More than 150,000 copies in print. Looks at how to make the tongue an instrument for sharing beauty instead of spreading venom and injury. Dramatic....One of the most ambitious and accomplished debut novels in recent memory.--Kirkus Reviews, starred review. "Does it really matter what I say?" Your greatest weapon—for good or evil—is in your mouth. From bestselling author Dr. Tony Evans comes a compelling resource to help you learn to tame your tongue. With life-changing insights shared through engaging lessons and anecdotes, you'll learn what the Bible teaches about talking: Discover the power of the spoken word to bolster your faith when you're doubting. Discern what should or shouldn't be said so that you honor God with your speech. Develop the ability to praise God and voice wisdom even in tough circumstances. Get inspired by Tony's teaching on the tongue and model with your mouth the character of God. Don't let your words bring cursing or destruction to yourself and those you love. Instead, let your words minister to and speak life into the world around you. A Pocket Dictionary of the Vulgar Tongue is a profane guide to the slang from the backstreets and taverns of 18th-century London. This slang dictionary gathers the most amusing and useful terms from English history and helpfully presents them to be used in the conversations of our modern day. Originally published in 1785, the Classical Dictionary of the Vulgar Tongue was one of the first lexicons of English slang, compiled by a militia captain who collected the terms he overheard on his late-night excursions to London's slums, dockyards, and taverns. Now the legacy lives on in this colorful pocket dictionary. • Learn the origin of phrases like "birthday suit" and discover slang lost to time. • An unexpected marriage of lowbrow humor and highbrow wit Discover long lost antique slang and curse words and learn how to incorporate them into modern conversation. A Pocket Dictionary of the Vulgar Tongue is perfect for enlivening contemporary conversation with historical phrases; it includes a topical list of words for money, drunkenness, the amorous congress, male and female naughty bits, and

so on. • A funny book for wordplay, language, swearing, and insult fans, as well as fans of British humor and culture • Perfect for those who loved *How to Speak Brit: The Quintessential Guide to the King's English, Cockney Slang, and Other Flummoxing British Phrases* by Christopher J. Moore; *Knickers in a Twist: A Dictionary of British Slang* by Jonathan Bernstein; and *The Official Dictionary of Sarcasm* by James Napoli A brilliantly translated bilingual edition of poems by one of Mexico's foremost woman poets. **MAKE PRESENTATIONS IN ENGLISH WITH CONFIDENCE** *Tips of the Tongue: The Nonnative English Speaker's Guide to Mastering Public Speaking* is a practical, tactical, and supportive how-to book aimed at addressing the unique problems that nonnative English speakers experience when they deliver a presentation. Presenting in any language is daunting. But this book aims to reduce anxiety while raising proficiency in public speaking whether English is your second, third, fourth-or first-language. Words have played a vital role since the beginning of time. In the book of Genesis, God created the world and everything in it with His words. Today, as believers, we have the same God-like ability to speak those things which be not as though they were. Through God's Word, Kenneth Copeland reveals the Bible secret of words and the vital importance of using the tongue to create rather than destroy. **Your Tongue Has the Power of Life and Death!** Life is not whatever will be, will be. It's what you say it is! Words are the most powerful force in the universe, and you can release this ultimate creative power in your life by your words. In this classic book first published in 1976, bestselling author and renowned faith teacher Charles Capps lays a biblical foundation for the power of words--both God's and yours. The heavens and the earth were created as God released His power by the spoken word. In the beginning, God said, "Light be!" and light was. God planned for you to do the same. God's Word spoken from your mouth and conceived in your heart becomes a spiritual force that releases His ability in your world. In *The Tongue: A Creative Force,*

