Straight from the Source Jun 30 2021 Kim Osorio had a front-row seat for the biggest beefs, battles, and blow-ups in hip-hop. As the first female editor-in-chief of *The Source*, she had come up. From her corner office, Kim got the goods on hip-hop's hottest names: Jay-Z, Nas, 50 Cent, Lil' Kim. She developed close -- sometimes intimate -- relationships with the artists she exposed to the public. But *The Source* couldn't hide its own dirty laundry for long. Behind the scenes, the magazine's volatile owners puppeteered every issue -- even coveted honors like the 5-mic album rating and the Power 30 list of industry heavy-hitters. Then *The Source* declared war on Eminem and began the notorious assault that would send the magazine into swift decline. In a culture dominated by men, Kim rose to the top, and after years in the magazine's pressure cooker, she hit "send" on a two-sentence e-mail that would thrust her from the sidelines of the scandalous world she reported on to the center of one of the most explosive scandals in hip-hop history. *Straight From the Source* is the Book of Kim, the tell-all memoir only she could write about her influential years at the Bible of Hip-Hop.

Straight from the Heart Nov 04 2021 *Straight from the Heart* is Ann Richards's story, told with her trademark candor and spicy humor. Born in a tiny town near Waco, Texas, she entered politics when her husband wouldn't—and went on to become state treasurer, the first woman elected to statewide office in Texas in fifty years. She's had her victories and her battles (the breakup of a thirty-year marriage and a bout with alcohol), but it's her love of Texas and Texas politics that has made her who she is. This extraordinary memoir by one of the nation's leading politicians proves the wisdom of her observation that women "can have a good and wonderful life, but that it only begins when they accept responsibility for it, not when they expect someone else to make it happen." Richards talks openly about the course her life has taken and the choices she has made on the way. Her hard-won triumphs and savvy political career provide inspiring examples for all.

Straight From The Ragman's Horse Jun 18 2020

Enclosed are one boy's tales of growing up in a tough working class neighbourhood in an industrial Tyneside town in the 1950s and 1960s. They are about real life and experience. However, the tales are also about truth, lies and betrayal. Comedy sits alongside pathos and tragedy, sometimes uncomfortably. They are fragments of the author's memories of those years but, quite possibly, they will also be part of the collective memory of other working class children of that era.

Straight from the Fridge, Dad Jun 11 2022 Righteous jive for all you weedheads, moochers, b-girls, gassers, bandrats, triggermen, grifters, snowbirds, and long-gone daddies. Much of the slang popularly associated with the hippie generation of the 1960s

actually dates back to before World War II, hijacked in the main from jazz and blues street expressions, mostly relating to drugs, sex, and drinking. Why talk when you can beat your chops, why eat when you can line your flue, and why snore when you can call some hogs? You're not drunk—you're just plumb full of stagger juice, and your skin isn't pasty, it's just caf? sunburn. Need a black coffee? That's a shot of java, nix on the moo juice. Containing thousands of examples of hipster slang drawn from pulp novels, classic noir and exploitation films, blues, country, and rock 'n' roll lyrics, and other related sources from the 1920s to the 1960s, *Straight from the Fridge, Dad* is the perfect guide for all hep cats and kittens. Think of it as a sort of *Thirty Days to a More Powerful Vocabulary* for the beret-wearing, bongo-banging set. Solid, Jackson.

Straight from the Heart Feb 07 2022 Straight from the Heart brings together an inspiring collection of Buddhist teachings, songs of realization, meditation instructions, and enlightened poetry—all chosen for their power to speak directly to the student. Drawn from Indian Mahayana and Vajrayana Buddhism as well as from all four schools of Tibetan Buddhism, some will impress with their beautiful poetry and powerful imagery, others with their profound power of instruction. Still others share personal advice for life that seems to come directly from the mouth of the author, and some serve as immediate and profound practice instructions. Several are just delightfully unconventional, even outrageous, letting in fresh air on petrified views or musty traditions. Most of them are simply unknown precious gems, which deserve a wider audience. Each of the works is preceded by a brief introduction and a short biography of its author. Many of these are legendary accounts of supernatural feats, edifying examples for students on the same spiritual path meant to expand their limited outlook with “mind-blowing” stories. Miraculous deeds, magnificent songs, and pithy instructions distinguish this collection assembled by the Buddhist scholar and translator Karl Brunnhölzl, whose years of work among dharma texts and his skill as a translator yield a rich mine of teachings all chosen for their ability to speak directly to the heart.

Straight from the Heart Oct 23 2020 My book is about a young lady (myself) who, in my younger days, was seeking love that I thought would complete me

through a relationship with a male figure. When in a relationship, or what I thought was a relationship, I would always put 100 percent of my heart in it while at the same time not receiving the mutual feeling, because I thought I was. The way I would express my feelings would be to either write a poem, buy them things, or to speak from my heart. I didn't know at the time that this kind of love could not fill the void that I had until I was introduced to Jesus Christ and how he truly loves me, and I didn't have to do anything to earn and receive his love. Therefore, my thinking and thought process began to change about the meaning of true love. So I began to write other poems that God had given me.
