I Don't Want to Be a Frog Oct 25 2020 The hit book about a willful young frog with a serious identity crisis and his heard-it-all-before father. Perfect for fans of Mo Willems's Don't Let the Pigeon Drive the Bus! and Jon Klassen's I Want My Hat Back! Frog

wants to be anything but a slimy, wet frog. A cat, perhaps. Or a rabbit. An owl? But when a hungry wolf arrives—a wolf who HATES eating frogs—our hero decides that being himself isn't so bad after all. In this very silly story with a sly message, told in hilarious dialogue between a feisty young frog and his heard-it-all-before father, young readers will identify with little Frog's desire to be something different, while laughing along at his stubborn yet endearing schemes to prove himself right. And look for the hilarious sequels—I Don't Want to Be Big, There's Nothing to Do!, and I Don't Want to Go to Sleep. ☐ "First-time author Petty's dialogue between a frog father and his son makes its point about accepting one's nature with a big grin. . . . The story might create similar gratitude in the minds of readers—or it might just make them giggle."—Publishers Weekly, STARRED REVIEW "A lively look at self-acceptance."—Kirkus Reviews "This amusing story ends with a laugh and a much more content frog."—School Library Journal "Silliness and deadpan humor combine into a hopping good story of being happy with who you are."—Booklist "A paean to self-acceptance wrapped in snappy dialogue and illustrated with richly colored comic paintings."—Wall Street Journal "Petty and Boldt provide just enough predictability to hook youngest readers, then deliver a delightful twist or two to create surprise and satisfaction—for both the green hero and the many fans he'll make with this book."—Shelf Awareness "This lighthearted exploration of identity will delight as a readaloud."—The Bulletin of the Center for Children's Books

How to Be a Wildflower Feb 21 2023 A field guide to finding calm, creativity, and self-discovery through encounters with nature. A fresh perspective, an outdoor exploration, a new adventure about to begin—How to Be A Wildflower is a book for celebrating these and other wide-open occasions. How to be a Space Explorer Feb 26 2021 Everything young explorers needs to know to travel in space, covering what life in zero gravity is like, how to find your way around the solar system, and the all-important question of how to pee in a spacesuit!

How to be a Para Pro Dec 19 2022 This text carefully addresses the difficulties encountered by teaching or classroom assistants working with children with pervasive developmental disorder, autism and Asperger syndrome.

I Don't Have Enough Faith to be an Atheist Jul 22 2020 I don't have enough faith to be an atheist argues that Christianity requires the least faith of all worldviews because it is the most reasonable.

The authors lay out the evidence for truth, God, and the Bible in logical order and in a readable, non-technical, engaging style. A valuable aid to those interested in examining the reasonableness of the Christian faith, Geisler and Turek provide a firm challenge to the the prior beliefs of doubters and skeptics.

How to Be a World-Class Christian Aug 03 2021 How To Be A World-Class Christian shows the reader how to expand in understanding Scripture, increase in global praying and intensify crosscultural outreach—beginning at home.

How to Be a Superstar Salesperson Jul 02 2021 THIS BOOK IS NOT JUST FOR SALESPEOPLE Look at what others have to say: \*As I have read and reread and read again "How to Be a Superstar Salesperson," the information I learned translates into strategies I can immediately infuse into my routine. In other words, this is not some book with abstract language and feel good ideas to motivate people to sale. Rather, this is a meat and potatoes publication that anyone can read and immediately start putting more food on the table. This is real strategy that translates, once applied into real money. \*This book is concise, informative and easy to read. It's not only helpful for Sales but for other occupations. The section on "The Art of Listening" has good tips for my job as a Customer Service Professional. Those sane tips can help in everyday life too! \*If readers follow the simple fundamentals provided, sales will follow. \*I really thought that a book on sales would have nothing to do with my vocation as a chaplain. As a chaplain working within a mental health practice to integrate spiritual care into our

services, I discovered that the SPIN and FAB examples and examples of handling objections gave me a new perspective on engaging with other team members. These important business skills also helps me to connect, communicate and sell my ideas to management.

