Love, Loss, and What I Wore Jan 05 2022 Ilene "Gingy" Beckerman's beloved and bestselling book has been adapted for the stage by Nora and Delia Ephron. The star-studded Off-Broadway show is receiving rave reviews, as did the book: "Illuminates the experience of an entire generation of women. . . . This small gem of a book is worthy of a Tiffany box." — The New York Times Book Review "A memoir every reader will wish to copy in her own size." —Glamour "Ilene Beckerman's sleek little memoir . . . strikes a startling chord. . . . Unsettling and oddly powerful." —People "Surprisingly poetic." —Entertainment Weekly "[A] poignant biography. . . . This little book will charm anyone with an interest in style." —USA Today Ilene Beckerman's runaway bestseller articulates something all women know: that our memories are often tied to our favorite clothes. From her Brownie uniform to her Pucci knockoff to her black strapless Rita Hayworth-style dress from the Neiman Marcus outlet store, Ilene Beckerman tells us the story of her life.

What Artists Wear Nov 22 2020 An eye-opening and richly illustrated journey through the clothes worn by artists, and what they reveal to us. From Yves Klein's spotless tailoring to the kaleidoscopic costumes of Yayoi Kusama and Cindy Sherman, from Andy Warhol's denim to Martine Syms's joy in dressing, the clothes

worn by artists are tools of expression, storytelling, resistance, and creativity. In *What Artists Wear*, fashion critic and art curator Charlie Porter guides us through the wardrobes of modern artists: in the studio, in performance, at work or at play. For Porter, clothing is a way in: the wild paint-splatters on Jean-Michel Basquiat's designer clothing, Joseph Beuys's shamanistic felt hat, or the functional workwear that defined Agnes Martin's life of spiritual labor. As Porter roams widely from Georgia O'Keeffe's tailoring to David Hockney's bold color blocking to Sondra Perry's intentional casual wear, he weaves his own perceptive analyses with original interviews and contributions from artists and their families and friends. Part love letter, part guide to chic, with more than 300 images, *What Artists Wear* offers a new way of understanding art, combined with a dynamic approach to the clothes we all wear. The result is a radical, gleeful inspiration to see each outfit as a canvas on which to convey an identity or challenge the status quo.

Dress Like a Woman Feb 18 2023 From factory worker to First Lady, "this photo book explores the history of female power dressing across different classes, cultures, and careers" (InStyle). At a time in which a woman can be a firefighter, surgeon, astronaut, military officer, athlete, judge, and more, what does it mean to dress like a woman? This book turns that question on its head by sharing a myriad of interpretations across history—with 300 incredible photographs that illustrate how women's roles have changed over the last century. The women pictured in this book inhabit a fascinating intersection of gender, fashion, politics, culture, class, nationality, and race. There are some familiar faces, including trailblazers Amelia Earhart, Angela Davis, and Michelle Obama, but the majority of photographs are of ordinary working women from many backgrounds and professions. With essays by renowned fashion writer Vanessa Friedman and feminist writer Roxane Gay, *Dress Like a Woman* offers a comprehensive look at the role of gender and dress in the workplace.

Where Am I Wearing? May 29 2021 A journalist travels to Bangladesh, China, Cambodia, Honduras, and back to the U.S. to trace the origins of our clothes.

Love, Loss, and what I Wore May 21 2023 In a volume originally intended just for friends, the author reflects on her fortunes and misfortunes through the clothes she has worn, clothes that have expressed her hopes and dreams--from her Brownie uniform to her first maternity dress. Reprint.

What I Wore Today Jun 10 2022 Doodle yourself into a style icon. Have you noticed how what you do in a day has quite a lot to do with what you're wearing? You forget your glasses, you miss the bus. You wear lucky underpants and suddenly everything goes your way. Not everyone wants their journal to be about feelings and bad poetry, so start scribbling about what you wore and sum up in a flash what it is to be you. Let your imagination run wild. Use our little mannequin to sketch yourself in a flash and fill in the blanks about the day - its highs, its lows, and what you've been up to. You can design your ideal fashion items, from shoes to umbrellas, so you can be as creative with your style as you like. Use the additional wish list for your notes, pictures, cut-outs - stick in or write down whatever your heart desires. No self-respecting girl should be without one!

