Robert Louis Stevenson originally wrote Dr. Jekyll And Mr Hyde as a "chilling shocker." He then burned the draft and, upon his wife's advice, rewrote it as the darkly complex tale it is today. Stark, skillfully woven, this fascinating novel explores the curious turnings of human character through the strange case of Dr. Jekyll, a kindly scientist who by night takes on his stunted evil self, Mr. Hyde. Anticipating modern psychology, Jekyll And Hyde is a brilliantly original study of man's dual nature—as well as an immortal tale of suspense and terror. Published in 1866, Jekyll And Hyde was an instant success and brought Stevenson his first taste of fame. Though sometimes dismissed as a mere mystery story, the book has evoked much literary admirations. Vladimir Nabokov likened it to Madame Bovary and Dead Souls as "a fable that lies nearer to poetry than to ordinary prose fiction." Should I be a landlord? To help you answer this question, Christine shares her knowledge and experiences. Her book reveals what you must know before you leap. Do you have the money? What type of property is best for you? Knowing the best way to deal with the tenant, the lease and the law, are just a few of the valuable tips Christine gives you on how to succeed. Shell warn you of the traps and treasures of Landlordom. Landlordom, Th e Land of Jekyll and Hyde is sure to educate and entertain the reader. In the end, you will have a very good idea if being a landlord is something for you or not, and, if it is, how to do it successfully. Her compelling stories show both sides of the rental world: how dealing with tenants can be sometimes Jekyll, sometimes Hyde. A new series of bespoke, full-coverage resources developed for the 2015 GCSE English qualifications. Approved for the AQA 2015 GCSE English Literature specification, this print Student Book is designed to help students develop whole text understanding and written response skills for their closed-book exam. The resource provides chapter-by-chapter coverage of Stevenson's novella as well as a synoptic overview of the text and its themes. Short, memorable quotations and striking images throughout the book aid learning, while in-depth exam preparation includes practice questions and sample responses. See also our Dr Jekyll and Mr Hyde print and digital pack, which comprises the print Student Book, the enhanced digital edition and a free Teacher's Resource Written by Paul Jenkins Cover by Sean Phillips Art by Jae Lee and Sean Phillips Collecting the hit 6-issue miniseries! A unique story that examines the psychology behind Harvey Dent's split personality! Discover how one man can seemingly harbor two souls, each bent on the other's destruction in this terrifying tale of Two-Face's past and present, as he battles with himself - and the Batman! Advance-solicited; on sale June 25 - 144 pg, FC, \$14.99 US Winner of the 2021 McIlvanney Prize for Best Crime Novel of the Year From the internationally acclaimed author, a stunning gothic reimagining of the Jekyll and Hyde story in which Captain Edward Hyde, chief detective of Victorian Edinburgh, investigates a gruesome murder that may unmask his own darkest secret Victorian Edinburgh. Captain Edward Henry

Hyde is chief detective for the City of Edinburgh Police; as such, he is responsible for investigating all murders and serious crimes in the city. Hyde is a striking but severe-looking man who provokes unease, and often fear, in those who encounter him. Nevertheless, Edward Hyde is truly a good man ... though he wrestles fiercely with his own unique demons. When Hyde finds himself at the scene of a heinous murder, with no idea of how he got there or the events leading up to the discovery, his alarm is triggered on two levels. First, the crime scene is brutal and involves the Threefold Death, an ancient Celtic rite of sacrifice entangled with dark Scottish spiritual mythology. Second, Hyde's inability to remember any detail of his arrival at the crime scene makes him immediately fret about the secret he keeps from all but his physician: He suffers from a rare form of epilepsy that causes him to lose time—amnesiac absences where he cannot account for his actions—and nocturnal seizures that manifest themselves as vivid and lucid dreams. As Hyde begins his investigation of the murder in a city on edge, he finds himself not only searching for real world clues, but trying to unravel the significance of the imagery in the otherworld of his dreaming. His investigation leads to the very places he fears, but has never fully imagined. In this heartwarming and hilarious reimagining of The Strange Case of Dr. Jekyll and Mr. Hyde, a secret potion accidentally turns eager-to-please eighth grader Jaclyn into Jackie, a goblin-like monster who'll do anything to win at everything she does—no matter how much chaos she creates along the way. Jaclyn Hyde is almost perfect. Whether she's baking cookies for her classmates, building a replica Mt. Vesuvius for the science fair, or practicing her lines for Fog Island: The Musical, she almost never makes mistakes. When she discovers the last batch of perfection potion in an abandoned laboratory, Jaclyn decides that being almost perfect isn't perfect enough anymore. But Jaclyn quickly discovers that the potion turns her into Jackie, a goblin-like monster who'll do anything to make sure Jaclyn comes out on top. Suddenly, she's wreaking havoc on the school play, stealing someone else's brownies