A Framework for Management Jun 13 2020 This book is a brief, 2-color, paperback version of Dessler's *Management: Leading People and Organizations in the 21st Century* 2/e. It covers all key topics in management, in a traditional Planning, Organizing, Leading, and Controlling framework. Chapter topics include managing in the 21st century, managing in a global environment, making decisions, planning and setting objectives, strategic management, the fundamentals of organizing, designing organizations to manage change, staffing the organization, being a leader, motivating employees today, communicating in today's organizations, managing groups and teams, managing organizational and cultural change, and controlling and building commitment. For all levels of managers in a variety of fields and industries.

Human Resource Management Pearson Etext Combo Access Card Apr 04 2022 For courses in management. This ISBN is for the Pearson eText combo card, which includes the Pearson eText and loose-leaf print edition (delivered by mail). Modern human resources: technology, social media, and management Human Resource Management provides students with an introduction to the daily tools and skills they'll need to function as successful managers -- in both human resources and business in general. With a practical approach, the text explores the evolution of the field, highlighting the introduction of revolutionary new technologies and social media platforms. The 16th Edition focuses on the positive impacts technology has had on the HR field. For example, the ability to vet potential employees on the internet has shifted more HR responsibilities to managers, leaving HR

departments with more time to carry out strategic, long-term endeavors for boosting employee performance and engagement. With a heavy focus on emerging industry trends, the text prepares students with everything they need to be successful managers and HR personnel in the 21st century. Pearson eText is a simple-to-use, mobile-optimized, personalized reading experience that can be adopted on its own as the main course material. It lets students highlight, take notes, and review key vocabulary all in one place, even when offline. Seamlessly integrated videos and other rich media engage students and give them access to the help they need, when they need it. Educators can easily customize the table of contents, schedule readings and share their own notes with students so they see the connection between their eText and what they learn in class -- motivating them to keep reading, and keep learning. And, reading analytics offer insight into how students use the eText, helping educators tailor their instruction. NOTE: Pearson eText is a fully digital delivery of Pearson content and should only be purchased when required by your instructor. This ISBN is for a Pearson eText access code plus a loose-leaf print edition (delivered by mail). In addition to your purchase, you will need a course invite link, provided by your instructor, to register for and use Pearson eText.

HR from the Outside In: Six Competencies for the Future of Human Resources Jul 15 2020

"This definitive work on HR competencies provides ideas and tools that help HR professionals develop their career and make their organization effective." —Edward E. Lawler III, Professor, University of Southern California "This book is a crucial blueprint of what it takes to succeed. A must have for every HR professional." —Lynda Gratton, Professor, London Business School "One single concept changed the HR world forever: 'HR business partner'. Through consistent cycles of research and practical application, Dave and his team have produced and update the most comprehensive set of HR competencies ever." —Horacio Quiros, President, World Federation of People Management Associations "Packed with facts, evidence, and prescriptive advice. It is about being a business leader first, and an HR professional second." —Randy MacDonald, Senior Vice President, Human Resources, IBM Corporation "The concepts and competencies presented in this book provide HR leaders with new insights." —Gina Qiao, Senior Vice President, HR Lenovo "Powerful, relevant and timely! Defines "new HR" in a pragmatic way. This book is a must for leaders and HR folks who seek to create sustainable competitive advantage." —Satish Pradhan, Chief, Group Human Resources, Tata Sons Limited "You can't argue with the data! This book is a definitive and practical guide to learning the HR competencies for success." —John Lynch, Senior Vice President, HR, General Electric "A must read for any HR executive. This research-based competency model is particularly compelling because it is informed by the perspective of non-HR executives and stakeholders." —Sue Meisinger, Distinguished speaker and author, former CEO of SHRM "Read this book for a unique long-term perspective on where HR competencies have brought us and must take us in future." —John Boudreau, Professor, University of Southern California and Research Director, Center for Effective Organizations