Charles Capps lays out straight-forward, Scripture-based teaching to help you... Recognize the power in your tongue Align your words with God's Activate creative power in you As you speak faith-filled words into your situations, your words will position you to receive God's best in every area of your life! An exploration of a surprisingly combative period in the history of English grammar. Heated arguments can break out over many things: slander, insults to a person's honor--and, during one period in English history, grammar. In his new book detailing the controversies and fraught histories that accompanied efforts to regularize English grammar, Bryan A. Garner shows that the grammarians of the eighteenth and nineteenth centuries were a surprisingly contentious and opinionated lot. ? Taming the Tongue in the Heyday of English Grammar (1711-1851) makes the primers of the period come alive in ways that their concerned and idiosyncratic authors might not have envisioned. The entries in Taming the Tongue--which has nearly five hundred color illustrations--are packed with scrupulously recorded information on the content and publication details of the primers, as well as tantalizing tales from the authors' lives. Combining scholarly rigor with lively anecdotes, Garner sheds light on the controversies and unexpectedly fiery histories of English grammatical disputes. Possessing The Tongue of Fire is a book vomited by the Holy Ghost to enable the reader discover the awesome power that resides in an anointed tongue. There are open secrets on how to vomit fire on the camp of the enemy and execute vengeance on unrepentant foes. There are easy to follow guidelines on possessing the tongue of fire, retaining the tempo of your spiritual fire and becoming a firebrand in your generation. The style is unique, the exposition of the scriptures is edifying, the testimonies are compelling and the challenges are capable of jostling the reader out of complacency into dynamism. The book you have in your hand will motivate you to rise up and possess the tongue of fire that is needed to stand out in this generation. There are also fire prayers How much power do our words

really have? Have you been speaking death into your life? In "Death and Life are in the Power of the Tongue," author Clarence Lewis explains that simple words can speak death into one's life, and lead down a path of destruction. Lewis demonstrates how those negative things that happen to us are not set plans from God but rather ongoing negative plans that we create for ourselves by the words we let out of our mouths. Words can create and words can destroy'and sometimes our own tongues can be our worst enemy. Powerful, inspirational and encouraging, "iDeath and Life are in the Power of the Tongue" is sure to change the way you think about speech "Does it really matter what I say?" Your greatest weapon—for good or evil—is in your mouth. From bestselling author Dr. Tony Evans comes a compelling resource to help you learn to tame your tongue. With life-changing insights shared through engaging lessons and anecdotes, you'll learn what the Bible teaches about talking: Discover the power of the spoken word to bolster your faith when you're doubting. Discern what should or shouldn't be said so that you honor God with your speech. Develop the ability to praise God and voice wisdom even in tough circumstances. Get inspired by Tony's teaching on the tongue and model with your mouth the character of God. Don't let your words bring cursing or destruction to yourself and those you love. Instead, let your words minister to and speak life into the world around you. The Bible tells us that death and life are in the power of tongue and they that love it shall eat the fruit thereof (Proverbs 18:21). We are further told that every idle word that men shall speak, they shall give account thereof in the day of judgment; for by thy words thou shalt be justified, and by thy words thou shalt be condemned (Matthew 12:36 & 37). Most of the difficult problems or situations we are experiencing today are as a result of our negative thoughts and confessions of our mouths. Hear what the Bible has to say about this: The heart of the wise teacheth his mouth, and addeth learning to his lips (Proverbs 16:13). The battle of the mind is the greatest battle you have to fight, and it is a battle you have to win;

for if you lose this battle, you lose everything. Therefore, at all times, you must come against negative thoughts that contradict the word of God, as well as the great things that you desire in your heart. Not only can the wrong thoughts entertained in your mind cause your prayers to be ineffective, it can also cause you to sin against God. The state of your mind can determine whether you are going to heaven or hell fire. Remember, God judges by the heart. In essence, the kind of information you process in your mind and the confession of your mouth will determine your destiny. Author: Evangelist K. Emmanuella Olaribigbe is a dynamic woman of God who has embraced her assignment to pursue, proclaim, and publish the word of God, to help people achieve their dreams and goals. Evangelist Olaribigbe is a nurse by profession, and has several hobbies, which include reading, writing, socializing, and worshipping God. A book of Allen Ginsberg's literary conversations 1967-1977, including his encounters with Ezra Pound and an exposition of William Carlos Williams' poetic practice. "Death and life are in the power of the tongue: and they that love it shall eat the fruit thereof." (Proverbs 18:21) The words you speak are seeds you're sowing. If you don't like the harvest you are getting, check up on the type of seeds you have been sowing. In this powerful and eye-opening book, William Alexander writes about spiritual truths concerning the words you speak. He shows you how every word you speak is a seed that you are sowing, good or bad. He reveals how a tongue out of control brings a harvest of devastation; and a tongue governed by the Spirit brings a harvest of blessings. Teaches that when faith is conceived in the human spirit by the hearing of God's Word and then spoken through the mouth of the believer, it becomes a spiritual force that releases the ability of God within the believer. The words we speak have power. Often the consequences of our careless words are far reaching and eternal. At one time or another we all have experienced saying something in a moment that takes hours (or weeks or a lifetime) to make right. In his engaging teaching style, Dr.