When I Wore My Sailor Suit Dec 04 2021 A young child spends the day imagining himself to be a sailor on a grand adventure.

Nevertheless, She Wore It Jan 25 2021 From the creator of the bestselling *Bad Girls Throughout History!* Celebrated illustrator and author Ann Shen shares her striking study of history's most iconic styles, and the women who changed the world while wearing them. From the revolutionary bikini to the presidential pantsuit, this book explores 50 fashions through bold paintings and insightful anecdotes that empower readers to make their own fashion statements. • Demonstrates the power of fashion as a political and cultural tool for making change • Brilliantly illustrated with Ann's signature art style • Filled with radical clothing choices that defined their time Looks include the Flapper Dress, the unofficial outfit of women's independence in the 1920s; the Afro, worn as a symbol of black beauty, power, and pride; the Cone Bra, donned by Madonna in her 1989 power anthem "Express Yourself"; and the Dissent Collar, Ruth Bader Ginsburg's famous signifier for when she disagrees with the majority. With stunning and vibrant illustrations, this is a treasure for anyone who wants to defy style norms and rewrite the rules. • An insightful look at the intersection of fashion statements and historical female power • Perfect for fans of Ann Shen, as well as anyone who loves fashion, feminism, and political consciousness • You'll love this book if you love books like *Women In Science: 50 Fearless Pioneers Who Changed The World* by Rachel Ignotofsky; *Strong Is the New Pretty: A Celebration Of Girls Being Themselves* by Kate T. Parker; and *Women Who Dared: 52 Stories Of Fearless Daredevils, Adventurers, And Rebels* by Linda Skeers.

Women in Clothes Mar 07 2022 THE NEW YORK TIMES BESTSELLER

Women in Clothes is a book unlike any other. It is essentially a conversation among hundreds of women of all nationalities—famous, anonymous, religious, secular, married, single, young, old—on the subject of clothing, and how the garments we put on every day define and shape our lives. It began with a survey. The editors composed a list of more than fifty questions designed to prompt women to think more deeply about their personal style. Writers, activists, and artists including Cindy Sherman, Kim Gordon, Kalpona Akter, Sarah Nicole Prickett, Tavi Gevinson, Miranda July, Roxane Gay, Lena Dunham, and Molly Ringwald answered these questions with photographs, interviews, personal testimonies, and illustrations. Even our most basic clothing choices can give us confidence, show the connection between our appearance and our habits of mind, express our values and our politics, bond us with our friends, or function as armor or disguise. They are the tools we use to reinvent ourselves and to transform how others see us. Women in Clothes embraces the complexity of women's style decisions, revealing the sometimes funny, sometimes strange, always thoughtful impulses that influence our daily ritual of getting dressed.

The Girl Who Wore Too Much Oct 22 2020 Read Along or Enhanced eBook: In this timeless tale from Thailand, A girl cannot decide which of her many silken dresses and lavish jewels to wear to the dance, so she wears them all. Her foolish decision, teaches her a valuable lesson.

The Way We Wore Jul 31 2021 'This is a love letter to the wayward creativity that has fired generations of British youth tribes - all those Mods, suedeheads, peanuts, punks, Teds and bomb-site dandies who dressed as though they owned the world. Nobody has written this incisively about kids dressing up since Tom Wolfe, nobody has written this lyrically about youth tribal lore since Colin MaclInnes, and nobody has ever written a book this good about why all those long-gone Little Caesars had the desperate craving to look gorgeous. Robert Elms has written the Fever Pitch of urban street fashion - his book really is as obsessive, and as beautiful, and as brilliant, as that. A wonderful book that should be read by everyone who believes that clothes are tools for living.' - Tony Parsons 'This is not only the youth cult confessional to end them all , but also a comprehensive summary of everything that's happened to men's clothes in Britain over the last 30 years. If you grew up in the Seventies or Eighties, if you ever spent more on a pair of trousers than you needed to, if you ever got beaten up for having the wrong

haircut, then this is the book for you. Funny accurate and touching.'
- Dylan Jones, Editor GQ