So You Want to Be a Teacher? Mar 30 2021 So You Want to Be a Teacher is a bit of light reading in a troubled world today. I left names by the wayside and emphasized actions, especially innovative behavior. The students I enjoyed were full of mischief, but for the most part, it was simply that—mischief. Very few of the students I taught in my forty years were bad—they just needed a bit of love and understanding. Who cares what Socrates said when you are a student who had no supper the night before? I try to be a stepping-stone, not a stumbling block.

*What It's Like to Be a Bird* Jan 20 2023 The bird book for birders and nonbirders alike that will excite and inspire by providing a new and deeper understanding of what common, mostly backyard, birds are doing—and why: "Can birds smell?"; "Is this the same cardinal that was at my feeder last year?"; "Do robins 'hear' worms?" "The book's beauty mirrors the beauty of birds it describes so marvelously." —NPR In *What It's Like to Be a Bird*, David Sibley answers the most frequently asked questions about the birds we see most often. This special, large-format volume is geared as much to nonbirders as it is to the out-and-out obsessed, covering more than two hundred species and including more than 330 new illustrations by the author. While its focus is on familiar backyard birds—blue jays, nuthatches,

chickadees—it also examines certain species that can be fairly easily observed, such as the seashore-dwelling Atlantic puffin. David Sibley's exacting artwork and wide-ranging expertise bring observed behaviors vividly to life. (For most species, the primary illustration is reproduced life-sized.) And while the text is aimed at adults—including fascinating new scientific research on the myriad ways birds have adapted to environmental changes—it is nontechnical, making it the perfect occasion for parents and grandparents to share their love of birds with young children, who will delight in the big, full-color illustrations of birds in action. Unlike any other book he has written, *What It's Like to Be a Bird* is poised to bring a whole new audience to David Sibley's world of birds.

*How to Be a Sports Agent* Apr 11 2022 While the job of a sports agent is simple in principle—find the best contracts, endorsements, and sponsorships for clients—in practice it is a tricky and often confusing profession. This thorough volume provides essential information and invaluable hints on every aspect of the sports agent career path, with topics addressed including how to create and verify watertight legal contracts; how to draft and negotiate successful marketing, merchandising, licensing, and sponsorship deals; and how to act as both a good agent and a good personal adviser. Tips on acquiring new clients and keeping all parties happy as your clientele expands round out this indispensable resource.

*I Wanna Be a Producer* May 20 2020 (Applause Books). What does a "producer" actually do? How does one travel from that great idea for a show to a smash

hit opening night on Broadway? John Breglio cannot guarantee you a hit, but he does take the reader on a fascinating journey behind-the-scenes to where he himself once stood as a child, dreaming about the theatre. Part memoir, part handbook, *I Wanna Be a Producer* is a road map to the hows and wherefores, the dos and don'ts of producing a Broadway play, written by a Broadway veteran with more than 40 years of experience. This comprehensive and highly informative book features practical analysis and concepts for the producer and is filled with entertaining anecdotes from Breglio's illustrious career as a leading theatrical lawyer and producer. Breglio recounts not only his first-hand knowledge of the crucial legal and business issues faced by a producer, but also his experiences behind the scenes with literally hundreds of producers, playwrights, composers, and directors, including such theatre luminaries as Michael Bennett, Joe Papp, Stephen Sondheim, Andrew Lloyd Webber, Patti Lupone, August Wilson, and Mel Brooks. Whether you are a working or aspiring producer, an investor, or are just curious about the backstage reality of the theater, Breglio shares his knowledge and experience of the industry, conveying practical information set against the real-life stories of those who have devoted their lives to the craft.

