Algoritmi per la nostra vita Sep 04 2021 Cosa dovremmo portare a termine, o lasciare incompiuto, in un giorno o in un anno? Quanto dobbiamo aspettare un'offerta migliore quando vogliamo comprare una casa o un'automobile? Quale equilibrio dovremmo trovare tra quello che è nuovo e quello che ci è familiare? Questi possono sembrare dilemmi squisitamente umani, ma non è così. I computer, come le persone, devono fare i conti con spazio e tempo limitati. Gli informatici quindi affrontano dilemmi simili da decenni e le soluzioni che hanno trovato hanno tanto da insegnarci. Questo sorprendente libro mostra come gli algoritmi sviluppati per le macchine possano dare risposte anche a problemi molto umani. Per esempio viene spiegato come pianificare tutto nel modo migliore oppure quando lasciare

le cose al caso, ma anche come affrontare scelte importanti e come connettersi al meglio con gli altri. Dalla ricerca di un coniuge a quella di un parcheggio, dall'organizzazione della casella di posta alla pianificazione del futuro, questo libro trasforma la saggezza dell'informatica in strategie utili per la vita quotidiana.

Super Survivors Oct 17 2022 How do we survive when it feels like our world has ended? This interactive book is for anyone that has experienced trauma and feels the after-effects of fear, panic, worry, anxiety, anger or depression. You will join a group of other survivors who have lived through extraordinary times and situations, including a doctor who saw many patients die in a pandemic, a firefighter who feels ashamed about developing anxiety after a major tragedy, a nurse who lost a sibling in a school shooting, and others affected by a global health crisis and trauma in differing ways. This self-help manual is based on the techniques of Superhero Therapy and Acceptance and Commitment Therapy and will teach you the skills of acceptance, mindfulness, self-compassion, sense of purpose and commitment to action, as well as helping you to develop your own survivor story. This is the first book of its kind to help us deal with the realities and mental health impact of a world emerging from the unprecedented effects of COVID-19, as well as other natural disasters and violence.

You'll See It When You Believe It Nov 25 2020 Wayne Dyer, psychotherapist and world-famous author of worldwide bestsellers *Your Erroneous Zones* and *Pulling your own Strings*, shows you how to improve quality of life by tapping into the power that lies within you and using constructive thinking to direct the course of your own destiny. With his proven techniques and using examples from his own highly successful experiences, Dyer will convince you that you can make your most impossible dreams come true. *You'll See It When You Believe It* demonstrates that through belief you can make your life anything you wish it to be. Learn practical steps such as how to set real goals and achieve them; turn obstacles into opportunities; rid yourself of guilt and inner turmoil; develop a strong inner-confidence;

dramatically improve relationships; spend every day doing the things you love to do, and so much more. Go beyond self-help to self-realization with this accessible and uplifting manual.

The Leopard Mar 22 2023 Set in the 1860s, *The Leopard* tells the spellbinding story of a decadent, dying Sicilian aristocracy threatened by the approaching forces of democracy and revolution. The dramatic sweep and richness of observation, the seamless intertwining of public and private worlds, and the grasp of human frailty imbue *The Leopard* with its particular melancholy beauty and power, and place it among the greatest historical novels of our time. Although Giuseppe di Lampedusa had long had the book in mind, he began writing it only in his late fifties; he died at age sixty, soon after the manuscript was rejected as unpublishable. In his introduction, Gioacchino Lanza Tomasi, Lampedusa's nephew, gives us a detailed history of the initial publication and the various editions that followed. And he includes passages Lampedusa wrote for the book that were omitted by the original Italian editors. Here, finally, is the definitive edition of this brilliant and timeless novel. (Translated from the Italian by Archibald Colquhoun.)

General Theory of the Precariat Feb 26 2021 From the fast-food industry to the sharing economy, precarious work has become the norm in contemporary capitalism, like the anti-globalization movement predicted it would. This book describes how the precariat came into being under neoliberalism and how it has radicalized in response to crisis and austerity. It investigates the political economy of precarity and the historical sociology of the precariat, and discusses movements of precarious youth against oligopoly and oligarchy in Europe, America, and East Asia.

