This exciting book introduces readers to the life and career of baseball star Cody Bellinger. Colorful spreads, fun facts, interesting sidebars,

and a map of important places in his life make this a thrilling read for young sports fans. The 1934 St. Louis Cardinals were one of the most colorful crews ever to play the National Pastime. Sportswriters delighted in assigning nicknames to the players, based on their real or imagined qualities. What a cast of characters it was! None was more picturesque than Pepper Martin, the "Wild Horse of the Osage," who ran the bases with reckless abandon, led his teammates in off thefield hijinks, and organized a hillbilly band called the Mississippi Mudcats. He was quite a baseball player, the star of the 1931 World Series and a significant contributor to the 1934 championship. The harmonica player for the Mudcats was the irrepressible Dizzy Dean. Full of braggadocio, Dean delivered on his boasts by winning 30 games in 1934, the last National League hurler to achieve that feat. Dizzy and his brother Paul accounted for all of the Cardinal victories in the 1934 World Series. Some writers tried to pin the moniker Daffy on Paul, but that

name didn't fit the younger and much quieter brother. The club's hitters were led by the New Jersey strong boy, Joe "Ducky" Medwick, who hated the nickname, preferring to be called "Muscles." Presiding over this aggregation was the "Fordham Flash," Frankie Frisch. Rounding out the club were worthies bearing such nicknames as Ripper, "Leo the Lip," Spud, Kiddo, Pop, Dazzy, Ol' Stubblebeard, Wild Bill, Buster, Chick, Red, and Tex. Some of these were aging stars, past their prime, and others were youngsters, on their way up. Together they comprised a championship ball club. "The Gas House Gang was the greatest baseball club I ever saw. They thought they could beat any ballclub and they just about could too. When they got on that ballfield, they played baseball, and they played it to the hilt too. When they slid, they slid hard. There was no good fellowship between them and the opposition. They were just good, tough ballplayers." — Cardinals infielder Burgess Whitehead on "When It Was A

Game," HBO Sports, 1991 Roberto Clemente's passion for baseball took him from the sugar cane fields of Puerto Rico to two World Series championships with the Pittsburgh Pirates. He was baseball's first Latino superstar and among the best that ever played the game. But he was much more than that. His passion carried over outside the ballpark, where he fought prejudice, helped the poor and sick, and dreamed of a Sport City to help Puerto Rican youth overcome drugs and gangs. He was just 38 when he died, in a plane taking supplies to victims of an earthquake. No one will ever forget the passion, the excellence, and the character of Roberto Clemente. He was a true American hero. Introduces the life and accomplishments of champion baseball player Derek Jeter, a shortstop for the New York Yankees who several American League records. "Baseball Joe in the World Series" is a thrilling addition to the beloved "Baseball Joe" series written by Lester Chadwick. In this exciting installment, readers

are taken on a captivating journey as Joe Matson, the talented and dedicated baseball player, reaches the pinnacle of his career by competing in the prestigious World Series. The story unfolds as Joe Matson's exceptional skills and unwavering commitment to the sport lead him to the grand stage of the World Series. As a culmination of his years of hard work and dedication, Joe finds himself facing the ultimate challenge: competing against the best teams in the league for the coveted championship title. The novel vividly captures the atmosphere and excitement of the World Series, where the pressure is intense, the stakes are high, and every play and pitch hold the potential to sway the outcome of the games. Readers are immersed in the world of Major League Baseball's most celebrated event, where Joe's abilities are put to the test in front of a global audience. Throughout "Baseball Joe in the World Series," the author skillfully portrays the emotional and physical demands that come with