***You Are What You Wear* Apr 08 2022 Explores the psychology behind style choices which explains why women do not dress their age, wear all the clothing they purchase, or dress to flatter their body shape, in order to help them develop a personal style and make life changes.**

***Worn Stories* Jun 17 2020 The New York Times–bestselling volume of mini-memoirs exploring the personal histories we carry in treasured articles of clothing—now a Netflix docuseries. Everyone has a memoir in miniature in at least one piece of clothing. In *Worn Stories*, Emily Spivack has collected over sixty of these clothing-inspired narratives from cultural figures and talented storytellers. First-person accounts range from the everyday to the extraordinary, such as artist Marina Abramovic on the boots she wore to walk the Great Wall of China; musician Rosanne Cash on the purple shirt that belonged to her father; and fashion designer Cynthia Rowley on the Girl Scout sash that informed her business acumen. Other contributors include Greta Gerwig, Heidi Julavits, John Hodgman, Brandi Chastain, Marcus Samuelsson, Piper Kerman, Maira Kalman, Sasha Frere-Jones, Simon Doonan, Albert Maysles, Susan Orlean, Andy Spade, Paola Antonelli, David Carr, Andrew Kuo, and more. By turns funny, tragic, poignant, and celebratory, *Worn Stories* offers a revealing look at the clothes that protect us, serve as a uniform, assert our identity, or bring back the past—clothes that are encoded with the stories of our lives.**

***Why Women Wear What They Wear* Sep 20 2020 Presents an intimate ethnography of clothing choice. This book uses real women's lives and clothing decisions—observed and discussed at the moment of getting dressed - to illustrate theories of clothing, the body, and identity. It provides students of anthropology and fashion with a fresh perspective on the social issues and constraints.**

***The Day I Wore Purple* Oct 02 2021 Jonathon and Gavin Nightly are in love with Hannah Lasker, a gifted artist on the verge of a meltdown. Their lives spiral toward heartbreak with the release of a controversial vaccine that grants eternal life. This "miracle cure" is only the beginning of a true-to-life technological takeover that pits friendships against progress, science against faith, and love against time.**

***After a Fashion* Apr 15 2020 This meticulously researched and lavishly illustrated book charts the history of street fashion from its origins in high couture to its appearance on the streets. Beginning**

in the post-war period and largely picture-led, its accompanying text also examines the social roots of what we wear and what it expresses about ourselves and the times we live in. Fashion trends, together with their influences, are tracked and illustrated alongside the changing attitudes and accessibility that made fashion a part of daily life.

Today I Wore a Clown to School Oct 14 2022 'Today I Wore A Clown to School' is the fifth collection of silly poems and drawings from Jeff Witcher and arguably his funniest. Readers of every age will find a reason to chuckle at the clever rhymes and engaging illustrations, all the while expanding their vocabulary (and imaginations!)

The Last Time I Wore Dress Aug 24 2023 At 15, Daphne Scholinski was committed to a mental institution and awarded the dubious diagnosis of "Gender Identity Disorder". "The voice of Daphne's teenage self--bewildered, frank, aching, and defiant--is so vivid it's like hearing a confidence whispered across a dormitory room deep in the night".--"Harper's Bazaar".

