An enlightening elucidation of Japanese brutality in World War II, this book is an honest look at an unexplored facet of the inhumane war crimes of this era. Welcome to Kennisaw—where Friday night high school football ranks right up there with God and country. This year, the Kennisaw Knights are going for their fifth straight undefeated season, and if they succeed, they'll be legends. But the Knights' legacy is a heavyweight to carry for Hampton, linebacker and star of the team. On the field, he's so in control you'd think he was able to stop time. But his life off the field is a different

story. His mom has a new boyfriend every week. He's drawn to a smart, quirky girl at school who seems totally wrong for a star athlete, and his best friend and teammate is growing uncomfortably competitive. This thought-provoking novel is the story of a boy whose choices will decide the kind of man he becomes. A celebration of all things chivalrous, this fascinating book features 127 colorful pictures of heroic knights, plus captivating true tales of Richard the Lionheart and the legends of Camelot. The Knights seek fame and fortune by entering a talent show! A battle is looming at Camelot Middle School--a battle of the bands, that is! Artie, Wayne, and Percy enter the talent show seeking fame and fortune. But only one of them plays an instrument: Percy. And he plays the tuba. Their only hope of winning is finding the long-lost "Singing Sword," the fabled instrument of awesome power. But how can Artie find time to rock when he's been assigned a new lab partner, Melody Claymore? Melody is a klutz and a goof, and she harbors a not-so-secret crush on Artie. Is Melody his worst nightmare or secretly the answer to his prayers? Once the legendary knights of the Gabala defended the nine duchies. Their hearts were beautiful; their armor was beyond compare. They were greater than princes, more than men. But they were gone, disappeared through a demon-haunted gateway between worlds. Only one held back -- Manannan, whose every instinct told him to stay. Now he was the coward knight, and in torment. Murder

and black magic beset the land. Rumors circulated that the king was enchanted, changed, that his soul was dead . . . and that a reign of terror was about to begin. Now Manannan realized he would have to face his darkest fears: he had no choice but to ride through that dreaded gate and seek out his vanished companions. And the secret he would learn there would tear his soul apart "A sharp, distinctive medieval fantasy. Dramatic, colorful, taut." -- Locus Engage in a Golden Age Saga - Strategies for fighting and equipment usage - Exclusive maps for every level, from Endar Spire to the climatic final battle - Strategies for each character class - Details on every NPC and party member - Complete strategies for the card game Pazaak - Comprehensive item, power-up, and weapon lists - Complete walkthrough from Padawan to Jedi Master - Tips for resisting (or receiving) the dark side! - All puzzle solutions, minigames, and side quests revealed

The ancient warrior code which persisted in medieval Christian Europe dictated that a man's greatest virtues were physical strength, skill at arms, bravery, daring, loyalty to the chieftain and solidarity within the tribe. The primitive Church had been diametrically opposed to such ideals, however by the early 8th century the Church had grown wealthy, and the Saracen invasions of Spain and France posed a threat to that wealth. The Roman Church began to support war in defence of the faith, and by channelling the martial spirit into the service of God, the brutal

warrior of the past was transformed into a guardian of society. They advocated economic independence from whites and founded insurance companies that became some of the largest black-owned corporations.--L. Diane Barnes "Alabama Review" A graphic version of the legend of King Arthur and the Round Table. Traces the history of aerial operations during World War I. Everyone's favorite time-travelers are changing their styles! The Time Warp Trio series now features a brand-new, eye-catching design, sure to appeal to longtime fans, and those new to Jon Scieszka's wacky brand of humor. The Knights of Solamnia were the greatest order of chivalry in the history of Krynn. All those who wish to become Solamnic Knights must first enter as squires of the Knights of the Crown, with whom they begin their training in the virtue of loyalty. This is the story of Sir Pirvan the Wayward, whose reluctant and inauspicious beginnings as Pirvan the Spell Thief bore few clues to his potential as a Knight of the Crown. Roland J. Green is the author of the Starcruiser Shennandoa and Wandor series and numerous Conan novels, and is coauthor (with Jerry Pournelle) of the Jannisaries series. The Warriors series details the exploits of the heroes and villains of the War of the Lance. THE STORY: A fraternity of Bradleyville's good ole boys, which meets in the now decrepit Cattleman's Hotel, the Knights of the White Magnolia has long since lost sight of its espoused concern with patriotism and racial purity and