playing at the highest level of the sport. Joe's interactions with teammates, coaches, and opponents provide insight into the camaraderie and rivalries that define the world of professional baseball. As the story unfolds, Joe's journey through the World Series is marked by moments of triumph and adversity. The novel beautifully captures the highs and lows of the games, the tension of crucial plays, and the thrill of victory. Joe's character is further developed as he faces challenges with resilience, displays sportsmanship, and demonstrates leadership on and off the field. Beyond the exhilarating baseball action, "Baseball Joe in the World Series" also explores the impact of the sport on fans, communities, and individuals who find inspiration and unity in the game. The novel celebrates the universal appeal of baseball and its ability to bring people together, regardless of backgrounds or differences. Lester Chadwick's storytelling prowess shines as he expertly weaves a narrative that combines the thrill of

sports with themes of determination, teamwork, and the pursuit of excellence. "Baseball Joe in the World Series" captures the essence of the sport's grandest stage while offering readers a deeper understanding of the dedication and passion that drive athletes to achieve greatness. In summary, "Baseball Joe in the World Series" is a captivating sports novel that follows the remarkable journey of Joe Matson as he competes in the prestigious World Series. The book showcases the excitement of high-stakes baseball, the challenges of the championship stage, and the enduring spirit of a dedicated athlete. Describes the life and accomplishments of champion baseball player Ichiro Suzuki, the first Japanese position player to switch from the Japanese League to the Major Leagues. Introduces readers to the life and career of baseball star Shohei Ohtani. Colorful spreads, fun facts, interesting sidebars, and a map of important places in his life make this a thrilling read for young sports fans. "Sometimes you win,

sometimes you learn. At a very early age my father passed down his love of baseball to me. What he could not pass down were the deep wounds the game would bring into my life. In August of 2014, my all African-American little league team from Chicago competed and won at every level of competition. My team won every game in sectional, district, state, and regional competitions qualifying us to advance to the Little League World Series in Williamsport, Pennsylvania. Competing in the Little League World Series is the dream of every young player. However, even with a good foundation both on and off the field, nothing could ever prepare a young player to have all their wins taken away including their World Series Championship Title. Through this book I hope to share this message: You are a champion and you have what it takes to win, no matter what curve balls life throws at you. As a sixteen-year-old in Venezuela, José Altuve attended a tryout camp with the Houston Astros. The Astros rejected him because he was

too short, but that didn't break his spirit. He attended the tryout a year later and earned a minor-league contract with Houston. Just five-foot-five, Altuve has become a baseball phenomenon. He has played in four MLB All-Star Games and led the American League in hits, stolen bases, and batting average. In 2016, he even belted more than twenty home runs. Learn how Altuve overcame the odds in his first-ever biography. Full-color photographs and plenty of vibrant quotes bring his story into sharp focus. "Discusses the life of pro baseball player Alex Rodriguez, including his childhood and early baseball career, his rise to stardom on the Seattle Mariners, his lucrative contracts, and his All-Star career with the New York Yankees"-- Provided by publisher. This is the perfect and inexpensive birthday, appreciation gift for your soulmate or friends to doodle, sketch, put stickers, write memories, or take notes in. Grab this amazing journal gift now! **LOWELL/DEEP DRIVE A LONG JOURNEY TO** Looks at one of

the first African Americans to play on a Major League Baseball team a star who is remembered for breaking Babe Ruth's home-run record. In a newly revised edition, Philadelphia Phillies World Series Champion baseball player, Ryan Howard, gives an in-depth look into the life of an athlete on and off the field. The League MVP and Rookie of the Year is the subject of a biography that uses a question and answer format to dig deep into the heart and soul of the ballplayer. Filled with history, stats, coaching, and inside information, this story is for the hard core and casual baseball fan wanting to learn more about the home run hitting star. A funny book, with a personality suited for the reader from young adult to mature. "Discusses the life of New York Yankees shortstop Derek Jeter, including his childhood and minor-league career, individual highlights from his major-league career, and his championship seasons with the Yankees"-- Provided by publisher. Introduces readers to the life and career of baseball star Kris Bryant.

