Ready Player One Sep 14 2022 #1 NEW YORK TIMES

BESTSELLER • Now a major motion picture directed by Steven Spielberg. “Enchanting . . . Willy Wonka meets The

Matrix.”—USA Today • “As one adventure leads expertly to the next, time simply evaporates.”—Entertainment Weekly A world at

stake. A quest for the ultimate prize. Are you ready? In the year

2045, reality is an ugly place. The only time Wade Watts really

feels alive is when he’s jacked into the OASIS, a vast virtual world where most of humanity spends their days. When the eccentric

creator of the OASIS dies, he leaves behind a series of fiendish puzzles, based on his obsession with the pop culture of decades

past. Whoever is first to solve them will inherit his vast

fortune—and control of the OASIS itself. Then Wade cracks the

first clue. Suddenly he’s beset by rivals who’ll kill to take this

prize. The race is on—and the only way to survive is to win.

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY

Entertainment Weekly • San Francisco Chronicle • Village Voice

• Chicago Sun-Times • iO9 • The AV Club “Delightful . . . the

grown-up’s Harry Potter.”—HuffPost “An addictive read . . . part intergalactic scavenger hunt, part romance, and all heart.”—CNN

“A most excellent ride . . . Cline stuffs his novel with a cornucopia of pop culture, as if to wink to the reader.”—Boston Globe

“Ridiculously fun and large-hearted . . . Cline is that rare writer

who can translate his own dorky enthusiasms into prose that’s

both hilarious and compassionate.”—NPR “[A] fantastic page-

turner . . . starts out like a simple bit of fun and winds up feeling like a rich and plausible picture of future friendships in a world not too distant from our own.”—iO9

Chip Kidd Feb 19 2023 Chip Kidd is best known for his book jacket designs, which have been credited with spawning a revolution in the art of the book cover in the US. Master of the graphic non-sequitur, Kidd has designed covers for books by authors such as John Updike, Dean Koontz, Michael Crichton, Peter Carey and William Boyd that engage the reader's intelligence as well as imagination. This illustrated volume presents an appraisal of his oeuvre.

The Masnavi, Book One Dec 25 2020 "Rumi, known in Iran and Central Asia as Mowlana Jalaloddin Balkhi, was born in 1207 in the province of Balkh, now the border region between Afghanistan and Tajikistan. Rumi expressed a new vision of reality in volumes of mystical poetry. His enormous collection of lyrical poetry is considered one of the best that has ever been produced, while his poem in rhyming couplets, the Masnavi, is so revered as the most consummate expression of Sufi mysticism that it is commonly referred to as 'the Koran in Persian'."--BOOK JACKET.

The Sun Does Shine Aug 25 2023 A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit. "An amazing and heartwarming story, it restores our faith in the inherent goodness of humanity." - Archbishop Desmond Tutu In 1985, Anthony Ray Hinton was arrested and charged with two counts of capital murder in Alabama. Stunned, confused, and only twenty-nine years old, Hinton knew that it was a case of mistaken identity and believed that the truth would prove his innocence and ultimately set him free. But with no money and a different system of justice for a poor black man in the South, Hinton was sentenced to death by electrocution. He spent his first three years on Death Row at Holman State Prison in agonizing silence--full of

despair and anger toward all those who had sent an innocent man to his death. But as Hinton realized and accepted his fate, he resolved not only to survive, but find a way to live on Death Row. For the next twenty-seven years he was a beacon--transforming not only his own spirit, but those of his fellow inmates, fifty-four of whom were executed mere feet from his cell. With the help of civil rights attorney and bestselling author of *Just Mercy*, Bryan Stevenson, Hinton won his release in 2015. With a foreword by Stevenson, *The Sun Does Shine* is an extraordinary testament to the power of hope sustained through the darkest times. Destined to be a classic memoir of wrongful imprisonment and freedom won, Hinton's memoir tells his dramatic thirty-year journey and shows how you can take away a man's freedom, but you can't take away his imagination, humor, or joy.

Becoming Beatriz Nov 16 2022 "A compelling read about the quest for fame!" —Debbie Allen, star of *Fame* "Redemption is a heartbeat away." —Guadalupe Garcia McCall, author of the Pura Belpre Award winner *Under the Mesquite* Beatriz dreams of a life spent dancing--until tragedy on the day of her quinceañera changes everything. Up until her fifteenth birthday, the most important thing in the world to Beatriz Mendez was her dream of becoming a professional dancer and getting herself and her family far from the gang life that defined their days--that and meeting her dance idol Debbie Allen on the set of her favorite TV show, *Fame*. But after the latest battle in a constant turf war leaves her brother, Junito, dead and her mother grieving, Beatriz has a new set of priorities. How is she supposed to feel the rhythm when her brother's gang needs running, when her mami can't brush her own teeth, and when the last thing she can remember of her old self is dancing with her brother, followed by running and gunshots? When the class brainiac reminds Beatriz of her love of the dance floor, her banished dreams sneak back in. Now the only question is: will the gang let her go? Set in New Jersey in 1984, Beatriz's story is a timeless one of a teenager's navigation of romance, her brother's choices, and her own family's difficult past. A companion novel to the much-lauded *Like Vanessa*.

