Get Back! I giorni del rock Aug 30 2021 Get Back. Come il disco perduto dei Beatles. Come un cammino a ritroso nel tempo, o un disco fatto girare al contrario. Ma anche nel senso di rimettere le cose a posto. Espressione che calza a pennello a questo libro. Poiché largomento è il rock, si procede a passo di gambero e lo scopo consiste appunto nel riordinare gli eventi musicali dell'ultimo mezzo secolo. La ricorrenza è in qualche modo solenne: nel 2004 il rock compie 50 anni.

HARD ROCK EMOTIONS Jul 21 2023 Un viaggio attraverso la musica più elettrica degli ultimi cinquant'anni. L'hard rock non è semplicemente un genere musicale, è un'emozione intensa, avvolgente, che se vi entra in circolo finisce col diventare la colonna sonora delle vostre azioni e dei vostri pensieri, e non potete più farne a meno. Per conoscerne la storia, per dare nomi e volti ai suoi protagonisti bisogna semplicemente amarla, sentirla scorrere prepotentemente dentro di noi. Se non provate istintivamente queste sensazioni è tutto inutile, andate a leggere altro. Hard Rock Emotions non è un'enciclopedia, preparatevi a scoprire qualcosa di eccitante, un romanzo elettrico che vi racconterà la storia del rock più duro, più emozionante, più autentico. A trent'anni dalla pubblicazione del suo ""Hard Rock Story"" (Gammalibri 1986) Silvio Ricci amplia e matura la sua visione della storia dell'hard rock dalle origini ai giorni nostri.

Historia Del Rock Y Las Drogas Aug 22 2023 Using as examples the careers and lives of some of the most famous musicians in history--Charlie Parker, Jimi Hendrix, Jim Morrison, and Kurt Cobain, among others--this accurate and exhaustive exploration analyzes the extravagant and somber associations between drugs and popular music. Usando como ejemplos las carreras y vidas de algunos de los más famosos músicos de la historia--Charlie Parker, Jimi Hendrix, Jim Morrison y Kurt Cobain, entre otros--esta certera y exhaustiva exploración analiza las extravagantes y lúgubres asociaciones entre las drogas y la música popular.

La Stella del Rock e Io Jul 17 2020 Una notte. È tutto ciò di cui una rock star ha bisogno. Giusto? Quando il suo fidanzato la distrugge con una lettera una settimana prima del loro matrimonio, Kate Stillman fa un voto preciso: l'inferno dovrà gelarsi prima di dare ad un uomo qualcosa di più di una notte. Libera da coinvolgimenti emotivi, la sua carriera di fotografa sale alle stelle, vive solo di occasionali e bollenti avventure di una notte, e il suo cuore è off-limits. Sembra il piano perfetto fino a quando una fuga a Miami la porta faccia a faccia con Peter Barrett. Il chitarrista intelligente e sexy Peter "perseguita" Katie con dei messaggi da quando lei ha fotografato la sua band. E ora che sono riuniti, nasce più di un semplice flirt. Lui la vuole. Adesso e subito. Katie cede alla loro frizzante chimica, pensando che una rock star apprezzerà la sua regola "una notte soltanto". E invece Peter si oppone ed estende un invito per una seconda notte di puro abbandono, un'offerta troppo allettante per poterla rifiutare. Quando si separano di nuovo, Katie scopre quanto bene la sua regola abbia protetto il suo cuore fin'ora. Il tempo lontano da Peter le lascia solo più desiderio di quanto abbia mai immaginato. Ogni telefonata a tarda notte la spinge a chiedersi se può amare di nuovo. Ma quando Peter ritorna e la sua fiducia viene messa alla prova, Katie deve superare il suo passato per vedere che l'amore come lo vede dalla separazione con il suo ex non è il modo giusto per viverlo.

Refried Elvis Dec 14 2022 "This book traces the history of rock 'n' roll in Mexico and the rise of the native countercultural movement La Onda (the wave). This story frames the most significant crisis of Mexico's postrevolution period: the student-led protests in 1968 and the government-orchestrated massacre that put an end to the movement".--BOOKJACKET.

