Includes never-before-seen photos. Well guys, here it is—my story. A funny, sad, at times pathetic but also kick-ass tale of how a half-Filipino, half-

white kid whose mom thought (and still thinks) his career goal was to become a clown became a success. Not an overnight success, because that would have made for a really short read, but an All-American success who could give my immigrant mom the kind of life she hoped for when she came to this country, and my son the kind of life I wished I'd had as a kid. With all the details of what it felt like to get the doors closed in my face, to grind it out on the road with my arsenal of dick jokes, and how my career finally took off once I embraced the craziness of my family, which I always thought was uniquely Filipino but turns out is as universal as it gets. In this book, I'll take you behind the mic, behind the curtain—OK, way behind it. From growing up with a mom who made me dance like Michael Jackson at the Knights of Columbus, to some real dark stuff, the stuff we don't talk about often enough as immigrants. Mental health, poverty, drinking. And show you the path to my American Dream. Which was paved with a lot of failure, department store raffle tickets to win free color televisions, bad jokes, old VHS tapes, a motorcycle my mom probably still hates, the only college final I aced (wasn't math), and getting my first laugh on stage. There's photo evidence of it all here, too. In this book, I get serious about my funny. And I want to make you laugh a little while I do it. I'm like Hawaii's favorite lunch—the mixed plate. Little bit of this, a little bit of that. My book *Mixed Plate* is too. Musician, artist, anti-smoker, ecological gadfly - here is Mendelson Joe's story, in his own outrageous word. He believes that speaking out can make a difference, that women are the only hope for the future, and that there's truth in a good blues song. He doesn't believe in God, compromise, or schmaltz. Meet Mendelson Joe: musician, artist, activist, and avid writer of letters to Canadian politicians and editors. Alien brings together some of the best of Joe's artwork, along with extensive interviews with the man and the people who know him. Joe holds forth on the things that fascinate him: the female body, motorcycles, rabbits, nature, art, and music. He tells of touring the world with his blues-rock band Mendelson McKenna Mainline in the early '70s, sharing concert stages with burlesque strippers, and discovering a passion for art after rescuing a set of acrylic paints from a garbage can. He also talks about the things that make him angry: the stupidity of humans, who "piss where they drink," destroying the environment through greed and carelessness; the treatment of women by men; racism. And Joe's friends and colleagues talk about knowing this funny, talented, and deeply principled guy who's never afraid to speak his mind. Sometimes it takes a stranger to see what the residents have overlooked for years. The sleepy town of Winter Haven holds a secret that has been buried for nearly twenty years. At the heart of the controversy is George O'Briens, who, along with his granddaughter, has been outcast by the community. When Mitchell Sanders, a college student from Boston, arrives to help renovate the O'Brien home, he finds himself entrenched in the family's dirty little secrets, putting him at odds with his new employers and the citizens of Winter Haven. But this flashy and fast-paced world is rarely seen below surface-level as a collection not of superheroes and villains, cartoons and caricatures, but of flawed and inspired individuals all trying to get a piece of what everyone else seems to have. In artistic, commercial, and human terms, Atlanta rap represents the most consequential musical ecosystem of this century so far. Rap Capital tells the dramatic stories of the people who make it tick, and the city that made them that way."-- In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform.
