**I Wanna Be a Producer** Jun 21 2020 (Applause  
Books). What does a "producer" actually do?  
How does one travel from that great idea for a  
show to a smash hit opening night on Broadway?  
John Breglio cannot guarantee you a hit, but he

does take the reader on a fascinating journey behind-the-scenes to where he himself once stood as a child, dreaming about the theatre. Part memoir, part handbook, *I Wanna Be a Producer* is a road map to the hows and wherefores, the dos and don'ts of producing a Broadway play, written by a Broadway veteran with more than 40 years of experience. This comprehensive and highly informative book features practical analysis and concepts for the producer and is filled with entertaining anecdotes from Breglio's illustrious career as a leading theatrical lawyer and producer. Breglio recounts not only his first-hand knowledge of the crucial legal and business issues faced by a producer, but also his experiences behind the scenes with literally hundreds of producers, playwrights, composers, and directors, including such theatre luminaries as Michael Bennett, Joe Papp, Stephen Sondheim, Andrew Lloyd Webber, Patti Lupone, August Wilson, and Mel Brooks. Whether you are a working or aspiring producer,

an investor, or are just curious about the backstage reality of the theater, Breglio shares his knowledge and experience of the industry, conveying practical information set against the real-life stories of those who have devoted their lives to the craft.

*Alien Phenomenology, Or, What It's Like to be a Thing* May 21 2020 Examines the author's idea of object-oriented philosophy, wherein things, and how they interact with one another, are the center of philosophical interest.

*So You Want to Be a Teacher?* Feb 27 2021 *So You Want to Be a Teacher* is a bit of light reading in a troubled world today. I left names by the wayside and emphasized actions, especially innovative behavior. The students I enjoyed were full of mischief, but for the most part, it was simply that—mischief. Very few of the students I taught in my forty years were bad—they just needed a bit of love and understanding. Who cares what Socrates said when you are a student who had no supper the

night before? I try to be a stepping-stone, not a stumbling block.

*So You Want to Be a Producer* Jul 15 2022 Few jobs in Hollywood are as shrouded in mystery as the role of the producer. What does it take to be a producer, how does one get started, and what on earth does one actually do? In *So You Want to Be a Producer* Lawrence Turman, the producer of more than forty films, including *The Graduate*, *The River Wild*, *Short Circuit*, and *American History X*, and Endowed Chair of the famed Peter Stark Producing Program at the University of Southern California, answers these questions and many more. Examining all the nuts and bolts of production, such as raising money and securing permissions, finding a story and developing a script, choosing a director, hiring actors, and marketing your project, *So You Want to Be a Producer* is a must-have resource packed with insider information and first-hand advice from top Hollywood producers, writers, and directors, offering invaluable help for beginners

and professionals alike. Including a comprehensive case study of Turman's film *The Graduate*, this complete guide to the movie industry's most influential movers and shakers brims with useful tips and contains all the information you need to take your project from idea to the big screen.

*What It's Like to Be a Bird* Feb 22 2023 The bird book for birders and nonbirders alike that will excite and inspire by providing a new and deeper understanding of what common, mostly backyard, birds are doing—and why: "Can birds smell?"; "Is this the same cardinal that was at my feeder last year?"; "Do robins 'hear' worms?" "The book's beauty mirrors the beauty of birds it describes so marvelously." —NPR In *What It's Like to Be a Bird*, David Sibley answers the most frequently asked questions about the birds we see most often. This special, large-format volume is geared as much to nonbirders as it is to the out-and-out obsessed, covering more than two hundred species and including more than 330

new illustrations by the author. While its focus is on familiar backyard birds—blue jays, nuthatches, chickadees—it also examines certain species that can be fairly easily observed, such as the seashore-dwelling Atlantic puffin. David Sibley's exacting artwork and wide-ranging expertise bring observed behaviors vividly to life. (For most species, the primary illustration is reproduced life-sized.) And while the text is aimed at adults—including fascinating new scientific research on the myriad ways birds have adapted to environmental changes—it is nontechnical, making it the perfect occasion for parents and grandparents to share their love of birds with young children, who will delight in the big, full-color illustrations of birds in action. Unlike any other book he has written, *What It's Like to Be a Bird* is poised to bring a whole new audience to David Sibley's world of birds.

