His testimony is a landmark study of the power of God. There's an honest terror here that will instruct you. So, read and grow in your understanding of this mighty warrior of God. [The Root Volume 1](#) Oct 02 2021 There are so many barriers to people fulfilling their purpose in life. One of the major barriers is rejection. Rejection is a universal concept that affects everyone's life at one time or another. Children and adolescents reject each other based on appearance and social status. Students all over the world receive rejection letters from the universities of their choice. Many people never set out to pursue their dreams because they don't want to be rejected if they're unsuccessful in their endeavors. Oftentimes, individuals will find themselves compromising their beliefs and moral values to gain the approval of people. Let's not forget about those individuals who settle for less in relationships and careers to avoid rejection. Consider the number of parents who struggle with the root of rejection within themselves, only to pass it on to their children in one form or another. This volume will help you look at rejection from a healthy perspective.

[The Root of Rejection](#) Jun 10 2022 Often times we have been wounded in life. Some offenses have come with and without intention. There is a methodical process in which things take where they are able to grow and flourish. It can be a plant, tree, garden, or any act of "planting" we do in order to get a harvest. So it is with hurt. We have all experienced hurt from some source of another, whether it be from a friend or foe, family member or associate. No matter who it has been, offenses have come. What I have found to be the deepest of my experiences with hurt is the encounter with rejection. It is here that we as humans have handed over our self-esteems to be measured by those of authorized powers. It is with the offense of rejection that I have felt the worse pain, betrayal, and development of negative patterns and cycles. If you have ever heard this saying, "let's get to the bottom of all this, " when something happens; you will enjoy this book. *The Root of Rejection* has been written to provoke individuals to search their hearts and minds and identify hidden hurts that have laid dormant and been silent hindrances without your knowing it. *The Root of Rejection* is going to give you the opportunity to put your heart on trial and enter into a place of recognition, forgiveness, acceptance, and change. Growth always has a root, and in disconnecting any living plant or tree from its root, it dies. This book is to encourage you to disconnect from the hurt of your past and allow it to die in order for you to be free.

Dealing with the Root of Rejection Jun 22 2023 There was no way out. I had become her next victim. With one final kick, I was abandoned; left beaten, bruised, bleeding, disoriented, and confused; totally broken in spirit; rejected, shamed, and violated. Hope was gone. The harsh tide of victimization had continually eroded the spirit that God had originally created in me, distorting my true identity-until I learned the truth. We can attempt to bury the wounds of our pasts and try to convince ourselves that we're "over it." But until we've dealt with our wounds at the root, they will always be there, tormenting us, and negatively influencing our thoughts, decisions, and actions, which we pass on-generation to generation. There's true, lasting freedom for the captives. Our true identity is not defined by our experiences, others, and earthly things. Rejection Proof Apr 27 2021 An entertaining and inspiring account of conquering the fear of rejection, offering a completely new perspective on how to turn a no into a yes. Jia Jiang came to the United States with the dream of being the next Bill Gates. But despite early success in the corporate world, his first attempt to pursue his entrepreneurial dream ended in rejection. Jia was crushed, and spiraled into a period of deep self doubt. But he realized that his fear of rejection was a bigger obstacle than any single rejection would ever be, and he needed to find a way to cope with being told no without letting it destroy him. Thus was born his "100 days of rejection" experiment, during which he willfully sought rejection on a daily basis--from requesting a lesson in sales from a car salesman (no) to asking a flight attendant if he could make an announcement on the loud speaker (yes) to his famous request to get Krispy Kreme doughnuts in the shape of Olympic rings (yes, with a viral video to prove it). Jia learned that even the most preposterous wish may be granted if you ask in the right way, and shares the secret of successful asking, how to pick targets, and how to tell when an initial no can be converted into something positive. But more important, he learned techniques for steeling himself against rejection and ways to develop his own confidence--a plan that can't be derailed by a single setback. Filled with great stories and valuable insight, Rejection Proof is a fun and thoughtful examination of how to overcome fear and dare to live more boldly.
