The Never-Ending Digital Journey Feb 05 2022 The Never-Ending Digital Journey provides readers with the concepts and steps needed to create successful user experiences. The authors look ahead and explore digital scenarios of the future. They probe how technology is changing the way users interact with brands, and they address today's digital challenges with new ways of surprising consumers, integrating design and engineering. The authors leverage knowledge gleaned from working with renowned global companies to describe the recipe needed to build a Digital Journey. With a strong focus on Agile Pods, they dive into technologies, processes, team building, motivation, and metrics that enable businesses to construct and nurture the dynamic ecosystems necessary in this digital era to foster success. Over the last several years, customers, employees, and partners have become tech-savvy users whose expectations of "Give me more and deliver it faster" require manageable solutions. The desire to interact with digital ecosystems anywhere, anytime demands that today's businesses create personalized and frictionless experiences to create value for its end users. It's a recipe that must be followed exactly in order to remain relevant. When done correctly, enhancing consumer's daily lives with digital touch points goes far beyond creating a new website, a flashy app, or a "unified" omnichannel experience. The end goal is to construct memorable experiences in a never-ending cycle that increase the ability to retain, convert, and enrich the relationship between businesses and their users. Welcome to The Never-Ending Digital Journey.

Never Ending Aug 23 2023 A deeply affecting new novel by the award-winning author of *Flip!* When a family holiday ends in the tragic death of their young son, the grieving parents struggle to cope, and Shiv, their fifteen-year-old daughter, must come to terms with what happened . . . and her part in it. Off the rails and tormented by guilt, she is sent away to an exclusive clinic that claims to "cure" people like her. But this is no ordinary psychiatric institution, and Shiv discovers that her release--from her demons, and from the clinic itself--will come at a bizarre and terrible price.

The Neverending Story May 20 2023 For use in schools and libraries only. Shy, awkward Bastian is amazed to discover that he has become a character in the mysterious book he is reading and that he has an important mission to fulfill.

Life in the Marines Oct 01 2021 Presents a brief history of the United States Marine Corps, explains how to enter the Corps and what types of jobs and training are available, and gives a detailed description of the twelve weeks of boot camp.

The Never-Ending Lives of Liver-Eating Johnson Dec 03 2021 From Farmer and Sailor to Mountain Man, Crow Killer, and Town Sheriff, One man's reputation lives past all others When it came to western mountain men, no one on earth ever matched the physical prowess or will to survive of John "Liver-Eating" Johnson. Throughout his life, John Johnston was known by several names, including "Crow Killer" and "Liver-Eating Johnson" (without the "t"), names he earned through his penchant for killing Crow Indians before cutting out and eating their livers. Born around 1824 in New Jersey, Johnston headed west after deserting from the U.S. Navy and became a well-known and infamous mountain man. His many lives would involve him working as a miner, hunter, trapper, bootlegger, woodcutter, and army scout. When his Flathead Indian wife and child were killed by Crow Indians while he was away hunting and trapping, he swore to avenge their deaths and began his next life as a man after revenge . He killed hundreds and earned his nickname because he was said to cut out and eat his victims' livers. Twenty-five years after his wife's death, his life would take another turn when he joined the Union Army in Missouri. And that was just the start of his second act.

The Never-ending Feast Apr 07 2022 Feast! Throughout human history, and in all parts of the world, feasts have been at the heart of life. The great museums of the world are full of the remains of

