The system ranks as a 'stunning success' according to standards of the Organisation for Economic Co-operation and Development (OECD). Shanghai also stands out for having the world's highest percentage of 'resilient students' - students from socio-economically disadvantaged backgrounds who emerge as top performers. *Learning From Shanghai: Lessons on Educational Success* offers a close-up view of the people and the policies that have achieved such world-class performance. Based on research and personal observation gathered during the author's recent field work with school principals, teachers and students, this book explores the factors that explain Shanghai's exceptional success in education. Drawing on her

experience as an education professional and a teacher of teachers, Charlene Tan thoroughly examines and analyzes the people, the policies and the practices that distinguish Shanghai educators. coaches. In addition, the athletic arena provides a wonderful opportunity for a Christian witness. Often, coaches find it difficult to form a marriage between their coaching and a Christian lifestyle. This book intends to meld the two together, providing clear, effective teacher education and biblical advice to Christian coaches. The book also provides selected scriptures from Gods Word. Can a Christian coach really make a difference? How can one Christian coach save the world of sport? Well, first there is more than one Christian coach out there. Second, if there was only one Christian coach willing to go to battle with Christ, they would fight and win. One coach plus Jesus equals a majority. Recall that it appeared as though David didnt stand a chance when he went to fight Goliath. David was not alone. David knew that God would be with him. Was he afraid? Maybe, but his faith in God was greater than his fear! Hopefully, this book motivates coaches to allow their faith in Christ to shine through their coaching style and behavior.
