Thomas Jefferson Brown Mar 24 2021 ÊIt had an aristocratic sound; and Thomas Jefferson, with the Brown cut off, was still aristocratic, when you came to count the red corpuscles in him. In some sort of way he was related to two dead Presidents, three dead army officers, a living college professor, and a few common people. He was legitimately born to the purple, but fate had sent him off on a curious ricochet in a game all of its own, and changed him from Thomas Jefferson Brown into just plain Thomas Jefferson without the Brown. He was one of those specimens who, when you meet them, somehow make you feel there are a few lost kings of the earth, as well as lost lambs. He was what we called a "first-sighter"Ñthat is, you liked him the instant you looked at him. You knew without further acquaintance that he was a man whom you could trust with your money, your friendshipÑanything you had. He was big, with a wholesome brown face, blond hair, and gray eyes that seemed always to be laughing and twinkling, even when he was hungry. He carried about with him a load of cheerfulness so big that it was constantly spilling over on other people. There was a time when Thomas Jefferson Brown had little white cards with his name on them. That was when he went to college, and his lungs weren't so good. It was then that some big doctor told him that if he wanted to live to have grandchildren, the best thing for him to do was to "tramp it" for a timeÑlive out of doors, sleep out of doors, do nothing but breathe fresh air and walk. That doctor was Fate, playing his game behind a pair of spectacles and a bumpy forehead. He saved Thomas Jefferson Brown, all right; but he turned him into plain Thomas Jefferson.

Letters from the Dead Jul 20 2023 From acclaimed author Steve Robison comes a thrilling new Jefferson Tayte mystery. When genealogist Jefferson Tayte is hired to prove the identity of a black sheep in his client's family tree, he unwillingly finds himself drawn into a murder investigation with nothing more to go on than a 150-year-old letter and a connection to a legendary ruby that has been missing for generations. As more letters are mysteriously left for him, Tayte becomes immersed in a centuries-old tale of greed, murder and forbidden love that takes his research from the wilds of the Scottish Highlands to the colour and heat of colonial India. A dark secret is buried in Jaipur, steeped in treachery and scandal. But why is it having such deadly repercussions in the present? Can Tayte find the ruby and prevent the past from repeating itself before it's too late? This is the seventh book in the Jefferson Tayte Genealogical Mystery series but it can be enjoyed as a stand-alone story.

Blind Lemon Jefferson Mar 04 2022 Between 1926 and his untimely death in 1929, Blind Lemon Jefferson was the largest-selling African-American blues singer in the United States. Blind from birth, Lemon wandered the streets of Wortham, Groesbeck, Marlin and Kosse in Central Texas, playing his guitar and soliciting contributions with his tin cup. In 1912 he caught a train to Dallas, where he performed in the famous Deep Ellum district. He was discovered by a talent scout for Paramount Records and taken to Chicago in 1925. Between 1926 and 1929, Lemon recorded more than a hundred titles and traveled extensively. His musical influence was widespread, affecting white and African-American musicians alike and extending to musical forms other than the blues. Robert L. Uzzel, was born in Waco, Texas, holds a doctor of philosophy degree from Baylor University. He has been a minister in the African Methodist Episcopal Church since 1975 and currently serves as pastor of Forest Hill AME Church in Fort Worth. His articles on theological and historical subjects have appeared in a number of publications.

Meriwether Lewis Sep 17 2020 This new full-length biography of Meriwether Lewis is presented within the context of the turbulent times of the early American Republic. The author discusses intrigues to seize the Floridas and Louisiana from Spain with the help of France or Britain, and makes the case for General James Wilkinson assassinating General Anthony Wayne to become the commanding general of the U.S. Army. She proposes that the deadlock in the presidential election of 1800 between Aaron Burr and Thomas Jefferson was caused by a British faction of Federalists who planned to invade Louisiana and Mexico if Burr were elected president. Three parts of the conspiracy are identified: a secret military base on the Ohio, Cantonment Wilkinsonville, where 700 U.S. Army troops were stationed; the Philip Nolan filibuster into Texas; and British naval support. After Jefferson's election, Lewis lived in the White House as his confidential aide. In 1803, he left the White House as the leader of an elite army unit to reinforce America's claim to the Pacific Northwest. When he returned, Jefferson appointed him governor of Louisiana Territory based in St. Louis with orders to remove followers of Aaron Burr from positions of power and influence. Within two years Meriwether Lewis was dead at the age of 35, killed by an assassin's bullets in 1809. The case is made that General Wilkinson and John Smith T., a wealthy lead mine operator, were the organizers of his assassination. Their motive was to prevent Lewis from stopping another filibuster expedition into Mexico in 1810. This biography of Lewis offers a very different

