Through his interactions with dogs, horses, birds, and more, Gary has been struck with the belief that animals know more than we may fathom. Holm's story of a girl on Mars trying desperately to return to Earth to Gregory Maguire's domestic intrigue; from Kathleen Karr's story of a thief in turn-of-the-century Chicago to M. T. Anderson's mysterious shipboard adventure; from A. LaFaye's tale of magical wonderment to Marion Dane Bauer's story of doing good, this volume provides a full range of reading for every taste. Other authors featured here are Joan Bauer, Ellen Conford, Margaret Peterson Haddix, and Ellen Wittlinger. Sales of this book benefit ProLiteracy Worldwide, an international network with more than 1,400 programs in the United States and 79 partner programs abroad, whose mission is to change lives through literacy.