The Gangster We Are All Looking For Apr 28 2021 The highly acclaimed novel that reveals the life of a Vietnamese family in America through the knowing eyes of a child finding her place and voice in a new country. "A brilliant evocation of human sorrow and desire.... Heartbreaking and exhilarating." —The New York Times Book Review In 1978 six refugees—a girl, her father, and four "uncles"—are pulled from the sea to begin a new life in

San Diego. In the child's imagination, the world is transmuted into an unearthly realm: she sees everything intensely, hears the distress calls of inanimate objects, and waits for her mother to join her. But life loses none of its strangeness when the family is reunited. As the girl grows, her matter-of-fact innocence eddies increasingly around opaque and ghostly traumas: the cataclysm that engulfed her homeland, the memory of a brother who drowned and, most inescapable, her father's hopeless rage.

A People of One Book Jan 18 2023 Although the Victorians were awash in texts, the Bible was such a pervasive and dominant presence that they may fittingly be thought of as 'a people of one book'. They habitually read the Bible, quoted it, adopted its phraseology as their own, thought in its categories, and viewed their own lives and experiences through a scriptural lens. This astonishingly deep, relentless, and resonant engagement with the Bible was true across the religious spectrum from Catholics to Unitarians and beyond. The scripture-saturated culture of nineteenth-century England is displayed by Timothy Larsen in a series of lively case studies of representative figures ranging from the Quaker prison reformer Elizabeth Fry to the liberal Anglican pioneer of nursing Florence Nightingale to the Baptist preacher C. H. Spurgeon to the Jewish author Grace Aguilar. Even the agnostic man of science T. H. Huxley and the atheist leaders Charles Bradlaugh and Annie Besant were thoroughly and profoundly preoccupied with the Bible. Serving as a tour of the diversity and variety of nineteenth-century views, Larsen's study presents the distinctive beliefs and practices of all the major Victorian religious and sceptical traditions from Anglo-Catholics to the Salvation Army to Spiritualism, while simultaneously drawing out their common, shared culture as a people of one book.

One Spring Night Apr 16 2020 From #1 bestselling author Isla Dean comes the third novella in the One Night Collection, ONE SPRING NIGHT. Mystery writer, Kara Keaton, moved to small

town Stonebridge to start her life over after her husband's death. Between writing, renovating the hundred-year-old home she purchased, and trying to figure out how to keep the plants in her greenhouse alive, she stays busy. But not so busy that she doesn't enjoy her daily visits to the Plumber's Pub where the cheer of the town rings long and loud. And it certainly isn't a hardship to watch the stoic and sexy Ben Roberts behind the bar. The steadiest of the siblings, Ben's love and pride in being part of his family's pub is palpable. He's a straight-shooter--when it's important--with a strong stature and golden eyes that show darker hints of what runs deep within him. And from the day he meets the mysterious Kara, he's a man who knows what he wants. He just hasn't found a way into her world. Yet. With a spring storm barreling through the quaint New England town, Kara begins to let down her guard, and starts to understand that her heart truly is ready to love again. SPECIAL NOTE TO READERS: Each book in the One Night Collection is a standalone novella, featuring new characters with a story all their own, that takes place over the course of one night. The exception to this is One Summer Night (coming summer 2016!) which features a fun roundup of all the main characters in the collection as they come together for a fabulous Fourth of July celebration. One Night Collection ONE AUTUMN NIGHT ONE WINTER NIGHT ONE SPRING NIGHT ONE SUMMER NIGHT (coming summer 2016)

*REVIEWS*Praise for Isla Dean"Rich, expansive imagination...the stories seem to flow through her." Sierra Star Praise for One Autumn Night"The heroine has a ton of spunk and spirit." Smexy Books "Escapism at its finest...Isla Dean does it again." L.L., Writer Praise for Valor In Darkness"The perfect travel companion. Isla Dean weaves a story of love in a small town like no other." Wayfare Magazine Praise for Sapphire Sea"A lyrical delight all your senses will enjoy." Angelo Pizelo, contributing author of Peaceful Earth

The Misinformation Age Nov 04 2021 "Empowering and

thoroughly researched, this book offers useful contemporary analysis and possible solutions to one of the greatest threats to democracy.” —Kirkus Reviews Editors’ choice, The New York Times Book Review Recommended reading, Scientific American