countless ghostly feasts – dishes that once bore rich meats, pitchers used to pour choice wines, tall jars that held beer sipped through long straws of gold and lapis, immense cauldrons from which hundreds of people could be served. Why were feasts so important, and is there more to feasting than abundance and enjoyment? *The Never-Ending Feast* is a pioneering work that draws on anthropology, archaeology and history to look at the dynamics of feasting among the great societies of antiquity renowned for their magnificence and might. Reflecting new directions in academic study, the focus shifts beyond the medieval and early modern periods in Western Europe, eastwards to Mesopotamia, Assyria and Achaemenid Persia, early Greece, the Mongol Empire, Shang China and Heian Japan. The past speaks through texts and artefacts. We see how feasts were the primary arena for displays of hierarchy, status and power; a stage upon which loyalties and alliances were negotiated; the occasion for the mobilization and distribution of resources, a means of pleasing the gods, and the place where identities were created, consolidated – and destroyed. *The Never-Ending Feast* transforms our understanding of feasting past and present, revitalising the fields of anthropology, archaeology, history, museum studies, material culture and food studies, for all of which it is essential reading.

The Enchanted Forest Chronicles Nov 21 2020 Collected together for the first time in a digital format are Patricia C. Wrede's hilarious adventure stories about Cimorene, the princess who refuses to be proper. Every one of Cimorene's adventures is included—*Dealing with Dragons*, *Searching for Dragons*, *Calling on Dragons*, and *Talking to Dragons*—in a single ebook.

The Never-ending Days of Being Dead Feb 22 2021 Learn how the big bang may have been spawned by a collision between 'island universes'; how a single remarkable number contains the answer to every question we could ever ask; how the most widely accepted theory of the Universe's origin suggests that Elvis never died; and how a computer program a mere four lines long could be generating the stars, the galaxies and the tip of your nose. Chown fearlessly addresses the big questions on the nature of the universe in this wonderfully accessible and diverting popular science book, the nature of reality, and the place of life in the universe. Ultimately, he says, science is about the down-to-earth things that matter to all of us. Where did the Universe come from? Where did we come from? What the hell are we doing here?

Jim Henson's Labyrinth: The Novelization Dec 23 2020 Fourteen-year-old Sarah must reach the center of a dangerous labyrinth within thirteen hours in order to save her little brother Toby from Jareth, King of the Goblins.

The Midnight Disease Jun 09 2022 “An original, fascinating, and beautifully written reckoning . . . of that great human passion: to write.”—Kay Redfield Jamison, national bestselling author of *An Unquiet Mind* Why is it that some writers struggle for months to come up with the perfect sentence or phrase while others, hunched over a keyboard deep into the night, seem unable to stop writing? In *The Midnight Disease*, neurologist Alice W. Flaherty explores the mysteries of literary creativity: the drive to write, what sparks it, and what extinguishes it. She draws on intriguing examples from medical case studies and from the lives of writers, from Franz Kafka to Anne Lamott, from Sylvia Plath to Stephen King. Flaherty, who herself has grappled with episodes of compulsive writing and block, also offers a compelling personal account of her own experiences with these conditions. “[Flaherty] is the real thing . . . and her writing magically transforms her own tragedies into something strange and whimsical almost, almost funny.”—*The Washington Post* “This is interesting, heated stuff.”—*San Francisco Chronicle* “Brilliant . . . [a] precious jewel of a book . . . that sparkles with some fresh insight or intriguing fact on practically every page.”—*Seattle Post-Intelligencer* “Flaherty mixes memoir, meditation, compendium and scholarly reportage in an odd but absorbing look at the neurological basis of writing and its pathologies . . . Writers will delight in the way information and lore are interspersed.”—*Publishers Weekly*

Bob Dylan Dec 15 2022 Bob Dylan's contribution to popular music is immeasurable. Venerated as rock's one true genius, Dylan is considered responsible for introducing a new range of topics and new lyrical complexity into popular music. Without Bob Dylan, rock critic Dave Marsh once claimed,

