I AM MY DECISION- A book to teach children integrity and honesty. Children are great learners and the two greatest sources they learn from are their parents/guardians and other children. "I am my decision" is a book which shows various instances of children portraying integrity and honesty in their day to day lives. As parents, we tend to always tell our kids to be kind, honest and of good behavior but just saying these words to them doesn't cut it as children emulate actions they see more than the words they hear. Give your child a book showing other kids portray these good behaviours you want to see in your child and watch the positive changes. When Ping admits that he is the only child in China unable to grow a flower from the seeds distributed by the Emperor, he is rewarded for his honesty. "This is a story about Honesty. Did you know being HONEST is MORE than just about telling the TRUTH? It helps you shows INTEGRITY and earn RESPECT, too. It also help build strong relationships and encourages people to be HONEST with you. Join a little SPOT Of Honesty as he shows you examples of how to be true to yourself and to others!"--Amazon.com. A storm is brewing... Whenever Levi doesn't like the truth, he kinda, sorta makes up other stuff to say. One day his mother explains to him that telling lies will damage the trust of his friends and make him very sad. Whenever you tell a lie, your inside sun goes away. Then a lying cloud forms, and glooms up your day. Each time you tell a lie, another cloud starts to form, and before you can stop it from happening, your insides start to storm. This book is a great resource to help children understand not only the consequences of telling a lie, but also how one lie can often lead to telling several more. It will help parents and teachers understand that lying can be a normal and sometimes healthy response for a child and offers tools to help guide children toward truthfulness. Explains the virtue of honesty and how readers can practice it at home, in school, in the community, and with each other. Tell the truth or cover up? What will he do? A kids story about honesty. Suggested

for ages 7 and under. For more kids products and free downloads, visit our website at www.icharacter.org It's never too soon to learn the difference between what's true and what isn't. Words and pictures help young children discover that being honest in words and actions builds trust and self-confidence. They also learn that telling the truth sometimes takes courage and tact. Includes discussion questions, skits, scenarios, and games that reinforce the ideas being taught. This new edition of the source book for the whole Radical Honest movement includes Brad's accumulated observations since 1994 of those people whose lives have been transformed by getting out of the self-made jails of their minds into the truth they have always known. In simple and reassuring terms, this entertaining book explores for young children aged approximately 4 - 8 what it means to be honest, why it is important, and what the consequences might be for those who are dishonest. Children are shown that although being honest can be hard sometimes, it is worth it. Everyone likes people who speak the truth and keep their word. Kids learn that when we all practise being honest, the world becomes a fairer and happier place to live in. Discussion boxes offer an adult opportunities to discuss the issues directly with their child audience. Charmingly clear illustrations give readers immediate access to complex situations and feelings and provide further stimulus for discussion. Notes for teachers and parents, plus suggested further resources, help adults to make the most of the learning opportunities inherent in the book. Written by a trained psychotherapist, journalist and parent, and illustrated by a very experienced children's book artist, this is part of an acclaimed and successful series of picture-book non-fiction for Early Years. All children lie. But when your child lies to you, it can feel like a personal betrayal. Backed by years of psychological research, this common-sense, practical guide reveals which parenting strategies promote truthfulness in children—and which ones don't. Lying is a healthy and inevitable part of child development. But when do lies become a problem? In this book, psychologist Victoria Talwar, Director of the Talwar Child Development Lab at McGill University, presents practical, science-based strategies to address lying and foster truthfulness in children, from early childhood to the teenage years. Kids need to learn what honesty looks like in different social situations, and also how to tell the truth in ways that do not hurt others' feelings—a complicated task! Parents and caregivers will learn how to use stories and examples to have proactive conversations with children about honesty, and how to model honest behavior for children. Talwar shows readers how to respond effectively when a child lies (as they inevitably will). Backed by years of psychological research, this common-sense, practical guide reveals which parenting strategies promote truthfulness in children—and which ones don't. Updated for 2020. It's sometimes hard to be honest, but this book teaches students the importance of being honest at home, in school, and in their everyday lives. Ruthie loves tiny things and when she finds a tiny camera on the playground she is very happy, but after she lies and says the camera belongs to her, nothing seems to go right. 25,000 first printing. Summertime is vacation time for the Angelino family, and the two Angelino boys are excited about their upcoming camping trip. They're going to the local state park, where they can swim, go fishing, and look for wildlife! Being on vacation

