The digital copies of these recordings are available for free at First Fruits website. place.asburyseminary.edu/firstfruits Perfect for fans of Rain Reign, this middle-grade novel The Brave is about a boy with an undiagnosed anxiety issue and his move to a reservation to live with his biological mother. Collin can't help himself—he has a mental health condition that finds him counting every letter spoken to him. It's a quirk that makes him a prime target for bullies, and frustrates the adults around him, including his father. When Collin asked to leave yet another school, his dad decides to send him to live in Minnesota with the mother he's never met. She is Ojibwe, and lives on a reservation. Collin arrives in Duluth with his loyal dog, Seven, and quickly finds his mom and his new home to be warm, welcoming, and accepting of his disability. Collin's quirk is matched by that of his neighbor, Orenda, a girl who lives mostly in her treehouse and believes she is turning into a butterfly. With Orenda's help, Collin works hard to learn the best ways to manage his anxiety disorder. His real test comes when he must step up for his new friend and trust his new family. From award-winning Nordic author and illustrator Linda Bondestam comes a new kind of climate change story, narrated by an adorable axolotl who is--possibly--the last of its kind. In a forest of seaweed there was ME, a rare and beautiful little axolotl, going for my first-ever swim. So graceful, and yet so lonesome--out of 987 eggs, mine was the only one that hatched. Who knows, maybe I was the last axolotl in these waters? At the bottom of a lake in Mexico City, our axolotl narrator goes to underwater school, collects treasures tossed away by the big lugs on land, and has dance parties with tiger salamander friends. Life is good! But as the world gets hotter and hotter, the water gets murkier. Friends become harder to find, and the lonesome axolotl grows even lonelier. Until one day when, out of the blue, a colossal wave carries the axolotl into a surprising new future.... Bittersweet, droll, existential, and hopeful, My Life at the Bottom is a tale from the climate crisis unlike any other. Combining her irresistible visual wit with exquisite aquatic art and rare empathy, Linda Bondestam brings us a story of catastrophe that bursts with life. *The Story of My Life* may be the most extraordinary autobiography ever written. Its author was only 22 when it was published, in 1903, but her life to that point had already been most uncommon: she had been rendered deaf, blind, and later mute by an illness at the age of 19 months, and only years later learned to read, speak, and understand others through the dedication of a teacher extraordinary in her own right.

American author and activist HELEN ADAMS KELLER (1880-1968) became famous thanks to **The Story of My Life,** which was later adapted for stage and screen in various incarnations under the title **The Miracle Worker,** a reference to that special teacher, Annie Sullivan. Here, in her own words, is Keller's firsthand experience of the dawning of enlightenment on the severely isolated child she was, and her evolution into the educated and erudite young woman she became. The perfect gift for your grandfather (ideal for Father's Day and birthday giving), this beautiful keepsake memory book is designed to capture and preserve grandfather's unique memories, from the days of his own childhood through the precious moments he spends with his grandchild. Includes digital media prompts as well, for the modern grandpa! Gorgeously designed, this charming guided journal offers a place to chronicle grandfather's own life story, keep a living record of his experiences, and record his hopes and dreams for his grandchild. Each page includes thoughtful prompts to inspire grandpa to record his most meaningful memories, plus plenty of space for including memorabilia and photographs. This grandparent's memory journal takes you on a journey that will become a cherished family memoir. Designed in a 12-month format, each month features 12 intriguing questions with space to write a personal answer. Questions explore family history, childhood memories, lighthearted incidents, cherished traditions, and the dreams and spiritual adventures encountered in a lifetime of living. The written words become windows to a grandparent's heart. Anarchist, journalist, drama critic, advocate of birth control and free love, Emma Goldman was the most famous—and notorious—woman in the early twentieth century. This abridged version of her two-volume autobiography takes her from her birthplace in czarist Russia to the socialist enclaves of Manhattan's Lower East Side. Against a dramatic backdrop of political argument, show trials, imprisonment, and tempestuous romances, Goldman chronicles the epoch that she helped shape: the reform movements of the Progressive Era, the early years of and later disillusionment with Lenin's Bolshevik experiment, and more. Sounding a call still heard today, *Living My Life* is a riveting account of political ferment and ideological turbulence. First time in Penguin Classics Condensed to half the length of Goldman's original work, this edition is accessible to those interested in the activist and her extraordinary era A New York Times bestseller! A pioneering and timely study of how to navigate life's biggest transitions with meaning, purpose, and skill Bruce Feiler, author of the New York Times bestsellers *The Secrets of Happy Families* and *Council of Dads*, has long explored the stories that give our lives meaning. Galvanized by a personal crisis, he spent the last few years crisscrossing the country, collecting hundreds of life stories in all fifty states from Americans who'd been through major life changes—from losing jobs to losing loved ones; from changing careers to changing relationships; from getting sober to getting healthy to simply looking for a fresh start. He then spent a year coding these stories, identifying patterns and takeaways that can help all of us survive and thrive in times of change. What Feiler discovered was a world in which transitions are becoming more plentiful and mastering the skills to manage them is more urgent for all of us. The idea that we'll have one job, one relationship, one source of happiness is hopelessly outdated. We all feel unnerved by this upheaval. We're concerned that our lives are not what we expected, that we've veered off course, living life out of order. But we're not alone. *Life Is in the Transitions* introduces the fresh, illuminating vision of the nonlinear life, in which each of us faces dozens of disruptors. One in ten of those becomes what Feiler calls a lifequake, a massive change that leads to a life transition. The average length of these transitions is five years. The upshot: We all spend half our lives in this unsettled state. You or someone you know is going through one now. The most exciting thing Feiler identified is a powerful new tool kit for navigating these pivotal times. Drawing on his extraordinary trove of insights, he lays out specific strategies each of us can use to reimagine and rebuild our lives, often stronger than before. From a master storyteller with an essential message, *Life Is in the Transitions* can move readers of any age to think deeply