Legendary Authors and the Clothes They Wore Apr 27 2021 Discover the signature sartorial and literary style of fifty men and women of letters, including Maya Angelou; Truman Capote; Colette; Bret Easton Ellis; Allen Ginsberg; Patti Smith; Karl Ove Knausgaard; and David Foster Wallace; in this unique compendium of profiles—packed with eighty black-and-white photographs, excerpts, quotes, and fast facts—that illuminates their impact on modern fashion. Whether it's Zadie Smith's exotic turban, James Joyce's wire-framed glasses, or Samuel Beckett's Wallabees, a writer's attire often reflects the creative and spiritual essence of his or her work. As a non-linear sensibility has come to dominate modern style, curious trendsetters have increasingly found a stimulating muse in writers—many, like Joan Didion, whose personal aesthetic is distinctly "out of fashion." For decades, Didion has used her work, both her journalism and experimental fiction, as a mirror to reflect her innermost emotions and ideas—an originality that has inspired Millennials, resonated with a new generation of fashion designers and cultural tastemakers, and made Didion, in her eighties, the face of Celine in 2015. *Legendary Authors and the Clothes They Wore* examines fifty revered writers—among them Samuel Beckett; Quentin Crisp; Simone de Beauvoir; T.S. Eliot; F. Scott and Zelda Fitzgerald; Malcolm Gladwell; Donna Tartt; John Updike; Oscar Wilde; and Tom Wolfe—whose work and way of dress bears an idiosyncratic stamp influencing culture today. Terry

Newman combines illuminating anecdotes about authors and their work, archival photography, first-person quotations from each writer and current designers, little-known facts, and clothing-oriented excerpts that exemplify their original writing style. Each entry spotlights an author and a signature wardrobe moment that expresses his or her persona, and reveals how it influences the fashion world today. Newman explores how the particular item of clothing or style has contributed to fashion's lingua franca—delving deeper to appraise its historical trajectory and distinctive effect. *Legendary Authors and the Clothes They Wore* is an invaluable and engaging look at the writers we love—and why we love what they wear—that is sure to captivate lovers of great literature and sophisticated fashion.

***I Wore the Ocean in the Shape of a Girl* Aug 20 2020 At the age of fifteen, Kelle Groom found that alcohol allowed her to connect with people and explore intimacy in ways she'd never been able to experience before. She began drinking before class, often blacked out at bars, and fell into destructive relationships. At nineteen, already an out-of-control alcoholic, she was pregnant. Accepting the heartbreaking fact that she was incapable of taking care of her son herself, she gave him up for adoption to her aunt and uncle. They named him Tommy and took him home with them to Massachusetts. When he was nine months old, the boy was diagnosed with leukemia—but Kelle's parents, wanting the best for her, kept her mostly in the dark about his health. When Tommy died he was only fourteen months old. Having lost him irretrievably, Kelle went into an accelerating downward spiral of self-destruction. She emerged from this free fall only when her desire to stop drinking connected her with those who helped her to get sober. In stirring, hypnotic prose, *I Wore the Ocean in the Shape of a Girl* explores the most painful aspects of Kelle's addiction and loss with unflinching honesty and bold determination. Urgent and vital, exquisite and raw, her story is as much about maternal love as it is about survival, as much about acceptance as it is about forgiveness. Kelle's longing for her son remains twenty-five years after his death. It is an ache intensified, as she lost him twice—first to adoption and then to cancer. In this inspiring portrait of redemption, Kelle charts the journey that led her to accept her addiction and grief and to learn how to live in the world. Through her family's history and the story of her son's cancer, Kelle traces with clarity and breathtaking grace the forces that shape a life, a death, and a literary voice.**

I Wore the Ocean in the Shape of a Girl Jul 19 2020 A memoir of addiction and grief, forgiveness, and survival from a poet who recovers from alcoholism only after she sees her child die of leukemia.

Today I Wore a Clown to School Sep 01 2021 Today I wore a clown to school, On top of my regular clothes. He had floppy shoes, a rainbow wig, And a red rubber ball for a nose. My classmates laughed at my strange attire, They thought it was really a riot. The teacher said she didn't mind, As long as the clown kept quiet. 'Today I Wore A Clown to School' is the fifth collection of silly poems and drawings from Jeff Whitcher and arguably his funniest. Readers of every age will find a reason to chuckle at the clever rhymes and engaging illustrations, all the while expanding their vocabulary (and imaginations!)

