There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. Allah: The Concept of God in Islam Aug 20 2023 Humans are comprised of a body and a soul, yet most of them take care of their bodies and forget about their souls. This book wakes them up, the author hopes, and provides them with a dose of spirituality which they may never have had before. This book is written for everyone, and its stories will appeal to many, if not most, people who will find in them beauty and universality: There is One God, one human family started by Adam and Eve, one truth, one heaven, one hell, one right and one wrong... and one religion. Call any of these by any name, it does not matter, for calling a rose by any other name does not change its beauty, hue, aroma or anything else. So is the case particularly with God whom the Muslims prefer to call "Allāh" for reasons which the book explains. This Volume

discusses the “99 Attributes of Allāh” or how Muslims view their Creator. Knowing a maker is done by knowing what he makes. It discusses not only prominent figures but other beings as well: jinns (or genies), angels, demons, etc. It narrates interesting tales about a number of God’s prophets and messengers such as Noah, Moses, Abraham, David, Solomon and Jesus Christ, peace with them all and many, many salutations. **The Interpretation of The Meaning of The Holy Quran Volume 3 - Surah Al-Baqarah verse 131 to 170.** Dec 12 2022 I have written many books and articles on various topics but since 2013, I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah, I have completed the whole Quran on 29th October 2020 with 84 books. Hebrews (2 volumes in 1 / ESV Edition) Jan 21 2021 The book of Hebrews conveys a double dose of spiritual power: it not only presents the supremacy of Jesus Christ unlike any other New Testament book, but it also repeatedly demands a heart response from the reader. No one can study Hebrews and not grow spiritually as he or she comes face to face with God’s one and only Son. In this insightful commentary, readers will find a gold mine of helpful discussion related to a book of the Bible that is easily misunderstood and often overlooked. With divisions and outlines that are never forced but flow naturally from the text, this updated volume in Crossway’s Preaching the Word series will be a great resource for anyone studying or teaching the book of Hebrews. Part of the Preaching the Word series.

THE LATTER-DAY SAINTS' MILLENNIAL STAR. VOLUME XVI. Jul 15 2020

Allah and Elohim Jun 06 2022 It has been said that the opposite of faith is not doubt, but certainty. Drawing on this notion, *Stories of a Recovering Fundamentalist: Understanding and Responding to Christian Absolutism* recounts the author's journey as a member of the fundamentalist subculture as a child and his life among the Jesus Freaks (Jesus Movement)-- a congregation of deserters from the hippie drug culture of the late 1960's and early 1970's. This movement, though of great importance in the culture of the times, now largely goes unrecognized--although the Jesus Movement provided the cover stories for many prominent

secular magazines chronicling the youth culture of the late 60's and early 70's. While, not devoted to a history of the Jesus Movement, the book does a service in bringing a discussion of the Jesus Freak phenomenon to the attention of today's readers. The book goes on to recount the author's eventual abandonment of fundamentalism. As the story unfolds, critical research related to the psychology, sociology, and history of the subculture provides a framework for understanding Christian fundamentalism. Stories of a Recovering Fundamentalist recounts a gripping personal pilgrimage at times both humorous and painful that is rooted in honest reflection and informed by theory and research. It offers worthwhile reading for mainline Christians, curious evangelicals, recovering fundamentalists or anyone wanting to understand this timely topic.

Originally preached as sermons to the Avenue Road congregation in Toronto, this follow-up to *The Attributes of God Volume 1* examines ten more attributes of God. It also includes a study guide for an in-depth look at each attribute: Self-Existent Transcendent Eternal Omnipotent Immutable Omniscient Wise Sovereign Faithful Loving Steeped in Scripture and filled with the Spirit, Tozer preached with striking clarity and power. The sense of his sermons comes through on every page, bringing the Word of God to bear upon you.

Acts (6 volumes in 3) Jul 27 2021 The book of Acts records some of the most important events in the New Testament: the birth of the church, the coming of the Holy Spirit, bold preaching and dramatic missionary journeys. In addition to providing incredible insights into the growth of the apostolic church, Acts also encourages and challenges Christians today, spurring readers on to wholehearted devotion to Christ. In this newly revised, three-volume collection of sermons, famed preacher Dr. Martyn Lloyd-Jones explains the message of the first eight chapters of Acts with clear language and pastoral warmth. From Peter's bold preaching to the dramatic stoning of Stephen, Lloyd-Jones points readers back to the foundational figures and key events of the Christian faith, emphasizing the basic truths undergirding genuine belief.

The Interpretation of The Meaning of The Holy Quran Volume 76 - Surah Al-Qalam, Surah Al-Haqqah Nov 11 2022 I have written many books and articles on various topics but since 2013, I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah, I have completed the whole Quran on 29th October 2020 with 84 books. I believe there is a great need in the whole world for the correct interpretation of the Holy Quran to be written in English. Currently, there is a great misunderstanding about Islam among Muslims and non-Muslims globally. The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims. The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non-Muslims. The wrong actions of the Muslims have led to many miseries and wars among

Muslims. The wrong actions of Muslims have also led to many wars and clashes between Muslims and non-Muslims. In order to avoid miseries, wars and clashes from taking place between the whole mankind in the whole world, the whole mankind in the whole world need to understand the true teaching of Islam. There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran. The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world (English). For this very reason I have written the interpretation of the Holy Quran in English.

