'Somehow witches, mages, alchemists, devil-worshippers, New-
Age pundits, standing stones, flying saucer buffs, ley-lines,

members of secret societies...all make their exits and entrances.'

Literary Review It is said that, Berenger Sauniere, priest of the village Rennes-le-Chateau, was guarding a secret about Jesus Christ. The Priory of Sion, an organisation apparently founded in the 12th century, is said to lie behind the tale. This book publishes a study of the village, and reveals the source of Sauniere's wealth and nature of the Priory of Sion. On the Farm all animals were equal. In the Castle some are more equal than others. For fans of the bestselling Stray Dogs and the Eisner Award winning Beasts of Burden comes an animal fable at once familiar and surprising! You may think you know the story but set aside your assumptions, this animal uprising is unlike any you have read! Nestled in the heart of a farm forgotten by men, the Animal Castle is ruled with an iron hoof by President Silvio. The bull and its dog militia savor their power, while the other animals are exhausted by work, until the arrival of the mysterious Azelard, a traveling rat who will teach them the secrets of civil disobedience. In 1916, Berenger Sauniere, the enigmatic priest of the French village of Rennes-le-Chateau, created his ultimate clue: he went to great expense to create a model of a region said to be the Calvary Mount, indicating the 'Tomb of Jesus'. But the region on the model does not resemble the actual lay-out of Jerusalem. Did Sauniere leave a clue as to the true location of his treasure? And what is that treasure? After years of research, Andre Douzet discovered this model, never collected from the model maker by Sauniere, who had died just before the model's completion. Backed by evidence showing correspondence between Sauniere and the model maker, Douzet also reveals much new evidence, including the revelation that Sauniere spent large amounts of time and money in the city of Lyons, often on exotic and high tech photographic instruments. And for the first time, it is shown Sauniere met some very interesting people from esoteric, in particular Martinist, circles in Lyons. This body of evidence for the first time demonstrates there is indeed a true

mystery surrounding this village priest -- a theory widely speculated on so far by others authors, but seldom if ever backed by evidence. The model is the only real clue Sauniere left behind as to the nature and location of his treasure -- and is unveiled in this book, which includes pictures and detailed drawings of the model, among many other things. It also reveals the location of the region where Sauniere had located his treasure...and where Douzet himself has so far recovered large quantities of precious and semi-precious materials. Above all, Douzet demonstrates that grounds of Perillos not so much hold a 'treasure' (though present), but rather a 'secret', and that this secret was the true importance of Sauniere's mystery; a secret that is said to be of vital importance -- and terrifying force. Since February 1972 when Henry Lincoln introduced Rennes-le-Chateau and its priest Berenger Sauniere to the world outside France, vast numbers of people have become intrigued... some even obsessed... by the mystery. But those who do not understand the French language could not read "The Prime Source." The first book to tell the strange story has never been properly translated. This book fills that gap. The Accursed Treasure was the first important sign-post along a trail of discovery - and it remains key to the mystery. There is much yet to be found... much work yet to be done... before we can begin to understand its true significance. In your hands, you hold a mysterious, a significant - and a very important - book." Patrice Chaplin began going to Girona, Spain, at age 15, and with each visit she became more enmeshed in its mysteries. She found a lover, Jose; met many strange characters; and heard dark talk of the legendary Abbé Saunière of Rennes-le-Château. She discovered that many of Girona's townspeople were part of a secret society formed to guard the Abbé's legacy and his knowledge of the Grail. Eventually the society asks Patrice to be the vehicle for revealing their secrets. This riveting account is the result of that request. This work represents a Christian response to the controversial book The Holy Blood and the Holy Grail,