The Way We Wore Jan 17 2023 HISTORY OF FASHION. Daphne Selfe has been photographed by Mario Testino, Nick Knight and David Bailey. She has modelled for Dolce and Gabbana, Red or Dead and high-street chains such as TK Maxx, and regularly appears in newspaper fashion pages and glossy magazines. She is one of Britain's most in-demand supermodels and has worked non-stop for almost twenty years. But what makes her really rather extraordinary is that she is now in her late eighties. Daphne grew up in an age when dresses were lovingly run up for you by your mother, when needlework for even the most basic outfit was an art form, and when a new Simplicity Pattern was almost more exciting than a new dance tune. Perhaps as a result, she has had a lifelong love affair with clothes and fashion. The Way We Wore is a heart-warming account of that love affair, taking readers from the organdie party frocks of a 1930s childhood to the pages of Vogue.

What Riley Wore Jun 29 2021 Gender-creative Riley knows just what to wear for every occasion during a busy week with family and friends in this sweet and timely picture book from Elana K. Arnold and Linda Davick. Riley wears whatever clothes feel right each day. On Monday, Riley feels shy and wears a bunny costume to school. On Tuesday, a scary trip to the dentist calls for a super hero cape. For a trip out with Otto and Oma, a ball gown is the perfect outfit. This charming picture book is a gentle exploration of self-expression and source of encouragement for being true to oneself despite the expectations of others.

What We Wore May 17 2020

Worn in New York Jul 11 2022 The boots a passenger had on when his plane landed on the Hudson River. The tank top Andy Warhol's

assistant wore to one of their nightclub outings together. The jacket a taxi driver put on to feel safe as he worked the night shift. — These and over sixty other clothing-inspired narratives make up Worn in New York, the latest volume from New York Times bestselling author Emily Spivack. In these first-person accounts, contributors in and out of the public eye share surprising, personal, wild, poignant, and funny stories behind a piece of clothing that reminds them of a significant moment of their New York lives. Worn in New York offers a contemporary cultural history of the city—its changing identity, temper, and tone, and its irrepressible vitality—by paying tribute to these well-loved clothes and the people who wore them. Includes contributions from: Adam Horovitz Amy Heckerling Andre Royo Anna Sui Aubrey Plaza Catherine Opie Coco Rocha Dick Cavett Eileen Myles Fab 5 Freddy Gay Talese Genesis Breyer P-Orridge JD Samson Jenji Kohan Jenna Lyons Kyp Malone Lena Dunham Pee Wee Kirkland Thelma Golden Timothy Greenfield-Sanders

Mary Wore Her Red Dress, and Henry Wore His Green Sneakers Dec 16 2022 "In this adaptation of a Texas folk song, the illustrations show the story of Katy Bear's birthday party, while the repetitive verses are a catalog of what the guests wore. . . . The pictures pick up color as the guests arrive and the activities get livelier. To further focus attention on color, the words are printed in boxed insets of the appropriate hue. . . . The music—a simple, singable tune—is printed at the end. The subject and the highly predictable pattern of text have appeal for just-beginning readers as well as for preschool listeners and singers."-Language Arts

What We Wore Dec 24 2020 Filled with images selected from the personal photo albums of the British public, What We Wore provides a visual timeline of UK fashion since the 1950s. In What We Wore, crowdsourced family and amateur photos come together to create a makeshift style history of Britain. Taking readers into homes, onto city streets, into shops, and out to nightclubs and holiday spots, this book features a combination of original images and intriguing personal anecdotes that document changes in British fashion and style. The book encompasses the worlds of Mods, punks, ravers, grime kids, and everything in between, with photos submitted by everyday British people as well as celebrities, including Tracey Emin, Jeremy Deller, Jazzie B., DJ Harvey, and Don Letts. From black-and-white photos taken with Rolleiflex cameras and Polaroid party shots, to 35mm film and "selfies," these images and words combine to create a collective family album that feels

both private and public, satisfying our yearning for nostalgia as well as our voyeuristic tendencies. Most importantly, this book records and explains British fashion trends and gives the reader a rare insider's glimpse into youth tribes and subcultures from the past 60 years.

