Tailchaser's Song Mar 27 2021 Fifteen years ago, a young author surprised and enchanted readers with his first novel—the story of Fritti Tailchaser, a courageous tom cat in a world of whiskery heroes and villains, of feline gods and strange, furless creatures called M'an. The book was *Tailchaser's Song*, the author was Tad Williams. The legend was born.

A Circle of Cats Oct 14 2022 Lillian is an orphan who lives with her aunt on a homestead miles from anyone, surrounded by uncharted forest. She wanders the woods, chasing squirrels and rabbits and climbing trees. Free-spirited and independent Lillian is a kindred spirit to the many wild cats who gather around the ancient beech tree. One day, while she is under the beech, Lillian is bitten by a poisonous snake. The cats refuse to let her die, and use their magic to turn her into one of their own. How she becomes a girl again is a lyrical, original folktale. Set in the countryside north of de Lint's fictional Newford, with some of the same characters as the duo's

recent, acclaimed *Seven Wild Sisters, A Circle of Cats* is the long-awaited first picture book by long-time friends Charles de Lint and Charles Vess, whose masterful art is as magical as the story. Illustrations by Charles Vess.

***The Cat's Table* Feb 06 2022 From Michael Ondaatje: an electrifying new novel, by turns thrilling and deeply moving -- one of his most vividly rendered and compelling works of fiction to date. In the early 1950s, an eleven-year-old boy boards a huge liner bound for England. At mealtimes, he is placed at the lowly "Cat's Table" with an eccentric and unforgettable group of grownups and two other boys. As the ship makes its way across the Indian Ocean, through the Suez Canal, into the Mediterranean, the boys find themselves immersed in the worlds and stories of the adults around them. At night they spy on a shackled prisoner -- his crime and fate a galvanizing mystery that will haunt them forever. Looking back from deep within adulthood, and gradually moving back and forth from the decks and holds of the ship to the years that follow the narrator unfolds a spellbinding and layered tale about the magical, often forbidden discoveries of childhood and the burdens of earned understanding, about a life-long journey that began unexpectedly with a sea voyage.**

The Prince of the Skies Sep 20 2020 A gripping narrative of friendship and exploration, and an homage to Antoine de Saint-Exupéry, an unforgettable writer who touched the lives of millions of readers, and who was able to see the world through the eyes of a child. In the 1920s, long before he wrote *The Little Prince*, Antoine de Saint-Exupéry was an accomplished pilot. Along with Jean Mermoz and Henri Guillaumet, he was chosen to pioneer new mail routes across the globe. No distance was too far and no mountain too high—each letter had to reach its destination. The three friends soared through the air, while back on solid ground, they dealt with a world torn apart by wars and political factions.

Prince of Cats Feb 18 2023 The leopard is one of the most

beautiful Great Cats in creation, and is now endangered in many countries. This fact led Arjan Singh, the celebrated Indian wildlife expert, to attempt a daring experiment: rear a leopard cub in his house and return it to the jungle. The story of how Arjan Singh taught Prince and then the twins Juliette and Harriet the ways of the forest is enthralling from start to finish. Sharing his whole life with them, building them machans (tree platforms), walking the jungle tracks in their company, encouraging them to hunt, teaching them to disembowel their kills, he came to know the ways and character of the leopard as no man has before. His first great success came when Prince at last took to the jungle, fully rehabilitated. There were setbacks, it is true. Prince and Harriet each killed one human child, and the author's local critics were vociferous in their opposition. Yet Arjan Singh was supported by Mrs Indira Gandhi, then Prime Minister of India, and in 1976 he was awarded the World Wildlife Fund's Gold Medal for his conservation work. Not only did the author succeed in returning a hand-reared predator to the forest, he also scotched the fallacy that leopards are treacherous and unpredictable. On the contrary, he demonstrated the 'essential tranquility' of the leopard's temperament, and showed that it is only the animal's intelligence, combined with its capacity for effective retaliation when cornered which has given it a bad name. Although Arjan Singh achieved his aim, this inevitably meant the painful separation from these magnificent creatures he came to know and love so well.