Pietra Miliare Dec 07 2021 A volte, per prendere il controllo, bisogna semplicemente arrendersi... Krystina Sono

imperfetta e ferita. La mia capacità di amare è limitata e solo io posso rimettere insieme i cocci del mio cuore spezzato. Una relazione con Alexander Stone non funzionerà mai, ma me lo ritrovo dappertutto. Nella mia mente, nel mio cuore e nella mia anima. Non posso rinnegarlo. Lui è una dipendenza di cui non riesco a fare a meno. Alexander Desidero Krystina e ho accettato l'inevitabile. Se voglio tenermela stretta, devo essere capace di adattarmi a tutto e liberarmi dei segreti del mio passato. So di correre dei rischi, ma per lei ne vale la pena. Nessuna donna aveva mai avuto questo effetto su di me. Lei è il sole che illumina le tenebre. Un fulmine dove io sono il tuono. Lei è il mio angelo. Proseguì con l'eccitante viaggio ricco di suspense di Krystina e Alexander in Pietra miliare, il secondo romanzo della serie di Stone.

Relational Social Work Oct 05 2021 In this innovative book Fabio Folgheraiter presents a systematic introduction to networking and reflexive practice in social work. The text explores how the interested parties in social care can acquire a shared power in care planning and decision making and that when this networking occurs, the efficacy of caring initiatives increases.

Confessions of a Shopaholic Jun 13 2022 From the #1 New York Times bestselling author of The Party Crasher and Love Your Life comes "a hilarious tale . . . hijinks worthy of classic I Love Lucy episodes . . . too good to pass up." (USA Today) "Sophie Kinsella keeps her finger on the

cultural pulse, while leaving me giddy with laughter.”—Jojo Moyes, author of *The Giver of Stars* and *The Last Letter from Your Lover* Becky Bloomwood has a fabulous flat in London’s trendiest neighborhood, a troupe of glamorous socialite friends, and a closet brimming with the season’s must-haves. The only trouble is, she can’t actually afford it—not any of it. Her job writing at *Successful Saving* magazine not only bores her to tears, it doesn’t pay much at all. And lately Becky’s been chased by dismal letters from the bank—letters with large red sums she can’t bear to read. She tries cutting back. But none of her efforts succeeds. Her only consolation is to buy herself something . . . just a little something. Finally a story arises that Becky actually cares about, and her front-page article catalyzes a chain of events that will transform her life—and the lives of those around her—forever. Praise for Sophie Kinsella and *Confessions of a Shopaholic* “Kinsella’s Bloomwood is plucky and funny. . . . You won’t have to shop around to find a more winning protagonist.”—*People* “If a crème brûlée could be transmogrified into a book, it would be *Confessions of a Shopaholic*.”—*The Star-Ledger* “A have-your-cake-and-eat-it romp, done with brio and not a syllable of moralizing. . . . Kinsella has a light touch and puckish humor.”—*Kirkus Reviews*

Entrepreneurship Apr 11 2022 Successful entrepreneurship requires a specialized mix of innovation, drive, business acumen, and communication; an entrepreneur sees the potential and pitfalls in any idea, and understands the product, the market, and the business climate well enough to make smart decisions for the venture. This book is designed to go beyond the nuts and bolts of entrepreneurship and help students develop the critical foundation referred to as “entrepreneurial thinking.” Organized to align with the typical flow of development, the text allows students to develop their own ideas alongside each lesson. Coverage of goals, opportunities, and resources includes detailed discussion of venture funding, financial resources, and the relationships needed to get an idea off of the ground; subsequent chapters include clear guidance on keeping the

momentum going through product development, enterprise growth, value creation, and the evolution of the business model. Based on the latest research and providing a truly global perspective, this book gives students a comprehensive, real-world foundation in entrepreneurship today.