Why should we care about having true beliefs? And why do demonstrably false beliefs persist and spread despite bad, even fatal, consequences for the people who hold them? Philosophers of science Cailin O’Connor and James Weatherall argue that social factors, rather than individual psychology, are what’s essential to understanding the spread and persistence of false beliefs. It might seem that there’s an obvious reason that true beliefs matter: false beliefs will hurt you. But if that’s right, then why is it (apparently) irrelevant to many people whether they believe true things or not? The Misinformation Age, written for a political era riven by “fake news,” “alternative facts,” and disputes over the validity of everything from climate change to the size of inauguration crowds, shows convincingly that what you believe depends on who you know. If social forces explain the persistence of false belief, we must understand how those forces work in order to fight misinformation effectively. “[The authors] deftly apply sociological models to examine how misinformation spreads among people and how scientific results get misrepresented in the public sphere.” —Andrea Gawrylewski, Scientific American

“A notable new volume . . . The Misinformation Age explains systematically how facts are determined and changed—whether it is concerning the effects of vaccination on children or the Russian attack on the integrity of the electoral process.” —Roger I. Abrams, New York Journal of Books

Little One-Yard Wonders Aug 21 2020 Shares one hundred one projects for accessories, toys, and wearables for babies and children, focusing on single yards of fabric and minimal completion times.

One Hot Summer Day Feb 07 2022 "An effervescent city child

dances through a hot summer day until a thunderstorm brings welcome relief. Executed in collages made from color photographs, imaginatively redefined in unexpected juxtaposition....A wonderful concept book, grounded in ordinary events yet touched with magic, that will strike a familiar chord with preschool audiences while enlarging their perceptions. An auspicious debut!"--Horn Book.

Tales of Two Americas Jul 12 2022 Thirty-six major contemporary writers examine life in a deeply divided America—including Anthony Doerr, Ann Patchett, Roxane Gay, Rebecca Solnit, Hector Tobar, Joyce Carol Oates, Edwidge Danticat, Richard Russo, Eula Bliss, Karen Russell, and many more America is broken. You don't need a fistful of statistics to know this. Visit any city, and evidence of our shattered social compact will present itself. From Appalachia to the Rust Belt and down to rural Texas, the gap between the wealthiest and the poorest stretches to unimaginable chasms. Whether the cause of this inequality is systemic injustice, the entrenchment of racism in our culture, the long war on drugs, or immigration policies, it endangers not only the American Dream but our very lives. In *Tales of Two Americas*, some of the literary world's most exciting writers look beyond numbers and wages to convey what it feels like to live in this divided nation. Their extraordinarily powerful stories, essays, and poems demonstrate how boundaries break down when experiences are shared, and that in sharing our stories we can help to alleviate a suffering that touches so many people.

One More Play Jun 18 2020 At age sixteen, James grew-up fast when his father died. He played baseball in high school and received a college scholarship. Concerned about his mother and brothers, he hoped his athletic talent would lead to a financially successful professional baseball career. Then, one day, while playing a pick-up football game, James was seriously injured and diagnosed a quadriplegic. He asked the doctor, "How bad is it?" The doctor responded, "Bad enough. You'll never walk again and

possibly not move from the neck down.” Thankfully, God placed James within a family that didn’t accept such advice. After years of hard work, fortitude, and perseverance, he was able to return to college. After completing his bachelor’s degree, it took him three years to land a teaching contract. Prospective employers saw the wheelchair not the applicant. As an educator, James received teaching and coaching awards. Confident, he decided to return to college. After completing his doctoral degree in May 2011, James became a motivational speaker encouraging other people to triumph over tragedies. He knows all of this would not have been possible without God in his life, his family’s support, and his personal values - the desire to succeed in life and overcome adversities.

One Jul 24 2023 A curious, loving fantasy in which Bach weaves science and spirit to explore concepts of time and self.

One Life Jan 26 2021 An instant New York Times bestseller!

“Rapinoe's 'signature pose' from the 2019 FIFA Women's World Cup is synonymous to the feeling we got when finishing this book: heart full, arms wide and ready to take up space in this world.”—USA Today Megan Rapinoe, Olympic gold medalist and two-time Women's World Cup champion, reveals for the first time her life both on and off the field. Guided by her personal journey into social justice, brimming with humor, humanity, and joy, she urges all of us to ask ourselves, What will you do with your one life? Only four years old when she kicked her first soccer ball, Megan Rapinoe developed a love - and clear talent - for the game at a young age. But it was her parents who taught her that winning was much less important than how she lived her life. From childhood on, Rapinoe always did what she could to stand up for what was right—even if it meant going up against people who disagreed. In *One Life*, Megan Rapinoe invites readers on a remarkable journey, looking back on both her victories and her failures, and pulls back the curtain on events we know only from the headlines. After the 2011 World Cup, discouraged by how few

athletes were open about their sexuality, Rapinoe decided to come out publicly as gay and use her platform to advocate for marriage equality. Recognizing the power she had to bring attention to critical issues, in 2016 she took a knee during the national anthem in solidarity with former NFL player Colin Kaepernick to protest racial injustice and police brutality—the first high-profile white athlete to do so. The backlash was immediate, but it couldn't compare to the overwhelming support. Rapinoe became a force of change. Here for the first time, Rapinoe reflects upon some of the most pivotal moments in her life and career - from her realization in college that she was gay, through the disputes with soccer coaches and officials over her decision to kneel, to the first time she met her now-fiancé WNBA champion Sue Bird, and up through suing the US Soccer Federation over gender discrimination and equal pay.

