Celebrate these beloved works of literature as true standouts in your personal library collection. Renowned as the creator of the detective story and a master of horror, the author of "The Red Mask of Death," "The Black Cat," and "The Murders of the Rue Morgue," Edgar Allan Poe seems to have derived his success from suffering and to have suffered from his success. "The Raven" and "The Tell-Tale Heart" have been read as signs of his personal obsessions, and "The Fall of the House of Usher" and "The Descent into the Maelstrom" as symptoms of his own mental collapse. Biographers have seldom resisted the opportunities to confuse the pathologies in the stories with the events in Poe's life. Against this tide of fancy, guesses, and amateur psychologizing, Arthur Hobson Quinn's biography devotes itself meticulously to facts. Based on exhaustive research in the Poe family archive, Quinn extracts the life from the legend, and describes how they both were distorted by prior biographies. "The Gray Armageddon has destroyed most of humanity. Vampires have slinked out of hiding, penning the few human survivors as blood cattle. Young Julia Poe survives the horror. She has dodged the undead since she was eight years old in downtown Los Angeles and has the only untapped vein in the new realm. Now she celebrates her 22nd birthday as a cattle rustler, fighting the vampire factions alongside a gun-toting nun with an even bigger vendetta. Kaleb Sainvire, the master vampire and architect responsible for milking cattle,' is first on Poe's list. That is, if she isn't taken by his vampiric allure. This collection brings together more than fifty of Edgar Allan Poe's most important stories, poems, and critical writings, which established him as one of the most distinctive voices in American Literature, in a single accessible volume. Alongside annotated texts of each work, it also includes a complete Reader's Guide to Poe's work to help readers explore the contexts, style, and reception of his writing from his own time to today. An essential resource for students and teachers of Poe, this book includes stories such as 'The Fall of the House of Usher', 'The Tell-Tale Heart', and 'The Purloined Letter' as well as his Gothic narrative poem 'The Raven' and some of his most significant critical writings. Features lists that cover a broad range of subjects including bizarre births, weird jobs, crazy diets, strange phobias, historical oddities, religious scandals, ridiculous criminal acts, and weird superstitions.
