La guerra del Peloponneso Feb 09 2022

Guerra e pace Feb 21 2023

L'Italie fasciste 2e éd. Apr 30 2021 Suite aux bouleversements de  
la Grande Guerre, la jeune démocratie libérale italienne ne  
parvient pas à résoudre une série de crises qui créent les  
conditions de l'accession au pouvoir du mouvement fasciste,  
constitué au lendemain du conflit. Son chef, Benito Mussolini,  
parvient, à partir de 1925, à établir une dictature à vocation  
totalitaire. Le fascisme italien, loin d'être un simple régime

autoritaire, souhaite mettre en place un modèle totalitaire au travers d'une nouvelle conception de l'État et d'un encadrement de plus en plus étroit de la société. Au-delà des objectifs intérieurs, le pouvoir fasciste a également l'ambition de faire de l'Italie une grande puissance, destinée à imprimer sa marque sur les relations internationales, un véritable programme impérial. Alliée de l'Allemagne nazie dans le second conflit mondial, l'Italie fasciste s'écroule face à une guerre qui dépasse ses capacités. La chute du régime, en juillet 1943, ouvre, pour l'Italie, sa période la plus sombre depuis l'Unité mais crée, également, les conditions de l'instauration de la démocratie. L'ouvrage souhaite présenter aux lecteurs une synthèse sur le Ventennio fascista qui prenne en compte les travaux les plus récents sur l'histoire de l'Italie au cours de cette période.

Morale and the Italian Army during the First World War  
2021 A study of how the Italian army managed morale and troops responded to its policies during the First World War.

La grande storia della prima guerra mondiale  
Una potenza virtuale alla resa dei conti  
2021 ...l'Italia avrebbe potuto condurre la guerra diversamente e ottenere risultati iniziali decisamente migliori. Ciò non avrebbe influito sul risultato finale del conflitto, ma avrebbe avuto un gran peso per la reputazione ed il prestigio delle nostre forze armate. Naturalmente queste ipotesi possono avere un significato solo se prescindiamo dall'assunto iniziale, vale a dire che l'Italia era entrata in guerra convinta di non doverla combattere veramente.

Storie della guerra di Spagna

Della guerra

History in Exile  
2020 In the decade after World War II, up to 350,000 ethnic Italians were displaced from the border zone between Italy and Yugoslavia known as the Julian March. History in Exile reveals the subtle yet fascinating contemporary

repercussions of this often overlooked yet contentious episode of European history. Pamela Ballinger asks: What happens to historical memory and cultural identity when state borders undergo radical transformation? She explores displacement from both the viewpoints of the exiles and those who stayed behind.

Yugoslavia's breakup and Italy's political transformation in the early 1990s, she writes, allowed these people to bring their histories to the public eye after nearly half a century. Examining the political and cultural contexts in which this understanding of historical consciousness has been formed, Ballinger undertakes the most extensive fieldwork ever done on this subject--not only around Trieste, where most of the exiles settled, but on the Istrian Peninsula (Croatia and Slovenia), where those who stayed behind still live. Complementing this with meticulous archival research, she examines two sharply contrasting models of historical identity yielded by the "Istrian exodus": those who left typically envision Istria as a "pure" Italian land stolen by the Slavs, whereas those who remained view it as ethnically and linguistically "hybrid." We learn, for example, how members of the same family, living a short distance apart and speaking the same language, came to develop a radically different understanding of their group identities. Setting her analysis in engaging, jargon-free prose, Ballinger concludes that these ostensibly very different identities in fact share a startling degree of conceptual logic.

Directory of Publishing 2010 Nov 18 2022 Now in its 35th edition, and compiled in association with the Publishers Association, this is the most authoritative, detailed trade directory available for the United Kingdom and the Republic of Ireland, listing over 900 book publishers. Comprehensive entries include, where available: - full contact details including addresses and websites - details of

distribution and sales and marketing agents - key personnel - listing of main fields of activity - information on annual turnover, numbers of new titles and numbers of employees - ISBN prefixes including those for imprints and series - details of trade association membership - information on overseas representation - details of associated and parent companies. In addition to the detailed entries on publishers, the Directory offers in-depth coverage of the wider UK book trade and lists organizations associated with the book trade: packagers, authors' agents, trade and allied associations and services. Detailed Appendices and Indexes include publishers classified by field of speciality; ISBN prefix numbers; names of key personnel; publishers' imprints; agents and associations; publishers by postcode. The directory is also available to purchase as an online resource, for more information and a free preview please visit

Guerra per bande Mar 22 2023

Political Violence and Democracy in Western Europe, 1918-1940 Aug 15 2022 The essays in this book concern manifestations of political violence in the democracies of interwar Europe. While research in this area usually focuses on the countries that fell to fascism, the authors demonstrate that violence remained a part of political competition in the democratic regimes of Western Europe too.