Throughout, Rapinoe makes clear the obligation we all have to speak up, and the impact each of us can have on our communities. Deeply personal and inspiring, *One Life* reveals that real, concrete change lies within all of us, and asks: If we all have the same resource—this one precious life, made up of the decisions we make every day—what are you going to do? "*One Life* makes it clear that Rapinoe's greatest accomplishments may ultimately come away from the soccer pitch. She's a new kind of American hero."—San Francisco Chronicle

Zero to One May 30 2021 #1 NEW YORK TIMES BESTSELLER •

"This book delivers completely new and refreshing ideas on how to create value in the world."—Mark Zuckerberg, CEO of Meta
"Peter Thiel has built multiple breakthrough companies, and *Zero to One* shows how."—Elon Musk, CEO of SpaceX and Tesla
The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In *Zero to One*, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of

technological stagnation, even if we're too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. Tomorrow's champions will not win by competing ruthlessly in today's marketplace. They will escape competition altogether, because their businesses will be unique. Zero to One presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.

The ONE Thing Apr 09 2022 • More than 500 appearances on national bestseller lists • #1 Wall Street Journal, New York Times, and USA Today • Won 12 book awards • Translated into 35 languages • Voted Top 100 Business Book of All Time on Goodreads People are using this simple, powerful concept to focus on what matters most in their personal and work lives. Companies are helping their employees be more productive with study groups, training, and coaching. Sales teams are boosting sales. Churches are conducting classes and recommending for their members. By focusing their energy on one thing at a time people are living more rewarding lives by building their careers, strengthening their finances, losing weight and getting in shape, deepening their faith, and nurturing stronger marriages and personal relationships. YOU WANT LESS. You want fewer distractions and less on your plate. The daily barrage of e-mails, texts, tweets, messages, and meetings distract you and stress you out. The simultaneous demands of work and family are taking a

toll. And what's the cost? Second-rate work, missed deadlines, smaller paychecks, fewer promotions--and lots of stress. AND YOU WANT MORE. You want more productivity from your work. More income for a better lifestyle. You want more satisfaction from life, and more time for yourself, your family, and your friends. NOW YOU CAN HAVE BOTH — LESS AND MORE. In *The ONE Thing*, you'll learn to * cut through the clutter * achieve better results in less time * build momentum toward your goal* dial down the stress * overcome that overwhelmed feeling * revive your energy * stay on track * master what matters to you. *The ONE Thing* delivers extraordinary results in every area of your life--work, personal, family, and spiritual. WHAT'S YOUR ONE THING?

All We Can Save Apr 21 2023 NATIONAL BESTSELLER • Provocative and illuminating essays from women at the forefront of the climate movement who are harnessing truth, courage, and solutions to lead humanity forward. “A powerful read that fills one with, dare I say . . . hope?”—The New York Times NAMED ONE OF THE BEST BOOKS OF THE YEAR BY SMITHSONIAN MAGAZINE There is a renaissance blooming in the climate movement: leadership that is more characteristically feminine and more faithfully feminist, rooted in compassion, connection, creativity, and collaboration. While it’s clear that women and girls are vital voices and agents of change for this planet, they are too often missing from the proverbial table. More than a problem of bias, it’s a dynamic that sets us up for failure. To change