Was it Something I Wore? Nov 15 2022 People often wear their causes on their t-shirts, in their choice of traditional attire or other garments, or by way of specific costumes, pieces of jewellery or particular accessories. In *Was it something I wore?* Dress; Identity; materiality, the contributors explore the construction and performance of personal and social identities. The essays point to the significance of dress as material culture in social science research not only in their content but also in their focus on a variety of methodologies including memory work, visual studies, autoethnography, object biographies and other forms of textual analysis. The framing question, *Was it something I wore?* is central to the many dress questions the book raises; questions that challenge the socio-political status quo. To what extent does dress visually signify the construction of a chosen identity and a chosen performance? How does dress position the body and identity in different social and cultural spaces? How does dress signify oppression and/or liberation for women and might this differ for men? What is the role of dress in the constructions of schooling and contemporary childhood? In its exploration of these and other questions, *Was it something I wore?* addresses a variety of pertinent social issues that confront communities in southern Africa.

***She Wore a Yellow Dress* Feb 06 2022 JOHN is brought up on an isolated farm near York, spends his spare time birdwatching, lives with an unsympathetic stepfather and loving mother, and attends Hull University as the government pays his expenses. He worries about serious relationships with girls and has no idea of what career to follow. His experience so far is as a farm hand and a hospital porter. A letter he finds at home confirms his biological father is alive but has no intention of helping him. On Bonfire Night 1965 (Guy Fawkes Night), during his final undergraduate year, he meets a fellow student, JEAN-LOUISE, and a romantic relationship develops. In many ways she is different from John; she is a town girl, brought up by loving parents, is an only child, has opposing politics and knows what she wants to be - a fashion buyer for Marks & Spencer. The obstacle is her mother is ill with muscular dystrophy and she must help take care of her parents. She surprises John by**

encouraging his birdwatching. John joins Ford of Britain as a graduate trainee and after an uncertain start, is placed in industrial relations and decides to study for a graduate degree with the Institute of Personnel Management. He also discovers more about his real father. What happens to the couple during the subsequent 10 years as they navigate their careers, have to deal with events that take place in Britain during the period and manage personal issues at home, are the subjects of this book. There is panic buying during the 1974, 3-day working week, the affects on home life of Britain's entry into the Common Market, annual inflation driven above 25 percent in part because of trade union militancy, and many other national incidents. A unique feature of the novel is the use of bird species to illustrate human behavior and character. At the end of each chapter there is an illustration of the featured bird from that chapter to provide a summary of the bird's appearance and habitat in case the reader is interested. The novel blends British history, ornithology, success at work, discrimination against women and the challenges of home life into a single story.

Jacob's New Dress May 09 2022 Jacob loves playing dress-up, when he can be anything he wants to be. Some kids at school say he can't wear "girl" clothes, but Jacob wants to wear a dress to school. Can he convince his parents to let him wear what he wants? This heartwarming story speaks to the unique challenges faced by children who don't identify with traditional gender roles.

What I Wore Jun 22 2023 A COOKBOOK FOR YOUR CLOSET Personal style expert Jessica Quirk approaches getting dressed just as you would plan the perfect meal: With a smartly stocked pantry and a few gorgeous "spotlight ingredients," inspiration comes easily. In What I Wore, named after her enormously popular blog, Jessica shares recipes for creating a stellar wardrobe to get you through spring, summer, fall, and winter. From delicates (bras, slips, lingerie) to the basics every woman should have (black pants, white shirts, knee-high leather boots) to the dramatic touches that set just the right tone (scarves, jewelry, handbags), she shows you how to take your look from ordinary to outstanding without breaking the bank. Inside you'll discover how to • remix the clothing you already have for dozens of fresh, pulled-together looks • become a smarter shopper and always get the most bang for your buck • create wow-worthy ensembles for special occasions, weekends, and the office • supplement basics and investment pieces with fun and inexpensive accessories Plus you'll learn tailoring tricks, handy hints, and packing tips to ensure that you always leave the house looking your

best. Loaded with hundreds of vibrant, original illustrations and unique suggestions for combining colors, patterns, and textures, *What I Wore* will help you feel stylish and confident, each and every day.