How to Be a Lion Jun 13 2022 From the New York Times bestselling author/illustrator of *Max the Brave* comes an inspiring and adorable picture book about a pair of unlikely friends who face down a pack of bullies. In this timely and charming story about the importance of being true to yourself, mindfulness, and standing by your friends, we meet

Leonard, a lion, and his best friend Marianne, a . . . duck. Leonard and Marianne have a happy life together—talking, playing, writing poems, and making wishes, But one day, a pack of bullies questions whether it's right for a lion and a duck to be pals. Leonard soon learns there are many ways to be a lion, and many ways to be a friend, and that sometimes finding just the right words can change the world . . . This sweet, funny, thoughtful, and much-needed story will open up readers' eyes to the importance of being who they are and not backing down to hurtful criticism. It's an empowering tale about connecting with others and choosing kindness over bullying, and shows children how angry and provocative words can be overcome by empathy and inner courage.

How not to be a diplomat Sep 04 2021

I Have the Right to be a Child Apr 18 2020 With a very simple text accompanied by rich, vibrant illustrations a young narrator describes what it means to be a child with rights -- from the right to food, water and shelter, to the right to go to school, to the right to be free from violence, to the right to breathe clean air, and much more. The book emphasizes that these rights belong to every child on the planet, whether they are "black or white, small or big, rich or poor, born here or somewhere else." It also makes evident that knowing and talking about these rights are the first steps toward making sure that they are respected. A brief afterword explains that the rights outlined in the book come from the Convention on the Rights of the Child, which was adopted by the UN General Assembly in 1989. The treaty sets out the basic human rights

that belong to children all over the world, recognizing that children need special protection since they are more vulnerable than adults. It has been ratified by 193 countries, with the exception of Somalia and the United States. Once a country has ratified the document, they are legally bound to comply with it and to report on their efforts to do so. As a result, some progress has been made, not only in awareness of children's rights, but also in their implementation. But there are still many countries, wealthy and poor, where children's basic needs are not being met. To read a summary of the Convention on the Rights of the Child, go to [www.unicef.org/crc/files/Rights\\_overview.pdf](http://www.unicef.org/crc/files/Rights_overview.pdf).

Alien Phenomenology, Or, What It's Like to be a Thing Aug 23 2020 Examines the author's idea of object-oriented philosophy, wherein things, and how they interact with one another, are the center of philosophical interest.

*Summary: How to Be a Power Connector* Apr 30 2021  
The must-read summary of Judy Robinett's book: "How to Be a Power Connector: The 5+50+100 Rule for Turning Your Business Network into Profits". Prepare to power connect 2. Target, connect and engage 3. Reconnect, activate and multiply 4. Connect your contacts with others Added-value of

this summary: • Save time • Add value to your connections • Create new opportunities using your network To learn more, read "How to Be a Power Connector" and find out how you can start power connecting and adding value to your network!

You Were Born to Be a Saint Jul 26 2023 A Catholic children's book about the Saints. Following the alphabet, 'You Were Born to Be a Saint' takes a look at all the different ways you can fulfill your call to Sainthood.

Tips On How To Be A Better Man Jan 28 2021 This guide is designed for men who feel that some changes could improve their lives. Men who feel lost, for some reason, and need a little push into a right direction. Men who want to be manlier. If you ended up reading this, you are probably one of them. The set of advices introduced here will help you to achieve higher standards of your life, start looking wider around yourself, seeing things you have never thought about before or thought were not so important. This is not, however, a set of commandments which you have to obey no matter what. Every person is different, has different needs and expectations. Bringing some of the advices into life should be consulted with a competent person (such as dietician or psychologist). It is a collection of general outlines elaborated and based on personal experience as well as conversations about life with friends and strangers. The guide should be confronted with common sense so that neither you nor people close to you get hurt. Related advices: - Correct life attitude, - Work, - Right habits, - Self Improvement, - Relationships, - Health, - Woman Ok, enough with the talking. Let's get started and

change your life for better today!

You Can Afford to Be A Pilot Oct 05 2021 The purpose of this book is not to teach ground school or flight training, but is intended to teach the reader how to shop for these services and, once purchased, how to keep them affordable, efficient and useful. Certified FAA Instructor Timothy O'Connor uses his twenty years of experience with technical subjects and adult training to bring flying to people on a middle-income budget.