Carbonel and Calidor Jun 29 2021 "There are many kinds of magic...and once magic is in your blood it attracts more magic," says the royal cat Carbonel at the start of Carbonel and Calidor. Sure enough, Carbonel's human friends Rosemary and John soon encounter magic in the form of a ring set with a fiery red stone that grants wishes to whoever wears it. And it's a lucky thing, too, because Carbonel needs Rosemary and

John's help. It seems that his son Calidor has rejected his princely status for the love of a streetwise cat named Wellingtonia (also known as Dumpsie). Even worse, Calidor has apprenticed himself to the witch-in-training Mrs. Dibdin. With all this going on, it's just a matter of time before Carbonel's old nemesis Grisana—accompanied by her slyboots daughter Melissa—hatches a plan to take control of Carbonel's kingdom once and for all. This third and final volume of the Carbonel series is as full of enchantment and adventure as its predecessors, Carbonel and The Kingdom of Carbonel. Read individually, or in sequence, Barbara Sleigh's fantastic and fantastical trilogy casts an unforgettable spell.

Prince of Shadows Dec 16 2022 A thrilling retelling of the star-crossed tale of Romeo and Juliet, from the New York Times bestselling author of the Morganville Vampires series. In the Houses of Montague and Capulet, there is only one goal: power. The boys are born to fight and die for honor and—if they survive—marry for influence and money, not love. The girls are assets, to be spent wisely. Their wishes are of no import. Their fates are written on the day they are born. Benvolio Montague, cousin to Romeo, knows all this. He

expects to die for his cousin, for his house, but a spark of rebellion still lives inside him. At night, he is the Prince of Shadows, the greatest thief in Verona—and he risks all as he steals from House Capulet. In doing so, he sets eyes on convent-bound Rosaline, and a terrible curse begins that will claim the lives of many in Verona... ...And will rewrite all their fates, forever.

Prince of Cats Sep 13 2022 Having finally escaped her duty as the slave for a prominent family, Neomee's joy is short lived. Much to her horror, she has been reassigned to the Temple, better known among her people as the House of Cats. Growing up she'd heard stories of the Guardian Cats and their ability to shift. Now she'll have the opportunity to witness these so-called Cats up close. Intrigued by the notion, Neomee is also simultaneously petrified. She learns quickly that her previous antics won't be tolerated in the House of Cats and what's worse; her once untouchable status has been removed. Apparently, Guardian Cats are not only permitted to use the slave women as their "play" things, but it's actually encouraged! Neomee struggles to keep her head down and her mouth shut while plotting her escape from her life as a slave. Bray's existence in the temple has been a dull and meaningless one. Even designated as the revered Prince of Cats, he still couldn't bring himself to overcome the loss of his mate. That was until a young slave unintentionally pulls him from what he believed was an unending self-loathing. With his full attention now captured Bray notices the young slave, Neomee, isn't like the others. At closer inspection, he discovers she hides a willful spirit and wild beauty under the

fade of slave-like obedience. Unfortunately for Neomee, she does the one thing you should never do where a Cat is concerned, she runs. Unable to control his instincts, Bray gives chase and once he has captured his prey he's unwilling to relinquish her.

The Prince of Cats Apr 20 2023 To stay alive, Jawad must succeed where all others have failed: he must catch the Prince of Cats. More legend than man, the Prince is draped in rumours. He can steal the silver teeth from your mouth in the blink of a smile. He is a ghost to walls and vaults, he laughs at locks, and Jawad must capture him before powerful people lose their patience and send the young rogue to the scaffold. Ever the opportunist, Jawad begins his hunt while carrying out his own schemes. He pits the factions of the city against each other, lining his own pockets in the process and using the Prince as a scapegoat. This is made easy as nobody knows when or where the Prince will strike, or even why. As plots collide, Jawad finds himself pressured from all sides.

Aristocrats, cutthroats, and the Prince himself is breathing down his neck. Unless Jawad wants a knife in his back or an appointment with the executioner, he must answer three questions: Who is the Prince of Cats, what is his true purpose, and how can he be stopped?" Daniel Olesen weaves an incredible tale with an Arabian Nights setting and the gritty outlook of The Lies Of Locke Lamora. Jawad the jewel thief is a gem of a character and I hope the writer writes more in this setting. The Prince Of Cats is my new favorite crime fantasy story that outdoes the reader's expectation with a twisted ending" - Mihir Wanchoo, Fantasy Book Critic

Prince of Cats est une inoubliable déconstruction du méta-récit de Roméo et Juliette, qui se concentre sur les personnages secondaires et place Tybalt au centre de la scène.