Engineering News and American Contract Journal Nov 20 2020

The Walls of Santiago May 27 2021 A photo-illustrated record of Chilean protest art, along with reflections on artistic antecedents, global protest movements, and the long shadow cast by Chile's authoritarian past. "This is an excellent and unique contribution to our understanding of protest art. It is the first substantive treatment in English of an important social movement and a significant contribution to the political impact of the COVID-19 pandemic."—T.V. Reed, Washington State University From October 2019 until the COVID-19 lockdown in March 2020, Chile was convulsed by protests and political upheaval, as what began as civil disobedience transformed into a vast resistance movement. Throughout, the most striking aspects of the protests were the murals, graffiti, and other political graphics that became ubiquitous in Chilean cities. Authors Terri Gordon-Zolov and Eric Zolov were in Santiago to witness and document the protests from their very beginning. The book is beautifully illustrated with over 150 photographs taken throughout the protests. Additional photos will be available on the publisher's website. From the introduction: In the conclusion, we take stock of the crisis of the nation-state in the contemporary era. This chapter brings events into the present moment, noting the ways President Piñera took advantage of the COVID-19 pandemic to reclaim the streets of Santiago, a phenomenon echoed in countries across the globe. While most of the global protest movements were forced to go underground (or into the ether), the Black Lives Matter movement surged in the United States and drew massive amounts of support both domestically and abroad, suggesting a continued wave of grassroots protests. We close with reflections on the continued relevance of walls in a virtual world, the testimonial role that protest graphics play, and the future outlook for revolutionary movements in Chile and worldwide.

Rolling Stones. Altamont Sep 30 2021 Per decenni il concerto gratuito dei Rolling Stones, il 6 dicembre 1969 nell'autodromo di Altamont, è stato visto come il 'gemello perverso' di Woodstock. In quel giorno funesto, infatti, uno spettatore fu accoltellato a morte da un membro della malfamata gang di motociclisti degli Hells Angels, che lavorava come servizio d'ordine al

Festival. Si chiuse così, in modo tragico, il sogno tutto 'peace and love' dei Sixties. Sino a oggi, la maggior parte delle notizie ufficiali di ciò che accadde ad Altamont provenivano da Gimme Shelter, il documentario ufficiale sulla tournée americana dei Rolling Stones del 1969 conclusasi proprio sul circuito del nord California. Ma la vera storia è rimasta a lungo sepolta, nascosta tra racconti sbiaditi, voci distorte, falsi miti. Questo libro racconta in modo appassionante il 'giorno più nero della storia del rock' spiegando le radici di un evento orribile e sfortunato, iniziato prima della morte di Meredith Hunter, il giovane ragazzo di colore ucciso dai biker, e proseguito oltre quella tragica notte di dicembre. Joel Selvin, affermato giornalista musicale e scrupoloso storico del rock, analizza nel dettaglio i vari aspetti di quello show. Dagli eccessi, sopra e sotto il palco, dei Rolling Stones alle magagne di un tour mal organizzato che ha preceduto il concerto di Altamont, sino alle morti mai documentate avvenute dopo che la band lasciò il Festival, l'autore cattura l'intera scena del prima, durante e post tragedia. Selvin denuncia anche le diverse realtà che hanno osteggiato il Festival dall'inizio, inclusa la sbagliatissima scelta di Altamont come sede dell'evento, le droghe allucinogene di pessima qualità che circolavano tra il pubblico e la disastrosa idea di affidare agli Hells Angels, per altro da sempre amici della comunità hippie di San Francisco, la 'security' del concerto. Andando ben oltre le spiegazioni più ovvie e banali, Selvin s'immerge nei ricordi di chi, rappresentante di importanti realtà cultural-musicali del periodo, fu profeta di sventure fin da prima che lo show avesse inizio. Analizzando in modo approfondito le due band che furono al centro degli eventi, Rolling Stones e Grateful Dead, Selvin spiega anche il ruolo centrale (ma dimenticato dai più) che questi ultimi ebbero nell'ideazione e organizzazione del tutto. In questo modo, il libro offre un ritratto vivido di come, in un'epoca celebre per i suoi idealismi, i due mondi del rock (inglese e americano) si scontrarono con effetti devastanti. Ma anche come i destini delle due band, che sembravano unirsi ad Altamont, furono successivamente sempre più distanti, quasi agli estremi opposti. Frutto di oltre trent'anni di ricerche e di un centinaio di interviste esclusive con testimoni fondamentali (musicisti, staff medico, membri degli Hells Angels, tecnici e fonici, ecc.) il libro è scritto in modo accattivante, pieno di aneddoti e curiosità, e rappresenta un documento eccezionale per capire l'intera scena rock degli anni '60. Con la prefazione di Carlo Massarini.