has become an ex

Shortly after his initiation into the Order of the Knights Templar, Sir Hugh de Payens is drawn into the turbulence of the First Crusade and joins with fellow members of the Order to uncover the roots of the secret society that has guided his family for generations. A young knight must fulfill his destiny in this second book in a trilogy perfect for fans of *Ranger's Apprentice*. The door between our world and the world of the dark has been blasted open. Now the Knights must face the court of the Endless King. Denizen finally feels like a true Knight, and the court has requested a meeting to thank him for saving the King's daughter. It's either an honor . . . or a trap. When the Knights encounter the members of the Forever Court, the meeting almost immediately dissolves into a battle. And that's not the worst of it. There is another order of people who can communicate with the monsters of the dark. A family who worship the dark. And they will stop at nothing to bring the shadows back to power. imagine a mythic kingdom in England of wizards and witches, fire-breathing dragons, and dreadful giants. Who can rule this magical land? Who can overcome the powers of evil? It is the destiny of King Arthur and his noble knights, who protect and serve the people of Camelot. A perfect introduction to the Arthurian legends. Based on years of exhaustive and meticulous research, David C. Keehn's study provides the first comprehensive analysis of the Knights of the Golden Circle, a secret southern society

that initially sought to establish a slave-holding empire in the "Golden Circle" region of Mexico, the Caribbean, and Central America. Keehn reveals the origins, rituals, structure, and complex history of this mysterious group, including its later involvement in the secession movement. Members supported southern governors in precipitating disunion, filled the ranks of the nascent Confederate Army, and organized rearguard actions during the Civil War. The Knights of the Golden Circle emerged around 1858 when a secret society formed by a Cincinnati businessman merged with the pro-expansionist Order of the Lone Star, which already had 15,000 members. The following year, the Knights began publishing their own newspaper and established their headquarters in Washington, D. C. In 1860, during their first attempt to create the Golden Circle, several thousand Knights assembled in southern Texas to "colonize" northern Mexico. Due to insufficient resources and organizational shortfalls, however, that filibuster failed. Later, the Knights shifted their focus and began pushing for disunion, spearheading pro-secession rallies, and intimidating Unionists in the South. They appointed regional military commanders from the ranks of the South's major political and military figures, including men such as Elkanah Greer of Texas, Paul J. Semmes of Georgia, Robert C. Tyler of Maryland, and Virginus D. Groner of Virginia. Followers also established allies with the South's rabidly pro-secession "fire-

eaters," which included individuals such as Barnwell Rhett, Louis Wigfall, Henry Wise, and William Yancey. According to Keehn, the Knights likely carried out a variety of other clandestine actions before the Civil War, including attempts by insurgents to take over federal forts in Virginia and North Carolina, the activation of pro-southern militia around Washington, D. C. and a planned assassination of Abraham Lincoln as he passed through Baltimore in early 1861 on the way to his inauguration. Once the fighting began, the Knights helped build the emerging Confederate Army and assisted with the pro-Confederate Copperhead movement in northern states. With the war all but lost, various Knights supported one of their members, John Wilkes Booth, in his plot to abduct and assassinate President Lincoln. Keehn's fast-paced, engaging narrative demonstrates that the Knights proved more substantial than historians have traditionally assumed and provides a new perspective on southern secession and the outbreak of the Civil War. "Calling all Knights in Training! Prepare to enter the futuristic kingdom of Knighton. Join the heroic knights--Clay, Macy, Lance, Aaron, and Axl--as they battle armies of fiery monsters. See NEXO Powers in action and discover awesome vehicles and weapons."--Back cover. The whole kingdom has gathered to celebrate Hanukkah--but a dastardly dragon keeps interrupting the festivities. Can the Eight Knights of Hanukkah set things right? A Sydney Taylor