to pass off as her own, and that's just the beginning. If Jaclyn wants to save her school, her friends, and herself from her perfectly horrifying alter-ego, she's going to have to screw up her courage and risk it all—even if that means admitting that she never was as perfect as she seemed. Stevenson's short novel, published in 1886, became an instant classic. It was a Gothic horror originating in a feverish nightmare, that has thrilled readers ever since. Also included in this edition are a number of short stories and essays of the 1880s and extracts from writings on personality disorder that set the works in their historical context. - ;'Instantly the spirit of hell awoke in me and raged...I was suddenly struck through the heart by a cold thrill of terror.' Stevenson's short novel, published in 1886, became an instant classic. It was a Gothic horror that originated in a feverish nightmare, whose hallucinatory setting in the murky back streets of London gripped a nation mesmerized by crime and violence. The respectable doctor's mysterious relationship with his disreputable associate is finally revealed in one of the most original and thrilling endings in English literature. In addition to Jekyll and Hyde, this edition also includes a number of short stories and essays written by Stevenson in the 1880s, minor masterpieces of fiction and comment: 'The Body Snatcher', 'Markheim', and 'Olalla' feature grave-robbing, a sinister double, and degeneracy, while 'A Chapter on Dreams' and 'A Gossip on Romance' discuss artistic creation and the 'romance' form. Appendixes provide extracts from contemporary writings on personality disorder, which set Stevenson's tale in its full historical context. - ;The best edition of Stevenson's supernatural fiction so far. The texts are very well edited, the notes are significant and unobtrusive for the average reader, and the appendices provide the perfect complementation for Stevenson's narratives of the uncanny. Roger Luckhurst's introduction is fascinating. A must. - Dr. Antonio Ballesteros-Gonz--acute--lez, Universidad de Castilla-La Mancha Strange Case of Dr Jekyll and Mr Hyde is a novella by the Scottish author Robert Louis Stevenson first published in 1886. The work is also known as The Strange Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and

Hyde" coming to mean a person who is vastly different in moral character from one situation to the next. Dark Magus is a warts-and-all look at the real Miles Davis. As told by his son, this book strips away the public perception of Davis often concocted through other books written without such intimate access to the man and gets down to the realities of his personality and quirks. Despite being a jazz superstar for decades, Davis was reclusive and deeply distrustful of other people. Dark Magus details Davis's Jekyll-and-Hyde personality, including his prodigious drug use, his misogynistic attitude towards women, his self-centeredness and selfishness, his obsessive chasing of young women, his use of amphetamines during concerts, and his distressing tendency to use violence to get his way or exact revenge for slights real and imagined. Other fascinating details abound, including Davis's relationship with Charlie Parker, his obsession with sports (especially boxing), his likes and dislikes, his personal philosophies, and his often gruelling work with younger musicians. Imagine a land where the past meets the future. A new breed of enhanced humans evolves from the wake of a cataclysmic event. Now, the United States has two divisions of people. Some individuals cling to their ideals from the 21st century. Others believe in progress through a new Industrial Revolution, influences from previous decades, and body modifications. Witness a post-apocalyptic nation that turns fantasy and science fiction into a reality. This dystopian world includes three tales of loyalty, survival, and culture clashes. The Apocalypse was only the beginning. Who will stand with you during the aftermath? An experimental brain implant has freed college freshman Jamie Pepper from the symptoms of early-onset Parkinson's disease. But while his body is under his command, his mind may be out of control. "If this works, it will let you live again." Those words convince eighteen-year-old Jamie Pepper to undergo a risky operation to treat the debilitating symptoms of early-onset Parkinson's disease. Within months his world is changed for the better. By the fall his college plans are back on track. Yet as Jamie enters the world of college, embarking on his studies and an exciting new romance, visions from his past, and flashes from an unfamiliar present suggest that all is not as it would appear. Has Jamie been prowling in the night when he thinks he's been sleeping? And if so, is there now blood on his hands? On/Off follows a young man as he explores modern college life, the realms of the body and the mind, and the ways the past can sneak up and scramble even the most carefully plotted plans for the future. Everyone has a dark side. Dr Jekyll has discovered the ultimate drug. A chemical that can turn him into something else. Suddenly, he can unleash his deepest cruelties in the guise of the sinister Hyde. Transforming himself at will, he roams the streets of fog-bound London as his monstrous alter-ego. It seems he is master of his fate. It seems he is in complete control. But soon he will discover that his double life comes at a hideous