William S. Burroughs e il culto del rock 'n' roll Mar 17 2023

Race, Rock, and Elvis Sep 11 2022 The tradition of southern racism, successfully communicated to previous generations, failed for the first time when confronted with the demand for rock 'n' roll by a new, national, commercialized youth culture."--BOOK JACKET.

Gabba Gabba Hey! The Graphic Story Of The Ramones Oct 20 2020 The Ramones were the hard-hitting New York punk band that erupted in nery 1974 when a serial killer terrorised the city and civic bankruptcy loomed. From their beginnings in Queens and the burgeoning punk scene at CBGB's, through the excitement of their first album, a brush with Phil Spector and more than two thousand concerts over a 22 year period, The Ramones always were a force to be reckoned with. This is their full story told in dramatic graphic style: the in-fighting, the deaths of three founding members, their influence on British bands like The Sex Pistols and The Clash, the induction into the Rock and Roll Hall of Fame and finally a Grammy Lifetime Achievement Award.

History of Rock and Roll Nov 01 2021

Memoirs of the American Folk-lore Society Jun 15 2020

Detective del Rock & Roll Feb 16 2023 Johnny Walker se jubila de la Oficina de Policía de Portland y se muda a Los Ángeles para trabajar como investigador privado en la industria de la música. Un rapero conocido como Mr. Big contrata a Johnny para encontrar a su hermanastro menor y lo hace. Poco tiempo después, el rapero es acusado de matar a su hermanastro, y el abogado defensor del rapero vuelve a contratar a Johnny para demostrar que Mr. Big no lo hizo.

Una gran lectura sobre la industria del entretenimiento y una historia espléndida. El segundo de la serie de Johnny Walker.

Il grande libro del rock (e non solo) May 19 2023

Historia del Rock Oct 12 2022 ¿Cómo nacieron el rock; n roll, el rythm and blues, el brit pop, el heavy metal y el country...? ¿Cómo surgió la música de masas gracias a fenómenos como Elvis Presley, los Beatles, los Rolling Stones, Bob Dylan, Queen, Kiss o Madonna, entre tantos otros genios que han hecho la historia del rock? ¿Cómo transformó el mundo de la música el walkman o el MP3? ¿Cómo se organizaron los primeros macroconciertos? ¿Cómo ha cambiado el papel de las discográficas en el mercado musical? Historia del rock es un viaje apasionante, con magníficas ilustraciones a color de Xavier Bartumeus, donde conoceremos las tendencias, las modas, los mitos y leyendas, además de las anécdotas de los cantantes y las canciones que han dado forma a este género que revolucionó la historia de la música universal.

Smithsonian Rock and Roll Dec 02 2021 In December 2015, the Smithsonian called on rock and roll lovers around the world to collect photos and stories of their favorite moments in music. Fans dug through attics, basements, closets, shoeboxes, digital cameras, and photo albums to post great rock shots to rockandroll.si.edu. From Woodstock to the Whisky a Go Go, from Lollapalooza to the 9:30 Club, and all the rockin' places in between, fans overwhelmingly responded with their favorite rock and roll moments. Iconic artists ranging from the Who to Nirvana to Chuck Berry to the Jimi Hendrix and many more are celebrated here. There are early photographs of everyone from Run-D.M.C. to the Runaways, and contemporary shots of some of the biggest names in music, including Bruce Springsteen, the Rolling Stones, and Metallica. Presented together, these photographs create a kaleidoscopic history of the artists, the musical styles, the venues, the concerts, and the fans. This is rock and roll as it has never been seen before.

