Climate: hot, humid and prone to torrential monsoon rains of biblical proportions. The ultimate femme fatale, she's complicated and mysterious, with a tainted, painful past. The perfect, torrid setting for noir. Edited by Dogeaters (Penguin, 1991) author and National Book Award Nominee Jessica Hagedorn, and featuring original stories from a stunning group of multi-award-winning authors. An honest, intimate look at the lives of today's teens—told through the true experiences of friends at a New England prep school Established in 1798,

Milton Academy has a proud history of achievement. It has educated artists and CEOs; it has produced a long line of distinguished scholars and dignitaries; and it has shepherded students through the world of high-pressure academics for generations. Since its founding, the public face of Milton had always been one of integrity and pride . . . until a sex scandal rocked the campus and made headlines in the spring of 2005. The offense? Teenagers doing no more than what others had done before them—except this time they got caught. Restless Virgins is the riveting real-life story of a group of seniors who were there as the "incident" (as it came to be called) unfolded: Whitney, the athletic and sensual beauty every girl wants to be; Annie, who craves acceptance but is torn between the desire for peer approval and musical success; Jillian, the smart one who is sick of high school drama and desperate to go to college; and Reed, a "hockey god" who has it all but whose charisma masks a secret insecurity. From "friends with benefits" to STDs, today's teens face a wider array of social and sexual opportunities—and pressures—than ever before. Through its eye-opening yet sensitive depiction of a group of normal kids with normal struggles, Restless Virgins offers an important look at contemporary adolescence no teen, parent, or educator can afford to miss. And it is written by two recent Milton graduates who know this world—and these students—like no others.

Tambulislis Trnaslated and Published by Tatay Jobo Elizes, Independent Self-Publisher in May 2022 The Author of the book is Bobby V. Villagracia - He has authorized and permitted me to publish this book. KDP ISBN: 9798812482961 ----- (escerpts - Synopsos) The story of theTAMBULISLIS creation comes from those created from the

world of phenomenon believed in Camarines Norte and neighboring provinces to Ina or Lola Pilo, my grandmother on the mother's side. Based on the story, the tambulislis is a small man with a long chin and ear who lives in lush bamboo, big trees and an abandoned house that can be compared to a tiyanak because he is also a baby who was not born due to bad circumstances. The difference between the tambulislis and the tiyanak, this creature is not considered a slave of darkness, rather like the fairy and elf who become human friends. According to the story, the unborn baby stays on the earth and becomes a tambulislis to spend infancy considered the happiest stage in a person's life even if he is not born before going to the place appointed by God. And because it is the truth of the human life cycle, they spend so much time playing that they don't realize that a long year has passed. This novel revolves around a group of tambulislis living in barangay Bayan-bayan whose vast part of land is owned by DON ANDRES. MALUT leads babies like him who were not born into the human world due to the death of his mother LOURDES in violence that had no solution so his father MANG EDGARDO is still waiting for justice until now. Mang Edgardo lives in a hut on land owned by his best friend MANG DANIEL who lives in Metro Manila with his family to work abroad. Since the tambulislis know nothing of their origin, he often jokes with Mang Edgardo by tickling him which gives great happiness to those like him. (more inside) The spirit of the season is festive—and clouding even the sharpest of judgments—in this Victorian era romance, perfect for fans of Jude Deveraux and Sabrina Jeffries. At a house party in the countryside, the joyful spirit of the Christmas season threatens to sweep Georgiana

Trent under the mistletoe—and back into the arms of the dashing rogue who broke her heart two years ago. Little does she know that Lucas Godwin has no intention of leaving until he has reclaimed her as his own. It was never supposed to be painful and depressing. A stupid mistake she knows that. After all, Jude Murray was her boss, and falling in love with him wasn't in her job description. But can they blame her? A little moth-like her couldn't stay away from fire even if it burns. And so their journey begins. Mary Jane Austen, the assistant secretary of the cold billionaire. One mistake, she left him for good. However, two years later they met again. "... You, you hurt me Jude. You made me look so small with all that whore you fuck inside your office while I was just a foot away from your door...you! You are a heartless asshole who didn't even realized that I was hurting inside and that I was crying every time a woman went inside." Saad niyang nagpapahid na ng luha. "... How could you?" Sigaw niyang dagdag habang ang luha ay nag uunahang pumatak, na para bagang ilog na dumadaloy na lamang ng walang katapusan. LETTERS TO A YOUNG FEMINIST is a visionary message from a leading feminist to the next generation of feminists. Phyllis Chesler discusses basic aspects of feminism, explains feminism's relevance in a world that has taken it for granted and derided it, and helps the next generation reclaim feminism for itself. Chesler examines sisterhood, sex, families, motherhood, work, feminist heroism, and the economics of power, providing guidance to the generation to come. A collection of short stories written mostly in Tagalog for Filipinos and students of Philippine Studies everywhere in the world that relives and shares impressions of life in the native homeland and,