there would be no popular music as we understand it today. As such an exalted figure, Dylan has been the subject of countless books and intricate scholarship considering various dimensions of both the man and his music. This book places new emphasis on Dylan as a rock star. Whatever else Dylan is, he is a star – iconic, charismatic, legendary, enigmatic. No one else in popular music has maintained such star status for so long a period of time. Showing how theories of stardom can help us understand both Bob Dylan and the history of rock music, Lee Marshall provides new insight into how Dylan's songs acquire meaning and affects his relationship with his fans, his critics and the recording industry. Marshall discusses Dylan's emergence as a star in the folk revival (the "spokesman for a generation") and the formative role that Dylan plays in creating a new type of music – rock – and a new type of star. Bringing the book right up to date, he also sheds new light on how Dylan's later career has been shaped by his earlier star image and how Dylan repeatedly tried to throw off the limitations and responsibilities of his stardom. The book concludes by considering the revival of Dylan over the past ten years and how Dylan's stardom has developed in a way that contains, but is not overshadowed by, his achievements in the 1960s.

Never-Ending War on Terror Nov 02 2021 An entire generation of young adults has never known an America without the War on Terror. This book contends with the pervasive effects of post-9/11 policy and myth-making in every corner of American life. *Never-Ending War on Terror* is organized around five keywords that have come to define the cultural and political moment: homeland, security, privacy, torture, and drone. Alex Lubin synthesizes nearly two decades of United States war-making against terrorism by asking how the War on Terror has changed American politics and society, and how the War on Terror draws on historical myths about American national and imperial identity. From the PATRIOT Act to the hit show *Homeland*, from Edward Snowden to Guantanamo Bay, and from 9/11 memorials to Trumpism, this succinct book connects America's political economy and international relations to our contemporary culture at every turn.

Never Ending Nightmare Apr 26 2021 Neoliberalism's war against democracy and how to resist it How do we explain the strange survival of the forces responsible for the 2008 economic crisis, one of the worst since 1929? How do we explain the fact that neoliberalism has emerged from the crisis strengthened? When it broke, a number of the most prominent economists hastened to announce the 'death' of neoliberalism. They regarded the pursuit of neoliberal policy as the fruit of dogmatism. For Pierre Dardot and Christian Laval, neoliberalism is no mere dogma. Supported by powerful oligarchies, it is a veritable politico-institutional system that obeys a logic of self-reinforcement. Far from representing a break, crisis has become a formidably effective mode of government. In showing how this system crystallized and solidified, the book explains that the neoliberal straitjacket has succeeded in preventing any course correction by progressively deactivating democracy. Increasing the disarray and demobilization, the so-called 'governmental' Left has actively helped strengthen this oligarchical logic. The latter could lead to a definitive exit from democracy in favour of expertocratic governance, free of any control. However, nothing has been decided yet. The revival of democratic activity, which we see emerging in the political movements and experiments of recent years, is a sign that the political confrontation with the neoliberal system and the oligarchical bloc has already begun.

Never-Ending Activity Book: A Leap of Leopards Jun 28 2021 Solve this wild search-and-find again and again with the attached write-and-wipe pen! A leap of leopards, a pandemonium of parrots, a zeal of zebras—oh my! This search-and-find activity book is wild with fun animal group names and wacky scenes. Use the attached write-and-wipe pen to circle silly things as you find them and then erase them when you're finished—it's the activity that never ends!

The Tent, the Bucket and Me May 16 2020 Emma Kennedy's hilarious memoir of wet and windy family trips, NOW ADAPTED FOR THE MAJOR BBC ONE SERIES *THE KENNEDYS*. For the 70s child, summer holidays didn't mean the joy of CentreParcs or the sophistication of a Tuscan villa. They meant being crammed into a car with Grandma and heading to the coast. With just a tent for a home and a bucket for the necessities, we would set off on new adventures each year stoically resolving to

enjoy ourselves. For Emma Kennedy, and her mum and dad, disaster always came along for the ride no matter where they went. Whether it was being swept away by a force ten gale on the Welsh coast or suffering copious amounts of food poisoning on a brave trip to the south of France, family holidays always left them battered and bruised. But they never gave up. Emma's memoir, *The Tent, The Bucket and Me*, is a painfully funny reminder of just what it was like to spend your summer holidays cold, damp but with sand between your toes.