everything, we need everyone. *All We Can Save* illuminates the expertise and insights of dozens of diverse women leading on climate in the United States—scientists, journalists, farmers, lawyers, teachers, activists, innovators, wonks, and designers, across generations, geographies, and race—and aims to advance a more representative, nuanced, and solution-oriented public conversation on the climate crisis. These women offer a spectrum of ideas and insights for how we can rapidly, radically reshape society. Intermixing essays with poetry and art, this book is both a balm and a guide for knowing and holding what has been done to the world, while bolstering our resolve never to give up on one another or our collective future. We must summon truth, courage, and solutions to turn away from the brink and toward life-giving possibility. Curated by two climate leaders, the book is a collection and celebration of visionaries who are leading us on a path toward all we can save. With essays and poems by: Emily Atkin • Xiye Bastida • Ellen Bass • Colette Pichon Battle • Jainey K. Bavishi • Janine Benyus • adrienne maree brown • Régine Clément • Abigail Dillen • Camille T. One Flesh Mar 28 2021 On the sixth day of creation, God formed Adam from the dust of the earth. God then formed Eve from Adam's side. From this day forward man was to leave his father and mother and cleave to his wife. The two are joined together by God in a permanent one-flesh relationship. After man fell, the sins of adultery, fornication, polygamy, and divorce altered God's intention for marriage. This was true of those both outside and inside God's covenant community. By the time the Lord Jesus Christ came in the flesh, the traditions of Judaism had either changed or nullified God's command for marriage. The Lord Jesus Christ came and stated God's original intent for marriage: 1. Permanence. The husband and wife are one flesh. They are permanently joined in a covenant relationship for life. No person has the legal or moral authority to end what God has joined together. No sin or legal document can dissolve the one-flesh bond. 2. Forgiveness. This is Christ's emphasis in dealing with sin. When one spouse fails, the love of Christ compels the other to forgive. Hardness of heart is the cause of unforgiveness and results in divorce. Because of the biblical teachings of Jesus and Paul, the early church held to the permanence of marriage. Over the centuries, Christ's commands on the permanence of marriage have been either changed or nullified. They have been replaced

with the traditions of men. In theory, Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them. In practice, many evangelical Christians are divorcing and remarrying for almost any reason. The Lord Jesus Christ taught God's original intentions regarding forgiveness and divorce. The Word of God has not changed. "What God has joined together, let no man separate" (Mark 10:9).

The One Inside May 10 2022 This searing, extraordinarily evocative narrative opens with a man in his house at dawn, surrounded by aspens, coyotes cackling in the distance as he quietly navigates the distance between present and past. As memory overtakes him, he sees the bygone America of his childhood: the farmland and the feedlots, the railyards and the diners—and, most hauntingly, his father's young girlfriend, with whom he also became involved, setting into motion a tragedy that has stayed with him. His complex interiority is filtered through views of mountains and deserts as he drives across the country, propelled by Benzedrine, rock and roll, and a restlessness born out of exile. The rhythms of theater, the language of poetry, and a flinty humor combine in this stunning meditation on the nature of experience, at once celebratory, surreal, poignant, and unforgettable.

One for the Books Aug 13 2022 One of America's leading humorists and author of the bestseller *Closing Time* examines his own obsession with books Joe Queenan became a voracious reader as a means of escape from a joyless childhood in a Philadelphia housing project. In the years since then he has dedicated himself to an assortment of idiosyncratic reading challenges: spending a year reading only short books, spending a year reading books he always suspected he would hate, spending a year reading books he picked with his eyes closed. In *One for the Books*, Queenan tries to come to terms with his own eccentric reading style—how many more books will he have time to read in his lifetime? Why does he refuse to read books hailed by

reviewers as “astonishing”? Why does he refuse to lend out books? Will he ever buy an e-book? Why does he habitually read thirty to forty books simultaneously? Why are there so many people to whom the above questions do not even matter—and what do they read? Acerbically funny yet passionate and oddly affectionate, *One for the Books* is a reading experience that true book lovers will find unforgettable.

The One Jun 11 2022 Now on Netflix! The USA Today bestseller A Wall Street Journal Best Science Fiction Book of 2018 “Just try to put this gripping thriller down once you pick it up.” —AARP “A shock on every other page.” —Wall Street Journal How far would you go to find *The One*? A simple DNA test is all it takes. Just a quick mouth swab and soon you’ll be matched with your perfect partner—the one you’re genetically made for. That’s the promise made by Match Your DNA. A decade ago, the company announced that they had found the gene that pairs each of us with our soul mate. Since then, millions of people around the world have been matched. But the discovery has its downsides: test results have led to the breakup of countless relationships and upended the traditional ideas of dating, romance and love. Now five very different people have received the notification that they’ve been “Matched.” They’re each about to meet their one true love. But “happily ever after” isn’t guaranteed for everyone. Because even soul mates have secrets. And some are more shocking than others... A word-of-mouth hit in the United Kingdom, *The One* is a fascinating novel that shows how even the simplest discoveries can have complicated consequences.

I'll Take You There Mar 08 2022 Number one bestseller *The One Plus One* is the beautiful, poignant and utterly compelling new novel by the internationally bestselling author Jojo Moyes. One eternal optimist . . . Jess Thomas, with two jobs and two kids and never enough money, wears flip flops in the hope of spring. And when life knocks her down she does her best to bounce right back. But no one told her it's okay to ask for help. Plus one lost

stranger . . . Ed Nichols is the good guy gone bad. He had it all, then one stupid mistake cost him everything. Now he'll do anything to make it right. Equals a chance encounter . . . Ed doesn't want to save anyone and Jess doesn't want saving, but could Jess and Ed add up to something better together? Praise for The One Plus One: 'A beautifully written love story I relished' Daily Mail 'A heartbreaking, laugh-out-loud, roller coaster' Sunday Express 'An uplifting, charming, life-affirming tale that you won't want to put down' Heat 'Raw, funny, real and sad, this is storytelling at its best' Marie Claire Jojo Moyes is a novelist and a journalist. She worked at the Independent for ten years before leaving to write full time. Her previous novels have all been critically acclaimed and include The Ship of Brides, Foreign Fruit, The Last Letter From Your Lover, winner of Spring 2012's most popular Richard and Judy Book Club title Me Before You and top ten bestseller The Girl you Left Behind. She lives in Essex with her husband and their three children.