Grit, Noise, and Revolution Sep 18 2020 A narrative history of the birth of rock 'n' roll in Detroit
[Tom Petty Biography: How The American Rock and Roll Legend Shaped the Music Industry?](#)

Feb 21 2021 Would you like to learn more about Tom Petty? How he managed to incorporate his personal problems into the greatest music hits of all time? Music to Tom Petty was not just money and fame. It was a way to express himself through difficult times, challenges and struggles. Somehow he found a way to channel personal problems into the music and broadcast it to fans around the world - creating unbelievable experience. That's because personal problems are universal and many people can associate with what Tom Petty is channelling through. In order to do this, takes guts and genius. Tom Petty is indeed one of the rock legends this world will know for centuries to come. Tom Petty, an accomplished writer and musician has set the standard for what rock and roll was and is. Being able to reflect personal challenges with divorce, loneliness and drug addictions into music is something not many people can do in a way Tom Petty does. It advocates artistic freedom and paves the path for other musicians to tap into the industry. Perry's collaborations with other musical legends like Stevie Nicks, Del Shannon, Johnny Cash and many others, have given the world a standard to what rock and roll music should be like. This is a book for those who know the songs, from "American Girl" and "Refugee" to "Free Fallin'" and "Mary Jane's Last Dance," and for those who want to see the classic rock and roll era embodied in a single biography. Tom Petty inspired people to not back down and not give up in the face of challenges with his music, especially when it comes to personal struggles, because no matter the circumstances one can rise and succeed. Historia trágica del rock Nov 13 2022

The Alpine Journal Aug 18 2020

Storia del rock in Italia Aug 10 2022 18 maggio 1957: al Palazzo del Ghiaccio di Milano va in scena il primo festival italiano di rock'n'roll. Tra i protagonisti, un imberbe Adriano Celentano, appena ribattezzato 'il molleggiato', ma pure Tony Renis, Baby Gate (poi conosciuta come Mina), Giorgio Gaber, Luigi Tenco ed Enzo Jannacci. Finalmente, musica e cultura rock esplodono anche in Italia! Nonostante il ritardo con cui viene assimilato, il rock conquista una fetta consistente di mercato discografico e diventa per milioni di giovani uno degli strumenti principali di comunicazione, condivisione e ribellione. Partendo dal 1957, questo libro racconta più di 60 anni di rock in Italia incrociando le vicende dei principali protagonisti, quelle di canzoni, dischi essenziali, concerti e festival, giornali, riviste specializzate e trasmissioni radio/tv con i principali avvenimenti del contesto storico-sociale che ne ha permesso sviluppo e successo. In oltre 350 pagine, ricche di illustrazioni a colori, l'opera passa così in rassegna l'Italia della ricostruzione, del boom economico e delle grandi contestazioni, con tutte le antinomie e le speranze che le hanno caratterizzate; per poi arrivare, attraverso i decenni, ai giorni nostri e mostrare come la cultura giovanile, di cui il rock è parte integrante, rappresenti sempre il cuneo fondamentale per scardinare vecchie idee e imporre nuove mode e filosofie. Non solo la storia del rock italiano, dunque, ma anche quella altrettanto affascinante di musica e cultura rock in Italia.