**How to Be a (Young) Antiracist** Apr 24 2023  
The #1 New York Times bestseller that sparked international dialogue is now a book for young

adults! Based on the adult bestseller by Ibram X. Kendi, and co-authored by bestselling author Nic Stone, *How to be a (Young) Antiracist* will serve as a guide for teens seeking a way forward in acknowledging, identifying, and dismantling racism and injustice. The New York Times bestseller *How to be an Antiracist* by Ibram X. Kendi is shaping the way a generation thinks about race and racism. *How to be a (Young) Antiracist* is a dynamic reframing of the concepts shared in the adult book, with young adulthood front and center. Aimed at readers 12 and up, and co-authored by award-winning children's book author Nic Stone, *How to be a (Young) Antiracist* empowers teen readers to help create a more just society. Antiracism is a journey--and now young adults will have a map to carve their own path. Kendi and Stone have revised this work to provide anecdotes and data that speaks directly to the experiences and concerns of younger readers, encouraging them to think critically and build a more equitable

world in doing so.

**To Be a Machine** Jun 14 2022 “This gonzo-journalistic exploration of the Silicon Valley techno-utopians’ pursuit of escaping mortality is a breezy romp full of colorful characters.” —New York Times Book Review (editor's choice)

Transhumanism is a movement pushing the limits of our biology—of our senses, intelligence, and lifespans—with technology. Its supporters have reached a critical mass and now include some of the biggest names in Silicon Valley and beyond, among them Peter Thiel, Elon Musk, and Ray Kurzweil. In this provocative and eye-opening account, journalist Mark O’Connell explores the staggering (and terrifying) possibilities that present themselves when you think of your body as an outmoded device. He visits the world’s foremost cryonics facility to witness how some have chosen to forestall death, discovers an underground collective of biohackers boosting their senses by implanting electronics under their skin, and meets with

members of a team urgently investigating how to protect mankind from rogue artificial superintelligence. In investigating what it means to be a machine, O’Connell shines a light on our ancient desire to transcend the animal condition—and offers a surprising meditation on what it means to be human.

[It Feels Good to Be Yourself](#) Apr 12 2022 Some people are boys. Some people are girls. Some people are both, neither, or somewhere in between. This sweet, straightforward exploration of gender identity will give children a fuller understanding of themselves and others. With child-friendly language and vibrant art, *It Feels Good to Be Yourself* provides young readers and parents alike with the vocabulary to discuss this important topic with sensitivity.

*How to Be a Person* Jan 21 2023 For the kid who leaves a wet towel wadded up on the floor or forgets to put a new roll on the toilet-paper thingy, humorous writer and etiquette columnist Catherine Newman has created the ultimate

guidebook to becoming a person whom everyone will like being around more. Jam-packed with tips, tricks, and skills — all illustrated in an irresistible graphic novel-style — this book shows kids just how easy it is to free themselves from parental nagging and become more dependable — and they'll like themselves better, too! They'll learn how to deal with dirty rooms, care for pets and cactuses, stick up for somebody, and fold a T-shirt. They'll even get a crash course on using the kitchen (including how to turn a 33-cent package of ramen into dinner) and a boot camp for lending a hand outside the house (mowing, shoveling, and fixing something loose has never been easier). This handbook to becoming beyond helpful promises that every kid can be a valued and valuable member of the grown-up world. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.

*How to Be a High School Superstar* May 25 2023  
Do Less, Live More, Get Accepted What if

getting into your reach schools didn't require four years of excessive A.P. classes, overwhelming activity schedules, and constant stress? In *How to Be a High School Superstar*, Cal Newport explores the world of relaxed superstars—students who scored spots at the nation's top colleges by leading uncluttered, low stress, and authentic lives. Drawing from extensive interviews and cutting-edge science, Newport explains the surprising truths behind these superstars' mixture of happiness and admissions success, including:

- Why doing less is the foundation for becoming more impressive.
- Why demonstrating passion is meaningless, but being interesting is crucial.
- Why accomplishments that are hard to explain are better than accomplishments that are hard to do.

These insights are accompanied by step-by-step instructions to help any student adopt the relaxed superstar lifestyle—proving that getting into college doesn't have to be a chore to survive, but instead can be the reward for living

a genuinely interesting life.