Colorful spreads, fun facts, interesting sidebars, and a map of important places in his life make this a thrilling read for young sports fans. A Girl's Journey: There's No Crying in Baseball is a children's book illustrating the character and integrity of a young trailblazer. My name is Paméla Tate-Roger, the author of this groundbreaking project and mother of this young trailblazer named Leiyah. A Girl's Journey: There's No Crying in Baseball is based on my daughter's experience in becoming the first female baseball player at her middle school in San Francisco, California. In addition to that, she became the first female baseball player to ever play in a SFUSD Boys Middle School Baseball Championship, and ultimately, she became the first female player to ever play on a SFUSD Middle School Boys Championship Baseball Team in 2013. This groundbreaking life event was written for the purpose of teaching children and families about fortitude, integrity, gender roles, and the concept of team. Since the

Championship game in 2013, Leiyah's middle school team went on to play in the 2014 playoffs, but they were eliminated in the second round. Leiyah has been fortunate to have selected to play for San Francisco Rec and Parks first ever All-Girls Baseball Team, the San Francisco Bay Sox, who will represent the City and County of San Francisco in the Inaugural Baseball For All Tournament in Orlando, FL May 30 - June 4, 2015 (visit [www.baseballforall.com](http://www.baseballforall.com) for more information). The world has undergone such drastic changes in how gender roles are formulated and shaped within the last couple of decades. Women have made great strides in civil, academic, and professional arenas; however, many areas remain male-dominated. Even with the 2014 success of Mo'ne Davis, the first girl to earn a win and to pitch a shutout in the Little League World Series, a girl's road in this male dominated sport is riddled with bumps and bruises. A Girl's Journey: There's No Crying in Baseball is written to illustrate how

destructive bullying and antiquated stereotypes can be, as well as how growth and strength comes from hard work and perseverance when a girl decides do something out of the "normal confines of society and she decides she wants to play baseball." The book contains fifty-eight pages, twenty-four illustrations, and is in hardcover as well as e-book format. The book contains 12 site words, 18 challenge words, and 5 open-ended discussion questions and 1,898 words. This book is self-published and will be available online, in stores, or on my website at [www.pamelatateroger.com](http://www.pamelatateroger.com), on May 1, 2015. We are currently scheduling book-signing events, children's writing workshops, and other promotional opportunities. Please contact my support team at [nocryinginbaseballbook@gmail.com](mailto:nocryinginbaseballbook@gmail.com). We look forward to hearing from you! Baseball Champion Notebook - The perfect gift for any baseball player, fan and champion. Show them how much of a champion baseball player you think they are

with this unique gift. Also makes the perfect gift for Birthday, Father's Day, Mother's Day and Christmas. Size: 6 x 9 in. 120 Pages Glossy soft cover Printed on white paper Champion Kids presents, Johnny "The Jet" Saves the Day. The Champion Kids book series introduces kids to positive leadership and life lessons through stories about life, obstacles, and optimism. In Johnny "The Jet" Saves the Day, Johnny, the neighborhood's top baseball player is faced with adversity when the school Bully, Tony Dufraine, meets Johnny on the way to his team's baseball game. In most cases, Johnny could have easily fought Tony and went on his way. But, in this case, Johnny knew there was something deep within Tony that he needed to help him with. By the end of the story, Johnny is not only the neighborhood's top baseball player but a true hero. Highlights the life and accomplishments of the champion baseball player who was the first Japanese position player to switch from the Japanese League to the Major Leagues. At an

early age, my father passed down his love of baseball to me. What he could not pass down were the deep wounds the game would bring into my life. In August of 2014, my all-African American Little League team from Chicago competed and won at every level of competition. My team won every game in sectional, district, state, and regional competitions qualifying us to advance to the Little league World Series in Williamsport, Pennsylvania. Competing in the Little League World Series is the dream of every young baseball player. Our coaches always told us to approach every day as an opportunity to learn and that this baseball experience would not be any different. However, even with a good foundation both on and off the field, nothing could ever prepare a young player to have all their earned wins taken away including their World Series Championship Title. America's favorite pastime revealed that baseball really is the game of failure, good thing there is always a new day to play a new game. Through this book,