I Lost my Heart in God - Volume 1 Oct 30 2021 God says: "The 21st century belongs to the one-world-family centred on me, its Creator. My prophecy of a new heaven and a new earth was written down in the books of many religions. I, God, revealed to the author that the new heaven represents the realization of my will. Once this happens, I will be a visible God for mankind. When the prophecy talks about a 'New Earth', it stands for the time when the earth will be populated with my loved ones who truly belong to me, their Creator. Therefore, it is now time to establish my Kingdom, the Kingdom of God, wherein all people, every one of them, have a living relationship with me." This was spoken directly to humanity by the Creator of all creations. This book will reveal many secrets about God's heart and help each person to grow in the love of God.

The Qur'anic Hadith and Sunnah Oct 10 2022 The Qur'anic Hadith and Sunnah is an in-depth look at the position of the reported sayings and practices of the Last Messenger of Allah, Muhammad, from the perspective of the Qur'an. We will look at what the Qur'an says about what is and what is not allowed to be followed in terms of religious obligations, beliefs and practices. Detailed, in context verses will be quoted extensively to show overwhelmingly that looking to the writings of the hadith authors and Imam school of thoughts, shirk sectarianism in normal parlance, for guidance is rejected by Allah and His Best Hadith, the Qur'an. It was a sunnah of the Messenger to follow the Qur'an alone and any and all speech, hadith, was based upon revealing the Qur'anic verses to his contemporaries who only used this to improve their lives beyond measure. The following sums this up in 4 verses:5:44 ...And whoever fails to judge or rule by what God has revealed, such are wrongdoers ('Zalimoon'). 5:47 ...And whoever fails to judge or rule by what God has revealed, are drifters from the right path ('Faasiqoon').5:48 (O Messenger) We have sent to you this Divine Writ, setting forth the truth. It confirms the remaining truth in the earlier Scriptures since it is a Watcher over them. So, judge between them by what God has revealed, and do not follow their desires diverging from the truth that has come to you. For each community among you We have appointed certain evolving trends and a traced-out way. If God had willed, He could have made you all one single community. But He decided to let you test yourselves by what (potentials) He has granted you. So, outdo one another in doing good to the society. To God you will all return, and He will then make you understand wherein you differed. [2:101, 2:148, 3:78, 21:92-93, 23:52. 'Muhaimin' = Watcher. 'Shari'ah' = Evolving trends of a

community = Rites. 'Minhaaj' = A traced-out way = A set of laws. 'min-al-kitab' = From or remaining from the Scripture].5:49 So judge between them by what God has revealed. And do not follow their vain desires. Beware of them, lest they divert you from some of what God has revealed to you. If they turn away from the truth, be assured that God has decided to chastise them for some of their crimes. A great many people drift away from the right path. And this quote as an appetizer for the main course, rejecting the hadith requirement for rule making:2:168 (Declaring things permissible or forbidden is trying to 'rival' God.) O Mankind! Partake and enjoy the lawful, good and wholesome things of the earth, and do not follow the footsteps of the Satan. Indeed, he is an open enemy to you. [Satan, the rebellious desires, and satanic people lead people into transgressing. Mubeen = Open = Obvious = Known.]2:169 He teaches you to create inequities in the society, lewdness and stinginess amounting to shame, and that you should say about God what you do not know. ['Fahasha' = Lewdness = Stinginess to the point of shame = Indecent acts. The satans in the society set up rules contrary to the Divine revelation. They make their own lists of permissible and forbidden and teach people that accumulation of wealth is perfectly alright. Nay, spend on God's servants all that is beyond your needs.]2:170 When it is said to them, "Follow what God has revealed", they say, "Nay! We will follow the ways of our ancestors." What! Even though their ancestors (and the ancient Imams) were lacking in understanding and were not rightly guided? 2:171 The likeness of such blind followers is that (of a herd of sheep) which hear the shepherd's call, but hear in it nothing more than a sound and a shout. Deaf, dumb, blind, for they do not use their reason. [This is subhuman level of existence 7:179. 'Unq = Shepherd's call. Shepherd here pertains to religious leaders who have learned some meaningless words or tenets, and a herd of sheep is the masses that blindly follow them.]

Explanation of Quran Words - Jan 01 2022 "Explanation of Quran Words Word by Word" is completely Arabic Book. It is a comprehensive book that explains all the words of the Holy Quran. In spite of the multiplicity of Holy Quran explanation Books, but this book is the only book that includes an explanation of each and every word without any exception. The words have been arranged vertically in order to develop the explanation of each word next to it, and thus becomes a book to read the Holy Quran, and to review the Explanation of every word at the same time, which relieves the burden on the reader by using one book instead of two books. Perhaps the inclusion of the book to all the explanation of all words, whether their meanings look difficult or easy, relaxes the reader when he reads in a comprehensive and integrated book, in particular that there are a lot of words that may seem to have a clear explanation to a lot of readers, but the readers will become surprised when they discover that the explanation of these words are contrary to their expectations. It is worth mentioning that the text of Quranic words in this book does not tolerate any misspelling possibility, because they have been derived from the electronic othmani version of the Holy Quran issued by King Fahd Complex in Medina Monawwara. The book consists of three volumes, and each volume consists of about ten parts(Ajza'). The pages of the book have been arranged so that the starting of every part(Joz') is always at the top of the page, and the name of the sura and part(Joz') number at the top of each page. On the other hand, the verse(Aya) number was developed to the right of each word. For further convenience of the reader every other verse(Aya) has been shaded to distinguish between the different successive verses(Ayat) during reading. It is worth noting that reading a page starts from the top of the right column down to the bottom and then the top of the left column down to the bottom, and so on. The contents of each Volume is available at the end of the book, where it is easy to find the page number for the beginning of each Sura.