***The Smartest Woman I Know* Nov 03 2021 Ilene Beckerman's first book "illuminates the experience of an entire generation of women," wrote the New York Times Book Review in a full page of praise for *Love, Loss, and What I Wore*. It became a bestseller and inspired the hit Off-Broadway play by the same name. Now, Gingy returns with her fifth illustrated treasure, *The Smartest Woman I Know*—a tribute to the insightful woman who raised her. It's been said there's nobody as smart as an old woman. That's Gingy's grandmother, Ettie, though she had no more than a third-grade education. She dispensed unforgettable wisdom to Gingy and her sister, Tootsie, as well as to the customers at her and (her husband) Mr. Goldberg's stationery and magazine store, where customers ranged from Irish nannies to Sara Delano Roosevelt to Marlene Dietrich. Clever about life and love, food and men, Ettie had advice for everyone, and it didn't hurt that she got some of her best ideas from talking things over with God, out loud. Known for bringing wit and emotion to issues that concern women, depth and poignancy to subjects as seemingly trivial as clothes, beauty, and bridesmaids, Gingy now magically brings the irrepressible Ettie Goldberg to life.**

***This Body I Wore* Mar 19 2023 A Washington Post Best Book of the Year A captivating memoir of one woman's long journey to late transition, as the trans community emerges alongside her.**

"Achingly beautiful." —Manuel Betancourt, The New York Times Book Review Long before Laverne Cox appeared on the cover of *Time*, far removed from drag and ballroom culture, there were countless trans women living and dying as men, most of whom didn't even know they were trans. Diana Goetsch's *This Body I Wore* chronicles one woman's long journey to coming out, a path that runs parallel to the emergence of the trans community over the past several decades. "How can you spend your life face-to-face with an essential fact about yourself and still not see it?" This is a question often asked of trans people, and a question that Goetsch, an award-winning poet and essayist, addresses with the power and complexity of lived reality. She brings us into her childhood, her time as a dynamic and beloved teacher at New York City's Stuyvesant High School, and her plunge into the city's crossdressing subculture in the 1980s and '90s. Under cover of night, crossdressers risked their jobs and their safety to give

expression to urges they could neither control nor understand. Many would become late transitioners, the Cinderellas of the trans community largely ignored by history. Goetsch has written not a transition memoir, but rather a full account of a trans life, one both unusually public and closeted. All too often trans lives are reduced to before-and-after photos, but what if that before photo lasted fifty years?

Dress Codes Feb 23 2021 A revelatory exploration of fashion through the ages that asks what our clothing reveals about ourselves and our society. Dress codes are as old as clothing itself. For centuries, clothing has been a wearable status symbol; fashion, a weapon in struggles for social change; and dress codes, a way to maintain political control. Merchants who dressed like princes and butchers' wives wearing gem-encrusted crowns were public enemies in medieval societies structured by social hierarchy and defined by spectacle. In Tudor England, silk, velvet, and fur were reserved for the nobility and ballooning pants called "trunk hose" could be considered a menace to good order. The Renaissance era Florentine patriarch Cosimo de Medici captured the power of fashion and dress codes when he remarked, "One can make a gentleman from two yards of red cloth." Dress codes evolved along with the social and political ideals of the day, but they always reflected struggles for power and status. In the 1700s, South Carolina's "Negro Act" made it illegal for Black people to dress "above their condition." In the 1920s, the bobbed hair and form-fitting dresses worn by free-spirited flappers were banned in workplaces throughout the United States and in the 1940s the baggy zoot suits favored by Black and Latino men caused riots in cities from coast to coast. Even in today's more informal world, dress codes still determine what we wear, when we wear it—and what our clothing means. People lose their jobs for wearing braided hair, long fingernails, large earrings, beards, and tattoos or refusing to wear a suit and tie or make-up and high heels. In some cities, wearing sagging pants is a crime. And even when there are no written rules, implicit dress codes still influence opportunities and social mobility. Silicon Valley CEOs wear t-shirts and flip flops, setting the tone for an entire industry: women wearing fashionable dresses or high heels face ridicule in the tech world and some venture capitalists refuse to invest in any company run by someone wearing a suit. In Dress Codes, law professor and cultural critic Richard Thompson Ford presents an insightful and entertaining history of the laws of fashion from the middle ages to the present

day, a walk down history's red carpet to uncover and examine the canons, mores, and customs of clothing—rules that we often take for granted. After reading Dress Codes, you'll never think of fashion as superficial again—and getting dressed will never be the same.