about times of change and how to transform them into periods of creativity and growth. Summer's finally here, and Derek Fallon is looking forward to pelting the UPS truck with water balloons, climbing onto the garage roof, and conducting silly investigations. But when his parents decide to send him to Learning Camp, Derek's dreams of fun come to an end. Ever since he's been labeled a "reluctant reader," his mom has pushed him to read "real" books—something other than his beloved Calvin & Hobbes. As Derek forges unexpected friendships and uncovers a family secret involving himself (in diapers! no less), he realizes that adventures and surprises are around the corner, complete with curve balls.

My Life as a Book is a 2011 Bank Street - Best Children's Book of the Year. **NEW YORK TIMES BESTSELLER • WINNER OF THE NAACP IMAGE AWARD • A “gripping, revelatory” (NPR) memoir of hard-won success, struggles with addiction, and a lifelong mission to give back—from the late iconic actor beloved for his roles in *The Wire*, *Boardwalk Empire*, and *Lovecraft Country* “Williams’s cool rasp leaps off every page, his story told in the direct yet impassioned language that defined his greatest characters.”—Vulture** **ONE OF THE BEST BOOKS OF THE YEAR: The New York Times, NPR, The Root** When Michael K. Williams died on September 6, 2021, he left behind a career as one of the most electrifying actors of his generation. From his star turn as Omar Little in *The Wire* to Chalky White in *Boardwalk Empire* to Emmy-nominated roles in HBO’s *The Night Of* and *Lovecraft Country*, Williams inhabited a slew of indelible roles that he portrayed with a rawness and vulnerability that leapt off the screen. Beyond the nominations and acclaim, Williams played characters who connected, whose humanity couldn’t be denied, whose stories were too often left out of the main narrative. At the time of his death, Williams had nearly finished a memoir that tells the story of his past while looking to the future, a book that merges his life and his life’s work. Mike, as his friends knew him, was so much more than an actor. In *Scenes from My Life*, he traces his life in whole, from his childhood in East Flatbush and his early years as a dancer to his battles with addiction and the bar fight that left his face with his distinguishing scar. He was a committed Brooklyn resident and activist who dedicated his life to working with social justice organizations and his community, especially in helping at-risk youth find their voice and carve out their future. Williams worked to keep the spotlight on those he fought for and with, whom he believed in with his whole heart. Imbued with poignance and raw honesty, *Scenes from My Life* is the story of a performer who gave his all to everything he did—in his own voice, in his own words, as only he could. Get to know yourself and all your quirks a little bit better with 3,001 *Would You Rather* Questions. "The true story of the 'Driss' character in the ... film *The Intouchables*"--Cover. Capture the stories of a lifetime Record the stories of your life--or a loved one's--for posterity!

The Story of My Life workbook makes it easy: Simply follow the prompts to preserve memories from your entire life. The book includes sections on parents, siblings, childhood, high school, career, and adulthood. There’s also space to note vital statistics about yourself and immediate family members as a genealogical record. The workbook features:

- Fill-in pages with thought-provoking prompts to capture key moments that define your life
- Advice and exercises to reconstruct memories from long ago
- Interactive pages for family and friends to share their own stories
- Special forms for spotlighting important people, places and times

