At the same time, it provides a limited review of the semiannual training held December 25-30, 2017, in Anaheim, California, on the "Crystallization-study of Leviticus." Through intimate contact with the Lord in His word, the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ. Leviticus used to be the first book that Jewish children studied in the synagogue. In the modern church it tends to be the last part of the Bible that anyone looks at seriously. Because Leviticus is largely concerned with subjects that seem incomprehensible and irrelevant today — rituals for sacrifice and regulations concerning uncleanness — it appears to have nothing to say to twenty-first-century Christians. In this excellent commentary on Leviticus, Gordon Wenham takes with equal seriousness both the plain original meaning of the text and its abiding theological value. To aid in reconstructing the original meaning of the text, Wenham draws from studies of Old Testament ritual and sacrifice that compare and contrast biblical customs with the practices of other Near Eastern cultures. He also closely examines the work of social anthropologists and expertly utilizes the methods of literary criticism to bring out the biblical author's special interests. In pursuit of his second aim, to illumine the enduring theological value of Leviticus, Wenham discusses at the end of each section how the Old Testament passages relate to the New Testament and to contemporary Christianity. In doing so, he not only shows how pervasive Levitical ideas are in the New Testament but also highlights in very practical ways the enduring claim of God's call to holiness on the lives of Christians today. Thomas Schreiner, a respected scholar and a trusted voice for many students and pastors, offers a substantial and accessibly written overview of the whole Bible. He traces the storyline of the scriptures from the standpoint of biblical theology, examining the overarching message that is conveyed throughout. Schreiner emphasizes three interrelated and unified themes that stand out in the biblical narrative: God as Lord, human beings as those who are made in God's image, and the land or***

A Bible study on the biblical book of Leviticus. The study is a companion to Jay Sklar's commentary on Leviticus in the Tyndale Old Testament Commentary series (published by InterVarsity Press). Training toward Holiness Leviticus was a chisel, fashioning and forming the slaves of Egypt into the people of God. Leviticus was an exercise regimen, a plan for how God's people could embrace God's blessings. Leviticus was a time-out, a pause in the action for training toward holiness. After this time-out, the action continues in the book of Numbers, reminding us how difficult it is for humans to stick to the game plan that brings God's blessings. Together, Leviticus and Numbers paint a picture of the habits of holiness and how committed God is to seeing us become who he created us to be. Tracing its history from Moses Mendelssohn to today, Alan Levenson explores the factors that shaped what is the modern Jewish Bible and its centrality in Jewish life today. The Making of the Modern Jewish Bible explains how Jewish translators, commentators, and scholars made the Bible a keystone of Jewish life in Germany, Israel and America. Levenson argues that German Jews created a religious Bible, Israeli Jews a national Bible, and American Jews an ethnic one. In each site, scholars wrestled with the demands of the non-Jewish environment and their own indigenous traditions, trying to balance fidelity and independence from the commentaries of the rabbinic and medieval world. When S.G. De Graaf wrote his four-volume series, Promise and Deliverance, he showed educators how to teach Bible stories from a redemptive-historical perspective. Rather than turning Bible stories into moralistic tales, De Graaf taught us how all the Bible shows God revealing himself as the God of the covenant, who is working out His redemptive plan for humanity and all of creation. The 80 workbooks written by Harvey De Groot are meant to supplement De Graaf's work. They are divided by volume and level number: 20 volumes with four levels per volume. Workbook

lessons are written at four levels so that families with students in various grades can study the same Bible stories during the week in preparation for their classes on Sunday. Prior to class, the Sunday School teacher should study the lesson in De Graaf's book. The teacher and students can go through the workbook during class. The levels are divided according to the following grades: \*Level One: Grades K-1\*Level Two: Grades 2-3\*Level Three: Grades 4-6\*Level Four: Grades 7-8 Each volume contains 12 or 13 lessons, and each lesson has the following sections: \*Reference: The volume and lesson number in De Graaf's series.\*Scripture: The passage from Scripture on which the lesson is based.\*Memory Verse: A memory verse related to the lesson\*Lesson Truth: A short statement to help the class focus on the main point of the lesson.\*Lesson: The lesson itself, which the teacher can read in class. For older grades, the teacher may opt to assign it as homework.\*Questions: Items to be discussed in class. For older grades, the teacher can assign these questions as homework but should also use them as a basis for class discussion. These are not the only questions that could or should be asked. Teachers should encourage students to come with their own questions as well. This edition was written by Harvey De Groot and edited by his son Norlan De Groot. This book argues that literary features and ritual dynamics within the book of *Leviticus* enlighten each other. The first two chapters establish that one may read *Leviticus* as a coherent literary work and define the genre of *Leviticus* as "narrativized ritual," a complex blending of descriptive narrative and prescriptive ritual. In conversation with Catherine Bell, they present several aspects of the text that are ritualized and show how this ritualization implies a negotiation of power relations among participants. The third and fourth chapters examine the first half of *Leviticus*, both the legal sections in *Lev.* 1-7 and 11-15 and the narratives in *Lev.* 8-10 and 16. These sections alternate between establishing the ritual system and exposing gaps and ambiguities in that system. Chapter 5 turns to the second half of *Leviticus*, traditionally called the Holiness Code. The ritual language found in this section is less formal and precise, mirroring the way in which the concept of holiness is expanded and extended to the whole people. As this material concludes the book, it relativizes and democratizes the strict ritual system contained in the first half. The *KJV Study Bible* honors the beauty and majesty of the *KJV* by presenting the ONLY full-color King James Version study Bible available. All of the features and tools are designed to help you understand the Bible and be transformed by it. Our hope is that you will use this study Bible for women and men to deepen your walk with God who has graciously revealed Himself in the Bible. <http://www.ucg.org/bible-study-course/> A few weeks ago I was sitting outside a nursing home with a friend of mine. It was a beautiful day, and she was loving getting out into the fresh air after many days not even seeing the outside. I read the first five verses of John's Gospel to her: *In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things were made through Him, and without Him nothing was made that was made. In Him was life, and the life was the light of men. And the light shines in the darkness, and the darkness did not comprehend it.?* John 1:1-5 She started singing, *Oh Lord my God, when I in awesome wonder, consider all the worlds Thy hands have made I joined in, and together, traffic noise and all, we sat out in front of her nursing home and sang all the verses we knew of ?How Great Thou Art?. This 9-lesson Bible Study of the first four chapters of John is all about the One we were singing to. Thirteen ready-to-use small group Bible studies on the topic, The Power of God's Names. After four thousand years, Jesus came to earth as a baby, grew to manhood, and then began His three-year ministry on earth. During those three years, on every street corner and grass-covered hill He told people He was: The Healer (John 5:8) The Son of God. (John 5:17&18) The Life-Giver (John 5:21) The Judge (John 5:26&27) The Bread of life. (John 6:35) The Living Water. (John 7:37&38) The Forgiver and Freedom-Giver. (John 8:11) The I AM. (John 8:58) The Light of the World. (John 9:5) The Good Shepherd. (John 10:11) The Resurrection and the Life. (John 11:25) Could there have been any doubt in anyone's mind that Jesus was saying, ?I AM GOD ?