*It's Hard to Be a Person* Nov 18 2022 Years ago, somewhere on the Internet, I posted a few dumb drawings making fun of my own anxiety and depression. The response to them was warmer than anticipated, and people kept asking for more. Blending humor with pure depression seemed to strike a chord with a decent amount of people. So I kept going, and after about three years of drawing, I had enough dumb drawings for a book. Mental health is a serious thing, and it gets heavier when humans don't talk about it outwardly. I bottled up feelings for many years. Feelings I considered "dark", "weak", "downhearted", "embarrassing", "shameful" or any number of self-deprecating words. But after saying (or drawing) them out loud to people, all that weight went away and I realized it was normal to feel these feelings. Humor has always been a primary mode of therapy for me. I still make fun of my own anxiety and "depresh" as catharsis. I sing about it on tour, talk about it on my podcast, and draw pictures of it here in this book. Putting my formerly-private-feelings out into the world has been tremendous therapy for me, and I wish I would've done it sooner. Over the span of many years,

I've been illustrating the "hacks", "strategies", or "exercises" that have worked best for me in combating the struggles in my head. More than anything I want this book to be useful for people. I'm not a doctor, just a person who spends too much time in my head. The objective of *It's Hard to Be a Person* is not to give unsolicited advice, but to hopefully save you some headaches on the long n' winding road of life in your brain.

*How to Be a Bawse* Oct 17 2022 \*Winner of the 2017 Goodreads Choice Awards: Non-Fiction Book of the Year!\* The official debut book from YouTube phenomenon Lilly Singh. 'The ultimate no-nonsense manual for millennials how how to make it to the top' Marie Claire From actress, comedian and YouTube sensation Lilly Singh (aka Superwoman) comes the definitive guide to being a BAWSE - a person who exudes confidence, reaches goals, gets hurt efficiently, and smiles genuinely because they've fought through it all and made it out the other side. Told in her hilarious, bold voice that's inspired over 9 million fans, and using stories from her own life to illustrate her message, Lilly proves that there are no shortcuts to success. WARNING: This book does NOT include hopeful thoughts, lucky charms, and cute quotes. That's because success, happiness and everything else you want in life needs to be fought for - not wished for. In Lilly's world, there are no escalators. Only stairs.

How to Be a Great Student Mar 22 2023 There are a LOT of Study Tips books out there. Most of them are basically Top 10 lists of the same advice you've heard a hundred times before. It's not rocket science. Be honest: we all know what we need to do.

So what would actually work? THIS BOOK is the one that offers something truly different. You have the chance to read something extraordinary—the true story of how one smart kid who had no study skills TRANSFORMED herself into a GREAT STUDENT. Part memoir, part how-to, part teacher-confessional, How to Be a Great Student is the no-holds-barred frank words of wisdom from Kimberly Hatch Harrison, co-founder of SOCRATICA. Are you a smart kid who coasted by getting good grades with no effort until suddenly you hit a brick wall? This book will really resonate with you. Kimberly tells the story of how she worked her way from clueless kid to the highest heights of academia, figuring out all these skills the hard way. These super-effective learning techniques took her from one of the top prep schools in the country, to Caltech, and then Princeton. What does it take to succeed at the very best schools? You can't find this kind of inside information anywhere else. This book ties in with the Study Tips video series on Socratica's YouTube channel.

([youtube.com/socratica](https://youtube.com/socratica)). Intended audience: anyone in high school or college who is ready to take an honest look at themselves and change their habits. Real talk: this book won't work unless you do your part. In this book, you'll find guidance on:

- Preparing your Study Space
- Taking Notes in Class and Reading (Cornell Notes Technique
- Using a Planner for Effective Time Management
- The Pomodoro Technique to Avoid Burnout
- How to Study for a Test (Smart Test Prep)
- How to Improve your Memory
- How to Use Flashcards the SMART Way
- How to Use the Feynman Technique

- How to TAKE a Test
- How to Answer

Multiple Choice Questions • How to Improve Your Writing. How to Take Online Classes (Bonus Chapter written especially for today's challenges)What's more, you'll learn these techniques from an understanding, empathetic teacher who was once EXACTLY where you are now.