What I Wore to Save the World Aug 12 2022 Third in the fabulous series that started with Why I Let My Hair Grow Out Senior year's coming up fast and Morgan still has no clue about college, or a career?the whole rest-of-her-life thing is basically a blank. Maybe it's because she spent her junior year obsessing about Colin, the hot Irish guy she fell for last summer (that was right around the same time she discovered she's a half-goddess from the days of Irish lore? you had to be there). She even saved Colin from a nasty enchantment, but he doesn't know that. Colin doesn't believe in magic, not even a little. But then a mysterious message reunites her with Colin, who turns out to be caught up in the biggest faery-made disaster ever. We're talking the end of reality?not just reality TV. To save the world, she's going to have to tell Colin the truth about her half-goddess mojo. But if he doesn't believe in magic, how will he ever believe in her?

Who Wore What? Mar 27 2021

When I Wore A Younger Man's Clothes Sep 13 2022 Today's actresses and artists proudly pronounce their self-love. Emma Watson recently announced she is "self-partnered". Jenna Dewan also published a post on Instagram in the name of self-love. Is that something the rest of us should tune in to? Are there benefits to self-love that we might be missing? According to The Daily Star in a recent article on "The Importance of Self-Love" from June 2021, people who love themselves are less likely to suffer from anxiety or depression. Self-love also paves the way to a positive mindset which is an essential ingredient for success in life and for mental well-being. Learning to love yourself also reduces stress, lessens procrastination and makes you more focused at work. So yes, self-love is important. In this book you will find a concrete and clear way you can learn to love yourself. So your self-love journey can resume.

Worn Jul 23 2023 A NEW YORKER BEST BOOK OF THE YEAR • A sweeping and captivatingly told history of clothing and the stuff it is made of—an unparalleled deep-dive into how everyday garments have transformed our lives, our societies, and our planet. "We learn that, if we were a bit more curious about our clothes, they would offer us rich, interesting and often surprising insights into human history...a deep and sustained inquiry into the origins of what we wear, and what we have worn for the past 500 years." —The

Washington Post In this panoramic social history, Sofi Thanhauser brilliantly tells five stories—Linen, Cotton, Silk, Synthetics, Wool—about the clothes we wear and where they come from, illuminating our world in unexpected ways. She takes us from the opulent court of Louis XIV to the labor camps in modern-day Chinese-occupied Xinjiang. We see how textiles were once dyed with lichen, shells, bark, saffron, and beetles, displaying distinctive regional weaves and knits, and how the modern Western garment industry has refashioned our attire into the homogenous and disposable uniforms popularized by fast-fashion brands. Thanhauser makes clear how the clothing industry has become one of the planet's worst polluters and how it relies on chronically underpaid and exploited laborers. But she also shows us how micro-communities, textile companies, and clothing makers in every corner of the world are rediscovering ancestral and ethical methods for making what we wear. Drawn from years of intensive research and reporting from around the world, and brimming with fascinating stories, *Worn* reveals to us that our clothing comes not just from the countries listed on the tags or ready-made from our factories. It comes, as well, from deep in our histories.

What I Wore Today Apr 20 2023 Capturing an online community of artistic, peer-inspired and -supported fashion pioneers, this collection of more than 250 images gives an unprecedentedly unique insight into the real style of girls today. Forget the Paris runways to spot the style vanguard, here are young women for whom taking photos of themselves in their bedrooms, kitchens, and hallways and posting them to blogs and flickr is a daily ritual. The images include favorite peer-voted style gurus from flickr, MySpace, and fashion blogs. Fascinating as an intimate look at street style and as a record of the new wave of amateur portrait photography, this bright, colorful, eclectic read showcases the community where the internet generation get their real fashion inspiration.