R. T. Kendall helps you learn how to take control of the words you speak. He brings you straight to the Bible to identify characters who spoke without thinking as examples of how not to do things, demonstrating conclusively through their lives that, even when you fail, God will use you as He used them., A playful and erudite look at the origins of language In the beginning there was one language—one tongue that Adam used to compose the first poem, an elegy for Abel. “These days, no one bothers to ask about the tongue of Adam. It is a naive question, vaguely embarrassing and irksome, like questions posed by children, which one can only answer rather stupidly.” So begins Abdelfattah Kilito’s *The Tongue of Adam*, a delightful series of lectures. With a Borgesian flair for riddles, stories, and subtle scholarly distinctions, Kilito presents an assortment of discussions related to Adam’s tongue, including translation, comparative religion, and lexicography: for example, how, from Babel onward, can we explain the plurality of language? Or can Adam’s poetry be judged aesthetically, the same as any other poem? Drawing from the commentators of the Koran to Walter Benjamin, from the esoteric speculations of Judaism to Herodotus, *The Tongue of Adam* is a nimble book about the mysterious rise of humankind’s multilingualism. The tongue is a power part of the body. In terms of size that can be seen, the size of the tongue is relatively small. The weight of tongue in the male is averagely 70 grams while in the female is about 60 grams. However, the tongue has potential to do great and mighty things. It has a deep connection with the human heart. That is to say, beyond physical anatomy of the tongue, there is more about the spiritual effect of the tongue. As the spirit world supersede the physical, so is the spiritual effect of tongue goes beyond the physical structure of it. Yes, there is power in the tongue, your tongue is so powerful that it can improve or destroy your entire life. A lot of people ended their life in the prison yard because of the way they use their tongue, despite the fact that they are innocent. Many people passed to the great beyond untimely,

because of the use of the tongue. Employment seekers fail interview because of the way they use their tongue. The tongue is so powerful that it can destroy a whole nation; it can cause war in between two countries. According to the book of Ephesians. 4:29: Do not let any unwholesome talk come out of your mouths, but only what is helpful for building others up according to their needs, that it may benefit those who listen: The tongue has the capacity to determine what you become and you will not. God, the Almighty Creator of all things, understood the potent weapon called tongue this by placing tongue in a "double jail": the lips and the teeth. The only way the tongue exhibit its potency is through spoken word. Have you ever wondered why God kept tongue in such prison? I feel it simply because He wants the individual to be responsible for the use of his or her tongue. Lest one say, I never knew when I said such. Therefore, every man is responsible for letting the tongue out of "the double prisons." When you take time to look at the story of creation, the world we see and all the beautiful things that are in it were created by the spoken word of the Almighty. Hence, you will understand the power given to the instrument or tool through which words are spoken. As I have stated earlier, the tongue is deeply connected to the human heart. Your tongue is just a faithful representative of your heart. Your tongue is "the painter" which gives the picture of the state of your heart. Where you are and where you will reach in life are both functions of how you use your tongue. Have you ever desired to change your status? Perhaps you have been wondering how you can get out of that predicament, and you are wondering where to start. You need not look far, start by watching the use of your tongue. Your status is as good as the way you use your tongue. Of course, I admit that it's difficult for a natural man to put in check the use of the tongue. This is due to his state of heart. Be that as it may, if you will ever see any improvement or advancement, it is high time you started changing your vocabularies. Form negativity to positive words. From the story of woes to good news. From murmuring to giving