I hope to share this message. You are a champion, and you have what it takes to win, no matter what curveball, life throws at you. "Pete Rose was a legend on the field. As baseball's Hit King, he shattered a number of hitting records that may never be broken. And during the 1970s, he was the leader of the Big Red Machine, the Cincinnati Reds teams that dominated the game. But he's also the greatest player who may never make the Hall of Fame because of his lifetime ban from the sport. Perhaps no other athlete's story is so representative of the triumphs and tragedies of our national pastime. In *Play Hungry*, Rose tells us the story of how through hard work, hustle, and sheer will he became one of the unlikeliest stars of the game. Guided by the dad he idolized, a local sports hero with the spirit of a champion, Pete had an All-American boyhood. But even with the coaching of his father on how to compete and play baseball the right way, Pete was cut from his team as a teenager--he wasn't a natural. By the time scouts

were coming to his high school games, he wasn't even considered the best player on the team. Rose was determined, though, and never would be satisfied with anything less than success. His relentless hustle and headfirst style would help him overcome his natural shortcomings, leading to a storied career including the Rookie of the Year Award, three batting titles, and the MVP Award. *Play Hungry* is Pete Rose's love letter to the game, and an inside story of life on the diamond"-- *Girl's Baseball Champion Notebook* - The perfect gift for any baseball player, fan and champion. Show them how much of a champion baseball player you think they are with this unique gift. Also makes the perfect gift for Birthday, Mother's Day and Christmas. Size: 6 x 9 in. 120 Pages Glossy soft cover Printed on white paper The World Series is the championship competition played between the two top Major League Baseball (MLB) teams. Each year, this competition decides which team will become the MLB champion. Learn more

about this fascinating championship in World Series, a title in the We Are the Champions series. We Are the Champions is a series of AV2 media enhanced books. Each title in the series features easy-to-read text, stunning visuals, and a challenging educational activity. A unique book code printed on page 2 unlocks multimedia content. These books come alive with video, audio, weblinks, slideshows, activities, hands-on experiments, and much more. A-Rod's story will be an inspiration to even the most reluctant of readers. From former National Baseball Student Athlete of the Year in high school, to youngest major league player to hit 400 home runs, to his work with the Boys & Girls Club of America. Baseball Joe is the fictional hero of a number of children's books written by Howard R. Garis under the name of "Lester Chadwick". The series follows the main character, a star baseball player named Joe Matson, from high school to college (at Yale University) and then to success as a professional. In the Baseball Joe series,

Chadwick chronicles the adventures of Joe Matson from the sandlots to prep school, the Ivy League, the minors, the majors, and on to a world tour and other adventures. Jimmy Winter is a born star on the baseball field, and Seth Barnam can only dream of being as talented. Still, the two baseball fanatics have the kind of friendship that should last forever. But when Seth experiences an unthinkable loss, he's forced to find his own personal strength--on and off the field. An ALA Best Book for Young Adults An ALA Best Book for Reluctant Readers A New York Public Library Book for the Teen Age Pennsylvania Young Reader's Choice Book of the Year In this fact-filled biography, readers learn about the career of baseball player David Ortiz, from his childhood and early sports endeavors to his establishment as a living legend, including all the trials and triumphs along the way. Words and wisdom from Chicago Bulls #23: Mega-superstar, "His Airness" He is the most successful player to ever wear a basketball

uniform. On the court and off the court, Michael has entertained the world as a pitchman, movie star, spokesperson, and an extraordinary athlete—although not the greatest baseball player. For the first time ever, bestselling author Janet Lowe has compiled a portrait from Michael's own words. *Michael Jordan Speaks* touches upon everything about the sport, his mega-superstar status, and his life, culled from articles, newscasts, and interviews. In 1916, over 500 men played in a major league game. Many of those players' names are inseparable from baseball—39 are members of the Hall of Fame—while others have only one line in the record books. Some enjoyed highly productive careers after leaving the game; others lacked the temperament, skills or opportunities to find success after baseball. This book is the first to focus on a representative group of major leaguers, the Class of 1916, in seeking answers to the questions Who was the average major leaguer in the late deadball era? What was his