Making Your Memories with Rock & Roll and Doo-Wop Dec 22 2020 Making Your Memories with Rock & Roll and Doo-Wop: The Music and Artists of the 1950s and Early 1960s digs back through the catalogue of popular music and brings to life the solo artists, duos, and groups whose music once filled the airwaves and turntables with rock & roll and doo-wop. The Doctor of Doo-Wop, J.C. De Ladurantey, brings his expertise, honed by hosting a weekly radio show, Making Your Memories, to his revelation of the backstories of these trendsetting artists. Until the British Invasion in mid 1963 changed the direction of American music, the sounds created by the artists profiled in Making Your Memories with Rock & Roll and Doo-Wop shaped the entertainment soundtrack of a generation. This music history shares the little-known details of the lives of these artists, the history of the period, the distinctiveness of the music, and the power and influence of the songs lyrics. Making Your Memories with Rock & Roll and Doo-Wop: The Music and Artists of the 1950s and Early 1960s will leave echoes of the times memorable songs in your minds ear and their lyrics on the tip of your tongue. You'll discover a fresh desire to find the recordings and give them another spin on your record player, even if your digital music lives in the cloud.

Acángana Mar 25 2021

AC/DC Jan 15 2023 From guitarist Angus Young's first record purchase to the band's enshrinement in the Rock and Roll Hall of Fame and all points in between, this astonishing biography of AC/DC is the definitive examination of the band's journey from young Australian upstarts to international rock gods. The book draws on more than 1,300 interviews given by the band and 75 interviews conducted by the authors themselves, and includes stunning, never-before-seen photos that capture the energy and power of one of rock's most legendary acts. This is required reading for rock 'n' roll enthusiasts in general and AC/DC fans in particular. Desde el primer álbum que compró Angus Young hasta el ingreso del grupo en el Salón de la Fama del Rock y todos los puntos intermedios, esta biografía increíble de AC/DC es la exploración definitiva de la trayectoria de la banda desde jóvenes advenedizos australianos hasta dioses internacionales del rock. El libro recurre a más de 1,300 entrevistas dadas por el grupo y 75 entrevistas llevadas a cabo por los autores mismos, e incluye impresionantes fotografías inéditas que capturan la energía y el poder de uno de los actos más renombrados del rock. Este libro es

lectura requerida para amantes del rock and roll en general y seguidores de AC/DC en particular. *Algo Más Allá del Rock and Roll* Jan 03 2022 Esta es una novela de terror publicada en tres entregas que, desde un punto de vista imaginario, disecciona los misterios que envuelven el origen y la naturaleza del temible espanto venezolano conocido como La Sayona. Es relato que conserva la esencia folclórica del personaje de la tradicional fábula criolla, expuesta en situaciones nuevas creadas por el autor, a la vez que despliega una trama en tres tiempos diferentes, que van evolucionando por turnos, sucediéndose en una cronología aparentemente desordenada, que salta con frecuencia desde el presente al pasado y al futuro. Prologada por Miliber Mancilla; esta primera parte de la novela, describe la última visión de un hombre gravemente enfermo que yace sentenciado y sin esperanza en su lecho de muerte. Estando recluido en una institución mental sufre un paro cardíaco y, no puede asegurar si lo que tiene ante los ojos ha sucedido en realidad o son solamente simples destellos de su agonizante desvarío. En su mente confunde verdaderos recuerdos junto a muchos de sus deseos personales no alcanzados, que de alguna u otra manera se van vinculando mientras construyen una propicia antesala para la actuación de la protagonista. La aparición de La Sayona es el evento principal de este concierto de misterio ligado con rock and roll. Pero ella es un espanto de postín, una diva en el mundo del terror que se comporta como la mimada y consentida superestrella que es, haciendo uso de absurdas prerrogativas de manera desmedida e inmisericorde y ha exigido con caprichosa malcriadez como requisito indispensable para su entrada en escena, la preexistencia de un fastuoso contexto misterioso acorde con su prestigio. En tal razón, le anteceden otros personajes del más allá, que irán levantando los ánimos del público hasta ponerlo en su punto y dejarlo servido en bandeja de plata para que al exhibirse con su tenebroso performance, La Sayona los haga delirar con el intenso terror que infunde su presencia. Toda la antesala se centra en el giro de los tres diferentes contextos temporales que se desarrollan al final del siglo VIII e inicios y segunda mitad del siglo XX. Apenas horas antes de la invasión vikinga a la isla de Lindisfarne, comienza el proceso de formación de la desafiante obra filosófica titulada *Theologica Congruentiam*. En la que participan tres religiosos católicos cuyo irreverente modo de pensar aborda materias prohibidas por la iglesia. En otro tiempo se describen las vicisitudes que enfrenta la niña Jimena Peña Castino, quien envuelta entre la tragedia y el sufrimiento, habita una casa colonial en la población de Santo Flípe. Afectado por una serie de perversos eventos sucedidos en las vastas extensiones del Fundo La Guama y sus alrededores, se trunca su prometedor futuro y la vida se le va convirtiendo en una concatenación de desgracias. A finales de noviembre de 1991, la influencia de un particular programa de radio llamado *Algo más allá del Rock and Roll*, incide de manera determinante en el destino de la bella joven Nohelia Meléndez, propiciando simultáneos acontecimientos entretreídos en las ciudades de Santo Flípe, Los Ángeles y Santo Domingo. Por desarrollarse este relato como un sueño que experimenta un hombre moribundo, la transición entre los episodios se corresponde fidedignamente con el estilo acostumbrado por el subconsciente humano para trasladarnos de un escenario a otro mientras estamos dormidos. Sin acatar leyes naturales ni respetar las fronteras de la lógica que rigen a nuestro mundo. Persiguiendo de esta forma que la lectura sea mucho más dinámica, variada, heterogénea y misteriosa. Durante su paseo literario a través de estas páginas, el lector, mientras se desplaza debe estar muy atento al significado de las señales de tránsito que acompañan a cada título, pues serán estas quienes le indicarán la dirección del camino y lo ubicarán en el plano temporal del viaje:

