They Found the Secret Jul 22 2023 Explore the lives of twenty Christian figures whose powerful testimonies and lives of service will inspire you to embrace Christ as the secret to abundant living. Written by V. Raymond Edman, who is best remembered as the fourth president of Wheaton College in Illinois and as the writer of many devotional books, They Found the Secret shares the failures, hardships, yearnings, accomplishments, and ultimate hope and faith of twenty well-known and little-known Christians. There are those of yesteryear like John Bunyan, and of more recent years like Richard C. Halverson and William P. Nicholson. There are clergymen like A. J. Gordon, and laymen like Dwight L. Moody. Some are well known, like Charles G. Finney and Oswald Chambers, while others may be little known or even quite forgotten, like J. A. Wood. There are mystics like Andrew Murray and practical men like Charles G. Trumbull and Robert E. Nicholas. There are women as well as men: Frances Ridley Havergal of England, Amy Carmichael of India, and Eugenia Price of contemporary America. The details of each of their experiences are quite different, yet as you listen to their stories and watch their lives, you will see a pattern that reveals their secret: Out of discouragement and defeat they have come into victory. Out of weakness and weariness they have been made strong. Out of ineffectiveness and apparent uselessness they have become efficient and enthusiastic. Their collective testimony to the reality of the joy and power of the Spirit-filled life is unanimous. Their lives and work have shaped the Christian faith and paved the way for those who have come after them. And from their stories, you too can find the path to deeper faith and a more vital relationship with God.

I Know a Secret: A Rizzoli & Isles Novel May 08 2022 NEW YORK TIMES BESTSELLER • Jane Rizzoli and Maura Isles—the inspiration for the smash hit TNT series—continue their bestselling crime-solving streak, as they pursue a shadowy psychopath keeping secrets and taking lives. “Suspense doesn’t get smarter than this.”—Lee Child Two separate homicides, at different locations, with unrelated victims, have more in common than just being investigated by Boston PD detective Jane Rizzoli and medical examiner Maura Isles. In both cases, the bodies bear startling wounds—yet the actual cause of death is unknown. It’s a doubly challenging case for the cop and the coroner to be taking on, at a fraught time for both of them. As Jane struggles to save her mother from the crumbling marriage that threatens to bury her, Maura grapples with the imminent death of her own mother—infamous serial killer Amalthea Lank. While Jane tends to her mother, there’s nothing Maura can do for Amalthea, except endure one final battle of wills with the woman whose shadow has haunted her all her life. Though succumbing to cancer, Amalthea hasn’t lost her taste for manipulating her estranged daughter—this time by dangling a cryptic clue about the two bizarre murders Maura and Jane are desperately trying to solve. But whatever the dying convict knows is only a piece of the puzzle. Soon the investigation leads to a secretive young woman who survived a shocking abuse scandal, an independent horror film that may be rooted in reality, and a slew of martyred saints who died cruel and unusual deaths. And just when Rizzoli and Isles think they’ve cornered a devilish predator, the long-buried past rears its head—and threatens to engulf more innocent lives, including their own. The Secret Apr 26 2021 The tale begins over three-hundred years ago, when the Fair People—the goblins, fairies, dragons, and other fabled and fantastic creatures of a dozen lands—fled the Old World for the New, seeking haven from the ways of Man. With them came their precious jewels: diamonds, rubies, emeralds, pearls... But then the Fair People vanished, taking with them their twelve fabulous treasures. And they remained hidden until now... Across North America, these twelve treasures, over ten-thousand dollars in precious jewels in 1982 dollars, are buried. The key to finding each can be found within the twelve full-color paintings and verses of THE SECRET. Are you smart enough? THE SECRET: A TREASURE HUNT was published in 1982. The year before publication, the author and publisher Byron Preiss had traveled to 12 locations in the continental U.S. (and possibly Canada) to secretly bury a dozen ceramic casques. Each casque contained a small key that could be redeemed for one of 12 jewels Preiss kept in a safe deposit box in New York. The key to finding the casques was to match one of 12 paintings to one of 12 poetic verses, solve the resulting riddle, and start digging. Since 1982, only two of the 12 casques have been recovered. The first was located in Grant Park, Chicago, in 1984 by a group of students. The second was unearthed in 2004 in Cleveland by two members of the Quest4Treasure forum.