How to Be a Perfect Christian Dec 07 2021 With a biting, satirical style reminiscent of The Onion, How to Be a Perfect Christian takes a humorous look at the quirks of cultural Christianity while subtly challenging the reader to search for more than a cultural faith. Written in the trademark style of The Babylon Bee, this book humorously satirizes cultural Christianity while peppering in subtle challenges to the reader. Through humor and sarcasm (and a handy meter to rank your "holiness" as you progress through the book), readers will be called to find a more biblical understanding of the Christian faith, all while poking fun at the quirks of the modern, American Christian community.

How to Be a Detective Mar 10 2022 DigiCat Publishing presents to you this special edition of "How to Be a Detective" by James Brady. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

How to be a Good Global Neighbour Jan 08 2022 A seven-part Bible study to reflect on how Christians can partner with the global church for justice. These studies are an exploration of what the Bible

says about some key issues in global mission. They aim to help you explore a model of mission partnership that is respectful, mutual and life giving.

To be a Revolutionary May 12 2022

*I Want to Be a Ballet Dancer* Dec 27 2020 Aspiring young dancers will learn about the grace, strength, and determination it takes to become a ballet dancer in this exciting book.

*So You Want to Be a Neuroscientist?* Jun 20 2020 The pursuit to understand the human brain in all its intricacy is a fascinatingly complex challenge and neuroscience is one of the fastest-growing scientific fields worldwide. There is a wide range of career options open to those who wish to pursue a career in neuroscience, yet there are few resources that provide students with inside advice on how to go about it. *So You Want to Be a Neuroscientist?* is a contemporary and engaging guide for aspiring neuroscientists of diverse backgrounds and interests. Fresh with the experience of having recently launched her own career, Ashley Juavinett provides a candid look at the field, offering practical guidance that explores everything from programming to personal stories. Juavinett begins with a look at the field and its history, exploring our evolving understanding of how the brain works. She then tackles the nitty-gritty: how to apply to a PhD program, the daily life of a graduate student, the art of finding mentors and collaborators, and what to expect when working in a lab. Finally, she introduces readers to diverse young scientists whose career paths illustrate what you can do with a neuroscience degree. For anyone intrigued by the

brain or seeking advice on how to further their ambitions of studying it, *So You Want to Be a Neuroscientist?* is a practical and timely overview of how to learn and thrive in this exciting field.

*How to be a Nurse or Midwife Leader* Jun 01 2021 *How to be a Nurse or Midwife Leader* is an indispensable guide for all nurses and midwives who wish to develop and improve their practice as leaders. Written in collaboration with the NHS Leadership Academy, this practical book draws on the real experience of over 10,000 nurses and midwives to bring leadership dilemmas to life in specific situations. Key learning features include: How to develop your self-awareness How to develop your personal impact and presence How to survive and thrive How to get your message across How to get the best out of others How to work with and lead other professionals and patients How to have courageous conversations How to balance conflicting demands and needs Containing exercises and reflective questions to help apply theory to leadership practice, *How to be a Nurse or Midwife Leader* is an ideal companion for all nurses and midwives, whether you are newly qualified, or stepping into a team leader role.

*To Be a Machine* Nov 25 2020 "This gonzo-journalistic exploration of the Silicon Valley techno-utopians' pursuit of escaping mortality is a breezy romp full of colorful characters." -New York Times Book Review (editor's choice) Transhumanism is a movement pushing the limits of our biology—of our senses, intelligence, and lifespans—with technology. Its supporters have reached a critical mass and now include some of the biggest names in Silicon Valley and beyond, among them Peter Thiel, Elon Musk, and

Ray Kurzweil. In this provocative and eye-opening account, journalist Mark O'Connell explores the staggering (and terrifying) possibilities that present themselves when you think of your body as an outmoded device. He visits the world's foremost cryonics facility to witness how some have chosen to forestall death, discovers an underground collective of biohackers boosting their senses by implanting electronics under their skin, and meets with members of a team urgently investigating how to protect mankind from rogue artificial superintelligence. In investigating what it means to be a machine, O'Connell shines a light on our ancient desire to transcend the animal condition—and offers a surprising meditation on what it means to be human.