Notable Book It's the last night of Hanukkah and everyone is doing their part for the big celebration, but a dragon called Dreadful has other ideas. He roams the countryside, interrupting the party preparations. Lady Sadie must call upon the Eight Knights of Hanukkah to perform deeds of awesome kindness and stupendous bravery and put an end to the dragon's shenanigans. When Dreadful eats all the special donuts the baker made, Sir Lily helps the baker make more sufganiyot. Sir Alex makes a young lad a new dreidel after Dreadful scorched his original one. And on the Knights go--but when they finally catch up to Dreadful, a funny surprise awaits them! Leslie Kimmelman crafts a humorous and touching story out of a bit of wordplay and a love for a holiday that truly shines. Galia Bernstein's artwork is full of appeal and is sure to satisfy fantasy fans. Back matter includes a note on the traditions of Hanukkah and directions for playing the dreidel game. Reid has spent her whole life pretending to be a man so she can inherit her father's estate, but when a chance encounter threatens to expose her lie, she is forced to risk everything. In the kingdom of Marsden, women are subservient to men and land can only pass from father to son. So when Reid Ellington is born, the fifth daughter to one of the wealthiest landholders in the kingdom, it's announced that Reid is a boy. Eighteen years later, Reid struggles to conceal the fact she's actually a young woman. Every day, her secret becomes harder to keep. When one of Marsden's

princes sees her sparring with a sword, she is forced to accept his offer and lead her father's soldiers to the border. Along the way, she discovers a covert organization within the army known as the Knights of the Realm. If Reid wants to save her family from being arrested for treason and robbed of their inheritance, she will have to join the Knights and become a weapon for the crown. To protect her family, Reid must fight like a man. To do that, she'll need the courage of a woman.

Through veteran interviews, this illustrated history explores the contributions, experiences, and legacy of the Tuskegee Airmen from 1941–1946. What became known as the Tuskegee Experience began in 1931 with a letter from the head of the National Association for the Advancement of Colored People to the War Department asking that blacks be allowed to join the military. The efforts of early African American aviators, the struggle of organizations and individuals against the military's segregation policies, and the hard work of thousands of young men and women, military and civilian, black and white, all combined to make the Tuskegee Airmen an important but often overlooked part of America's military history. Through fascinating interviews with veterans and historical photographs, *Black Knights* tells the story of the men and women who served in the training program at Tuskegee Army Air Field from 1941 to 1946. The pilots' stories are here, but so are the experiences of the mechanics, band members, armorers,

staff officers, nurses, and more who proved that they had courage and perseverance, not only in war, but in peacetime as well. Foreword by Neil Gaiman The world's leading Arthurian authority reimagines one of the most beloved and influential legends—the story of King Arthur and his Knights—for a new century in this gorgeous keepsake edition, illustrated with luminous full-color paintings and drawings by internationally acclaimed Tolkien artist John Howe. The stories of King Arthur and Merlin, Lancelot and Guinevere, Galahad, Gawain, Tristan and the rest of the Knights of the Roundtable, and the search for the Holy Grail have been beloved for centuries and are the inspiration of many modern fantasy novels, films, and shows. These legends began when an obscure Celtic hero named Arthur stepped on to the stage of history sometime in the sixth century, generating a host of oral tales that would be inscribed some 900 years later by Thomas Malory in his classic *Morte D'Arthur* (The Death of Arthur). The *Great Book of King Arthur* brings these legends into the modern age, using accessible prose for contemporary readers for the first time. In addition to the stories in *Morte D'Arthur*, John Matthews includes many tales of Arthur and his knights either unknown to Malory or written in other languages, such as the story of Avenable, the girl brought up as a boy who becomes a famous knight; Morien, whose adventures are as fantastic and exciting as any found in Malory's work; and a retelling