Sharing a House with the Never-Ending Man Mar 06 2022 A highly entertaining memoir describing what it was like to work for Japan's premiere animation studio, Studio Ghibli, and its reigning genius Hayao Miyazaki. A behind-the-scenes look at what it's like for a gaijin (foreigner) to work in a thoroughly Japanese organization run by four of the most famous and culturally influential people in modern Japan.

Never-ending-snake Jul 30 2021 As a people, the Navajo seek to walk in beauty and find a balance between modern and traditional culture. As a mother, a daughter, and a member of the Navajo Nation, Ella Clah finds her own way to walk—but as a police officer, she seeks both justice and truth. When *Never-ending-snake* begins, Ella is returning from a trip to Washington, DC, where she has been presented with a lucrative offer of employment with a private security firm. The catch? She would have to leave the Reservation. And while Ella has lived off the Rez before, it would be a life-altering experience for her daughter, Dawn. Before Ella has a chance to even begin making up her mind, gunfire sends her and her companions diving for cover. Who is the target? War hero and alternative fuel lobbyist Adam Lonewolf, politician and tribal attorney Kevin Tolino, or Ella herself? As a Navajo Police Special Investigator, Ella has made more than one enemy. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Night of Wishes Sep 19 2020 From the author of *The Neverending Story*, a book that reminds us that "magic—be it good or bad—is no simple matter." It's New Year's Eve at the Villa Nightmare but Beelzebub Preposteror is in no mood for celebration. As the Shadow Sorcery Minister, Preposteror has a duty to perform a certain number of evil deeds in service to the Minister of Pitch Darkness. But this year, to his horror, he's nowhere near meeting that quota. Preposteror has all but given up when who should make an unexpected visit but his aunt, the witch Tyrannia Vampirella. She has come with a diabolical proposal that just might be the solution to Preposteror's dilemma: together they will brew the fabled Notion Potion, "one of the most ancient and powerful evil spells in the universe," and their every evil wish will be granted. The only thing that stands in their way is a most unlikely team—a cat named Mauricio di Mauro and a raven known as Jacob Scribble, who have just hours to thwart the plans of their sorcerer masters and save the world from destruction.

The Never Ending Story Oct 21 2020

The Never-Ending Present Jun 21 2023 The long-awaited, first-ever print biography of "Canada's band" "A clever, touching, and very informative book that may well be the definitive work on an important piece of Canadian pop culture." — Publishers Weekly, starred review In the summer of 2016, more than a third of Canadians tuned in to watch the Tragically Hip's final performance. Why? Partially because Gord Downie's terminal brain cancer made the event much bigger than merely a musical occasion. But also because these five men were always more than just a chart-topping band. They defined a generation of Canadian rock music. They were a tabula rasa onto which fans could project their own ideas: of performance, of poetry, of history, of Canada itself. Acclaimed music journalist Michael Barclay talks to dozens of the band's peers and friends about not just the Hip's music but about the opening bands, dealing with disease through art, Gord Downie's role in reconciliation with Indigenous people, and the Hip's role in Canadian culture. It's a book for those who have always loved the Hip, and for everyone else. As Downie said at that final show watched by millions, "Everyone is invited. Everyone is involved."

The Neverending Story Nov 14 2022 *A Little Girl Wants A Story That Never Ends. Grandmother Starts Off A Chain Story Typical Of Folk Tales The World Over. The Old Man From Madikere Comes To Bengaluru, The Old Man S Wife, Her Daughter, The Daughter S Doll, The Doll S Dog . . . And Then In*

A Clever Twist, Again Typical Of The Genre, It Fuses Into Another Story And Comes Full Circle - So It Can Never End! Bold, Stylised Illustrations Zoom Into The Story From Unusual Perspectives.