doesn't mean the boys have to be careful. An encounter with a sneezing deer provides their father with an opportunity to teach the boys about respecting wildlife and staying alert for danger. Knowing more about the park's wildlife helps the boys have more fun while staying safe. They discover staying quiet and moving slowly makes it easier to see the animals and birds that call the park home. At the camp, the boys have responsibilities like the rest of the family. When they neglect one of these responsibilities and lie about it, they wind up in trouble- and learn an important lesson. Beautifully illustrated, *A Trail of Honesty* teaches children about honesty while explaining actions have consequences. J. A. Angelo's delightful story is an ideal way for parents to use consequences to teach children how to be better people-not simply to punish them. Knowing lying is wrong, Howard chose to do it anyways. It was easy and he got away with it. This book explains reasons people lie, why they shouldn't, and how to go about making the right choices. For 3-8 year olds. What would it mean to commit to unconditional honesty and what impact might that have on our lives? Inspired by her popular *New York Times* article, "How Honesty Could Make You Happier," award-winning journalist Judi Ketteler takes a deep dive into the hard truths about honesty, from the personal to the political... We're incensed by politicians who lie and corporations that cheat, but when it comes to our own honesty choices, we often barely notice. So, what happens when we do notice? Judi Ketteler thought of herself as an honest person. And yet, she knew it wasn't the whole story... How often was Judi engaging in the same dishonest behavior she was condemning in others? To answer that question, she started her "Honesty Journal," and set out to confront her perennial fear of speaking the truth in a range of situations--including with friends, her kids, and even inside her complicated marriage. The result is a timely consideration of the joys and pains of truth in a world that seems committed to lying. Discusses the merits of telling the truth. *The Science of Living With Honesty and Integrity* Table of Contents Introduction Earning Good Karma. Quite an honest man! *Let My Conscience Speak for Me* Black, Gray and White - Inflexibility And Compromise. *Walk Quietly by, by the Other Side* Conclusion Author Bio Introduction "Integrity is telling myself the truth. And honesty is telling the truth to other people."- Spencer Johnson. I was reading a story by a French writer, in the 17th century, and I found this line very amusing. "The more he talked about his honesty, the faster we counted our spoons." Well, cynicism is definitely not something new in the 21st century. It has passed down the ages, and especially, when Shakespeare said "The lady doth protest too much, methinks," when he wrote *Hamlet* in 1602. Here was a clear-sighted person who knew that somebody was trying to persuade herself and trying to pretend to the world that what she was saying was her own belief and the truth as she saw it. How many of us are self-deceivers? Some of us will not and cannot face reality. Some of us are ready to blame others for our shortcomings. Some of us are quite prepared to fight for what we consider to be the truth, because we have expounded it, and we want other people to share our beliefs and thoughts. Be honest with yourself. Once you have faced reality, you can be honest with others. Honesty, especially when you are able to face reality, and you can understand that you are in the wrong or you are in the right is

something very few people can do. They would rather stick their heads in the sand, hoping against hope that the problem is going to go away. Of course, they were not responsible for that particular problem. It just happened. I was reading a Novel by Amanda Quick in which the whole family decided that they belonged to Bad blood, which was frivolous, spendthrift, and definitely not responsible. That is why they could fob off all their extravagances, and stupid behavior, to this excuse, "we cannot help it, our ancestors were like that and they passed on their habits to us." This was Regency England. Even today, we have plenty of people using the same excuse, because they are definitely not honest enough to admit it that they do not have the strength or the willpower or the inclination to make something of themselves. They would rather go with the wind, and pretend helplessly, that they really cannot do something, because, well, they are not capable of doing that. They belong to a genetically imperfect family, they do not have any money, they have always been pulled down by circumstances and situations, and other such puerile and feeble excuses. These are just ways and means in which they can shirk their responsibilities. These people are slackers and freeloaders. They are not honest, to themselves, or to others, however much they may pretend to be honest in the given sense of the word. They also do not have personal integrity.