interpretation of his character and achievements, supporting the idea that, if he had lived, Lewis was in line to become president of the United States. It presents a detailed account of his activities as a loyal Jefferson supporter, presidential aide, leader of a continental expedition, and governor of Louisiana Territory.

I Killed Thomas Jefferson Dec 21 2020 This novel takes place from 1801 to 2057, and is written in the format of an alternative history. Following the murder of America's third President, by the son of one of his slave mistresses; there is no Louisiana Purchase; no United States of America West of the Mississippi River; and no American Civil War. But, there is a vigilante group called the White Sons of Virginia that chases the run-a-way slave and his descendants into the Twenty First Century when the story comes to a thrilling climax during a Texas Hurricane in October, 2057 in the Gulf of México.

A Lesson Before Dying May 26 2021 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. A “majestic, moving novel ... an instant classic, a book that will be read, discussed and taught beyond the rest of our lives” (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*.

The 1849 Cholera Outbreak in Jefferson City Jun 07 2022 In 1849, a steamship named after President James Monroe headed from St. Louis to Council Bluffs, Iowa. The passengers were members of the Church of Jesus Christ of Latter-day Saints from Philadelphia. At St. Louis, they were joined with a group of California gold diggers from Jeffersonville, Indiana. But their trip was interrupted when cholera broke out on board. Local fourteen-year-old James McHenry discovered the steamship after it landed at Jefferson City and observed the dead and dying victims along the riverbank. Author Gary Elliott details the history of the outbreak in the city and its far-reaching effects.

Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

Death's Acre May 18 2023 “Fans of the forensics-oriented novels of such mystery writers as Kathy Reichs and Patricia Cornwell...not to mention television series like CSI: Crime Scene Investigation, will make an eager audience for this one.”—Booklist On a patch of land in the Tennessee hills, human corpses decompose in the open air, aided by insects, bacteria, and birds, unhindered by coffins or mausoleums. This is Bill Bass’s “Body Farm,” where nature takes its course as bodies buried in shallow graves, submerged in water, or locked in car trunks serve the needs of science and the cause of justice. In *Death’s Acre*, Bass invites readers on an unprecedented journey behind the gates of the Body Farm where he revolutionized forensic anthropology. A master scientist and an engaging storyteller, Bass reveals his most intriguing cases for the first time. He revisits the Lindbergh kidnapping and murder, explores the mystery of a headless corpse whose identity astonished police, divulges how the telltale traces of an insect sent a murderous grandfather to death row—and much more. INCLUDES PHOTOGRAPHS

Democracy's Muse Aug 29 2021 In political speech, Thomas Jefferson is the eternal flame. No other member of the founding generation has served the agendas of both Left and Right with greater vigor. When Franklin Roosevelt dedicated the iconic Jefferson Memorial on the founder’s two hundredth birthday, in 1943, he declared the triumph of liberal humanism.

Harry Truman claimed Jefferson as his favorite president, too. And yet Ronald Reagan was as great a Jefferson admirer as any Democrat. He had a go-to file of Jefferson's sayings and enshrined him as a small-government conservative. So, who owns Jefferson--the Left or the Right? The unknowable yet irresistible third president has had a tortuous afterlife, and he remains a fixture in today's culture wars. Pained by Jefferson's slaveholding, Democrats still regard him highly. Until recently he was widely considered by many African Americans to be an early abolitionist. Libertarians adore him for his inflexible individualism, and although he formulated the doctrine of separation of church and state, Christian activists have found intense religiosity between the lines in his pronouncements. The renowned Jefferson scholar Andrew Burstein lays out the case for both "Democrat" and "Republican" Jefferson as he interrogates history's greatest shape-shifter, the founder who has inspired perhaps the strongest popular emotions. In this timely and powerful book, Burstein shares telling insights, as well as some inconvenient truths, about politicized Americans and their misappropriations of the past, including the concoction of a "Jeffersonian" stance on issues that Jefferson himself could never have imagined. Here is one book that is more about "us" than it is about Jefferson. It explains how the founding generation's most controversial partisan became essential to America's quest for moral security—how he became, in short, democracy's muse.