Legacy of War Apr 14 2020 A brand-new Courtney Series adventure. The action-packed new book in the Courtney Series and the sequel to Courtney's War. Just because the war is over and Hitler dead, doesn't mean the politics he stood for have died too. Saffron Courtney and her beloved husband Gerhard only just survived the brutal war, but Gerhard's Nazi-supporting brother, Konrad, is still free and determined to regain power. As a dangerous game of cat-and-mouse develops, a plot against the couple begins to stir. One that will have ramifications throughout Europe. . . Further afield in Kenya, the last outcrop of the colonial empire is feeling the stirrings of rebellion. As the situation becomes violent, and the Courtney family home is under threat, Leon Courtney finds himself caught between two powerful sides - and a battle for the freedom of a country. Legacy of War is a nail-biting story of courage, bravery, rebellion and war from the master of adventure fiction.

The Never-Ending Story of Life Oct 13 2022 For humankind, the most irreducible idea is the concept of life itself. In order to understand that life is essentially an infinite process, transmitted from generation to generation, this book takes the reader on a fascinating journey that unravels one of our greatest mysteries. It begins with the premise that life is a fact—that it is everywhere; that it takes infinite forms; and, most importantly, that it is intrinsically self-perpetuating. Rather than exploring how the first living forms emerged in our universe, the book begins with our first primordial ancestor cell and tells the story of life—how it began, when that first cell diversified into many other cell types and organisms, and how it has continued until the present day. On this journey, the author covers the fundamentals of biology such as cell division, diversity, regeneration, repair and death. The rather fictional epilogue even goes one step further and discusses ways how to literally escape the problem of limited recourse and distribution on our planet by looking at life outside the solar system. This book is designed to explain complex ideas in biology simply, but not simplistically, with a special emphasis on plain and accessible language as well as a wealth of hand-drawn illustrations. Thus, it is suitable not only for students seeking for an introduction into biological concepts and terminology, but for everyone with an interest in the fundamentals of life at the crossroad of evolutionary and cell biology.

*The Never-Ending Revival Feb 17 2023 In recent years, there has been an upsurge in interest in "roots music" and "world music," popular forms that fuse contemporary sounds with traditional vernacular styles. In the 1950s and 1960s, the music industry characterized similar sounds simply as "folk music." Focusing on such music since the 1950s, *The Never-Ending Revival: Rounder Records and the Folk Alliance* analyzes the intrinsic contradictions of a commercialized folk culture. Both Rounder Records and the North American Folk Music and Dance Alliance have sought to make folk music widely available, while simultaneously respecting its defining traditions and unique community atmosphere. By tracing the histories of these organizations, Michael F. Scully examines the ongoing controversy surrounding the profitability of folk music. He explores the lively debates about the difficulty of making commercially accessible music, honoring tradition, and remaining artistically relevant, all without "selling out." In the late 1950s through the 1960s, the folk music revival pervaded the mainstream music industry, with artists such as Bob Dylan and Joan Baez singing historically or politically informed ballads based on musical forms from Appalachia and the South. In the twenty-first century, the revival continues, and it includes a variety of music derived from Cajun, African American, and Mexican traditions, among many others. Even though the mainstream music industry and media largely ignore the term "folk music," a strong allure based on nostalgia, the desire for community, and a sense of exclusiveness augments an enthusiastic following connected by word-of-mouth, numerous festivals, and the Internet. There are more folk festivals now than there were during the original boom of the 1960s, suggesting that music artists, agents, and record label representatives are striking a successful balance between tradition and profitability. Scully combines rich interviews of music executives and practicing folk musicians with valuable personal experience to reveal how this American subculture remains in a "never-ending revival" based on fluid definitions*

of folk and folk music.