**To Be a Kid** Jun 26 2023 Meredith Willis is suspicious of Adrien, the new guy next door. When she dares to sneak a look into the windows of his house, she sees something in the cellar that makes her believe that Adrien might be more than just a creep—he may be an actual monster. But her sister, Heather, doesn't share Meredith's repulsion. Heather believes Adrien is the only guy who really understands her. In fact, she may be falling in love with him. When Adrien and Heather are cast as the leads in the school production of *Romeo and Juliet*, to Heather, it feels like fate. To Meredith, it feels like a bad omen. But if she tries to tear the couple apart, she could end up in the last place she'd ever want to be: the cellar. Can Meredith convince her sister that she's dating the living dead before it's too late for both of them?

*I Don't Want to Be a Frog* Jan 29 2021 The hit book about a willful young frog with a serious identity crisis and his heard-it-all-before father. Perfect for fans of Mo Willems's *Don't Let the Pigeon Drive the Bus!* and Jon Klassen's *I Want My Hat Back!* Frog wants to be anything but a slimy, wet frog. A cat, perhaps. Or a rabbit. An owl? But when a hungry wolf arrives—a wolf who HATES eating frogs—our hero decides that being himself isn't so bad after all. In this very silly story with a sly message, told in hilarious dialogue between a feisty young frog and his heard-it-all-before father, young readers will identify with little Frog's desire to be something different, while laughing along at his stubborn yet endearing schemes to prove himself right. And look for the hilarious sequels—I Don't Want to Be Big, There's Nothing to Do!, and I Don't Want to Go to Sleep. □ "First-time author Petty's

dialogue between a frog father and his son makes its point about accepting one's nature with a big grin. . . . The story might create similar gratitude in the minds of readers—or it might just make them giggle."—Publishers Weekly, STARRED REVIEW "A lively look at self-acceptance."—Kirkus Reviews "This amusing story ends with a laugh and a much more content frog."—School Library Journal "Silliness and deadpan humor combine into a hopping good story of being happy with who you are."—Booklist "A paean to self-acceptance wrapped in snappy dialogue and illustrated with richly colored comic paintings."—Wall Street Journal "Petty and Boldt provide just enough predictability to hook youngest readers, then deliver a delightful twist or two to create surprise and satisfaction—for both the green hero and the many fans he'll make with this book."—Shelf Awareness "This lighthearted exploration of identity will delight as a readaloud."—The Bulletin of the Center for

Children's Books

**It's Hard to Be a Person** Aug 16 2022 Years ago, somewhere on the Internet, I posted a few dumb drawings making fun of my own anxiety and depression. The response to them was warmer than anticipated, and people kept asking for more. Blending humor with pure depression seemed to strike a chord with a decent amount of people. So I kept going, and after about three years of drawing, I had enough dumb drawings for a book. Mental health is a serious thing, and it gets heavier when humans don't talk about it outwardly. I bottled up feelings for many years. Feelings I considered "dark", "weak", "downhearted", "embarrassing", "shameful" or any number of self-deprecating words. But after

saying (or drawing) them out loud to people, all that weight went away and I realized it was normal to feel these feelings. Humor has always been a primary mode of therapy for me. I still make fun of my own anxiety and "depresh" as catharsis. I sing about it on tour, talk about it on my podcast, and draw pictures of it here in this book. Putting my formerly-private-feelings out into the world has been tremendous therapy for me, and I wish I would've done it sooner. Over the span of many years, I've been illustrating the "hacks", "strategies", or "exercises" that have worked best for me in combating the struggles in my head. More than anything I want this book to be useful for people. I'm not a doctor, just a person who spends too much time in my head. The objective of It's Hard to Be a Person is not to give unsolicited advice, but to hopefully save you some headaches on the long n' winding road of life in your brain.

**How to Be a Superstar Salesperson** May 01  
2021 THIS BOOK IS NOT JUST FOR

SALESPeOPLE Look at what others have to say: \*As I have read and reread and read again "How to Be a Superstar Salesperson," the information I learned translates into strategies I can immediately infuse into my routine. In other words, this is not some book with abstract language and feel good ideas to motivate people to sale. Rather, this is a meat and potatoes publication that anyone can read and immediately start putting more food on the table. This is real strategy that translates, once applied into real money. \*This book is concise, informative and easy to read. It's not only helpful for Sales but for other occupations. The section on "The Art of Listening" has good tips for my job as a Customer Service Professional. Those sane tips can help in everyday life too! \*If readers follow the simple fundamentals provided, sales will follow. \*I really thought that a book on sales would have nothing to do with my vocation as a chaplain. As a chaplain working within a mental health practice to integrate

spiritual care into our services, I discovered that the SPIN and FAB examples and examples of handling objections gave me a new perspective on engaging with other team members. These important business skills also helps me to connect, communicate and sell my ideas to management.