One Jun 23 2023 I gave my life to become the person I am right now. Was it worth it? Would we change if we knew what waits beyond space and time? "With One, the ninth novel from the ever spiritual and imaginative author of Jonathan Livingston Seagull, [Richard] Bach continues his quest for a deeper understanding of human nature. . . . Although the elements of a great science fiction novel are present, the plot is secondary to the novel's theme of humanity's ability to control destiny"—The Boston Herald "If you have ever tried to judge a book by its cover . . . One lives up to this question [in the headline] . . . and more . . . Bach gives the reader much to ponder, so much so in some chapters that the thoughtful may be tempted to read no more than a page at a sitting. Not because it's cumbersome reading, but because the ideas are worth savoring."—USA Today "One is a provocative book . . . it gives beautiful, hope-filled answers."—Indianapolis News "Uplifting . . . Each of the inspirational set pieces preaches the same message: of the power

of each individual to choose the ways of peace, brotherhood and love, to live with a reverence for nature and at harmony with the universe. Back again displays an inventive imagination and inspirational zeal.”—Publishers Weekly “One presents a number of provocative speculations: What would it be like to meet yourself when you were older or younger? How would your life turn out if you had made different choices, split up with your spouse, been born in a different time and place? . . . With love and hope as their guides and ‘what matters most’ as their destination, the Bachs touch down in different times and places, where they commune with some of their alternative selves.”—The New York Times Book Review “This is a strange and though-provoking fantasy from the man who gave us Jonathan Livingston Seagull and Illusions, one that is imaginative, playful, and, in places, startling in concept.”—The Anniston Star “Instead of soaring and diving through space, passengers on this flight must be prepared to cruise slowly, making several stops to look at their motivation and lifestyles as the Bachs look at their own.”—Detroit Free Press

One Goal Oct 03 2021 Written by Bill Beswick, renowned performance psychologist and mental skills coach with a wealth of experience for elite teams, including the English Premier League and high-profile teams like Manchester United, *One Goal* is the definitive guide to developing the mindset of a winning soccer team. It offers proven methods for producing team cohesion, flow, and success.

Arc of Justice Dec 17 2022 An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white

neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began—a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. *Arc of Justice* is the winner of the 2004 National Book Award for Nonfiction.

Bedrock Faith Oct 15 2022 An ex-convict returns to his Chicago community a changed man—but maybe not for the better—in this “vivid, suspenseful, funny, and compassionate novel” (Booklist). One of Booklist’s Top 10 First Novels of the Year One of Roxane Gay’s Top 10 Books of the Year After fourteen years in prison, Gerald “Stew Pot” Reeves, age thirty-one, returns home to live with his mom in Parkland, a black middle-class neighborhood on Chicago’s South Side. The residents are in a tailspin, dreading the arrival of the man they remember as a frightening delinquent. The anxiety only grows when Stew Pot announces that he experienced a religious awakening in prison. Most folks are skeptical, with one notable exception: Mrs. Motley, a widowed retired librarian and the Reeves’ next-door neighbor, who loans Stew Pot a Bible, which is seen by him and many in the community as a friendly gesture. With uncompromising fervor (and with a new pit bull named John the Baptist), Stew Pot soon appoints himself the moral judge of Parkland—and starts wreaking havoc on people’s lives. Before long, tension and suspicion reign, and this close-knit community must reckon with

questions of faith, fear, and forgiveness . . . “[A] novel of epiphanies, tragedies, and transformations . . . perfect for book clubs.” —Booklist, starred review “May slowly builds suspense as he persuasively unfolds the narrative in this work that reads like an Agatha Christie mystery.” —Library Journal “A wonderful urban novel full of vitality and pathos and grit.” —Dennis Lehane Sixty-One Jun 30 2021 Instant New York Times, USA Today, Publishers Weekly, and Wall Street Journal Bestseller! A powerful and unexpected memoir of family, faith, tragedy, and life's most important lessons. The day after future NBA superstar Chris Paul signed his letter of intent to play college basketball for Wake Forest, he received a world-shattering phone call. His grandfather, Nathaniel "Papa" Jones, a pillar of the Winston-Salem community where he owned and operated the first Black-owned service station in North Carolina, was mugged and ultimately died from a heart attack resulting from the assault. His funeral filled the largest church in the county, which held over one thousand people. He was sixty-one years old. The day after burying his grandfather, Chris was coping the best way he knew how: by playing basketball for his high school team. After pouring in shot after shot, his last attempt was an airball purposely flung out of bounds from the foul line before Chris exited the game. The next day, local news headlines declared that he fell six points shy of the statewide single game high school scoring record. But he accomplished exactly what he set out to do: scoring sixty-one points, one for each year of life lived by his grandfather. In Sixty-One, Chris opens up about life beyond basketball and the role his grandfather played in molding him into the man and father he is today. He'll speak about the foundation of faith and family he built his life upon, what it means to be a positive light within your community and beyond, and the importance of setting the proper example for future generations. Most importantly, Chris will talk about his home, Winston-Salem, and the close-knit family and village that raised him to become one of the most respected