A great gift for your children to learn about their parents' lives or the jumping-off point for writing a memoir, the *Story of My Life* workbook will help you preserve your memories for generations to come.- Supreme Court Justice Sonia Sotomayor tells her own story for young readers for the very first time! As the first Latina Supreme Court Justice, Sonia Sotomayor has inspired young people around the world to reach for their dreams. But what inspired her? For young Sonia, the answer was books! They were her mirrors, her maps, her friends, and her teachers. They helped her to connect with her family in New York and in Puerto Rico, to deal with her diabetes diagnosis, to cope with her father's death, to uncover the secrets of the world, and to dream of a future for herself in which anything was

possible. In *Turning Pages*, Justice Sotomayor shares that love of books with a new generation of readers, and inspires them to read and puzzle and dream for themselves. Accompanied by Lulu Delacre's vibrant art, this story of the Justice's life shows readers that the world is full of promise and possibility--all they need to do is turn the page. Praise for *Turning Pages*: * "A sincere and insightful autobiography that also demonstrates the power of the written word. A winning addition to libraries that serve young readers." --School Library Journal, starred review "A personal and appealing book made to inspire." --Booklist "A thoughtful introduction to both the power of reading and an inspiring role model." --Kirkus Reviews "This book would be great as a read-aloud for class discussions of the Supreme Court, or United States government, or of important people in public service. It would also be good for independent reading by students interested in biographies or political figures." --School Library Connection

Lies About Writing Your Life Story You have to be a famous celebrity. You must have an amazing life. You can't write your life story until you're old and gray. Nobody will read it, so what's the point? So, you want to write the story of your life but don't know where to start? Relax! Now you can. This is *My Life Story* guides you on a journey through your life with engaging prompts, questions and thought experiments that can jump start your memories and get you writing before you know it. Every life is a story worth telling. But how do you begin? Your life story is unique, you know it's worth telling. So what can you do? What if you could answer a series of questions and end up with your life story in a book? Anyone can use this book, really at any age. Your authentic voice is more important than your writerly skills. You don't need to be a writer, you just write exactly how you talk. This book uses chronology and a universal story structure to ensure that your autobiography will be a bona fide page turner, with plenty of space for you to express yourself. Simply reflect, let the memories flow and write them down, in your voice. No critics. No worries. Just *Your Life Story*. Every life is a hero's journey, and this book shows you how to pick out the key moments of your own life that match the timeless structure that underlies all great stories. Except in this story - you are the hero. Make a little bit of treasure for your family. A publisher's dummy used for subscription sales of Washington's autobiography. Selected pages of the text and 37 illustrated plates are included. The front and back cover represent two of the three available bindings for the edition; the spine for the third option is pasted to the inside back cover.

If she wants a future with him, she'll have to make peace with her past. Jenna's never let her cerebral palsy get her down. But when she discovers that her condition was actually caused by an injury at birth, she's furious with her parents, who withheld the truth. And as they push her to get yet another difficult procedure, Jenna feels her control over her life starting to slip. Enter Julian, Jenna's childhood crush. He's just moved back to town, and he's struggling in school, so Jenna reaches out to him—anonously—to help. Soon, their conversations are about so much more than class. She's falling for him all over again, hard and fast. But would Julian still be interested in her if he knew who she really was? And can she find a way to take back her own narrative before she pushes away everyone she loves? Also by Stacie Ramey: *The Sister Pact* *The Homecoming* *The Secrets We Bury*

From her childhood in China to the moment she won her first National Book Award, literary icon Katherine Paterson shares the personal stories that inspired her children's books. Told with her trademark humor and heart, Paterson's tales reveal details about her life from her childhood with missionary parents, to living as a single woman in Japan, to raising four children in suburban Maryland with her minister husband. Read about the origins of such familiar characters as Leslie Burke and Janice Avery from *Bridge to Terabithia*, and go behind the scenes to the moments Katherine found out she won her many awards. Filled with personal photos and letters, this funny, heartwarming history from a legendary writer lets fans in on the making of literary classics. An interactive life-review journal designed by a psychologist helps families share their stories with one another. It includes prompts that take users through the

