Exemplar Methods and Research: Strategies for Investigation

Jan 15 2022 This issue: Defines and describes exemplar research methods Provides the case for their importance in revealing aspects of human functioning and its development, which are often neglected within traditional, mainstream psychology and allied disciplines Gives a glimpse into the growing depth and breadth of exemplar research within and beyond the moral domain Delivers insight into some of the complex contextual issues that emerge when studying human phenomena from this methodological perspective Provides critical commentary to help the reader determine the full value and limits of this research approach. This is the 142nd volume in this series. Its mission is to provide scientific and scholarly presentations on cutting edge issues and concepts in child and adolescent development. Each volume focuses on a specific new direction or research topic and is edited by experts in that field.

5 Latest Sample Papers for CBSE 2020 Class 12 Exam - English Core, Physics, Chemistry Mathematics & Biology- 3rd Edition Feb 25 2023 As CBSE changes the pattern of Board Exam & released the Sample Paper on Sep 19, 2019, Disha launches the thoroughly revised & updated 3rd edition of its Bestselling book '5 Latest Sample Papers for CBSE 2020 Class 12 Exam'. The book provides 5 Sample Papers - 1 Sample paper each of Physics, Chemistry Mathematics, Biology & English Core - on the exact pattern of the Sample Papers as released by CBSE. Another unique feature of the Book is that each paper is preceded by its Blue Print, which helps in providing due coverage to all the Chapters. Detailed Solutions along with Marking Scheme has been provided for each paper. The book also provides the latest Question Paper Design as prescribed by the CBSE Board.

CCEA A2 Biology Unit 1: Physiology and Ecosystems Student

Unit Guide Oct 24 2022 Student Unit Guides are perfect for revision. Each guide is written by an examiner and explains the unit requirements, summarises the relevant unit content and includes a series of specimen questions and answers. There are three sections to each guide: Introduction - includes advice on how to use the guide, an explanation of the skills being tested by the assessment objectives, an outline of the unit or module and, depending on the unit, suggestions for how to revise effectively and prepare for the examination questions. Content Guidance - provides an examiner's overview of the module's key terms and concepts and identifies opportunities to exhibit the skills required by the unit. It is designed to help students to structure their revision and make them aware of the concepts they need to understand the exam and how they might analyse and evaluate topics. Question and Answers - sample questions and with graded answers which have been carefully written to reflect the style of the unit. All responses are accompanied by commentaries which highlight their respective strengths and weaknesses, giving students an insight into the mind of the examiner.

Pilgrimage to Broken Mountain Feb 13 2022 An ethnographic study based on decades of field research, *Pilgrimage to Broken Mountain* explores five sacred journeys to the peaks of venerated mountains undertaken by Nahua people living in northern Veracruz, Mexico. Punctuated with elaborate ritual offerings dedicated to the forces responsible for rain, seeds, crop fertility, and the well-being of all people, these pilgrimages are the highest and most elaborate form of Nahua devotion and reveal a sophisticated religious philosophy that places human beings in intimate contact with what Westerners call the forces of nature. Alan and Pamela Sandstrom document them for the younger Nahua generation, who live in a world where many are lured away from their communities by wage labor in urban Mexico and the United States. *Pilgrimage to Broken Mountain* contains richly detailed descriptions and analyses of ritual procedures as well as translations from the Nahuatl of core myths, chants performed before decorated altars, and statements from participants. Particular emphasis is placed on analyzing the role of sacred paper figures that are produced by the thousands for each pilgrimage. The work contains drawings of these cuttings of spirit entities along with hundreds of color photographs illustrating how they are used throughout the pilgrimages. The analysis reveals the monist philosophy that underlies Nahua religious practice in which altars, dancing, chanting, and the paper figures themselves provide direct access to the sacred. In the context of their pilgrimage traditions, the ritual practices of Nahua religion show one way that people interact effectively with the forces responsible for not only their own prosperity but also the very survival of humanity. A magnum opus with respect to Nahua religion and religious practice, *Pilgrimage to Broken Mountain* is a significant contribution to several fields, including but not limited to Indigenous literatures of Mesoamerica, Nahuatl studies, Latinx and Chicax studies, and religious studies.