Success Is Never Ending, Failure Is Never Final Jun 16 2020 Each of us has experienced “down times”—setbacks at work, in relationships, in our inner lives—times where nothing seems to go right. Most of us have also felt as if we've failed at times, as well. But what is the difference between those who succeed and those who fail? The answer is simple: attitude. In this practical and empowering new book, Dr. Robert H. Schuller, the host and master of possibilities of the weekly telecast *The Hour Of Power* shows how to overcome the fear—and the groundless excuses—that keep us from success, fulfillment, and happiness. Here Dr. Schuller reveals his own unique formula for never-ending success: • The 10 steps for tuning your dreams into reality • The amazing power of possibility thinking • The 22 stops on the road map to success • The 4 Cs of “success thinking” • How to banish “impossibility thinking” from your life • The “miracle ingredients” of faith and hope . . . and much more Your dreams, Dr. Schuller tells us, no matter how impossible, are the seeds of your success! Now you can learn how to nurture and cultivate your possibilities, uproot the negatives, and watch your dreams blossom into reality.

Double Feature Aug 11 2022

The Never-ending War Sep 12 2022 *The Never Ending War* is a story of battlefield trauma as seen through the eyes of combat veteran Ray Clark as he journeys from the "meat grinder" area of Vietnam through the nightmares of Post Traumatic Stress Disorder and the development of a unique set of coping skills that saved his life, his marriage, and his sanity. Go deep into the jungles of Vietnam with the men of "K" company as they search for an illusive enemy and feel the suspense, danger, and adrenaline rushes of close combat that helped create their post war problems of nightmares and panic attacks. This is a must read thriller that is written for anyone struggling with PTSD, stress related panic attacks, or knows someone who is because the same coping skills that saved Ray's life can also help save yours.

Star Trek: Deep Space Nine: The Never Ending Sacrifice May 28 2021 Continuing the post-television *Deep Space Nine* saga, this original novel shows the fall of the Cardassian empire as seen through the eyes of a young man with a foot in two worlds. Rugal is an orphaned Cardassian who has been raised by the people his race once conquered, the Bajorans. Reluctantly repatriated to Cardassia as a teenager, Rugal becomes the living witness to the downfall of the proud people to whom he was born, first by the invading Klingons, then during the Cardassians' unholy pact with the Dominion—a partnership that culminated in a near-genocide. Through it all, Rugal's singular perspective illuminates the choices that brought the Cardassians to their ruin...even as he learns that the Cardassian soul is not as easy to understand as he imagined.

The never-ending Brief Encounter Aug 31 2021 This is a book for all those who have been absorbed and moved by *Brief Encounter* in the seventy or so years since its first appearance. It explores the central relationship of the film, where two people who fall unexpectedly in love come to realise that there is more to life than self-gratification. Mores have undoubtedly changed, for better or worse, but that essential moral choice has never lost its power. While acknowledging this, the book goes further in an effort to account for the way the film has passed into the wider culture. People born decades after its first appearance are now adept at picking up references to it, whether a black-and-white scene in a much later film or a passing joke about a bald man in a barber's shop.

The Neverending Story Jan 16 2023 Shy, awkward Bastian is amazed to discover that he has become a character in the mysterious book he is reading and that he has an important mission to fulfill. Copyright © Libri GmbH. All rights reserved.

The Never Ending Life Jul 10 2022 *The Never Ending Life* is an exploration of the twist between the brutal realities of life along with the fictitious happy ever afters that we all long for. A real story about all the different ingredients that when mixed together create the unique blend which is what we call...life. Each chapter in this book is one that we go through at the different stages and stops in our journey. Each chapter in our lives adds to our story and contributes towards the individual we turn into. Each story explores the powerful emotions that human beings have the ability to

experience and analyses them in a way that touches the heart and brain.