La soddisfazione di avercela fatta Apr 23 2023 "La mia storia d'immigrante è una delle tante, così semplice e delicata come qualsiasi altra storia di immigrante italiano. Ma con così tanta grinta e volontà di superare se stessi che è ciò che finisce per distinguere gli uni dagli altri e, soprattutto, con la soddisfazione di avercela fatta. Non cerco riconoscimento pubblico, tantomeno voglio superare o confrontarmi con i miei simili, è la soddisfazione di aver superato me stesso. Potrò ritenermi soddisfatto se posso mettere in chiaro che ho superato me stesso perché è questa la sensazione che ho ogni mattina ed ogni sera e continuo a provarci giorno dopo giorno" (Michele Bornaschella). "La vita aveva in serbo per me la fiducia di Michele nel poter portare a termine questa storia. E non solo: l'opportunità di poter chiedere, così come lo spazio necessario che mi è stato concesso per poter immergermi nei suoi sentimenti e poter conoscere non solo lo strettamente necessario, ma anzi soddisfacendo ciò che la curiosità chiedeva per poter completare il panorama. Grazie a questo e quant'altro ho potuto intravedere una storia così emozionante che non credo che la stilografica abbia l'abilità di poter dettagliare fedelmente" (Alberto Miramontes).

Where Gods and Mortals Meet Apr 18 2020 The Urhobo peoples occupy the western fringe of the Niger River delta in southern Nigeria, an area rich with oil reserves. Since the 1970s, the petroleum industry has brought worldwide wealth and attention to Nigeria, but tragically has also detracted from broad-based economic progress as flow stations, flare-offs, drilling platforms and pipelines have proliferated. As rural economies suffered an inevitable decline, the custom of maintaining traditional Urhobo art has experienced a parallel atrophy. The resultant decline in Urhobo culture has prompted a response among many Urhobo who want to

celebrate and preserve their traditions for future generations. The Museum for African Art in New York makes a major contribution to this effort through the presentation of "Where Gods and Mortals meet," the first exhibition to showcase Urhobo arts. The exhibition introduces never-before-seen Urhobo art and footage of cultural performances, from yesterday and today. This accompanying catalogue includes approximately 80 works of art: traditional art from the historical period 1850 to 1975, including monumental wood figures, metal and clay sculpture, and masks and costumes with accompanying poetry and song; a small selection of contemporary work by Bruce Onobrakpeya, an Urhobo by birth and one of Africa's foremost artists; plus photos and video footage of extraordinary multimedia masquerades.

Primo Levi Sep 23 2020 Primo Levi, author of *Survival in Auschwitz* and *The Periodic Table*, wrote books that have been called the essential works of humankind. Yet he lived an unremarkable existence, remaining until his death in the house in which he'd been born; managing a paint and varnish factory for thirty years; and tending his invalid mother to the last. Now, in a matchless account, Ian Thomson unravels the strands of a life as improbable as it was influential, the story of the most modest of men who became a universal touchstone of conscience and humanism. Drawing on exclusive access to family members and previously unseen correspondence, Thomson reconstructs the world of Levi's youth--the rhythms of Jewish life in Turin during the Mussolini years--as well as his experience in Auschwitz and difficult reintegration into postwar Italy. Thomson presents Levi in all his facets: his fondness for Louis Armstrong and

fast cars, his insomnia and many near-catastrophic work accidents. Finally, he explores the controversy and isolation of Levi's later years, along with the increasing tensions in his life--between his private anguish and gift for friendship; his severe bouts of depression and passion for life and ideas; his pervasive dread and reasoned, pragmatic ethic. Praised in Britain as "the best sort of history" and "a model of its kind," Primo Levi: A Life is certain to take its place as the standard biography and a necessary companion to the works themselves.