price... Strange Case of Dr Jekyll and Mr Hyde is a gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. The work is also known as The Strange Case of Jekyll Hyde, Dr Jekyll and Mr Hyde, or simply Jekyll & Hyde. It is about a London legal practitioner named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the phrase "Jekyll and Hyde" entering the vernacular to refer to people with an unpredictably dual nature: usually very good, but sometimes shockingly evil. In this harrowing tale of good and evil, the mild-mannered Dr. Jekyll develops a potion that unleashes his secret, inner persona - the loathsome, twisted Mr. Hyde. Since childhood, you have been lied to. The stories you were read were just part of a large conspiracy to protect the reputations of truly evil people. Immortals, Edward Hyde and Nikola Tesla hunt the worst of these Scary Fails. What happens in Vegas can end in dismemberment or worse? Author(s): JEFF KAUFMAN Artist(s): PENCILER: FEDERICO ZUMEL COLORIST: JIM BROWN Cover Artist(s): FRANCHESCO Located in the mainland of Eastern North Carolina, Hyde County is a fascinating blend of beautiful wetlands--with an incredible assortment of wildlife--and rich, sweeping farmlands, which have played the principal role in yielding the economic prosperity for the county. Lake Mattamuskeet, the center and heart of Hyde County, has enjoyed a long and interesting history, one that has included early American Indian tribes, national business interests, New Deal government projects, and many generations of hunters and fishermen. Through an impressive collection of photographs, this volume will take you on a visual tour through the history of Lake Mattamuskeet, New Holland, and Hyde County over the past 100 years. Because the farmland around the lake was so rich, early businessmen, even back into the colonial days, had the ambition of draining the lake to provide more rich-soil acreage and thus, create a profitable real estate venture. In this book, you will see first-hand all the

intensive labor, both mental and physical, that went into the lake: from the first plans for drainage, the huge floating dipper dredges excavating the canals, the creation of the world's largest pumping plant (now Mattamuskeet Lodge), a company's city planning of New Holland, the introduction of the railroad, the work of the Civilian Conservation Corps in making the lake a waterfowl refuge, and throughout, the farming that has sustained Hyde County over the years. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. Frequently admonished for her impulsive behavior, Salem Hyde, a young witch, ignores long lectures by her dignified animal companion and enters a spelling competition at school only to discover that the "spelling" involves words instead of magic. By the Eisner-nominated created of Knights of the Lunch Table series. Simultaneous. He was a respected cabinet-maker and councillor by day - but Deacon William Brodie changed into a sinister, thieving monster when darkness fell on the old city of Edinburgh. Cleverly employing his respectable reputation to access the richest members of society before stealing from them as a masked burglar, he used the resulting illicit money to fund yet another life - with five children and two mistresses. But Brodie - whose chilling story inspired Robert Louis Stevenson to create the classic tale of Dr Jekyll and Mr Hyde about a century later - came fatally unstuck when a captured accomplice informed on him. Then neither his ill-gotten gains nor his steel collar designed to cheat the hangman could save him... Author Rick Wilson offers a warts-and-all biography of Brodie, from his relatively innocent young years through to his public disgrace and execution... hanging on the very gallows he conceived himself. A rash of horrific murders committed by apparently ordinary people rocks Gotham City to its core - and when Harvey Dent, the horribly scarred criminal known as Two-Face, escapes from Arkham Asylum, Batman realises he's involved. In the Remixed Classics series, authors from marginalized backgrounds reinterpret classic works through their own cultural lens to subvert the overwhelming cis het, white, and male canon. This gothic YA remix of Dr. Jekyll & Mr. Hyde subverts the cis het white perspective of the original, starring a Black queer teen searching for the reason behind his best friend's disappearance and the arrival of a magnetic stranger. London, 1885. Gabriel Utterson, a 17-year-old law clerk, has returned to London for the first time since his life—and that of his dearest friend, Henry Jekyll—was derailed by a scandal that led to his and Henry's expulsion from the London Medical School. Whispers about the true nature of Gabriel and Henry's relationship have followed the boys for two years, and now Gabriel has a chance to start again. But Gabriel doesn't want to move on, not without Henry. His friend has become distant and cold since the disastrous events of the prior spring, and now his letters have stopped altogether. Desperate to discover what's become of him, Gabriel takes to watching the Jekyll house. In doing so, Gabriel meets Hyde, a strangely familiar young man with white hair and a magnetic charisma. He claims to be friends with Henry, and Gabriel can't help but begin to grow jealous at their apparent closeness, especially as Henry continues to act like Gabriel means nothing to him. But the secret behind Henry's apathy is only the first part of