Simple text and illustrations help children learn positive character traits. From Coretta Scott King Award-winning author Patricia C. McKissack comes a humorous and poignant picture book about the right time to tell the truth. "Tell the truth and shame the devil," Libby's mama has told her. So whatever is Libby doing wrong? Ever since she started telling only the truth, the whole world seems to be mad at her. First, it's her best friend, Ruthie Mae, who gets upset when Libby tells all their friends that Ruthie Mae has a hole in her sock. Then Willie gives her an ugly look when she tells the teacher he hasn't done his homework. It seems that telling the truth isn't always so simple. Can Libby figure out what it really means to be truthful and make amends? Through various examples, children learn about honesty and how to apply it to everyday life. At school, with friends, and at home, various situations are presented which teach readers about the importance of being honest. Additional features to aid comprehension include informative captions, a Think-About-It section, a table of contents, a glossary, sources for further research, an index, and an introduction to the author.

Francisco, a young Mexican-American boy, helps his grandfather find work as a gardener, even though the old man cannot speak English and knows nothing about gardening. It's Sometimes Hard To Be Honest But This Book Teaches Students The Importance Of Being Honest At Home, In School, And In Their Everyday Lives. It Has An "Honesty Quiz" At The Back Of The Book Where Students Can See Just How Honest They Really Are. Complete K-5 Social Skills Collection. Paired With A Fiction Social Skills Title. It's said that honesty is the best policy, but what does that mean? In this book students will learn the value of honesty in our communities. Young readers will be taught to consider their role as an honest citizen. They will learn the importance of honesty in our political as well as personal lives. Young readers will be introduced to the consequences of dishonesty and how it can affect others. They will learn all about this important civic virtue through the use of easy-to-follow terms and real-life examples. Frank

follows the motto, "Honesty is the best policy." He tells the truth, the whole truth, and nothing but the truth. Frank never lies to his schoolmates, he always tells the truth to adults, and he's always honest with police officers. The balancing act of finding tact, that fine line between telling the truth and telling too much truth, is the main theme of this story, and it's very funny—although not necessarily to his friend Dotti whose freckles remind Frank of the Big Dipper, or to the teacher who hears that her breath smells like onions, or to the principal who is told that his toupee looks like a weasel. No one is quite as impressed with Frank's honesty as he thinks they should be. He is sweet and straightforward, and, well, very frank, but with everyone annoyed at him, Frank is now honestly unhappy. He decides to visit his confidante and pal, Grandpa Ernest, who has a history of frankness himself. With a few lessons from Grandpa, Frank begins to understand that the truth is important, but so is not being hurtful. With amusing characters and expressive artwork, this story tells the powerful message of finding the good in everything—a lesson that sends compassion and understanding to take the place of rudeness in the complex concept of truth. Dishonesty does not pay, and in the wake of headlines involving the likes of Enron, WorldCom and Tyco, organizations need to establish ways of maintaining cultures where open, honest communication is the norm. This handbook demonstrates how readers can maintain an environment in which employees speak their mind without fearing reprisal, and truthfulness and accountability show themselves for what they are: business assets. The authors offer a toolbox of strategies that can be used to improve an organization's ability to confront and resolve difficult issues. Provocative and sensitive issues are also addressed, including dealing with a difficult or even dishonest boss, "agreeing to disagree", and accepting criticism without becoming defensive. Many examples, both positive and negative, are given, along with scenarios, anecdotes and quotations. Our souls long for an elusive freedom—the freedom of truth. And our world desperately needs it, now more than ever. *Dare to Be True* doesn't downplay the difficulty of living honestly in today's world, but it doesn't throw in the towel, either. In this challenging but encouraging book, Mark Roberts introduces a bold plan to practice complete honesty in every area of our lives—in what we say, in how we live, and in who we are. Combining biblical truth with real-life stories and plenty of practical applications, Roberts helps us experience the rewards of truthfulness—personal wholeness, healthy relationships, and deeper intimacy with God. Set out today on the adventure of truthful living, if you dare! This classic picture book, illustrated by internationally-renowned artist, Mike Gordon, explains to young children why it's good to be a champion truth teller and have the courage to own up when they do something wrong. This book is part of a series called *Values*, which helps children to develop their own value system and make responsible decisions. Notes for parents and teachers show how ideas in the books can be used as starting points for further discussion at home and in the classroom or in assemblies. Other titles in the *Values* series: *Learning About Respect* and *Taking Responsibility* Olivia and Eloise, make room for Betty Bunny, a loveable handful nobunny can resist. From the creator of Disney's *Dog with a Blog*, this funny book in the Betty Bunny series shows the value of honesty from a preschooler's special point of