thanks, from cursing to blessing. Though, many people through ignorance carelessly use this lethal weapon and thereby limit themselves and destiny of people around them. This book seeks to reveal to you the potency force behind the use of tongue as well as how you can begin to use this faithful servant to create the world you desire. In the Kingdom of God the quality of life we experience is determined by what we possess in our hearts and what flows from our mouths. We have the power of life and death in our tongue. We have the power to decided which will manifest in our lives. The Law of the Tongue examines the power and privilege we possess in our ability to speak creatively and authoritatively in the earth. Our words not only impact our temporal existence but follow us into eternity. This is why we must receive instruction and understanding of this power given by God. Like every grant of power there are laws and principles established by God for its effective and responsible use. Man has both the right and responsibility to speak that which causes God's will to be manifested in the earth as it already is in heaven. When the believer learns how to talk in line with God's will nothing can be withheld or impossible for him. A playful and erudite look at the origins of language

First Published in 2011. Routledge is an imprint of Taylor & Francis, an informa company. Do Your Words Create a Mess...or a Legacy? Dig deep into the Bible's life-changing truths about the tongue in this companion workbook to the Watch Your Mouth DVD series from Dr. Tony Evans. What you say can

make a huge difference to others—and to your own quality of life. Learn how to surrender your words to God so your mouth can truly minister to the world around you. This interactive workbook is designed for use with the Watch Your Mouth DVD. The tongue can be very destructive and unless you learn how to control it, the little organ of your body can set your life on fire. You are no longer a master of words once the words are spoken out. The tongue has caused us more trouble than any other organ in the body. What has taken years to build can be destroyed by the tongue in a few seconds. There are demons operating on the tongue. This powerful book will teach you amazing secrets that would release tongues that are under bondage and propel tongues into prosperity and life. Chances are, you or someone you know is affected by a tongue-tie. Common, yet little understood, tongue-ties can lead to a myriad of problems, including difficulty when nursing, speaking or eating. In the most crucial and formative parts of children's lives, tongue-ties have a significant effect on their well-being. Many parents and professionals alike want to know what can be done, and how best to treat these patients and families. And now, there are answers. *Tongue-Tied: How a Tiny String Under the Tongue Impacts Nursing, Feeding, Speech, and More* is an exhaustive and informative guide to this misunderstood affliction. Along with a team of medical specialists, author Dr. Richard Baxter demystifies tongue-ties and spells out how this condition can be treated comprehensively, safely and comfortably. Starting with a broad history of tongue-ties, this invaluable guide covers 21st-century assessment techniques and treatment options available for tethered oral tissues. Various accounts of patient challenges and victories are prominently featured as well. With the proper diagnosis and treatment, tethered oral tissues can be released with minimal discomfort, resulting in lives free of struggles during nursing, speaking, and feeding, while also reducing the incidence of dental issues, headaches, and even neck pain for children through adults. Aimed at both parents and professionals, *Tongue-Tied* encourages

those affected while providing reassuring and valuable information. Dr. Baxter and his qualified team have pooled their expertise to make a difference in the lives of people. No longer will young patients and their parents suffer without answers. Phrases, idioms, and clichés—why do we say the things we say? *Watch Your Tongue* explores weird and wonderful everyday sayings and what they reveal about us. Do you ever wonder why you shouldn't have a cow but you should seize a bull by its horns? Who has the better reputation in language—cats or dogs? Do you sometimes feel that our speech is all smoke and mirrors or that our expressions simply make no sense? In *Watch Your Tongue*, award-winning author Mark Abley explores the phrases, idioms, and clichés of our everyday language. With wit and subtle wisdom, he unravels the mysteries of these expressions, illuminating the history, tradition and stories behind everything we say. Pulling examples from Shakespeare's plays to sports team names, ancient Rome to Twitter, Abley shares samples and anecdotes of the eccentric ways that we play with, parse, and pattern language. Why do so many companies use fruit for their brand names? What do politicians mean when they say they're going to "drain the swamp"? Why does English use chickens to signify cowardice? Abley dives into the history and psychology behind these examples and countless others, unpacking their significance (and sheer absurdity) to show how our language developed, where it is headed, and what we can learn about ourselves from it. Whimsically illustrated, easily browsable, and full of catchy sidebars, *Watch Your Tongue* celebrates how we amuse ourselves with words and what our sayings reveal about the way we see the world. Did you know that you can turn your life around simply by changing the words that you speak. You will learn that your life is impacted by the words that proceed out of your mouth. Proverbs 1:21 states, "Death and Life are in the power of the tongue" The words we speak have power. Often the consequences of our careless words are far reaching and eternal. At one time or another we all have experienced saying something