Seven Dead Sep 10 2022 DigiCat Publishing presents to you this special edition of "Seven Dead" by J. Jefferson Farjeon. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Jefferson's Demons Nov 19 2020 "I have often wondered for what good end the sensations of Grief could be intended." -- Thomas Jefferson Thomas Jefferson suffered during his life from periodic bouts of dejection and despair, shadowed intervals during which he was full of "gloomy forebodings" about what lay ahead. Not long before he composed the Declaration of Independence, the young Jefferson lay for six weeks in idleness and ill health at Monticello, paralyzed by a mysterious "malady." Similar lapses were to recur during anxious periods in his life, often accompanied by violent headaches. In Jefferson's Demons, Michael Knox Beran illuminates an optimistic man's darker side -- Jefferson as we have rarely seen him before. The worst of these moments came after his wife died in 1782. But two years later, after being dispatched to Europe, Jefferson recovered nerve and spirit in the salons of Paris, where he fell in love with a beautiful young artist, Maria Cosway. When their affair ended, Jefferson's health again broke down. He set out for the palms and temples of southern Europe, and though he did not know where the therapeutic journey would take him or where it would end, his encounter with the old civilizations of the Mediterranean was transformative. The Greeks and Romans taught him that a man could make productive use of his demons. Jefferson's immersion in the mystic truths of the Old World gave him insights into mysteries of life and art that Enlightenment philosophy had failed to supply. Beran skillfully shows how Jefferson drew on the esoteric lore he encountered to transform anxiety into action. On his return to America, Jefferson entered the most productive period of his life: He created a new political party, was elected president, and doubled the size of the country. His private labors were no less momentous...among them, the artistry of Monticello and the University of Virginia. Jefferson's Demons is an elegantly composed account of the strangeness and originality of one Founder's genius. Michael Knox Beran uncovers the maps Jefferson used to find his way out of dejection and to forge a new democratic culture for America. Here is a Jefferson who, with all his failings, remains one of his country's greatest teachers and prophets.

The Famous and the Dead Dec 13 2022 For fans of Michael Connelly and CJ Box, from New York Times bestseller and Edgar-award winner T. Jefferson Parker, author of The Room of White Fire, comes the explosive finale in his Charlie Hood series, which will bring together the destinies of three men caught between light and darkness, and now features an excerpt from his upcoming novel The Room of White Fire. Los Angeles County sheriff's deputy Charlie Hood is attached to the ATF, working undercover on the illegal arms trade that flows across the U.S.-Mexico border. The sparkle of the diamond fillings he wears in his left canine distracts his task force targets and is often the first step toward a long stay behind bars. Meanwhile, Bradley Jones—sheriff's deputy, employee of the Baja Cartel, and son of the love of Charlie's life—is expecting a son of his own. Bradley, supposedly descended from the famed Mexican outlaw Joaquin Murrieta, has reaped the rewards of his treachery, keeping a hoard of cash and jewelry in a secret lair on his property. Charlie knows Bradley's secrets, all of them; the question is what he'll do with the information. But he still has to contend with the devilish Mike Finnegan, who flits in and out of the lives of his friends, knows things he

should not know, is seemingly immortal, and delights in the havoc he wreaks in the orbits of everyone he touches.... All three are about to meet. But all will not survive....

Death's Apprentice Apr 24 2021 Nathaniel, the 17-year-old apprentice of Death, is forced to stand on his own to lead an uprising against the Devil in Grimm City, where an ensuing brutal revolt tests the loyalties of the living and the dead. 40,000 first printing.