leaders in all of sports.

A Dream Called Home Mar 20 2023 From bestselling author of the remarkable memoir, *The Distance Between Us* comes an inspiring account of one woman's quest to find her place in America as a first-generation Latina university student and aspiring writer determined to build a new life for her family one fearless word at a time. "Here is a life story so unbelievable, it could only be true" (Sandra Cisneros, bestselling author of *The House on Mango Street*). As an immigrant in an unfamiliar country, with an indifferent mother and abusive father, Reyna had few resources at her disposal. Taking refuge in words, Reyna's love of reading and writing propels her to rise above until she achieves the impossible and is accepted to the University of California, Santa Cruz. Although her acceptance is a triumph, the actual experience of American college life is intimidating and unfamiliar for someone like Reyna, who is now estranged from her family and support system. Again, she finds solace in words, holding fast to her vision of becoming a writer, only to discover she knows nothing about what it takes to make a career out of a dream. Through it all, Reyna is determined to make the impossible possible, going from undocumented immigrant of little means to "a fierce, smart, shimmering light of a writer" (Cheryl Strayed, author of *Wild*); a National Book Critics Circle Award Finalist whose "power is growing with every book" (Luis Alberto Urrea, Pulitzer Prize finalist); and a proud mother of two beautiful children who will never have to know the pain of poverty and neglect. Told in Reyna's exquisite, heartfelt prose, *A Dream Called Home* demonstrates how, by daring to pursue her dreams, Reyna was able to build the one thing she had always longed for: a home that would endure.

Act One Jul 20 2020 *Act One* is the autobiography of Moss Hart, an American playwright and theatre director. Born into impoverished circumstances—his father was often unemployed—Hart left school at age twelve for a series of odd

jobs that included being an entertainment director at a Catskills summer resort. Hart's big break came in 1930 with the Broadway hit *Once in a Lifetime*, written with George Kaufman. The two would collaborate again on *You Can't Take It With You* (1936) and *The Man Who Came To Dinner* (1939). *You Can't Take It With You* won the Pulitzer Prize for drama in 1937, and the 1938 film version, directed by Frank Capra, won Oscars for both Best Picture and Best Director. *Act One* was adapted for a 1963 film starring George Hamilton, and for a 2014 stage production starring Tony Shalhoub and Andrea Martin. HarperTorch brings great works of non-fiction and the dramatic arts to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Look for more titles in the HarperTorch collection to build your digital library.

[Interior Chinatown](#) Dec 05 2021 NEW YORK TIMES

BESTSELLER • NATIONAL BOOK AWARD WINNER • From the infinitely inventive author of *How to Live Safely in a Science Fictional Universe* comes "one of the funniest books of the year.... A delicious, ambitious Hollywood satire" (*The Washington Post*). A deeply personal novel about race, pop culture, immigration, assimilation, and escaping the roles we are forced to play. Willis Wu doesn't perceive himself as the protagonist in his own life: he's merely Generic Asian Man. Sometimes he gets to be Background Oriental Making a Weird Face or even Disgraced Son, but always he is relegated to a prop. Yet every day, he leaves his tiny room in a Chinatown SRO and enters the Golden Palace restaurant, where *Black and White*, a procedural cop show, is in perpetual production. He's a bit player here, too, but he dreams of being Kung Fu Guy—the most respected role that anyone who looks like him can attain. Or is it? After stumbling into the spotlight, Willis finds himself launched into a wider world than he's ever known, discovering not only the secret history of Chinatown, but the buried legacy of his own family. Infinitely inventive and deeply personal, exploring the themes of pop

culture, assimilation, and immigration—Interior Chinatown is Charles Yu’s most moving, daring, and masterful novel yet.