The Never-ending Wrong May 08 2022

Sand Jul 22 2023 From individual grains to desert dunes, from the bottom of the sea to the landscapes of Mars, and from billions of years in the past to the future, this is the extraordinary story of one of nature's humblest, most powerful, and most ubiquitous materials. Told by a geologist with a novelist's sense of language and narrative, *Sand* examines the science—sand forensics, the physics of granular materials, sedimentology, paleontology and archaeology, planetary exploration—and at the same time explores the rich human context of sand. Interwoven with tales of artists, mathematicians, explorers, and even a vampire, the story of sand is an epic of environmental construction and destruction, an adventure in staggering scales of time and distance, yet a tale that encompasses the ordinary and everyday. *Sand*, in fact, is all around us—it has made possible our computers, buildings and windows, toothpaste, cosmetics, and paper, and it has played dramatic roles in human history, commerce, and imagination. In this luminous, kinetic, revelatory account, we do indeed find the world in a grain of sand.

The Beginning of the Never Ending Mar 26 2021

The Never Ending Quest Jan 04 2022

The Neverending Story Mar 18 2023 This is a blank paperback journal in the style of *The Neverending Story* from the movie of the same name. Make *The Neverending Story* come to life by filling it with your own neverending story as a diary or sketch book. The journal contains blank pages with sporadic memorable quotes throughout. NOTE: This journal is not leather, but only designed to appear as such.

The Mirror in the Mirror Aug 19 2020 "The Mirror in the Mirror" - in the E-Book now also with illustrations by his father Edgar Ende, to whom Michael Ende dedicated this book. It is a fantastic story labyrinth of a very special kind. For the author himself, this work was of great importance: in interviews, he liked to call it his "never-ending story for adult readers." The reader is taken into a mysterious narrative world, full of bizarre situations and mysterious fates, surreal images and philosophical thoughts. Those who open themselves in amazement to these enigmatic visions and allow themselves to be drawn into the fantastic stories will emerge from Michael Ende's magic labyrinth with a new perspective. The core question is: What is reflected in a mirror that is reflected in a mirror? If two readers read the same book, they are still not reading the same thing. For both people immerse themselves into the reading. The book becomes a mirror in which the reader is reflected. But in the same way, the reader is also a mirror in which the book is reflected: The mirror in the mirror refers the reader back to himself. The FAZ, one of the major newspapers in Germany, writes that Michael Ende shows with the book "how much darkness, wildness and rawness is inherent in dreams. He does not trivialize. His dreams make reference to reality because in dreams, Cicero wrote, 'the remnants of those objects roll and tumble about in the souls which we have thought and impelled while awake'."

The Never-Ending Summer Apr 19 2023 'Emma Kennedy's books are as funny, warm and life-inspiring as she is' Jenny Colgan 'An excellent read. I loved all the characters' Claudia Winkleman 'A warm, funny and truly life-affirming read. ****' Heat _____ Three women. Two unforgettable road trips. Wherever you are in life, it's never too late to find yourself. Best friends Agnes and Bea decide to embark on one last adventure before their adult lives begin. For Agnes's mother Florence, a fresh chapter is starting as her youngest flies the nest and her marriage settles into a new routine. But she can't help feeling that something is missing. As Agnes travels to London and Florence follows her heart to Europe, both will discover a world of possibilities they never could have dreamed of... Full of warmth, wit and characters who will steal your heart, *The Never-Ending Summer* is 2021's perfect escape. _____ Praise for Emma Kennedy and *The Things We Left Unsaid*: 'A rich treat' Jane Fallon 'Moving and magnificent' Claire Balding 'A joyous book' Ruth Jones 'A beautiful novel... so tender and thoughtful. I loved it' Marian Keyes 'Wonderful' Mary Berry
The Great Good Thing Jul 18 2020 Nothing ever changes inside the storybook kingdom inhabited by

twelve-year-old Princess Sylvie, her parents, and many other characters until Sylvie discovers that by allying herself with the Reader she can experience new adventures beyond the confines of the book.

Heidi Heckelbeck and the Never-Ending Day Jan 24 2021 When Heidi experiences the perfect day she decides to sneak in a little magic to make every day just as awesome, but her plan goes awry when she relives the same perfect day over and over again.