Bloody Crimes Jan 02 2022 As the Yankees approached Richmond on April 2, 1865, Jefferson Davis fled the capital, setting off an intense and thrilling chase in which Union cavalry hunted the Confederate president. Two weeks later, President Lincoln was assassinated, and the nation was convinced that Davis was involved in the crime. Preparing for the largest and most magnificent funeral pageant in American history, soldiers placed Lincoln's corpse aboard a special train to Springfield, Illinois. Along the way, several million mourners watched the funeral train roll by. The saga that began with *Manhunt* continues as James Swanson masterfully weaves together the stories of the two fallen leaders as they make their final journeys through the bloody landscape of a wounded nation.

The Jefferson Bible Nov 12 2022 The life and times of a uniquely American testament In his retirement, Thomas Jefferson edited the New Testament with a penknife and glue, removing all mention of miracles and other supernatural events. Inspired by the ideals of the Enlightenment, Jefferson hoped to reconcile Christian tradition with reason by presenting Jesus of Nazareth as a great moral teacher—not a divine one. Peter Manseau tells the story of the Jefferson Bible, exploring how each new generation has reimagined the book in its own image as readers grapple with both the legacy of the man who made it and the place of religion in American life. Completed in 1820 and rediscovered by chance in the late nineteenth century after being lost for decades, Jefferson's cut-and-paste scripture has meant different things to different people. Some have held it up as evidence that America is a Christian nation founded on the lessons of the Gospels. Others see it as proof of the Founders' intent to root out the stubborn influence of faith. Manseau explains Jefferson's personal religion and philosophy, shedding light on the influences and ideas that inspired him to radically revise the Gospels. He situates the creation of the Jefferson Bible within the broader search for the historical Jesus, and examines the book's role in American religious disputes over the interpretation of scripture. Manseau describes the intrigue surrounding the loss and rediscovery of the Jefferson Bible, and traces its remarkable reception history from its first planned printing in 1904 for members of Congress to its persistent power to provoke and enlighten us today.

Jefferson's War Feb 15 2023

The Death and Resurrection of Jefferson Davis Aug 21 2023 When the Civil War ended, Jefferson Davis had fallen from the heights of popularity to the depths of despair. In this fascinating new book, Donald E. Collins explores the resurrection of Davis to heroic status in the hearts of white Southerners culminating in one of the grandest funeral processions the nation had ever seen. As schools closed and bells tolled along the thousand mile route, Southerners appeared en masse to bid a final farewell to the man who championed Southern secession and ardently defended the Confederacy.

The Jefferson Bible Apr 05 2022 The Jefferson Bible, or *The Life and Morals of Jesus of Nazareth* as it is formally titled, was a book constructed by Thomas Jefferson in the latter years of his life by cutting and pasting with a razor and glue numerous sections from the New Testament as extractions of the doctrine of Jesus. Jefferson's condensed composition is especially notable for its exclusion of all miracles by Jesus and most mentions of the supernatural, including sections of the four gospels which contain the Resurrection and most other miracles, and passages indicating Jesus was divine. Jefferson cut and pasted his arrangement of selected verses from the King James Version[8] of the books of Matthew, Mark, Luke, and John in chronological order, putting together excerpts from one text to those of another in order to create a single narrative. Thus he begins with Luke 2 and Luke 3, then follows with Mark 1 and Matthew 3. He provides a record of which verses he selected and of the order in which he arranged them in his "Table of the Texts from the Evangelists employed in this Narrative and of the order of their arrangement." Consistent with his naturalistic outlook and intent, most supernatural events are not included in Jefferson's heavily edited compilation. Paul K. Conkin states that "For the teachings of Jesus he concentrated on his milder admonitions (the Sermon on the Mount) and his most memorable parables. What resulted is a reasonably coherent, but at places oddly truncated, biography. If necessary to exclude the miraculous, Jefferson would cut the text even in mid-verse." Historian Edwin Scott Gaustad explains, "If a moral lesson was embedded in a miracle, the lesson survived in Jeffersonian scripture, but the miracle did not. Even when this took some rather careful cutting with scissors or razor, Jefferson managed to maintain Jesus' role as a great moral teacher, not as a shaman or faith healer." Therefore *The Life and Morals of Jesus of Nazareth* begins with an account of Jesus's birth without references to angels (at that time), genealogy, or prophecy. Miracles, references to the Trinity and the divinity of Jesus, and Jesus' resurrection are also absent from his collection. No supernatural acts of Christ are included at all in this regard, while the few things of a supernatural nature include receiving of the Holy Spirit, angels, Noah's Ark and the Great Flood, the Tribulation, the Second Coming, the resurrection of the dead, a future kingdom, and eternal life, Heaven, Hell and punishment in everlasting fire, the Devil, and the soldiers falling backwards to the ground in response to Jesus stating, "I am he." Rejecting the resurrection of Jesus, the work ends with the words: "Now, in the place where He was crucified, there was a garden; and in the garden a new sepulchre, wherein was never man yet laid. There laid they Jesus. And rolled a great stone to the door of the sepulchre, and departed." These words correspond to the ending of John 19 in the Bible. Thomas Jefferson (April 13 1743 - July 4, 1826) was an American Founding Father, the principal author of the Declaration of Independence (1776), and the third President of the United States (1801-1809). He was a spokesman for democracy, and embraced the principles of republicanism and the rights of the individual with worldwide influence. At the beginning of the American Revolution, he served in the Continental Congress, representing Virginia, and then served as a wartime Governor of Virginia (1779-1781). In May 1785, he became the United States Minister to France and later the first United States Secretary of State (1790-1793) serving under President George