a deeper mystery that has begun to coalesce. Monsters of all kinds prowl within the London fog—and not all of them are out for blood... analyzed Hitler, the Nazis, the German population, and German émigrés. His purpose was to help the Allies wage “psychological warfare” against Nazi Germany, to correct misconceptions about the Nazi regime, and to outline “the foundation of future peace” in Europe. “Sebastian Haffner's book is unmatched as a contemporary analysis of the Third Reich. It is quite remarkable that, writing in 1940, he could produce such acute insights into Hitler’s character and political hold over Germany” — Ian Kershaw “ ... excellent analysis of Germany's ills ... Deutschland, Deutschland, über Alles, according to [Haffner], is no mere musical fantasy but a national mania, a fixation, which is driving the nation, not as some imagine, to a great and noble destiny, but to damnation ... This is a particularly penetrating study of a phenomenon whose like history has, perhaps, not ever been seen before.” — The New York Times (August 1941) “Haffner's clear-sighted analysis, applied mainly to the dissection of his fellow Germans, also annihilates any claim by his contemporaries not to have known about Nazi crimes. The nature of Hitler's regime, he says, was well understood; all that is open to debate is the eagerness with which it was supported ... Apocryphally, Churchill told his cabinet to read this book so that they would understand the Nazi threat. We should do likewise to understand how close we came to ignoring it.” — The Observer “clear-sighted and perspicacious ... This brilliant journalist shows that it was possible to see and to hear and to draw one’s conclusions if one only had the will.” —Süddeutsche Zeitung “An alarm call trying to awaken the British to the unique nature of Hitler and the Nazi regime ... Remarkably prescient” — J. G. Ballard “A powerful and sustained text ... it explodes with rhetorical fireworks. Haffner produces a convincing picture of the Nazis, their numbers, their power and the destructive nihilism that united them” — Giles MacDonogh, BBC History Beverly Engel brings her expertise to this important examination of the Jekyll and Hyde Syndrome—the first book to address this abusive syndrome. She discusses the origins of the disorder, names its seven major manifestations, explains how to identify Jekyll and Hyde behavior in other people and in oneself, and outlines clear steps for how to heal Jekyll and Hyde tendencies for good. “An ingenious revision” of Robert Louis Stevenson’s classic Gothic story told through the eyes of the fiend (The New York Times Book Review). Mr. Hyde is trapped, locked in Dr. Jekyll’s house, certain of his inevitable capture. As the dreadful hours pass, he has the chance, finally, to tell his side of the story—one of buried dreams and dark lusts, both liberating and obscured in the gaslit fog of Victorian London’s sordid backstreets. Summoned to life by strange potions, Hyde knows not when or how long he will have control of “the body.” When dormant, he watches Dr. Jekyll from a distance, conscious of this other, high-class life but without influence. As the experiment continues, their mutual existence is threatened, not only by the uncertainties of untested science, but also by a mysterious stalker. Hyde is being taunted—possibly framed. Girls have gone missing; a murder has been committed. And someone is always watching from the shadows. In the blur of this shared consciousness, can Hyde ever truly know if these crimes were committed by his hands? Narrated by Hyde, this serpentine tale about the nature of evil, addiction, and the duality of man “delivers a new look at this enigmatic character and intriguing possible explanations for Jekyll’s behavior” (The Washington Post, Five Best Thrillers of 2014). “Hyde brings into the light the various horrors still hidden in the dark heart of Stevenson’s classic tale . . . a blazing triumph of the gothic imagination.” —Patrick McGrath, author of Asylum “Earthy, lurid, and unsparing . . . a worthy companion to its predecessor. It’s rich in gloomy, moody atmosphere (Levine’s London has a brutal steampunk quality), and its narrator’s plight is genuinely poignant.” —The New York Times Book Review, Editors’ Choice This collection includes: -The Journals of Jacob and Hyde -Jehovah and Hades -Jehovah and Hades: Federal Case The novellas listed above are books 1-3 in the Modern Day Jekyll & Hyde series. Total word count for all three combined is just under 54,000 words. Jehovah and Hades follows the last two known descendants of Dr. Jekyll (from Stevenson's Jekyll and Hyde) as they track down the uncontrollable monsters that originally came from Mr. Hyde. Jehovah is a computer hacker and weapons maker and Hades is an incredibly deadly assassin who is unkillable when Hyde takes over. The Journals of Jacob and Hyde follows their father as he discovers his powers. Located in the mainland of Eastern North Carolina, Hyde County is a fascinating blend of beautiful wetlands--with an incredible assortment of wildlife--and rich, sweeping farmlands, which have played the principal role in yielding the economic prosperity for the county. Lake Mattamuskeet, the center and heart of Hyde County, has enjoyed a long and interesting history, one that has included early American Indian tribes, national business interests, New Deal government projects, and many generations of hunters and fishermen.