thereafter, life in the adopted homeland of immigrant Filipinos. Based on a true story, *Roys Adventure* has a twist of suspense as a young man discovers a summer filled with fun, opportunities, and heart-pounding experiences. The outcome of one split decision becomes the margin between life and death as well as an addition to Roys previous life-learned lesson that things don't always go according to plan. "I need you to find me a bride." Marco Orsini demanded this from the etiquette teacher, Francesca Marcolini. His grandfather's mandate was simple: Present a bride on the day of his 86th birthday—and thereby secure the continuity of his clan and the massive Orsini empire—or he will be disinherited. But Marco doesn't want just any woman. He wants the perfect woman, and he knew that only Francesca can help him find the perfect bride. She had all the connections to the best women in Italian society after all—She may have even taught them in the ways of the social graces, which intrigues Marco. The two will go to great lengths to find the perfect woman, but how far must they search to find the perfect Orsini bride? "Amelia's parents are over-involved volunteering as marriage counselors with their church. Her big brother Josh just got married. Her big sister, Maggie, is perfectly pretty, perfectly smart, and dates the perfect guy. On the other hand everything about Amelia feels big: her hair, her weight, and her personality. Amelia's refuge is theater. Someday she's going to be on Broadway, but this year, she'll settle for the lead in the spring musical. And she'll do whatever it takes to make it happen. Will chasing the spotlight lead to the fame and fulfillment she has longed for, or will it cost her the friends she's made this year?"--Provided by publisher. When a woman's daughter waits for what will not

come, the balance of a woman's life is subtly upset by memories of what she left behind; a company picnic is interrupted by a fire happening in the distance, the fire's smoke accumulating and muddling a drunk salary worker's thoughts on the perfect partner; somewhere in between fiction and reality, a writer finds himself caught in a search for his ex-girlfriend's sister and his own love affair with reading and writing... Tuazon makes an assault on ordinary life and storytelling, weaving together rich fiction from strings of seemingly unconnected characters, things, and events. Heralding his predecessors, J.D. Salinger, Raymond Carver, and Haruki Murakami, Tuazon's prose is meticulous and thoughtful with diction that is colloquial and real, rewarding readers with accessible complexity and catharsis. Each story he writes is meant to excite thought, uncover the surreal in the everyday and the extraordinary in the ordinary. Alam mong mahusay ang manunulat kung patuloy mong binabasa ang isinulat niya kahit tungkol lang ito sa pagpunta sa Tagaytay para kumain ng bulalo, pag-order ng Chickenjoy, o pagtunganga para hintayin ang pagdating ng musa. Sa aklat na ito, dahil sa tapat at taos na panulat ni Aljo, ang mga ordinaryong karanasan ay nagiging extraordinary—tumatatak sa utak, tumatagos sa puso. Jerry B. Grácio, 2015 SEAWrite Awardee. Unlike other multi-ethnic nations, such as Myanmar and India, where official language policy has sparked bloody clashes, Thailand has maintained relative stability despite its eighty languages. In this study of the relations among politics, geography, and language, William A. Smalley

shows how Thailand has maintained national unity through an elaborate social and linguistic hierarchy. Smalley contends that because the people of Thailand perceive their social hierarchy as the normal order, Standard Thai, spoken by members of the higher levels of society, prevails as the uncontested national language. By examining the hierarchy of Thailand's diverse languages and dialects in light of Thai history, education, culture, and religion, Smalley shows how Thailand has been able to keep its many ethnic groups at peace. Linguistic Diversity and National Unity explores the intricate relationship between language and power and the ways in which social and linguistic rank can be used to perpetuate order. Work compiles legends, stories and song lyrics of Guam, written in Chamorro language. The manifestations of the values of the people in language, actions and customs.