in a moment that takes hours (or weeks or a lifetime) to make right. In his engaging teaching style, Dr. R. T. Kendall helps you learn how to take control of the words you speak. He brings you straight to the Bible to identify characters who spoke without thinking as examples of how not to do things, demonstrating conclusively through their lives that, even when you fail, God will use you as He used them., Father Bellet wrote the apologetic *Sins of the Tongue* in the late 19th century, and it remains popular today. To be in the way, or to be out of the way, that is the question. Voice users and scientists alike agree that the tongue is a crucial part in singing. Yet, there has been no literature published that solely addresses the tongue and its acoustical influence in the context of technique. *The Tongue as a Gateway to Voice, Resonance, Style, and Intelligibility* finally answers the question which has plagued voice users: how does the tongue affect my singing and how can I manipulate it for my purpose? This book is unique in its approach to, and concentration on, the singing and speaking of consonants. In the world of voice, consonants are often overlooked in favor of a vowel-centric approach to vocal pedagogy. By combining voice pedagogy with vocal science, Dr. Angelika Nair breaks down the mysteries of the tongue and its effect on consonant production for a fascinating new take on the human voice. In addition to up-to-date scientific information, this work provides practical resources for singers, actors, and voice pedagogues of all genres, including exercises, step-by-step instructions, and easy-to-follow illustrations. Readers of *The Tongue as a Gateway to Voice, Resonance, Style, and Intelligibility* have the opportunity to explore the voice as a whole and fully visualize the hidden nature of voice production for immediate application in their own singing. The author presents the complexities of voice science in simple and accessible terms, so it is applicable to anyone interested in enhancing their performance or teaching. Key Features: * More than 180 illustrations, including anatomical and spectrogram images * Clear and detailed information about the anatomy and

physiology of the tongue relative to the entire vocal tract * The text features introductions, analysis, explanations, and practical applications * Well-defined and practical exercises for each consonant group * Evidence-based information that combines extensive both research and teaching experience with ultrasound in the voice studio * Bolded key terms and a comprehensive glossary

Certified behavioral consultant Deborah Pegues knows how easily a slip of the tongue can cause problems in personal and business relationships. This is why she wrote the popular *30 Days to Taming Your Tongue* (850,000 copies sold). Now in trade size, Pegues's 30-day devotional will help each reader not only tame their tongue but make it productive rather than destructive. Short stories, anecdotes, soul-searching questions, and scripturally based personal affirmations combine to make each applicable and life changing. Rerelease in trade edition

"An important and original book providing a completely new perspective on the intellectual and cultural history of southern India. . . . Sumathi Ramaswamy has both produced a major work of comparative history and made the finest scholarly contribution to the intellectual and cultural history of modern Tamil Nadu to date."—Nicholas B. Dirks, author of *The Hollow Crown* "The most thorough account of the history of the symbolic profusion of a language—any language—I have ever read . . . The scholarship is extraordinary, and Ramaswamy is quite likely the most knowledgeable on this subject in the whole of India—nay, the world."—E. Valentine Daniel, author of *Charred Lullabies: Chapters in an Anthropography of Violence*

Released from Nazi forced labour as WWII ends, twenty-year old Samuel Vandenberg is quickly drafted and sent to the island of Java to help regain control of the East Indies colony. The story of one young man's journey from being occupied to holding the gun, from having an enemy to

becoming one.
