small-town life More than thirty million Americans live in small, out-of-the-way places. Many of them could have joined the vast majority of Americans who live in cities and suburbs. They could live closer to more lucrative careers and convenient shopping, a wider range of educational

opportunities, and more robust health care. But they have opted to live differently. In Small-Town America, we meet factory workers, shop owners, retirees, teachers, clergy, and mayors—residents who show neighborliness in small ways, but who also worry about everything from school closings and their children's futures to the ups and downs of the local economy. Drawing on more than seven hundred in-depth interviews in hundreds of towns across America and three decades of census data, Robert Wuthnow shows the fragility of community in small towns. He covers a host of topics, including the symbols and rituals of small-town life,

the roles of formal and informal leaders, the social role of religious congregations, the perception of moral and economic decline, and the myriad ways residents in small towns make sense of their own lives. Wuthnow also tackles difficult issues such as class and race, abortion, homosexuality, and substance abuse. Small-Town America paints a rich panorama of individuals who reside in small communities, finding that, for many people, living in a small town is an important part of self-identity. Granville Hicks was one of America's most influential literary and social critics. Along with Malcolm Cowley, F. O. Matthiessen, Max

Eastman, Alfred Kazin, and others, he shaped the cultural landscape of 20th-century America. In 1946 Hicks published *Small Town*, a portrait of life in the rural crossroads of Grafton, N.Y., where he had moved after being fired from Rensselaer Polytechnic Institute for his left-wing political views. In this book, he combines a kind of hand-crafted ethnographic research with personal reflections on the qualities of small town life that were being threatened by spreading cities and suburbs. He eloquently tried to define the essential qualities of small town community life and to link them to the best features of

American culture. The book sparked numerous articles and debates in a baby-boom America nervously on the move. Long out of print, this classic of cultural criticism speaks powerfully to a new generation seeking to reconnect with a sense of place in American life, both rural and urban. An unaffected, deeply felt portrait of one such place by one of the best American critics, it should find a new home as a vivid reminder of what we have lost-and what we might still be able to protect. The author of dozens of acclaimed novels including those in the Scudder and Keller series, Lawrence Block has long been recognized as one of

the premier crime writers of our time. Now, the breathtaking skill, power, and versatility of this Grand Master are brilliantly displayed once again in a mesmerizing new thriller set on the streets of the city he knows and loves so well. That was the thing about New York -- if you loved it, if it worked for you, it ruined you for anyplace else in the world. In this dazzlingly constructed novel, Lawrence Block reveals the secret at the heart of the Big Apple. His glorious metropolis is really a small town, filled with men and women from all walks of life whose aspirations, fears, disappointments, and triumphs are interconnected by bonds as

unbreakable as they are unseen. Pulsating with the lives of its denizens -- bartenders and hookers, power brokers and politicians, cops and secretaries, editors and dreamers -- the city inspires a passion that is universal yet unique in each of its eight million inhabitants, including: John Blair Creighton, a writer on the verge of a breakthrough; Francis Buckram, a charismatic ex-police commissioner -- and the inside choice for the next mayor -- on the verge of a breakdown; Susan Pomerance, a beautiful, sophisticated folk-art dealer plumbing the depths of her own fierce sexuality; Maury Winters, a defense attorney who prefers murder

trials because there's one less witness; Jerry Pankow, an ex-addict who has turned being clean into a living, mopping up after New York's nightlife; And, in the shadows of a city reeling from tragedy, an unlikely killing machine who wages a one-man war against them all. Infused with the raw cadence, stark beauty, and relentless pace of New York City, Small Town is a tour de force Block fans old and new will celebrate. One last thing, if you do fall in love with him, please go slowly. Be careful. Trust your gut and know not all things are easy. Damaged things can become beautiful if they're placed in the right hands. -Love, GranA small town where pickup

trucks rule, the farmer's market is bigger than the grocery store, and just about everyone goes to church on Sunday is the last place Henley Warren expects to find herself three months after her grandmother's death. But Gran left a list of things she needed Henley to do after she died, and fulfilling those wishes means spending a summer in the same place her mom fled from when she was only seventeen years old. With each task that is ticked off the list, events are set in motion that uncover secrets surrounding Henley's life. Although Henley may have arrived on the shores of Alabama's Gulf Coast feeling alone and lost in a world

without her Gran, things soon change. The small town holds more than she realized- including a broody, gorgeous, potentially dangerous guy who is always showing up when she needs him the most. Henley fears her heart isn't ready to trust someone so unpredictable but he makes her feel things deeper than she thought possible. So, when Henley discovers the twisted, dark world he is living in, will it be too late to save her heart? Or has her heart been beyond saving from the moment he stepped out of his truck on that very first day?