which first brought the mystery surrounding Rennes-le-Chateau to the public's attention. The labyrinthine story involves the mysterious hidden treasure of Rennes, Cathars and the Knights Templar, alchemists and Rosicrucians, the Habsburg royal family, the Inquisition, and an opera star; it takes the reader from France to Glastonbury and to Nova Scotia - site of the equally mysterious Money Pit. Bestselling author Henry Lincoln reveals the groundbreaking secrets of one of the most sacred places on earth. This book is an English translation from the French, of Gerard de Sede's Rennes mystery, the fascinating tale of the treasures of the Visigoths. The mysterious priest of Rennes-le-Chateau, Berenger Sauniere, who uncovered this secret beckons us to follow the clues he built into his domain as a legacy for those of the future. It is a tale steeped in mystery and intrigue, and the blood of those who met untimely deaths in search of the treasures. " J'abordais l'affaire Seunière avec des yeux neufs. J'avais ses archives à ma disposition. Je vivais dans sa maison et ma position me plaçait à l'intersection d'une foule d'informations. En face de moi, un public parfois goguenard souvent incrédule, mais toujours curieux. Chaque jour était un nouveau défi, chaque heure de visite une nouvelle mise en scène. Je savais que j'avais conquis mon public lorsqu'on me demandait à chaque fin de visite guidée si je n'avais pas écrit un livre sur le sujet. " Ce livre, le voici enfin : décapant, malicieux, plein de tendresse pour un prêtre hors du commun, fourmillant de détails et de documents. L'auteur nous mène pas à pas dans le sillage d'un Béranger Saunière intime qui nous dévoile ses secrets, jusqu'au moment où notre guide se retourne pour nous déclarer : " A partir de ce moment, je suis obligé de vous lâchez la main... " Laissons la parole à Henry Lincoln, le préfacier : " Tous les autres auteurs, dont moi-même, n'avons saisi qu'une ombre de ce qu'était la vraie vie de Béranger Saunière. Jean-Luc, lui, l'a ressenti. Il l'a vécu. C'est pourquoi ce livre a enfin quelque chose de plus à offrir. " An American expatriate, Sarah Cabot, is discovered to be a descendent of Joan

of Arc and is crowned Queen of France in the near future. Her new security clearance allows Sarah to venture beneath Rennes le Chateau and the ruins of Perillos to discover the shocking truth about the Garden of Eden and Sion. Her lifelong questions about the Rennes le Chateau mystery and the Davidic bloodline are answered and Cabot soon discovers why the priest of the tiny hilltop village was so flippant to his superiors. She must find a way to rule France despite the disturbing reality of the road to Sion. Since 1890 the mysterious hoard of gold supposedly discovered by the impoverished parish priest of Rennes-le-Chateau has baffled first his parishioners and later the wider public. Fuelled by ever more fantastic rumours, this mystery has never before been thoroughly investigated and credibly solved. A fascinating and highly readable historical detective story, *The Treasure of Rennes-le-Chateau: A Mystery Solved* will captivate those interested in mystery, conspiracy and archaeology. This is a reproduction of a book published before 1923. This text on life in Rwanda's prisons covers subjects such as work and leisure, women in prison, children in prison, the elderly in prison, military prisoners, prison visits, relations between prisoners, attitudes to imprisonment, and confessions. The true-life memoir *Patrice Chaplin began in City of Secrets* continues here in the story of her spiritual initiation into the Kabbalistic tradition preserved since the Middle Ages by a secret society in the pre-Roman city of Girona, Spain. Salvador Dalí was a member of that society, as was the renowned author

Umberto Eco, the filmmaker Jean Cocteau, and Jancint Verdeguer, one of the most celebrated Catalan poets. Importantly, so was the mysterious Berenger Sauniere, the priest who in the late 1800s built Rennes-le-Château in southern France, with the Tour Magdala, a tower that is twin to the neo-gothic tower in Girona. In this gripping story that reads like the adventures of a female Castenada, Chaplin is led through a series of initiatory stages which correspond to the magical square of Venus, containing the constellation of the Great Bear. Finally, the mystery is solved and all is revealed. Learn how the Anti-Magdalene conspiracy has been lying to us for thousands of years and how one man stood up for the Truth of Mary Magdalene. After witnessing the deaths of animals she knew as friends for seemingly nothing, Miss B. becomes a conflicted cat. Things are further complicated when questions are raised about the state of the farm, bringing down severe retaliation by President Silvio's hounds. Miss B. has to ask herself what's worse: doing something that could cost a life or do nothing at all? For fans of the bestselling *Stray Dogs* and the Eisner Award winning *Beasts of Burden* comes an animal fable at once familiar and surprising! You may think you know the story but set aside your assumptions, this animal uprising is unlike any you have read! Do five mountains in Southern France contain the greatest treasure of human history? What exactly was the artifact known as the Holy Grail? Was civilization created by beings that were greater than human? Was there once a primeval language given to us by the gods? Does the so-called Grail bloodline descend not just from Jesus, but from the biblical Cain? What is it that makes the Grail bloodline special, and gives the "Grail kings" a divine right to rule? What is the nature of the ancient conflict that has shaped thousands of years of human history? These questions and more are addressed in Tracy R. Twyman's long awaited book "The Merovingian Mythos and the Mystery of Rennes-le-Chateau." Ms. Twyman has been a journalist and occult researcher for more

than ten years. She has pursued the Grail mystery in her magazine, Dagobert's Revenge, for more than seven years. Now within the pages of this revolutionary work, Twyman reveals the shocking results of this exhaustive research. After reading this volume, you will never look at history or mythology the same way again.