Through an impressive collection of photographs, this volume will take you on a visual tour through the history of Lake Mattamuskeet, New Holland, and Hyde County over the past 100 years. Because the farmland around the lake was so rich, early businessmen, even back into the colonial days, had the ambition of draining the lake to provide more rich-soil acreage and thus, create a profitable real estate venture. In this book, you will see first-hand all the intensive labor, both mental and physical, that went into the lake: from the first plans for drainage, the huge floating dipper dredges excavating the canals, the creation of the world’s largest pumping plant (now Mattamuskeet Lodge), a company's city planning of New Holland, the introduction of the railroad, the work of the Civilian Conservation Corps in making the lake a waterfowl refuge, and throughout, the farming that has sustained Hyde County over the years. “Updates Robert Louis Stevenson’s classic story . . . Teens who enjoy brooding love stories will not be disappointed” (School Library Journal). Jill Jekel has always obeyed her parents’ rules—especially the one about never opening the mysterious, old box in her father’s office. But when her dad is murdered, and her college savings disappear, she’s tempted to peek inside, as the contents might be the key to a lucrative chemistry scholarship. To improve her odds, Jill enlists the help of gorgeous, brooding Tristen Hyde, who has his own dark secrets locked away. As a team, Jekel and Hyde recreate experiments based on the classic novel, hoping not only to win a prize, but to save Tristen’s sanity—and maybe his life. But Jill’s accidental taste of a formula unleashes her darkest nature and compels her to risk everything—even Tristen’s love—just for the thrill of being bad. “Fantaskey’s latest novel deliberately evokes the doppelganger theme and questionable experiments of Stevenson’s The Strange Case of Dr. Jekyll and Mr. Hyde. It also owes a great deal to Stephenie Meyer’s Twilight series . . . Fans of the genre won’t be able to resist this slick genre update.” —Booklist The book which put Stevenson's name in the mouth of the ' man in the street,' lifted him at a single bound to a place among men of the time and, by the still greater sensation which it created in America, led to the large income which soon afterwards he drew from the United States. The ear of a great public to whom his earlier writings were unknown was captured by this intense picture of the elements of good and evil in man's nature. It was hailed from pulpits and in the religious press as a great moral parable; though its moral quality, on close analysis, is seen to be more an illusion, due to the art of its writing, than the essence of the fable. Reduced to its simplest formula Jekyll and Hyde is a cry of terror at the potency for evil latent in the human soul. Such moral force as it has depends upon its assault on the nerves, not on its appeal to the heart. If not thus interpreted by the preachers of the time, it yet served the purpose of moving their hearers by the spectacle of the evil partner in the human ego, indulged in a moment ' when virtue slumbered,' coming in the end to destroy the good. Strange Case of Dr Jekyll and Mr Hyde, first published in 1886, is a novella-gothic style book written by author Robert Louis Stevenson from Scotland. The work is also known as The Strange Case of Dr. Jekyll and Mr. Hyde, Dr. Jekyll and Mr. Hyde, or simply Jekyll & Hyde. Gabriel John Utterson is a London lawyer who investigates strange occurrences involving his acquaintance Dr Henry Jekyll, and the abominable Edward Hyde. The very phrase "Jekyll and Hyde" has entered the vernacular this day in age referring to people with unpredictably dual natures: usually very good, and yet occasionally quite evil. An authoritative, collated version of the Mansfield script charts the evolution of his play through its Boston, New York, and London productions. Biographical information is presented