**How to be a Nurse or Midwife Leader** Mar 31 2021 How to be a Nurse or Midwife Leader is an indispensable guide for all nurses and midwives who wish to develop and improve their practice as leaders. courageous conversations How to balance conflicting demands and needs Containing exercises and reflective questions to help apply theory to leadership practice, How to be a Nurse or Midwife Leader is an ideal companion for all nurses and midwives, whether you are newly qualified, or stepping into a team leader role.

**How to Be a Lion** Jul 27 2023 From the New York Times bestselling author/illustrator of Max the Brave comes an inspiring and adorable picture book about a pair of unlikely friends who face down a pack of bullies. In this timely and charming story about the importance of being true to yourself, mindfulness, and standing by your friends, we meet Leonard, a lion, and his best friend Marianne, a . . . duck. Leonard and Marianne have a happy life together—talking, playing, writing poems, and making wishes, But one day, a pack of bullies questions whether it's right for a lion and a duck to be pals. Leonard soon learns there are many ways to be a lion, and many ways to be a friend, and that

sometimes finding just the right words can change the world . . . This sweet, funny, thoughtful, and much-needed story will open up readers' eyes to the importance of being who they are and not backing down to hurtful criticism. It's an empowering tale about connecting with others and choosing kindness over bullying, and shows children how angry and provocative words can be overcome by empathy and inner courage.

**How to Be a Person in the World** Aug 24 2020 New York Times Bestseller • From the "best advice columnist of her generation" (Esquire) comes a hilarious, frank, and witty collection of all-new responses, plus a few greatest hits from the beloved "Ask Polly" column in New York magazine's The Cut. Should you quit your day job to follow your dreams? How do you rein in an overbearing mother? Will you ever stop dating wishy-washy, noncommittal guys? Should you put off having a baby for your career? Heather Havrilesky is here to guide you

through the "what if's" and "I don't know's" of modern life with the signature wisdom and tough love her readers have come to expect. Whether she's responding to cheaters or loners, lovers or haters, the anxious or the down-and-out, Havrilesky writes with equal parts grace, humor, and compassion to remind you that even in your darkest moments you're not alone.

[How to Be Kind in Kindergarten](#) Sep 17 2022

From the best-selling author of the hugely popular Kindergarten, Here I Come!, here's a guidebook in verse that shows children how to be kind in the new and exciting world of kindergarten. Small enough to fit in a child's backpack, this collection of short poems--one to a page--spans the entire year of kindergarten, offering sweet and simple tips on how to be your best self--sharing your umbrella with a friend; taking turns on the swings, and inviting someone to join in a game. This is the perfect companion to DJ Steinberg's enormously successful Kindergarten, Here I Come!

**To Be a Cat** Jul 23 2020 When Barney's feline fantasy comes true, the fur starts flying in this darkly hilarious and heartwarming tale. Cats have it made. They laze in sun patches, are showered with affection by loving humans, can

cough up hairballs wherever they want, and never have to wonder why their dad disappeared one day and never came back. It's clearly much easier to be a cat than to be a middle school boy. So when Barney Willow wishes he could be a cat, and gets his wish, he should be thrilled. Except he's not. He discovers that not all cats are cute and cuddly, and some of them are downright evil. He discovers that his own mother can't see past the whiskers to recognize her darling son. Worst of all, he discovers that his life is in grave danger...and he doesn't have eight lives to spare.

[So You Want to Be a Neuroscientist?](#) Apr 19 2020 The pursuit to understand the human brain in all its intricacy is a fascinatingly complex

challenge and neuroscience is one of the fastest-growing scientific fields worldwide. There is a wide range of career options open to those who wish to pursue a career in neuroscience, yet there are few resources that provide students with inside advice on how to go about it. *So You Want to Be a Neuroscientist?* is a contemporary and engaging guide for aspiring neuroscientists of diverse backgrounds and interests. Fresh with the experience of having recently launched her own career, Ashley Juavinett provides a candid look at the field, offering practical guidance that explores everything from programming to personal stories. Juavinett begins with a look at the field and its history, exploring our evolving understanding of how the brain works. She then tackles the nitty-gritty: how to apply to a PhD program, the daily life of a graduate student, the art of finding mentors and collaborators, and what to expect when working in a lab. Finally, she introduces readers to diverse young scientists whose career paths illustrate what you

can do with a neuroscience degree. For anyone intrigued by the brain or seeking advice on how to further their ambitions of studying it, *So You Want to Be a Neuroscientist?* is a practical and timely overview of how to learn and thrive in this exciting field.

