The main issue that tax practitioners face is how to grow and promote their practices. In talking with tax professionals, their questions are always the same:

- "How do I build up my client base?"
- "Are engagement letters really necessary?"
- "How do I encourage more client referrals?"
- "How much should I charge for services?"
- "How do I fire a bad client?"

This book offers real answers to all of these burning questions. You will read multiple interviews with established, highly profitable EAs. You will hear how other EAs keep their practices profitable and keep clients (and money) rolling in. This book covers:

1. Marketing techniques for enrolled agents
2. How to use the internet and social networking to boost your community profile
3. How to find profitable IRS representation cases
4. How to avoid deadbeat clients
5. How to get lucrative referrals from other professionals

And much more! If you have the tax knowledge and a desire to succeed in this business, this book will help you realize your own success.

- As a veteran in the tax preparation industry, McCabe had the vision to offer support to other tax business owners who opt to remain independent by providing them with tax education and business skills so they can be successful on their own.
- In addition, to facilitate peer support, in 2009,

Chuck founded the LinkedIn group, Tax Business Owners of America, that now has nearly 9,000 members. Chuck McCabe and his team at The Income Tax School (ITS) are committed to serve and support independent tax business owners. The ITS website www.TheIncomeTaxSchool.com, provides valuable resources, many at no charge, to support tax business entrepreneurs. This book will enable small business entrepreneurs to adopt proven best practices comparable to those used by the national tax firms. - Their goal is to ensure the success of independent tax business owners. The Complete, Authoritative Guide to Getting Started in Tax Consulting Tax consulting and return preparation is a fast-paced, dynamic industry-one that promises high earning potential. In this book, tax advisor Gary Carter shows you just what it takes to become an in-demand tax consultant. You'll discover how to break into the tax business, even with relatively limited education and training, and build a path to your new career with Carter's five-step formula for success. Brimming with expert advice from tax professionals and featuring up-to-the-minute coverage of everything from qualifications and employment opportunities to Internet resources, Getting Started in Tax Consulting shows you how to: * Assess your personality fit for the tax profession * Formulate your business plan for starting a tax practice * Find a niche for your tax services * Choose between a sole proprietorship, a partnership, a C corporation, an S corporation, and a limited liability company * Set your fees and market your services * Perform research-an essential skill of the tax professional * Make the IRS your partner and advisor-not your adversary * Start a Web-based tax service In this book you will find everything you need to actively market yourself as a full-service financial planning consultant and turn this side of your business into a noncyclical revenue generator. Jim Ainsworth defies the positions taken by the AICPA and the College of Financial Planners that accounting professionals should not become licensed to sell investments. He provides both a strong argument and practical advice on how and why CPAs should recommend or "sell" financial investments. He demonstrates that CPAs can provide these services to their clients at lower cost than other sources, and he rates the pros and cons of a range of investment options. And he introduces you to TOPS - Trust, Opportunity, Pain, and Solution - the low-pressure sales method that enabled him to triple his productivity in just one year without jeopardizing his relationship with his clients.