How To Be A Successful Game Tester Feb 09 2022 The technology of video games has progressed a great deal since the creation of the first video game systems. An example of an earlier video game would be Pong. In this game two players would control simple lines that could only go up or down on the screen. These lines were controlled by paddles and the point of the game was to hit the bouncing ball and make your opponent miss it. The video games of today are much more advanced than that. They offer multiple genres of games that are sure to meet the interests of almost any person. Most of them can also be played online which offers an entire new experience in itself. Some people may not take the profession of video game testing as a serious career. Video game testing is actually quite important in the development of a game, some would argue that they are just as important as the programmers. The main job of a game tester is to go

through a game, level by level, scene by scene, and make sure that everything is working correctly and that the game is functioning up to par. You will need some knowledge in programming and you will need an eye that pays very close attention to detail. In most cases, the difference between a top seller and a game that does not do well at all is attention to detail. Let Us Know What You Think!

Hard to Be a God Jul 14 2022 Arkady and Boris Strugatsky are widely known as the greatest Russian writers of science fiction, and their 1964 novel Hard to Be a God is considered one of the greatest of their works. It tells the story of Don Rumata, who is sent from Earth to the medieval kingdom of Arkanar with instructions to observe and to influence, but never to directly interfere. Masquerading as an arrogant nobleman, a dueler and a brawler, Don Rumata is never defeated but can never kill. With his doubt and compassion, and his deep love for a local girl named Kira, Rumata wants to save the kingdom from the machinations of Don Reba, the First Minister to the king. But given his orders, what role can he play? Hard to Be a God has inspired a computer role-playing game and two movies, including Aleksei German's long-awaited swan song. Yet until now the only English version (out of print for over thirty years) was based on a German translation, and was full of errors, infelicities, and misunderstandings. This new edition—translated by Olena Bormashenko, whose translation of the authors' Roadside Picnic has received widespread acclaim, and supplemented with a new foreword by Hari Kunzru and an afterword by Boris Strugatsky, both of which supply much-needed

context—reintroduces one of the most profound Soviet-era novels to an eager audience.

How to Be a (Young) Antiracist Apr 23 2023 The #1 New York Times bestseller that sparked international dialogue is now a book for young adults! Based on the adult bestseller by Ibram X. Kendi, and co-authored by bestselling author Nic Stone, *How to be a (Young) Antiracist* will serve as a guide for teens seeking a way forward in acknowledging, identifying, and dismantling racism and injustice. The New York Times bestseller *How to be an Antiracist* by Ibram X. Kendi is shaping the way a generation thinks about race and racism. *How to be a (Young) Antiracist* is a dynamic reframing of the concepts shared in the adult book, with young adulthood front and center. Aimed at readers 12 and up, and co-authored by award-winning children's book author Nic Stone, *How to be a (Young) Antiracist* empowers teen readers to help create a more just society. Antiracism is a journey—and now young adults will have a map to carve their own path. Kendi and Stone have revised this work to provide anecdotes and data that speaks directly to the experiences and concerns of younger readers, encouraging them to think critically and build a more equitable world in doing so.

A Wish to Be A Christmas Tree Sep 23 2020 This charming tale of an overgrown pine always being passed by for Christmas, and what his woodland friends do to help him, is sure to become a Christmas classic. With delightful illustrations by wildlife artist Michael Monroe and enchanting text from Colleen Monroe, the birds, deer and squirrel of this story help make their special friend's wish come true.

