Bollywood movies have long been known for their colorful song-and-dance numbers and knack for combining drama, comedy, action-adventure, and music. But these exciting and often amusing films rarely reflect the reality of life on the Indian subcontinent. Exploring the nature of mainstream Hindi cinema, the strikingly illustrated *Bollywood's India* examines its nonrealistic depictions of everyday life in India and what it reveals about Indian society. Showing how escapism and entertainment function in Bollywood cinema, Rachel Dwyer argues that Hindi cinema's interpretations of India over the last two decades are a reliable guide to understanding the nation's changing hopes and dreams. She looks at the ways Bollywood has imagined and portrayed the unity and diversity of the country—what it believes and feels, as well as life at home and in public. Using Dwyer's two decades spent working with filmmakers and discussing movies with critics and moviegoers, *Bollywood's India* is an illuminating look at Hindi cinema. Hindi is one of the world's main language, with over 650 million speakers in India, and millions more on every continent. There are many primers that teach children who can already speak Hindi-how to read and write their language. As the title Hindi Teacher for English Speaking People suggests, Dr. Ratnakar Narale has written this book with a different audience in mind: English speakers of all ages who

want to learn Hindi from scratch. This audience includes many kinds of people: the inhabitants of non-Hindi-speaking parts of India; Canadians, Americans, and West Indians whose ancestors came from India, but whose first language is English. This logically arranged book is filled with virtually thousands of examples, and each dialogue is designed with the view of its practical value for the targeted people. Along the way, hundreds of new words and the frequent exercises let the student learn to speak and write Hindi sentences almost without much effort. This practical 'Teach Yourself' manual closes with exercises in correcting faulty sentences, reading dialogues, telling the time, and writing letters. There are also useful lists of proverbs, synonyms and antonyms, and so on. Dr. Narale has been careful to draw most of the examples from words and concepts that are familiar to Westerners. This emphasizes that Hindi is a world language, and not merely an Indian one. Truly practical, comprehensive and easy to understand reference manual for classroom study to learn Hindi.

And start speaking Hindi instantly! The book that inspired the major new motion picture Mandela: Long Walk to Freedom. Nelson Mandela is one of the great moral and political leaders of our time: an international hero whose lifelong dedication to the fight against racial oppression in South Africa won him the Nobel Peace Prize and the presidency of his country. Since his triumphant release in 1990 from more than a quarter-century of imprisonment, Mandela has been at the center of the most compelling and inspiring

political drama in the world. As president of the African National Congress and head of South Africa's antiapartheid movement, he was instrumental in moving the nation toward multiracial government and majority rule. He is revered everywhere as a vital force in the fight for human rights and racial equality. LONG WALK TO FREEDOM is his moving and exhilarating autobiography, destined to take its place among the finest memoirs of history's greatest figures. Here for the first time, Nelson Rolihlahla Mandela tells the extraordinary story of his life--an epic of struggle, setback, renewed hope, and ultimate triumph. "Set in Aligarh in the early 1960s, after the dust of Partition has ostensibly settled, Topi Shukla is a story of two friends - one Hindu and the other Muslim." "Through the characters of people like Topi and Iffan, the novel looks at the lives of ordinary people trying to survive in a society that insists on a brutal conformity of behaviour. It is about individuals whose spirits are paralysed because they cannot conform, and about history's inability to teach mankind any worthwhile lessons." "Language plays an important part in this narrative, operating almost as a character in its own right. Topi, as a Hindi bull in the Urdu china shop, invokes the historical stand-off between the two languages. The novel also explores the culture and psyche of Uttar Pradesh with its very Muslim Aligarh, its very Hindu Benares, and their exotic confluence in Lucknow."--BOOK JACKET.