La valigetta della Maestra Larissa Jun 25 2023 In Italia non esiste un insegnante che non conosca la maestra Larissa; il suo blog e la sua pagina Facebook sono un punto di riferimento e una miniera inesauribile di materiale per i colleghi in cerca di nuovi esercizi e attività da proporre ai propri alunni (ma anche per i genitori che cercano materiali efficaci e accattivanti per l'approfondimento o il ripasso a casa). Dalla sua esperienza nasce questo nuovo strumento: una valigetta in cartone, illustrata a colori, contenente 10 mazzi di carte operative a colori, alcune con immagini altre con parole/sillabe o lettere. Le carte sono destinate all'apprendimento del processo di letto-scrittura per bambini di prima e seconda primaria e permettono ai bambini di giocare e imparare in maniera autonoma, aiutando

l'insegnante a proporre attività didattiche diverse, giocose e stimolanti. Usati in successione, i mazzi di carte permettono un approccio graduale, e al tempo stesso rigoroso, al mondo della scrittura e della lettura. La Valigetta contiene: - 10 mazzi di carte a colori - 1 tabellone a colori (fronte e retro) - 6 pedine - 1 dado - guida alle attività

City of the Sun Feb 21 2023 This tale, "The City of the Sun" is told to author by a sea captain about his visit to an island Taprobane. The Protagonist describes his search for this land where the labor is divided equally among people who work for common good and not for money. The novel certainly depicts the author's utopian vision and reflects the idealism and revolutionary trends of thought in the age of reason. Appealing!

Think Like Chinese Jun 01 2021 Sun Zi said "know yourself and your enemy, then you will never lose a battle". Zhang and Baker say, "know the Chinese mind so you can prosper!" Think Like Chinese explains Chinese thought and business culture from the Chinese perspective. It gives first-hand insight into what Chinese are really thinking when conducting business. Zhang and Baker combine their Chinese and Western perspectives to explain, in detail, common Chinese behaviours that may seem odd to non-Chinese. They bring a wealth of personal experience in contemporary Chinese business investment and management, sharing their experiences and observations to provide strategies for overcoming such cultural barriers. Each chapter opens with a traditional or common Chinese saying, which is given contemporary meaning and applied to business scenarios. This key to Chinese thought provides the context for guidance on practical matters such as: how to ensure spoken communications are being interpreted accurately understanding the importance of "face" (mianzi), and giving and receiving mianzi appropriately networking effectively among the Chinese understanding Chinese work cultures, identifying the real Chinese decision-makers, improving negotiations, and gaining the best out of Chinese staff distinguishing "cow poo" (facts or true statements) from "hooyou" (bragging or

bullshit) knowing when a Chinese 'yes' actually means 'yes', instead of 'maybe' or 'no' Chinese approaches to the law and contracts, dispute resolution, intellectual property, investment and partnerships. Think Like Chinese is a must for anyone who wants a better understanding of Chinese culture and how to apply this knowledge in their China dealings, whether doing business with Chinese suppliers or customers, working with a Chinese partner or managing Chinese employees. It is also written for people who are simply fascinated about China, and want to know more about the Chinese people, their history, their current emergence as an economic powerhouse and their increasing significance in the world's future.

Sadhana Apr 30 2021 Christian Exercises in Eastern Form Truly a one-of-a-kind, how-to-do-it book, this small volume responds to a very real hunger for self-awareness and holistic living. It consists of a series of spiritual exercises for entering the contemplative state -- blending psychology, spiritual therapy, and practices from both Eastern and Western traditions. Anthony de Mello offers here an unparalleled approach to inner peace that brings the whole person to prayer -- body and soul, heart and mind, memory and imagination. In forty-seven exercises that teach things such as awareness of physical sensations, stillness, healing of hurtful memories, and consciousness of self and world, de Mello succeeds in helping all who have ever experienced prayer as difficult, dull, or frustrating. The essential key, he notes, is to journey beyond mere thought-forms and discover satisfying new depths in prayer from the heart. This allows for a greater sense of awareness amid silence, and disposes the one who prays to untold riches, spiritual fulfillment, and ultimately, a mystical experience of God-centeredness. Drawing on Scripture, as well as

insights from Eastern and Western spiritual masters, the author has a unique appeal that transcends time, culture, and religious background. For many years a bestseller in the English language, Sadhana has now been translated into more than two dozen foreign languages. Readers the world over have eagerly received this sincere spiritual leader, who has led many toward the wealth of insight and spirit that dwells within them.