background? and What became of him when his playing days ended? Introductory chapters offer background information on the era and discuss the 1916 season; provide information on the players' ethnic and geographic origins, ages, and average physical sizes; chart player performance; and summarize post-playing careers and mortality statistics for the group. The main body of the work, a biographical dictionary, is arranged alphabetically, and each entry includes career and biographical information, statistics, post-baseball accomplishments and death. Many rare photographs accompany the text. Demonstrating that claiming the most sought-after moniker in baseball is truly an epic journey, this record explores what separates World Series victors from those who come up short. More than 50 current and former Major League Baseball players, managers, and coaches from the last 50 years all of whom have World Series championships under their belts are interviewed,

including Jack Morris, Lance Parrish, Kent Hrbek, Jim Kaat, and Dave Winfield. Packed with never-before-published stories, this chronicle includes hilarious tales from the clubhouse and dugout as well as inspirational and educational anecdotes. Answering questions such as How are great teams built? How do you keep players motivated when momentum seems to be turning against them? and What are the key qualities that every leader must possess? this investigation illustrates how championship baseball teams offer valuable lessons that can be readily applied to everyday life." Jimmy Winter is a born star on the baseball field, and Seth Barnam can only dream of being as talented. Still, the two baseball fanatics have the kind of friendship that should last forever. But when Seth experiences an unthinkable loss, he's forced to find his own personal strength--on and off the field. An ALA Best Book for Young Adults An ALA Best Book for Reluctant Readers A New York Public Library Book for the Teen Age

Pennsylvania Young Reader's Choice Book of the Year Introduces readers to the life and career of baseball star Mookie Betts. Colorful spreads, fun facts, interesting sidebars, and a map of important places in his life make this a thrilling read for young sports fans. 101 drills for baseball players at all competitive levels covering all aspects of play. A biography of famous African-American baseball player Jackie Robinson. An illustrated study of the Kansas City Monarchs, one of the top teams in the Negro National League, which served as a training ground for Jackie Robinson, Satchel Paige, and over twenty other players who were eventually sent to the major leagues. In descriptions of athletes, the word "hero" is bandied about and liberally attached to players with outstanding statistics and championship rings. Gil Hodges: A Hall of Fame Life is the story of a man who epitomized heroism in its truest meaning, holding values and personal interactions to be of utmost importance throughout his life--on the

diamond, as a marine in World War II, and in his personal and civic life. A New York City icon and, with the Brooklyn Dodgers, one of the finest first basemen of all time, Gil Hodges (1924-72) managed the Washington Senators and later the New York Mets, leading the 1969 "Miracle Mets" to a World Series championship. A beloved baseball star, Hodges was also an ethical figure whose sturdy values both on and off the field once prompted a Brooklyn priest to tell his congregation to "go home, and say a prayer for Gil Hodges" in order to snap him out of the worst batting slump of his career. Mort Zachter examines Hodges's playing and managing days, but perhaps more important, he unearths his true heroism by emphasizing the impact that Hodges's humanity had on those around him on a daily basis. Hodges was a witty man with a dry sense of humor, and his dignity and humble sacrifice sometimes masked a temper that made Joe Torre refer to him as the "Quiet Inferno." The honesty and integrity that made him so

popular to so many remained his defining elements. Firsthand interviews of the many soldiers, friends, family, former teammates, players, and managers who knew and respected Hodges bring the totality of his life into full view, providing a rounded appreciation for this great man and ballplayer. This is the perfect and inexpensive birthday, appreciation gift for your soulmate or friends to doodle, sketch, put stickers, write memories, or take notes in. Grab this amazing journal gift now!