Washington. In opposition to Alexander Hamilton's Federalism, Jefferson and his close friend, James Madison, organized the Democratic-Republican Party, and later resigned from Washington's cabinet.

Thomas Jefferson Aug 17 2020 At a White House dinner in 1962 honoring the Nobel Prize winners of the Western Hemisphere, President John Kennedy greeted them by saying: "I want to tell you how welcome you are to the White House. I think this is the most extraordinary collection of talent, of human knowledge, that has ever been gathered together at the White House, with the possible exception of when Thomas Jefferson dined alone." The laureates might have been a trifle nonplussed to hear themselves collectively compared to one man, but Thomas Jefferson left his imprint on his state of Virginia; his young country, the United States; France where he served as ambassador; and the world, where his opposition to tyranny and his advocacy of freedom have inspired generations to believe that the pursuit of happiness, as he wrote in his Declaration of Independence, is an unalienable right. Inside you will read about... ? His Life, His Loves, His Legacy ? The Son of Virginia ? Jefferson the Patriot ? Jefferson in Paris ? Jefferson the Politician ? Jefferson the President ? Jefferson at Home Jefferson himself opted for less opulent praise; the epitaph that he composed for his tombstone accommodated space for the dates of his birth and death, and listed the following accomplishments: author of the Declaration of Independence and the Statute of Virginia for Religious Freedom, and father of the University of Virginia. Between Kennedy's description of the third president of the United States and Jefferson's own rendition of his accomplishments resides the enigma of an American philosopher who ardently believed in freedom yet owned slaves; a patriot who served his country with his talents and energies, but who was embroiled in the political machinations which rose to the surface as soon as the first president was in office; a human being who doubted the intellectual equality of African-Americans yet was engaged in a 38-year affair with a much younger female slave, with whom he fathered six children; a brilliant innovator who lived his life in debt; a man accustomed to the finer things that life could offer who espoused the simple, agrarian model for the new country he helped to found. Jefferson, the Founding Father, remains an unsolved mystery to the subsequent

Thomas Jefferson's Ethics and the Politics of Human Progress May 14 2020 This extensive study suggests that, despite being one of the largest slaveholders in Virginia, Jefferson was consistent in his advocacy of human rights.