ZeroZeroZero Jan 20 2023 An electrifying, internationally bestselling investigation of the global cocaine trade now a series on Prime Video starring Andrea Riseborough, Dane DeHaan, and Gabriel Byrne, from the author of the #1 international bestseller Gomorrah "Zero zero zero" flour is the finest, whitest available. It is also the nickname among narcotraffickers for the purest cocaine on the market. And it is the title of Roberto Saviano's unforgettable exploration of the inner workings of the global cocaine trade—its rules and armies, and the true depth of its reach into the world economy. Saviano's Gomorrah, his explosive account of the Neapolitan mob, the Camorra, was a worldwide sensation. It struck such a nerve with the Camorra that Saviano has lived with twenty-four-hour police protection for more than eight years. During this time he has come to know law enforcement agencies and officials around the world. With their cooperation, Saviano has broadened his perspective to take in the entire global "corporate" entity that is the drug trade and the complex money-laundering operations that allow it to function, often with the help of the world's biggest banks. The result is a harrowing and groundbreaking synthesis of literary narrative and geopolitical analysis exploring one of the most powerful dark forces in our economy. Saviano tracks the shift in the cocaine trade's axis of power, from Colombia to Mexico, and relates how the Latin American cartels and gangs have forged alliances with crime syndicates across the globe. He charts the increasing sophistication of these criminal entities as they diversify into other products and markets. He also reveals the astonishing increase in the severity of violence as they have fought to protect and extend their power. Saviano is a writer and journalist of rare courage and a thinker of impressive intellectual depth, able to see connections between far-flung phenomena and bind them into a single epic story. Most drug-war narratives feel safely removed from our own lives; Saviano offers no such comfort. Both heart-racing and eye-opening, ZeroZeroZero is an

investigative story like none other. Praise for ZerZeroZero: “[Saviano] has developed a literary style that switches from vivid descriptions of human depravity to a philosophical consideration of the meaning of violence in the modern world. . . . Most important of all is the hope Saviano gives to countless victims of criminal violence by standing up to its perpetrators.” –Financial Times

The Well-Played Game Nov 06 2021 The return of the classic book on games and play that illuminates the relationship between the well-played game and the well-lived life. In *The Well-Played Game*, games guru Bernard De Koven explores the interaction of play and games, offering players—as well as game designers, educators, and scholars—a guide to how games work. De Koven’s classic treatise on how human beings play together, first published in 1978, investigates many issues newly resonant in the era of video and computer games, including social gameplay and player modification. The digital game industry, now moving beyond its emphasis on graphic techniques to focus on player interaction, has much to learn from *The Well-Played Game*. De Koven explains that when players congratulate each other on a “well-played” game, they are expressing a unique and profound synthesis that combines the concepts of play (with its associations of playfulness and fun) and game (with its associations of rule-following). This, he tells us, yields a larger concept: the experience and expression of excellence. De Koven—affectionately and appreciatively hailed by Eric Zimmerman as “our shaman of play”—explores the experience of a well-played game, how we share it, and how we can experience it again; issues of cheating, fairness, keeping score, changing old games (why not change the rules in pursuit of new ways to play?), and making up new games; playing for keeps; and winning. His book belongs on the bookshelves of players who want to find a game in which they can play well, who are looking for others with whom they can play well, and who have discovered the relationship between the well-played game and the well-lived life.