It Feels Good to Be Yourself Aug 15 2022 Some people are boys. Some people are girls. Some people are both, neither, or somewhere in between. This sweet, straightforward exploration of gender identity will give children a fuller understanding of themselves and others. With child-friendly language and vibrant art, It Feels Good to Be Yourself provides young readers and parents alike with the vocabulary to discuss this important topic with sensitivity.

So You Want to Be a Producer Sep 16 2022 Few jobs in Hollywood are as shrouded in mystery as the role of the producer. What does it take to be a producer, how does one get started, and what on earth does one actually do? In So You Want to Be a Producer Lawrence Turman, the producer of more than forty films, including *The Graduate*, *The River Wild*, *Short Circuit*, and *American History X*, and Endowed Chair of the famed Peter Stark Producing Program at the University of Southern California, answers these questions and many more. Examining all the nuts and bolts of production, such as raising money and securing permissions, finding a story and developing a script, choosing a director, hiring actors, and marketing your project, So You Want to Be a Producer is a must-have resource packed with insider information and first-hand advice from top Hollywood producers, writers, and directors, offering invaluable help for beginners and professionals alike. Including a comprehensive case study of Turman's film *The Graduate*, this complete guide to the movie industry's most influential movers and shakers brims with useful tips and contains all the information you need to take your project from idea

to the big screen.

To Be a Kid Aug 27 2023 Meredith Willis is suspicious of Adrien, the new guy next door. When she dares to sneak a look into the windows of his house, she sees something in the cellar that makes her believe that Adrien might be more than just a creep—he may be an actual monster. But her sister, Heather, doesn't share Meredith's repulsion. Heather believes Adrien is the only guy who really understands her. In fact, she may be falling in love with him. When Adrien and Heather are cast as the leads in the school production of Romeo and Juliet, to Heather, it feels like fate. To Meredith, it feels like a bad omen. But if she tries to tear the couple apart, she could end up in the last place she'd ever want to be: the cellar. Can Meredith convince her sister that she's dating the living dead before it's too late for both of them?

How to Be a Difficult Bitch Nov 06 2021 Empowers teens to love and stand up for themselves and those around them by outlining situations in which a reader can—and should—be a "difficult bitch"

How to Be a High School Superstar Jun 25 2023 Do Less, Live More, Get Accepted What if getting into your reach schools didn't require four years of excessive A.P. classes, overwhelming activity schedules, and constant stress? In How to Be a High School Superstar, Cal Newport explores the world of relaxed superstars—students who scored spots at the nation's top colleges by leading uncluttered, low stress, and authentic lives. Drawing from extensive interviews and cutting-edge science, Newport explains the surprising truths behind these superstars' mixture of happiness and admissions

success, including: · Why doing less is the foundation for becoming more impressive. · Why demonstrating passion is meaningless, but being interesting is crucial. · Why accomplishments that are hard to explain are better than accomplishments that are hard to do. These insights are accompanied by step-by-step instructions to help any student adopt the relaxed superstar lifestyle—proving that getting into college doesn't have to be a chore to survive, but instead can be the reward for living a genuinely interesting life.

*How to Be a Person* May 24 2023 For the kid who leaves a wet towel wadded up on the floor or forgets to put a new roll on the toilet-paper thingy, humorous writer and etiquette columnist Catherine Newman has created the ultimate guidebook to becoming a person whom everyone will like being around more. Jam-packed with tips, tricks, and skills – all illustrated in an irresistible graphic novel-style – this book shows kids just how easy it is to free themselves from parental nagging and become more dependable – and they'll like themselves better, too! They'll learn how to deal with dirty rooms, care for pets and cactuses, stick up for somebody, and fold a T-shirt. They'll even get a crash course on using the kitchen (including how to turn a 33-cent package of ramen into dinner) and a boot camp for lending a hand outside the house (mowing, shoveling, and fixing something loose has never been easier). This handbook to becoming beyond helpful promises that every kid can be a valued and valuable member of the grown-up world. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.
