**Maansagari Volume 2** Aug 01 2023 It is my profound privilege to present before the esteemed readers the English translation of the most inspiring and enlightening ancient classic Maansagari which was composed by Janardan Harji, the son of a head priest from Gujarat who was a devout scholar of Vedic Sastras and was known for his great virtues. Maansagari Paddhiti as the textual nomenclature suggests is the unique system of delineating horoscopes. It is a complete text explaining the use of many Yogas, different Dasa systems, transits as such and various Chakras. There is no other text that deals with all these lesser known tools of astrological prognostication namely Vargas, Dasas and Chakras. In this translation, all possible cross-references are cited to present the views of other writers as well as an explanation of the principles through examples and horoscopes that have been presented, for use by the students and scholars.

**The Recognition of Shak?ntala** Jun 06 2021 The play Shakuntala was one of the first examples of Indian

literature to be read in translation in Europe. Shakuntala's story is a leitmotiv that recurs in many works of Indian literature and culminates in the master Kali-dasa's drama for the stage. The virtuous heroine is forgotten by her betrothed, the king Dushyanta, only to be refound thanks to a distinguishing signet ring discovered by a fisherman in the belly of one of his catch. The final act distills the essence of human forgiveness, in Shakuntala's gracious release of her husband from his guilt.