Mindfulness May 20 2020 THE LIFE-CHANGING BESTSELLER – OVER 1.5 MILLION COPIES SOLD 'A deeply compassionate guide to self-care – simple and profound' Sir Kenneth Branagh 'If you want to free yourself from anxiety and stress, and feel truly at ease with yourself, then read this book' Ruby Wax Authoritative, beautifully written and much-loved by its readers, *Mindfulness: A practical guide to finding peace in a frantic world* has become a word-of-mouth bestseller and global phenomenon. It reveals a set of simple yet powerful practices that you can incorporate into daily life to break the cycle of anxiety, stress unhappiness and exhaustion. It promotes the kind of happiness that gets into your bones and allows you to meet the worst that life throws at you with new courage. Mindfulness is based on mindfulness-based cognitive therapy (MBCT). Co-developed by Professor Mark Williams of Oxford University, MBCT is recommended by the UK's National Institute for Health and Care Excellence and is as effective as drugs for preventing depression. But, equally, it works for the rest of us who aren't depressed but who are struggling to keep up with the relentless demands of the modern world. By investing just a few minutes each day, this classic guide to mindfulness will put you back in control of your life once again.

Mafias on the Move Dec 27 2020 Organized crime is spreading like a global virus as mobs take advantage of open borders to establish local franchises at will. This book argues that mafiosi often find themselves abroad against their will, rather than through a strategic plan to colonize the territories.

C'era una volta una bugia May 24 2023 Può l'amore sopravvivere quando l'intera relazione si basa su una bugia? La vacanziera e socialite Antonietta Anderson è disposta a credere nel vero amore, anche dopo essere stata ferita e umiliata da ogni uomo che ha osato amare. Nonostante questo, i suoi sogni vengono infranti ancora una volta e di nuovo il dolore del tradimento trasforma il fuoco della passione in una coltre di ghiaccio che le avvolge il cuore. Antonietta,

bella, ricca e fortunata nel vivere una vita a cinque stelle, sa che i privilegi non servono da palliativo contro il dolore. Sa che è destinata a rimpiangere il fatidico giorno in cui ha lasciato il suo vero amore e la vita in un idilliaco paesino della Toscana per seguire un raffinato gentiluomo inglese di cui si era follemente innamorata. Gianni Almora, un benestante uomo d'affari, nonché l'affascinante primo amore di Antonietta è un dongiovanni dagli occhi magnetici. Ha giurato di riconquistarla e non si fermerà davanti a niente. Mentre lui si imbarca in una serie infinita di avventure romantiche e non, un ultimo tradimento spinge Antonietta oltre i limiti della sopportazione. Quasi come se fosse una vendetta, lei viene sedotta da un uomo più giovane, un calciatore professionista con un passato turbolento. Nel profondo della sua anima Antonietta crede di meritare tutte le sventure che le capitano perché nasconde un oscuro segreto che nessuno deve scoprire. Questo suo bisogno di redenzione farà esplodere una bomba che avrà effetti su tutti quelli che ama. Il suo passato tornerà a galla e lei si sentirà costretta a lanciarsi un'ultima volta alla ricerca della salvezza.

Chasing the Shadows Jul 22 2020 A QUESTION OF LUST Nikki James is in San Francisco at the request of her partner and best friend, Jake. The wife of an old friend is missing, and Jake intends to find her—whatever the cost. The authorities believe the kidnappings to be the work of a sick mind, but Nikki knows that the truth is something much worse—especially since she seems to have an unexpected psychic link to the killer. But as always, she is more than willing to risk her own life to save another's. For Michael Kelly, Nikki's bravado is a source of endless terror. He wants nothing more than to make Nikki a permanent part of his life, but he knows that her quest is sure to get her killed. As they chase through the sewers and tunnels of San Francisco and the body count begins to rise, Michael badgers her to stay off the case, but Nikki has no intention of complying. She wants him to realize that she's either a full partner in his life or she's out. But nothing prepares her

for the price she has to pay for her stubbornness—the life of someone she loves. Includes an excerpt of the next novel in Keri Arthur's Nikki and Michael series, Kiss the Night Goodbye