different phases of life with lined space to record memories, thoughts, and reflections. It is party time in eighties Manhattan. Smart, sassy and cynical, Alison lives for the moment. Her life is a carnival of gossip and midnight sessions of Truth or Dare, and her cocaine-bashing friends and flirting flatmates all crave satiation. Young and beautiful, hip and indulgent, sex-crazed and alcohol-fuelled, Alison can neither pay her fees for drama school nor track down her indifferent father. She juggles rent money with abortion fees, lingering lovers with current conquests and is the despair of her gynaecologist. She's fallen deeply in lust with Dean, although that nasty present Skip Pendleton left her with hasn't yet cleared up. Story of her life right? But in a world of no consequences, Alison is heading for a meltdown. A child befriends a wave at the seashore and brings her home. With 200 thought-provoking and lighthearted writing prompts and exercises organized into chapters based on life stages, *My Life Story* gets you started on your life's memoir and allows you to create a fully realized record of your adventures. The bass player and founding member Dire Straits shares a behind-the-scenes history of the British rock band. One of the most successful music acts of all time, Dire Straits filled stadiums around the world. Their albums sold hundreds of millions of copies and their music—classics like "Sultans of Swing," "Romeo and Juliet," "Money for Nothing," and "Brothers in Arms"—is still played on every continent today. There was, quite simply, no bigger band on the planet throughout the eighties. In this powerful and entertaining memoir, founding member John Illsley gives the inside track on the most successful rock band of their time. From playing gigs in the spit-and-sawdust pubs of south London, to hanging out with Bob Dylan in LA, Illsley tells the story of the band with searching honesty, soulful reflection, and wry humor. Starting with his own unlikely beginnings in Middle England, he recounts the band's rise from humble origins to the best-known venues in the world, the working man's clubs to Madison Square Garden, sharing gigs with wild punk bands to rocking the Live Aid stage at Wembley. And woven throughout is an intimate portrait and tribute to his great friend Mark Knopfler, the band's lead singer, songwriter, and remarkable guitarist. Tracing an idea that created a phenomenal musical legacy, an extraordinary journey of joy and pain, companionship and surprises, this is John Illsley's life in Dire Straits. Praise for *My Life in Dire Straits* "A forensic and uplifting journey through the sheer hard work, pitfalls, and thrills of navigating a great rock and roll band to the pinnacle of success. I so enjoyed the ride! Onwards, John!" —Roger Taylor, drummer, songwriter, and founding member of Queen "Reading John Illsley's book, I relived so many moments. He captures the early days of the "English bands" and their story—the ups and downs, relationships, craziness, and fun. Of course, the music was key. This really happened!" —Mike Rutherford of Genesis "Fascinating. . . . Illsley is brutally frank about the toll that the band's fame had on his relationships, most notably his marriage ("a victim," he writes, "of my life on the road"). Fans will be mesmerized." —Publishers Weekly (starred review) "My life story so far..." Every day is an opportunity to live your dreams, and create new ones. Record your dreams, and your path towards them, in this journal. With 148 pages, half lined, half blank, there is plenty of space for you two write and draw to your heart's desire. Plus, every time you look at the journal and read the quote you'll be motivated to bigger and better things. Open your mind, start writing, and feel gratified with the inspirational and diverse questions of 301 Writing Ideas. Create a cherished keepsake--This journal's beautiful design and carefully curated prompts make it easy for grandmothers to fill out and share with grandchildren, family, and friends. Inspire the grandmother in your life to record her life's story with this grandma journal that makes for a special and meaningful gift. Record your father's life story in this beautiful keepsake journal with 200 guided exercises and prompts that take him back through each stage of his life and its accompanying adventures. Fathers are our steady and protective heroes, who, sometimes, become lost when it comes to sentimental celebrations of their importance in our lives. An encouraging voice in times of doubt, a wise teacher in times of uncertainty, a compassionate critic in times of honest feedback, and a silly jokester in times of frustration, a father's caring and nurturing presence shapes us throughout our lives. In My Father's Life, both thought-provoking and lighthearted writing prompts and guided exercises are organized into chapters based on your father's life stages to help him record his life's memoir. Beginning with early childhood, questions like Are there any stories about your birth that were told to you by your parents or other family members? followed by early adulthood prompts such as What is something that you felt very strongly about when you were in your twenties? and then concluding with questions about his wisdom he has learned and would like to share like What is the best piece of advice you were ever given and who gave it to you?, the My Father's Life journal jump starts the reflective writing process to open his mind to dig deeper into who he is, where he started, and, most importantly, what he has learned. Complemented with poignant quotes about fathers throughout history, this beautifully designed journal will give your father everything he needs to record his life's experiences to not only shed light on the events that shaped him into the man he is today, but also to preserve his life's memories and stories for you and your family to learn from, become inspired by, and cherish for future generations. With so much of our lives and contact going digital, the Creative Keepsakes journals offer an intimate way to nurture your connection with yourself and the people around you. An entertaining way to get off your screen, these guided and free-form journals are great for writers and artists alike. Each journal offers content around a different theme, including silly

prompts for a laugh, random yet thoughtful questions, inspiration for art and composition, interactive prompts to learn about your heritage, and blank interiors on high-quality paper stock to use as your creative canvas. Beautifully designed and full of mindful prompts, channel your inspiration as you put pen (or pencil, or marker, or crayon!) to paper to learn more about yourself, your talents, and the people you love. Also in this Series: 3,001 Questions All About Me, 301 Things to Draw, 301 Writing Ideas, Create Comics: A Sketchbook, Inner Me, Internet Password Book, My Grandmother's Life, My Life Story, My Mother's Life, 3,001 This or That Questions, My Grandfather's Life, Create the Poem, Complete the Drawing Journal, Mom and Me Journal, Why I Love You Journal, Create the Story, and Destroy & Design This Journal.