for Mansfield, Thomas Russell Sullivan, who worked with Mansfield to adapt the novel into a play, and Stevenson. Special attention is given to American theater and popular entertainment during the late nineteenth century, and to the Jack the Ripper murders, which led to the closing of Mansfield's London production. Appendices include competing scripts staged by Daniel Bandmann and H.B. Irving, as well as reviews of the various productions, transcripts of Mansfield interviews, and excerpts from early biographies of Richard Mansfield. "Strange Case of Dr Jekyll and Mr Hyde" is a gothic novella by Scottish author Robert Louis Stevenson, first published in 1886. The work is also known as "The Strange Case of Dr. Jekyll and Mr. Hyde," "Dr. Jekyll and Mr. Hyde," or simply "Jekyll & Hyde." It is about a London lawyer named Gabriel John Utterson who investigates strange occurrences between his old friend, Dr Henry Jekyll, and the evil Edward Hyde. The novella's impact is such that it has become a part of the language, with the very phrase "Jekyll and Hyde" entering the vernacular to refer to people with an unpredictably dual nature: usually very good, but sometimes shockingly evil instead. Robert Louis Stevenson's Strange Case of Dr Jekyll and Mr Hyde. Are you looking for one of the best books of all time to read? Then you've come to the right spot!

Strange Case of Dr Jekyll and Mr Hyde by Robert Louis Stevenson is one of the best works of all time. Don't miss out on this great classic - read Strange Case of Dr Jekyll and Mr Hyde by Robert Louis Stevenson today! All human beings, as we meet them, are commingled out of good and evil: and Edward Hyde, alone, in the ranks of mankind, was pure evil. The disturbing Mr. Hyde is making his repugnant presence known in late 19th Century London. But punishment for his vile acts are always parried by the good, and well-respected, Dr. Jekyll. Soon, the secret relationship between the two men will be revealed. A classic that continues to be referenced today, The Strange Case Of Dr. Jekyll And Mr. Hyde will forever be locked in literary history. A NEW MASTERPIECE OF MACABRE HUMOR AND ACTION FROM THE NEW YORK TIMES BEST-SELLING AUTHOR OF ROBIN HOOD, PRINCE OF THIEVES, THE NATIONALLY BEST-SELLING NIGHTSIDE SERIES, THE DEATHSTALKER CHRONICLES, THE ISHMAEL JONES PARANORMAL MYSTERIES, AND MORE! HYDE IN THE SHADOWS Daniel Carter was a London cop who just wanted to do the right thing. But during a raid on an organ-selling chop shop, he is almost torn to pieces by monsters. And no one believes him. Hurt and crippled, his career over and his life in ruins, Daniel is suddenly presented with a chance at redemption. And revenge. It seems that more than two centuries ago, the monsters of the world disappeared—into the underworld of crime. Guild-like Clans now have control over all the dark and illegal trades, from the awful surgeries of the Frankenstein Clan, to the shadowy and seductive Vampire Clan, to the dreaded purveyors of drugs and death, the Clan of Mummies. And there's always the Werewolf Clan, to keep order. Only one force stands opposed to the monster Clans: the superstrong, extremely sexy, quick-witted Hydes! Now Daniel is just one sip of Dr. Jekyll's Elixir away from joining their company. At Jekyll & Hyde Inc. At the publisher's request, this title is sold without DRM (Digital Rights Management). About Simon R. Green: "A macabre and thoroughly entertaining world." —Jim Butcher on the Nightside series "A splendid riddle wrapped in a mystery inside an enigma, conveyed with trademark wisecracking humor, and carried out with maximum bloodshed and mayhem. In a word, irresistible." —Kirkus, Starred Review of Simon R. Green's Night Fall "[F]or those who want a fantasy-genre mash-up that doesn't slow down." —Booklist on From a Drood to a Kill "Simon R. Green is a great favorite of mine. It's almost impossible to find a writer with a more fertile imagination than Simon. He's a writer who seems endlessly inventive." —Charlaine Harris