view. When Betty Bunny breaks a lamp, she has a brand-new idea: Blame it on someone else (like the Tooth Fairy)! Then a vase gets broken and Betty Bunny really didn't do it. But now no one in her family believes her. Honest lies, white lies, crying wolf—how can one four-year-old figure out the right thing to do? " ... a series of books that follows the adventures of little Bill as he learns through experience the values and benefits of good character ..."--Cover back. Do you want to teach your children how to be honest? Children are always faced with a normal dilemma - should I lie or tell the truth? Our job is to teach them to make the right choice and more importantly, show that honesty is not just saying truth, honesty also means your actions are truthful too. Model honesty Little Tommy loves everything other kids love but what he likes most is spending time with his older brother Nao. Respond thoughtfully to lying With the help of his brother, Nao, Tommy will learn the effects of lying and how it impacts the feelings of others. Even when he thinks it's just a joke. This book helps to teach children: to understand why lying is isn't the best option, to understand the consequence of not telling the truth, to learn to take responsibility for their actions, not to be afraid to stand up for themselves, to understand how good it feels to tell the truth, to understand that lies hurt not only other people but also their feelings. --- The power of truth will help you never to tell lies. --- 'Honesty is my Superpower' suitable for preschoolers to early readers, this book aims to teach your children to be honest and fair. This classic Berenstain Bears story is a perfect way to teach children about the importance of honesty! Come for a visit in Bear Country with this classic First Time Book® from Stan and Jan Berenstain. When Mama goes to the market, Brother and Sister play soccer in the house . . . and end up breaking a lamp! When Mama asks them what happened, they tell her a series of whoppers that just get bigger and bigger. Will they ever tell her the truth? Short stories for raising kids who value the importance of honesty. The diverse MVP Kids learn to tell the truth in this helpful character education resource. Includes discussion guides for parents & educators. Explore why children lie and understand emotions that motivate lying in this short stories collection. Empower young readers to consider consequences, encourage others & protect the truth while still caring for others. A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith. Big Bad Wolf's first visit to his local library (as related in Mind Your Manners, B.B. Wolf) was such a success that he returns to tell his version of "The Three Little Pigs." His outrageous spin on the tale draws skeptical remarks from his audience: "Isn't that wolf's nose getting longer?" asks Pinocchio. "It's a cooked-up, half-baked tale," snaps the Gingerbread Boy. And "Tell the truth, B.B. Wolf!" squeal the Three Little Pigs. Caught in his own lie, B.B. explains that he is a reformed villain: "Now I'm begging on my knees, Little Pigs, forgive me, please!" How B.B. turns his bad old deed into a good new one provides a happy ending to this fun-to-read fractured fairytale.