The Naval War in the Mediterranean Mar 10 2022 This volume, originally published in 1987, fills a gap in a neglected area. Looking at the entire war in the Mediterrean, the volume examines the war from the viewpoint of all the important participants, making full use of archives and manuscript collections in Britain, France, Italy, Germany, Austria and the United States. A fascinating mosaic of campaigns emerges in the Adriatic, Straits of Otranto and the Eastern Aegean. The German assistance to the tribes of Libya, the threat that Germany would get her hands on the Russian Black Sea Fleet and use it in the Mediterreanean, and the appearance and influence of the Americans in 1918 all took place against a background of rivalry between the Allies which frustrated the appointment of Jellicoe in 1918 as supreme command at sea in a role similar to that of Foch on land.

Directory of Publishing 2021 Aug 03 2021 This book, now in its 26th year, is compiled in association with the U.K. Publishers Association. It is the most authoritative, detailed book trade directory for the U.K. and Commonwealth available. It lists some 1,500 publishers in twenty-one countries. In addition, the Director offers in-depth coverage of packagers, literary agents, trade and allied associations, and services.

Guerra e pace Jun 01 2021

Operation Mallory Major from Belmont May 12 2022 The Allied Operation Mallory Major (northern Italy, July 1944) aimed at the destruction of all bridges across the Po River and its tributaries and at isolating the enemy in the northern Apennine mountains (the Gothic Line). The Allied Air Forces could count on the ground support of the guerrillas from the Great Partisan Pocket (in the Apennines south of Piacenza) and were opposed by the Flak. This army was led by aging German officers and NCOs leading young non-German women and men in Wehrmacht service: the Czech guards (Regierungstruppe), and the Italian, Slovak, Polish and former Soviet gunners (the Wehrmacht had transferred its German young men to front line units). Yet, this improbable Flak force proved to be effective and supported by Luftwaffe aircraft (outnumbered by at least 10 to 1) it faced both a hailstorm of Allied bombs and guerrilla ground attacks. Women played a major role in this campaign. Axis, guerrillas, and Allied intelligence used women to infiltrate the enemy and as auxiliaries, nurses and fighters. Another aspect of this battle was the Hitler-Beneš confrontation, intelligence-guerrilla war which took place within the ranks of the Regierungstruppe.

Check Point Charlie Feb 26 2021 Spionaggio - racconto lungo (36 pagine) - In piena Guerra Fredda, un muro può separare i destini? Berlino, ottobre 1961. In uno dei momenti più critici della Guerra Fredda il giovane Frerich Bachmann si trova separato dalla donna che ama, Cecilie, relegata oltre l'orribile muro che da pochi mesi sta dividendo in modo netto la città tedesca. Suo fratello, il sergente Gerbrand, cerca a convincerlo a lasciare la città, ma questo per Frerich significa abbandonare anche la donna che ama. In una Germania divisa e schiacciata dal faccia a faccia tra USA e URSS, la via del compromesso sembra l'unica possibile da seguire. Ma al compromesso è necessaria una promessa. E il

coraggio di osare. Andrea Franco ha pubblicato numerosi romanzi (Mondadori, Delos Digital) e racconti (Mondadori, Hobby & Work). Nel 2013 ha vinto il Premio Tedeschi Mondadori con il romanzo L'odore del peccato. Il seguito, L'odore dell'inganno è uscito nel 2016. Pubblica anche per Segretissimo Mondadori: la serie El Asesino è composta da quattro romanzi (Confine di sangue, Protocollo Peki?, La collina dei trafficanti, Il codice del Führer) e diversi racconti. Nel 2017 i suoi romanzi gialli sono stati pubblicati nuovamente nella prestigiosa collana Oscar Gialli Mondadori (Il peccato e l'inganno) e ora anche in versione audiolibro, per Audible. Ad agosto 2019, sempre per Il Giallo Mondadori, è uscito il romanzo Il sorriso del diavolo (nel volume Lo sguardo del diavolo).