Jefferson in Power - The Death Struggle of the Federalists Jul 08 2022 PREFACE. THE Author of this very practical treatise on Scotch Loch - Fishing desires clearly that it may be of use to all who had it. He does not pretend to have written anything new, but to have attempted to put what he has to say in as readable a form as possible. Everything in the way of the history and habits of fish has been studiously avoided, and technicalities have been used as sparingly as possible. The writing of this book has afforded him pleasure in his leisure moments, and that pleasure would be much increased if he knew that the perusal of it would create any bond of sympathy between himself and the angling community in general. This section is interleaved with blank sheets for the readers notes. The Author need hardly say that any suggestions addressed to the case of the publishers, will meet with consideration in a future edition. We do not pretend to write or enlarge upon a new subject. Much has been said and written-and well said and written too on the art of fishing but loch-fishing has been rather looked upon as a second-rate performance, and to dispel this idea is one of the objects for which this present treatise has been written. Far be it from us to say anything against fishing, lawfully practised in any form but many pent up in our large towns will bear us out when we say that, on the whole, a days loch-fishing is the most convenient. One great matter is, that the loch-fisher is depend-ent on nothing but enough wind to curl the water, -and on a large loch it is very seldom that a dead calm prevails all day, -and can make his arrangements for a day, weeks beforehand whereas the stream- fisher is dependent for a good take on the state of the water and however pleasant and easy it may be for one living near the banks of a good trout stream or river, it is quite another matter to arrange for a days river-fishing, if one is looking forward to a holiday at a date some weeks ahead. Providence may favour the expectant angler with a good day, and the water in order but experience has taught most of us that the good days are in the minority, and that, as is the case with our rapid running streams, -such as many of our northern streams are, -the water is either too large or too small, unless, as previously remarked, you live near at hand, and can catch it at its best. A common belief in regard to loch-fishing is, that the tyro and the experienced angler have nearly the same chance in fishing, -the one from the stern and the other from the bow of the same boat. Of all the absurd beliefs as to loch-fishing, this is one of the most absurd. Try it. Give the tyro either end of the boat he likes give him a cast of ally flies he may fancy, or even a cast similar to those which a crack may be using and if he catches one for every three the other has, he may consider himself very lucky. Of course there are lochs where the fish are not abundant, and a beginner may come across as many as an older fisher but we speak of lochs where there are fish to be caught, and where each has a fair chance. Again, it is said that the boatman has as much to do with catching trout in a loch as the angler. Well, we dont deny that. In an untried loch it is necessary to have the guidance of a good boatman but the same argument holds good as to stream-fishing...

The Mind of Thomas Jefferson Oct 19 2020 In *The Mind of Thomas Jefferson*, one of the foremost historians of Jefferson and his time, Peter S. Onuf, offers a collection of essays that seeks to historicize one of our nation's founding fathers. Challenging current attempts to appropriate Jefferson to serve all manner of contemporary political agendas, Onuf argues that historians must look at Jefferson's language and life within the context of his own place and time. In this effort to restore Jefferson to his own world, Onuf reconnects that world to ours, providing a fresh look at the distinction between private and public aspects of his character that Jefferson himself took such pains to cultivate. Breaking through Jefferson's alleged opacity as a person by collapsing the contemporary interpretive frameworks often used to diagnose his psychological and moral states, Onuf raises new questions about what was on Jefferson's mind as he looked toward an uncertain future. Particularly striking is his argument that Jefferson's character as a moralist is nowhere more evident, ironically, than in his

engagement with the institution of slavery. At once reinvigorating the tension between past and present and offering a new way to view our connection to one of our nation's founders, *The Mind of Thomas Jefferson* helps redefine both Jefferson and his time and American nationhood.

[Must Read Personalities] A life Story of Thomas Jefferson Apr 12 2020 Description: This Book provides a quick glimpse about the life of Thomas Jefferson

The Famous and the Dead Jun 19 2023 For fans of Michael Connelly and CJ Box, from New York Times bestseller and Edgar-award winner T. Jefferson Parker, author of *The Room of White Fire*, comes the explosive finale in his Charlie Hood series, which will bring together the destinies of three men caught between light and darkness.... Los Angeles County sheriff's deputy Charlie Hood is attached to the ATF, working undercover on the illegal arms trade that flows across the U.S.-Mexico border. The sparkle of the diamond fillings he wears in his left canine distracts his task force targets and is often the first step toward a long stay behind bars. Meanwhile, Bradley Jones—sheriff's deputy, employee of the Baja Cartel, and son of the love of Charlie's life—is expecting a son of his own. Bradley, supposedly descended from the famed Mexican outlaw Joaquin Murrieta, has reaped the rewards of his treachery, keeping a hoard of cash and jewelry in a secret lair on his property. Charlie knows Bradley's secrets, all of them; the question is what he'll do with the information. But he still has to contend with the devilish Mike Finnegan, who flits in and out of the lives of his friends, knows things he should not know, is seemingly immortal, and delights in the havoc he wreaks in the orbits of everyone he touches.... All three are about to meet. But all will not survive....