of the life of Round Table favorite Gawain, from his strange birth to his upbringing among the poor to his ascension to the highest position—Emperor of Rome. In addition, there are some of the earliest tales of Arthur, deriving from the tradition of Celtic storytelling. The epic hero is represented in such powerful stories as “The Adventures of Eagle-boy” and “The Coming of Merlin,” which is based on the early medieval text Vita Merlini and tells a completely new version of the great enchanter’s story. The Great Book of King Arthur includes 15 full-color paintings and 25 pencil drawings. Two years have passed since Gideon's victory in the Crystal Forest. Now possessed by the dark energy that consumes him he intends to finish what General Zadock had begun. Lady Elana, in a final act of desperation, has sent Rose far off into a distant future. Knowing that without her the prophecy shall forever remain unfulfilled Gideon himself now seeks to travel through time. However new friends have joined with Lars in his quest to stop Gideon before it is too late. As they search for answers, Lars hears an ominous voice calling to him from seemingly out of nowhere. The voice claims to be Lady Elana and insists that he return to where his journey first began—to the Mountains of Yunwee Djunsiti. Once again he is told that he must enter the magic mirror, hidden deep inside the sacred Blood Chamber. The strange voice, which repeatedly calls to him insists that the mirror is more than it appears to be. It is there

Lars is told that he shall find his destiny. That That he shall once and for all uncover the secrets behind who he is and where he comes from. They're Puffin Classics for a reason, it's because they're the best. Step up to the Round Table and join the knights of the Realm! King Arthur is one of the greatest legends of all time. From the magical moment when Arthur releases the sword in the stone to the quest for the Holy Grail and the final tragedy of the Last Battle, Roger Lancelyn Green brings the enchanting world of King Arthur stunningly to life. One of the greatest legends of all time, with an inspiring introduction by David Almond, award-winning author of *Clay*, *Skellig*, *Kit's Wilderness* and *The Fire-Eaters*. "It is in the very first rank of imaginative and historical romance. The time and scene of the noble story are laid in the middle ages during the conquest of Pagan Lithuania by the military and priestly order of the "Krzyzacy" Knights of the Cross. And the story exhibits with splendid force the collision of race passions and fierce, violent individualities which accompanied that struggle. Those who read it will, in addition to their thrilling interest in the tragical and varied incidents, gain no little insight into the origin and working of the inextinguishable race hatred between Teuton and Slav. It was an unfortunate thing surely, that the conversion of the heathen Lithuanians and Zmudzians was committed so largely to that curious variety of the missionary, the armed knight, banded in

brotherhood, sacred and military. To say the least, his sword was a weapon dangerous to his evangelizing purpose. He was always in doubt whether to present to the heathen the one end of it, as a cross for adoration, or the other, as a point to kill with. And so, if Poland was made a Catholic nation, she was also made an undying and unalterable hater of the German, the Teutonic name and person."--Goodreads A fantasy novel about a young boy who discovers a wonderful book that fills him with the desire to grow up to be knight--and whose desire is granted in strange and unexpected ways. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. When Calvin Bryson decides to visit his aunt and uncle, he learns that their small town is harboring some strange secrets-including a modern-day incarnation of the legendary Knights Templar. Have you ever wanted to soar on the back of a dragon? Would you battle deadly aliens in an intergalactic clash, or travel the universe as an interstellar superhero? If you dream of adventure and romance, then "The Knights of El Shaddai" is the story for you! Follow the protectors of the universe as they fight to defend the innocent, and defeat an ancient psychic evil. In "The Knights of El Shaddai – The Blessing", Keir O'Kirk, a brave young knight, embarks on a quest to win the heart of a lady, and uncover a secret that will change the universe. Will he claim his destiny and his love before a demon from his past destroys the future? This is

a complete history of the Order of St John or Knights of Malta. Founded as a hospice for pilgrims in Jerusalem in the 11th Century, the Order has in succeeding centuries played an important military, religious and political role in the history of Europe and the Mediterranean. The first book in a new series about an orphan boy who discovers he is part of a secret army that protects the world from a race of shadowy monsters. Acclaimed writer Jodorowsky puts a supernatural spin on one of the greatest myths in the history of France, The Man in the Iron Mask, rewritten as a grand, esoteric fable. The 18th century. In a monastery in the North of Spain hides the sacred temple of the Knights of Heliopolis: an assembly of immortal alchemists cut off from the world. As disciple Seventeen prepares to complete his training and integrate order, his master Fulcanelli reveals to the other knights the terrible secret of his origins – Seventeen is actually the hidden son of King Louis XVI and Marie-Antoinette! Will the young heir remain in the shadows, faithful to the millennial precepts of Alchemy, or reveal himself and claim the throne? "King Arthur's Knights" by Henry Gilbert. Published by Good Press.
