Myth America Oct 22 2022 In this instant New York Times bestseller, America's top historians set the record straight on the most pernicious myths about our nation's past. The United States is in the grip of a crisis of bad history. Distortions of the past promoted in the conservative media have led large numbers of Americans to

believe in fictions over facts, making constructive dialogue impossible and imperiling our democracy. In *Myth America*, Kevin M. Kruse and Julian E. Zelizer have assembled an all-star team of fellow historians to push back against this misinformation. The contributors debunk narratives that portray the New Deal and Great Society as failures, immigrants as hostile invaders, and feminists as anti-family warriors—among numerous other partisan lies. Based on a firm foundation of historical scholarship, their findings revitalize our understanding of American history. Replacing myths with research and reality, *Myth America* is essential reading amid today's heated debates about our nation's past. With Essays By Akhil Reed Amar • Kathleen Belew • Carol Anderson • Kevin Kruse • Erika Lee • Daniel Immerwahr • Elizabeth Hinton • Naomi Oreskes • Erik M. Conway • Ari Kelman • Geraldo Cadava • David A. Bell • Joshua Zeitz • Sarah Churchwell • Michael Kazin • Karen L. Cox • Eric Rauchway • Glenda Gilmore • Natalia Mehlman Petrzela • Lawrence B. AMER FINANCE W/CHAPTERS ON MON Dec 24 2022

Freedom in America Aug 27 2020 If you want students to really understand the concept of power, moving beyond a survey book's quick discussion of Laswell's "who gets what and how," Muir's thoughtful Freedom in America might be the book for you. Exploring the words and ideas of such thinkers as Madison, Jefferson, Hamilton, and Tocqueville, Muir discusses the nature and limits of three types of power—coercive, reciprocal, and moral—and then uses this framework to explain how American political institutions work. If looking for an alternative to a long survey text—or itching to get students grappling with The Federalist Papers or Democracy in America with more of a payoff—Muir's meditation on power and personal freedom is a gateway for students to take their study of politics to the next level. His inductive style, engaging students with well-chosen and masterfully written stories, lets him draw out and distill key lessons without being preachy. Read a chapter and decide if this page turner is for you.

With the Doughboy in France Aug 08 2021 Excerpt from With the Doughboy in France: A Few Chapters of an American Effort To attempt to write a history, that should be at all adequate as compared with history, Of a great effort which was still in progress, as the writing went forward, would have been a lamentable task indeed. SO this book makes no pose as history; it simply aims to be a picture, or a series of pictures of America in a big job, the pictures made from the standpoint of a witnesser of her largest humanitarian effort the work of the American Red Cross. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The Book of Unknown America Aug 20 2022 A stunning novel of hopes and dreams, guilt and love—a book that offers a resonant new definition of what it means to be American and "illuminates the lives behind the current debates about Latino immigration" (The New York Times Book Review). When fifteen-year-old Maribel Rivera sustains a terrible injury, the Riveras leave behind a comfortable life in Mexico and risk everything to come to the United States so that Maribel can have the care she needs. Once they arrive, it's not long before Maribel attracts the attention of Mayor Toro, the son of o

their new neighbors, who sees a kindred spirit in this beautiful, damaged outsider. Their love story sets in motion events that will have profound repercussions for everyone involved. Here Henríquez seamlessly interweaves the story of these star-crossed lovers, and the Rivera and Toro families, with the testimonials of men and women who have come to the United States from all over Latin America.