Forth and Back Feb 04 2022 Forth and Back broadens the scope of Hispanic trans-Atlantic studies by shifting the focus to Spain's trans-lingual exchange with the United States at the end of the twentieth century. Highlighting the incipient globalization of literary markets after Franco's death, Forth and Back examines the economic, poetical, and ideological constraints that shaped

the keen consumption of U.S. literature by Spanish publishers, readers, and writers.

The Music of Del Shannon Jun 27 2021 Charles Westover grew up in a small midwestern town, learning guitar at an early age. After graduating high school, he joined the Army, married and shipped off to Europe where he honed his singing and guitar skills. Back home, Westover joined a local band while working at a carpet store. Soon he co-wrote, ""Runaway,"" one of the great rock and roll songs of the era and took on the stage name Del Shannon. Shannon went on to record many more hits and became a superb interpreter of the songs of other. He was the first American recording artist to cover a Beatles' tune, wrote Peter and Gordon's ""I Go to Pieces,"" and produced hit records for Brian Hyland and the rock group, Smith. At a time when his career seemed to be on the upswing, Shannon's live ended tragically at his Southern California home. A rock legend himself, he would eventually be inducted into the Rock and Roll Hall of Fame. If you appreciate the great rock singers of the past, you will want to read *The Music of Del Shannon*.