The Secret Dec 15 2022 The authors of Great Leaders Grow use a fable to lay out what is the secret to great leadership in this internationally bestselling guide. It's a question that everyone in a position of authority—whether in a multinational corporation or a local volunteer group—wonders sooner or later. Here Ken Blanchard, whose books on leadership have sold over twenty million copies, and Mark Miller, who worked his way up from line worker to vice president of Chick-Fil-A, one of the largest fast-food restaurant chains in the country, uncover the secret that great leaders already know and detail what you need to do to truly inspire and motivate others. The authors get at the heart of what makes a leader successful using a classic business fable. Newly promoted but struggling young executive Debbie Brewster asks her mentor, "What is the secret of great leaders?" His reply—"great leaders serve"—flummoxes her, but over time he reveals the five fundamental ways that leaders succeed through service. Along the way, Debbie learns: • Why great leaders seem preoccupied with the future • How people on the team ultimately determine your success or failure • What three arenas require continuous improvement • Why true success in leadership has two essential components • How to knowingly strengthen—or unwittingly destroy—leadership credibility This new edition includes a leadership self-assessment so readers can measure to what extent they lead by serving and where they can improve. The authors have also added answers to the most frequently asked questions about how to apply the SERVE model in the real world. As practical as it is uplifting, The Secret shares Blanchard and Miller's wisdom about leadership in a form that anyone can easily understand and implement. "You don't have to be older to be a great leader. The Secret shows how to lay the foundation for powerful servant leadership early in your career to maximize your impact." —Claire Diaz-Ortiz, Head of Corporate Innovation and Philanthropy at Twitter, Inc. and author of Twitter for Good and Hope Runs "When you learn The Secret, don't keep it to yourself. The Secret Chord Jun 28 2021 "A page turner. . .Brooks is a master at bringing the past alive. . .in her skillful hands the issues of the past echo our own deepest concerns: love and loss, drama and tragedy, chaos and brutality." — Alice Hoffman, The Washington Post A rich and utterly absorbing novel about the life of King David, from the Pulitzer Prize-winning author of People of the Book and March. With more than two million copies of her novels sold, New York Times bestselling author Geraldine Brooks has achieved both popular and critical acclaim. Now, Brooks takes on one of literature's richest and most enigmatic figures: a man who shimmers between history and legend. Peeling away the myth to bring David to life in Second Iron Age Israel, Brooks traces the arc of his journey from obscurity to fame, from shepherd to soldier, from hero to traitor, from beloved king to murderous despot and into his remorseful and diminished dotage. The Secret Chord provides new context for some of the best-known episodes of David's life while also focusing on others, even more remarkable and emotionally intense, that have been neglected. We see David through the eyes of those who love him or fear him—from the prophet Nathan, voice of his conscience, to his wives Mikhal, Avigail, and Batsheva, and finally to Solomon, the late-born son who redeems his Lear-like old age. Brooks has an uncanny ability to hear and transform characters from history, and this beautifully written, unvarnished saga of faith, desire, family, ambition, betrayal, and power will enthrall her many fans.

The Secret Things of God May 16 2020 The phenomenal bestseller, The Secret, tapped into a spiritual hunger present in our society, revealing the Law of Attraction as a way to improve your life and find harmony with universal energies. Dr Cloud builds on these ideas by offering a positive Christian interpretation of the thinking found in that book. By comparing ideas and concepts in The Secret with biblical scripture, he points readers to the Creator of the universe as the source of all power, offering twenty spiritual truths that hold within them the secrets of happiness, relationships and purpose. Yet even among those who claim a Christian faith, these truths often lie dormant and untapped within the soul. The Secret Things of God will help readers unlock the secret treasures God has for them, and gives guidance on how to activate these truths in our lives.

The Secrets Behind "The Secret" Oct 13 2022 Much has been said about the law of attraction and some have called it "the secret". However, this topic is only a secret for those that didn't know it yet as it has been mentioned and used for thousands of years. Most of the information is kept under the cover of faith and religious believe, and many have used this knowledge to control people and lead them within political agendas; others have used it for personal gaining while hiding it from everyone else. Whatsoever is the case there's still plenty to learn about the law of attraction or the law of dream manifestation. Most books discussing it will show strategies, techniques and methods to obtain what we wish for in our life but they still hide the main secrets. These Authors show us what to do but not how it works, why it works or the purpose of its existence. After decades of personal studies on spirituality, a simplification within a specific theory was possible to explain more than anyone ever said about this issue. This book doesn't intend to represent any religious dogma in particular and was written based on the insights from several spiritual believes, ancient and modern, as well as known and secret to the public. Religion promotes a life philosophy and, although very misleading, also talks about universal truth. This paradigm is being noticed by modern science, which in some fields attests the dogma and in others reveals its fallacy. We're now much closer to know what is true, false or merely half-true. Quantum Physics, for example, is still at its starting point but much has explained already. Willing to describe a more complete understanding matching all these subjects, the Author will here reveal what he knows with a reasonable and humble perspective based on personal experiences. This book will not make any promises regarding becoming a millionaire or famous and none of the theories here exposed are immune to failure. Instead, it will explain how personal and spiritual growth matches the law of attraction and how we can understand life and the changes in our reality better while applying the necessary responsibility we must have as the spiritual beings that we are. The following chapters are supported by the Author's background and studies in Religious Societies, Greek Philosophy, Chinese Philosophy, Modern Psychology and Psychopedagogy, related to the mechanism of life and the anatomy of the spirit, as well as these sources' acknowledgement in what can be applied to the law of attraction. The theory presented is complete, flexible, simple and practical, allowing an easy assimilation to any lifestyle. With this knowledge the reader will have the power to change reality and manifest his own desires, while understanding all the dynamics involved in such process. The major success of the first edition wasn't expected but the Author took into consideration all kind

opinions and uplifting reviews to improve this second edition and make it even more powerful and accessible to anyone. You have now in your hands a book that has been recommended by famous Entrepreneurs as being in the same level as Napoleon Hill “Think and Grow Rich” and Wallace D. Wattles “The Science of Getting Rich”, both books that inspired the movie “The Secret” and all the speakers in it. But also a book that climbed rapidly into the Bestsellers list of Amazon soon after being published for the first time. This is truly the most revealing book about the Secrets behind “The Secret”.