Year One Jan 06 2022 #1 NEW YORK TIMES BESTSELLER (December 2017) A stunning new novel from the #1 New York Times bestselling author Nora Roberts—Year One is an epic of hope and horror, chaos and magick, and a journey that will unite a desperate group of people to fight the battle of their lives... It began on New Year’s Eve. The sickness came on suddenly, and spread quickly. The fear spread even faster. Within weeks, everything people counted on began to fail them. The electrical grid sputtered; law and government collapsed—and more than half of the world’s population was decimated. Where there had been order, there was now chaos. And as the power of science and technology receded, magick rose up in its place. Some of it is good, like the witchcraft worked by Lana Bingham, practicing in the loft apartment she shares with her lover, Max. Some of it is unimaginably evil, and it can lurk anywhere, around a corner, in fetid tunnels beneath the river—or in the ones you know and love the most. As word spreads that neither the immune nor the gifted are safe from the authorities who patrol the ravaged streets, and with nothing left to count on but each other, Lana and Max make their way out of a wrecked New York City. At the same time, other travelers are heading west too, into a new frontier. Chuck, a tech genius trying to hack his way through a world gone offline. Arlys, a journalist who has lost her audience but uses pen and paper to record the truth. Fred, her young colleague, possessed of burgeoning abilities and an optimism that seems out of place in this bleak landscape. And Rachel and Jonah, a resourceful doctor and a paramedic who fend off despair with their determination to keep a young mother and three infants in their care alive. In a world of survivors where every stranger encountered could be either a savage or a savior, none of them knows exactly where they are heading, or why. But a purpose awaits them that will shape their lives and the lives of all those who remain. The end

has come. The beginning comes next.

The Story of More May 22 2023 The essential pocket primer on climate change that will leave an indelible impact on everyone who reads it. "Hope Jahren asks the central question of our time: how can we learn to live on a finite planet?" (Elizabeth Kolbert, author of *The Sixth Extinction*). "Hope Jahren is the voice that science has been waiting for." —Nature Hope Jahren is an award-winning scientist, a brilliant writer, a passionate teacher, and one of the seven billion people with whom we share this earth. In *The Story of More*, she illuminates the link between human habits and our imperiled planet. In concise, highly readable chapters, she takes us through the science behind the key inventions—from electric power to large-scale farming to automobiles—that, even as they help us, release greenhouse gases into the atmosphere like never before. She explains the current and projected consequences of global warming—from superstorms to rising sea levels—and the actions that we all can take to fight back. At once an explainer on the mechanisms of global change and a lively, personal narrative given to us in Jahren's inimitable voice, *The Story of More* is "a superb account of the deadly struggle between humanity and what may prove the only life-bearing planet within ten light years" (E. O. Wilson).

The One Sep 02 2021 Now on Netflix! The USA Today bestseller A Wall Street Journal Best Science Fiction Book of 2018 "Just try to put this gripping thriller down once you pick it up." --AARP "A shock on every other page." --Wall Street Journal How far would you go to find *The One*? A simple DNA test is all it takes. Just a quick mouth swab and soon you'll be matched with your perfect partner--the one you're genetically made for. That's the promise made by Match Your DNA. A decade ago, the company announced that they had found the gene that pairs each of us with our soul mate. Since then, millions of people around the world have been matched. But the discovery has its downsides: test results have led to the breakup of countless relationships and upended the

traditional ideas of dating, romance and love. Now five very different people have received the notification that they've been "Matched." They're each about to meet their one true love. But "happily ever after" isn't guaranteed for everyone. Because even soul mates have secrets. And some are more shocking than others... A word-of-mouth hit in the United Kingdom, *The One* is a fascinating novel that shows how even the simplest discoveries can have complicated consequences.

The One and Only Sparkella Aug 01 2021 An Instant #1 New York Times Bestseller! A Publishers Weekly Bestseller! Leading actor, producer and director Channing Tatum's picture book debut, *The One and Only Sparkella* is a charming ode to self-esteem and the love between a father and daughter—illustrated by Kim Barnes. Ella is excited for her first day at a new school. Glimmering pencil case? Check! Shimmering backpack? Check! Glittery ribbons in her hair? Check! She can't wait to meet the other kids and share her sparkly personality. But her first day doesn't go quite as planned: Her new classmates don't like her disco-ball shoes, her PB&J-with-sprinkles sandwich, or her rainbow-y unicorn painting. Ella decides to try to be less sparkly at school the next day so the other kids won't make fun of her. But with a little help from her dad, she soon learns the importance of just being herself, no matter what other people say.

One Way, One Truth, One Life Oct 23 2020 With so many doctrines in the Christian world today, finding the truth can be daunting. In this collection of personal meditations on several biblical doctrines, Lorne W.P. Vanderwoude seeks to reveal key themes shared by different doctrines, and in the process heal the church. He challenges readers to study the Bible for themselves and ask the Holy Spirit for direction, and reminds us that there is only one truth, one way, and one life—it comes through one person, Jesus Christ. Jesus can inspire people to grow their own faith rather than live the faith of others. *One Way, One Truth, One Life* invites readers of Christian and non-Christian faith who have

the desire to join in the journey and hear the story of Christ.