Snow's Pathfinder Railway Guide Jul 29 2021

Rock N Roll Gold Rush Jun 08 2022 This monster Rock-n-Roll survey focuses on the songs and the vibrant personalities who create them, for college audiences and the general public. Dean published the world's first history of Rock in 1966. Here, in his ebullient style, he buzzes through piles of musical singles from the whole last half century, describing what is fun about each major and minor hit, pointing out what elements were exciting or new or significant in the development of musical styles. He relates some tantalizing tidbits about the earlier musical heritage that artists have drawn upon in crafting ever more amazing evolutions of rock music. This snappy, witty and informative album has universal appeal, doubling as a coffee-table trivia treasure and a college-level popular music history text. It includes hundreds of photos, chapter questions, and an extensive index. Reader-friendly and informationally complete, it covers soft rock, heavy metal, rhythm & blues, country rock and classic oldies, all with tender loving care, for the specialist and casual listener alike. Its mini-portraits of the artists who move so many hearts (and feet), the photos and the insightful sound bites get to the essence of each song and each musician's contribution to the music of our age. The single-song focus makes the book unique. It's a playlist for R'n'R professors and the general public, written with a collegiate vocabulary, tight organization and a respect for all. "Hearing Elvis for the first time was like busting out of jail." - Bob Dylan That being said, no one is being incited, here, to bust out of jail or to emulate the quixotic habits of rock stars. "There's nothing in here to hide from the kids, the clergy or grandma." *Gold Rush* can be used as a university or community college text, but most people will grab it for the sheer pleasure of reading about everyone's favorites. Great gift for Rock enthusiasts. *Gold Rush* is the first book of its kind to feature a celebration of the great single songs of the rock era and beyond. *Gold Rush* takes thousands of songs, spanning three centuries, and brings them back uniquely as if they came out just yesterday. *Gold Rush* unites the Anglo-American and later worldwide spirit of Rock and Roll in a tapestry of interconnected melodies and adventures. As Leonard Maltin's *Movie Guide* helps you select videos at Blockbuster, so *Gold Rush* is a powerful playlist for your music collection, with many new and fascinating photos of favorite stars. *Gold Rush* explains the most important stories behind the songs you picked to be played, the songs that 'went gold,' from the 1897 Alaska/Klondike *Gold Rush* to the #1 songs of today and beyond.

Peripheral Visions / Global Sounds Jul 09 2022 Galician audio/visual culture has experienced an unprecedented period of growth following the process of political and cultural devolution in post-Franco Spain. This creative explosion has occurred in a productive dialogue with global currents and with considerable projection beyond the geopolitical boundaries of the nation and the state, but these seismic changes are only beginning to be the subject of attention of cultural

and media studies. This book examines contemporary audio/visual production in Galicia as privileged channels through which modern Galician cultural identities have been imagined, constructed and consumed, both at home and abroad. The cultural redefinition of Galicia in the global age is explored through different media texts (popular music, cinema, video) which cross established boundaries and deterritorialise new border zones where tradition and modernity dissolve, generating creative tensions between the urban and the rural, the local and the global, the real and the imagined. The book aims for the deperipheralization and deterritorialization of the Galician cultural map by overcoming long-established hegemonic exclusions, whether based on language, discipline, genre, gender, origins, or territorial demarcation, while aiming to disjoint the center/periphery dichotomy that has relegated Galician culture to the margins. In essence, it is an attempt to resituate Galicia and Galician studies out of the periphery and open them to the world.

Elvis Presley Jan 23 2021 En 1954, el joven Elvis Presley pisó por primera vez unos estudios de grabación: los de Sun Records, para hacer un disco que quería regalarle a su mamá. El productor Sam Phillips estaba ansioso por hacer que el rock and roll fuera aceptado por el público blanco, y por eso deseaba hallar a un cantante anglosajón con cuerdas vocales poderosas para interpretar piezas escritas por músicos negros. Cuando escuchó a Elvis, felizmente supo que su búsqueda había terminado. Para esta minuciosa biografía se ha consultado material sólido, hecho por grandes conocedores del rey Elvis, entre ellos el crítico musical y escritor Peter Guralnick. EL DÍA QUE ELVIS Y THE BEATLES TOCARON JUNTOS El 27 de agosto de 1965 por la noche, Los Beatles visitaron a Elvis Presley en su casa de Los Ángeles, en Bel Air. Ahí lo encontraron desganado y en apariencia drogado. Se hallaba sentado ante la televisión sin sonido y rodeado por los chicos de su pandilla, que a los ingleses les parecieron nefastos, pues no fingían en lo más mínimo que lo adulaban en extremo. Por supuesto, Priscilla también estaba ahí. El acuerdo al que habían llegado Brian Epstein, el mánager de Los Beatles, y el coronel Parker acerca de ese histórico encuentro era que no se filmaría ni grabaría nada, ni se tomarían fotos. Para Parker aquello representaba una manera económica de obtener mucha publicidad para su chico. Fue difícil romper el hielo, pues a Elvis le molestaba que Los Beatles hubieran influido en que él tuviera menos ingresos, ya que estaban acaparando el mercado de la música. John Lennon le hizo un comentario parecido a aquel con que Priscilla lo había hecho enojar tiempo atrás: “¿Por qué no dejas las baladas y vuelves al buen rock and roll?” Elvis se rio esta vez, si bien forzosamente. Sin embargo terminó habiendo camaradería. Paul McCartney y Lennon tomaron unas guitarras y entonaron algunas piezas junto con Elvis, quien tocó el bajo eléctrico. Entre esas canciones hubo algunos éxitos de Presley. Mientras tanto, George Harrison platicaba de hinduismo con Larry Geller, el guía espiritual del rey del rock. Entérate de esto y mucho más en este interesante repaso de la vida del Rey del Rock.