God, It's Not Working! Oct 01 2021 GOD, IT'S NOT WORKING! Haven't we all said that? After another futile attempt at pursuing his dreams, after rounds of affirmations and visualizations, author Vincent Genna yelled, "God, it's not working!" Is there something wrong with me? How come so many seem to be living abundant lives and yet I'm still struggling to get some positive momentum in mine? Genna, metaphysician, psychotherapist, and spiritual teacher realized he's not alone. People trying to improve the quality of their lives spend over 10 billion dollars in the self-help industry, annually. Yet, most are still in unfulfilling jobs and relationships. Some are in financial distress. They make unhealthy lifestyle choices and have yet to find their passion. Then, he discovered that people don't believe what they think they believe. *God It's Not Working!* is a spiritual self-help book that details the new discoveries about the human mind and "self." With years of experience and training, Genna has distinguished two previously unlabeled divisions of the mind: the Environmental-Made Mind and the Adult-Made Mind. He's also identified a newly evolved defense mechanism--Obstructive Deceit. These three energies or storehouses are constantly at play, informing our choices and blocking our innate abilities to manifest an abundant life. Building on this knowledge he guides readers through a surprising truth that makes all other self-help books work!

The Secret Book of Kings Aug 31 2021 “This volume, by Biblical scholar Yochi Brandes, is a riveting novel based on textual sources about the experiences of David and Solomon. Its lessons are also relevant for our turbulent time.” —Elie Wiesel, #1 New York Times and internationally bestselling author of *Night*
In the tradition of *The Red Tent* from internationally bestselling author Yochi Brandes comes the stories of the struggles of King David and King Saul in the early days of the Kingdom of Israel, seen through the eyes of Michal, Saul's daughter and David's abandoned queen. Stories are deadlier than swords. Swords kill only those who stand before them, stories decide who will live and die in generations to come. Shelomoam, a young man from the tribe of Ephraim, has grown up in the shadow of dark secrets. He wonders why his father is deathly afraid of the King's soldiers and why his mother has lied about the identities of those closest to him. Shelomoam is determined to unearth his mysterious past, never imagining where his quest will ultimately lead him. *The Secret Book of Kings* upends conventions of biblical novels, engaging with the canonized stories of the founding of the Kingdom of Israel and turning them on their heads. Presented for the first time are the heretofore unknown stories of the House of Saul and of the northern Kingdom of Israel, stories that were artfully concealed by the House of David and the scribes of the southern Kingdom of Judah. Yochi Brandes, one of Israel's all-time bestselling novelists, enlists her unique background in both academic Jewish scholarship and traditional religious commentaries to read the Bible in an utterly new way. In this book, a major publishing phenomenon in Israel and one of the bestselling novels in the history of the country, she uncovers vibrant characters, especially women, buried deep within the scriptures, and asks the loaded question: to what extent can we really know our past when history is written by the victors?

The Name of this Book Is Secret Apr 19 2023 Read the series that's sold more than 2 million copies--if you dare! Warning: this description has not been authorized by Pseudonymous Bosch. As much as he'd love to sing the praises of his book (he is very vain), he wouldn't want you to hear about his brave 11-year old heroes, Cass and Max-Ernest. Or about how a mysterious box of vials, the Symphony of Smells, sends them on the trail of a magician who has vanished under strange (and stinky) circumstances. And he certainly wouldn't want you to know about the hair-raising adventures that follow and the nefarious villains they face. You see, not only is the name of this book secret, the story inside is, too. For it concerns a secret. A Big Secret.

The friends he's made when he hits the storied ivy-clad campus from a very different life in urban Chicago are a happy bonus. But Spencer is about to be introduced to the most mysterious inner sanctum of the inner sanctum: to his surprise, he's in the running to be “punched” for one of Harvard's elite final clubs. The Delphic Club is known as “the Gas” for its crest of three gas-lit flames, and as Spencer is considered for membership, he's plunged not only into the secret world of male privilege that the Gas represents, but also into a century-old club mystery. Because at the heart of the Delphic, secured deep inside its guarded mansion club, is another secret society: a shadowy group of powerful men known as The Ancient Nine. Who are The Ancient Nine? And why is Spencer—along with his best friend Dalton Winthrop—summoned to the deathbed of Dalton's uncle just as Spencer is being punched for the club? What does the lore about a missing page from one of Harvard's most historic books mean? And how does it connect to religion, murder, and to the King James Bible, if not to King James himself? *The Ancient Nine* is both a coming of age novel and a swiftly plotted story that lets readers into the ultimate of closed worlds with all of its dark historical secrets and unyielding power.