*How to Be a Perfect Christian* Oct 06 2021 With a biting, satirical style reminiscent of *The Onion*, *How to Be a Perfect Christian* takes a humorous look at the quirks of cultural Christianity while subtly challenging the reader to search for more than a cultural faith. Written in the trademark style of *The Babylon Bee*, this book humorously satirizes cultural Christianity while peppering in subtle challenges to the reader. Through humor and sarcasm (and a handy meter to rank your "holiness" as you progress through the book), readers will be called to find a more biblical understanding of the Christian faith, all while poking fun at the quirks of the modern, American Christian community.

**Hard to Be a God** May 13 2022 Arkady and

Boris Strugatsky are widely known as the greatest Russian writers of science fiction, and their 1964 novel *Hard to Be a God* is considered one of the greatest of their works. It tells the story of Don Rumata, who is sent from Earth to the medieval kingdom of Arkanar with instructions to observe and to influence, but never to directly interfere. Masquerading as an arrogant nobleman, a dueler and a brawler, Don Rumata is never defeated but can never kill. With his doubt and compassion, and his deep love for a local girl named Kira, Rumata wants to save the kingdom from the machinations of Don Reba, the First Minister to the king. But given his orders, what role can he play? *Hard to Be a God* has inspired a computer role-playing game and two movies, including Aleksei German's long-awaited swan song. Yet until now the only English version (out of print for over thirty years) was based on a German translation, and was full of errors, infelicities, and misunderstandings. This new edition—translated

by Olena Bormashenko, whose translation of the authors' *Roadside Picnic* has received widespread acclaim, and supplemented with a new foreword by Hari Kunzru and an afterword by Boris Strugatsky, both of which supply much-needed context—reintroduces one of the most profound Soviet-era novels to an eager audience. *How To Be A Successful Game Tester* Dec 08 2021 The technology of video games has progressed a great deal since the creation of the first video game systems. An example of an earlier video game would be Pong. In this game two players would control simple lines that could only go up or down on the screen. These lines were controlled by paddles and the point of the game was to hit the bouncing ball and make your opponent miss it. The video games of today are much more advanced than that. They offer multiple genres of games that are sure to meet the interests of almost any person. Most of them can also be played online which offers an entire new experience in itself. Some people may not

take the profession of video game testing as a serious career. Video game testing is actually quite important in the development of a game, some would argue that they are just as important as the programmers. The main job of a game tester is to go through a game, level by level, scene by scene, and make sure that everything is working correctly and that the game is functioning up to par. You will need some knowledge in programming and you will need an eye that pays very close attention to detail. In most cases, the difference between a top seller and a game that does not do well at all is attention to detail. Let Us Know What You Think!

*You Can Afford to Be A Pilot* Aug 04 2021 The purpose of this book is not to teach ground school or flight training, but is intended to teach the reader how to shop for these services and, once purchased, how to keep them affordable, efficient and useful. Certified FAA Instructor Timothy O "Connor uses his twenty years of

experience with technical subjects and adult training to bring flying to people on a middle-income budget.

[How to Be a Wildflower](#) Mar 23 2023 A field guide to finding calm, creativity, and self-discovery through encounters with nature. *How to Be a Bawse* Oct 18 2022 \*Winner of the 2017 Goodreads Choice Awards: Non-Fiction Book of the Year!\* The official debut book from YouTube phenomenon Lilly Singh. 'The ultimate no-nonsense manual for millennials how to make it to the top' Marie Claire From actress, comedian and YouTube sensation Lilly Singh (aka Superwoman) comes the definitive guide to being a BAWSE - a person who exudes confidence, reaches goals, gets hurt efficiently, and smiles genuinely because they've fought through it all and made it out the other side. Told in her hilarious, bold voice that's inspired over 9 million fans, and using stories from her own life to illustrate her message, Lilly proves that there are no shortcuts to success.

WARNING: This book does NOT include hopeful thoughts, lucky charms, and cute quotes. That's because success, happiness and everything else

you want in life needs to be fought for - not wished for. In Lilly's world, there are no escalators. Only stairs.