La storia del rock Apr 06 2022 Il rock è una forma d'arte. E, in alcuni casi, una forma d'arte “suprema” paragonabile per valori, influenza e longevità alle più straordinarie espressioni di talento, creatività, fantasia della storia dell'uomo. Ma è una forma d'arte popolare. Indissolubilmente legata, cioè, a tempi, luoghi e contesti socio-culturali che l'hanno generata. Per capirla, apprezzarla o addirittura amarla ancora di più, questo libro ne racconta la storia. Una storia lunga 70 anni che inizia il 5 luglio 1954, il giorno in cui Elvis Presley incide a Memphis il suo primo singolo. Una vicenda che, però, ha radici ancor più lontane e profonde, che si possono trovare nel continente africano e nella cultura e nelle antiche tradizioni anglo-scoto-irlandesi. Da allora, sino a oggi, il rock e le musiche a esso connesse – o che da esso si sono sviluppate – sono state una colonna sonora fantastica per le vite di centinaia di milioni di giovani (e meno giovani) in tutto il pianeta Terra, accompagnando l'evoluzione dell'uomo del Novecento. In questa nuova edizione, a colori e ricca di illustrazioni, si approfondiscono anche le ultime realtà rock del

nuovo millennio.

Tommy Steele Apr 13 2020

Illustrated History of Rock May 07 2022 Trace the history of rock and roll with this playful journey through the decades, artists and styles that make this such a diverse and beloved art form. For children and parents alike, this colorful and lovingly illustrated book travels from the 1950s into the 21st Century, illuminating key artists from each decade that represent their time period as well as supplying brief historical context for each era. The following chapters illuminate all the related musical styles from heavy metal to hip hop, iconic songs and albums, the anatomy of bands, fashion tribes from hippies to goths, the women of rock, legends lost and so much more - enough to inspire any young aficionado or musician!

The Singer-Songwriter in Europe May 15 2020 The Singer-Songwriter in Europe is the first book to explore and compare the multifaceted discourses and practices of this figure within and across linguistic spaces in Europe and in dialogue with spaces beyond continental borders. The concept of the singer-songwriter is significant and much-debated for a variety of reasons. Many such musicians possess large and zealous followings, their output often esteemed politically and usually held up as the nearest popular music gets to high art, such facets often yielding sizeable economic benefits. Yet this figure, per se, has been the object of scant critical discussion, with individual practitioners celebrated for their isolated achievements instead. In response to this lack of critical knowledge, this volume identifies and interrogates the musical, linguistic, social and ideological elements that configure the singer-songwriter and its various equivalents in Europe, such as the French auteur-compositeur-interprète and the Italian cantautore, since the late 1940s. Particular attention is paid to the emergence of this figure in the post-war period, how and why its contours have changed over time and space subsequently, cross-cultural influences, and the transformative agency of this figure as regards party and identity politics in lyrics and music, often by means of individual case studies. The book's polycentric approach endeavours to redress the hitherto Anglophone bias in scholarship on the singer-songwriter in the English-speaking world, drawing on the knowledge of scholars from across Europe and from a variety of academic disciplines, including modern language studies, musicology, sociology, literary studies and history.
