In Awe Aug 22 2020 NATIONAL BESTSELLER • The #1 bestselling author of On Fire shows us how to recapture and harness our childlike sense of wonder in order to become more engaged, successful, and fulfilled. “Engaging . . . O’Leary encourages us to see the world through a child’s eyes.”—Mitch Albom, author of Tuesdays with Morrie There once was a time when we joyfully raised our hands to answer questions, connected easily with others, believed that anything was possible, and fearlessly jumped into new experiences. A time when we viewed each day not as something to endure, but as a marvelous gift to explore and savor—when we danced through our lives in awe of the ordinary moments and eager for the promise of tomorrow. Unfortunately, that’s far from our experience today. Instead, we feel disconnected and jaded. Social media reminds us that we don’t measure up, and the mainstream media barrages us with constant negativity. Many of us find ourselves caught in a life of dogged responsibility and mind-numbing repetition. The daily struggle to earn a living has caused us to lose the sense of wonder with which we once greeted every day. In his new book, bestselling author John O’Leary invites us to consider that it is possible to once again navigate the world as a child does. Identifying five senses children innately possess and that we’ve lost touch with as we age, O’Leary shares emotional, humorous, and inspirational stories intertwined with fascinating new research showing how each of us can reclaim our childlike joy, and why doing so will change how we interact with the world. In Awe reveals how we can regain that ability to see fresh insights, reach for new solutions, and live our best lives.

64 Lessons for a Life Without Limits May 11 2022 What people need today when they and society at large are in social and economic distress is great advice and spiritual support that is easy to access. 64 Lessons- informed by two of Bishop Jakes' bestselling titles, Reposition Yourself and Making Great Decisions- is a ready-reference book of advice to keep readers

on course in managing their careers, relationships, health, home and spiritual well-being. The 64 lessons explore ideas like: 1. Good choices begin with research; 2. Quitting can be good, at the right time; 3. Begin before 'need' arises; 4. Regret can be the begging of triumph over adversity. For instance, we've all been told that quitters never win. But, there IS a time to quit, whether it's your job, marriage, church or project. The biggest problem with quitting is the timing. Quitting too soon may mean that you relinquish your dreams. Get comfortable with change. Even after you've repositioned yourself, change is constant. You may need to quit something in order to make room for the next season of your life. Before you quit anything, look within and determine your real motives. Revisit the longings deep in your heart. Get a clear perspective on what you're releasing and what you're taking hold of. Examine your prior choices and consider what you've 'quit' in the past. This honest self-examination will prepare you for a new beginning.

Life Without Limits Dec 26 2020 “Orang kerap bertanya bagaimana aku bisa bahagia walaupun tidak punya lengan dan tungkai. Jawaban cepatkan adalah aku punya pilihan. Unafraid Sep 03 2021 Learn how to face and overcome the fears we feel about loneliness, illness, financial insecurity, disappointing others, failure, insignificance, and aging “A thoughtful, literate, faith-filled guide to reclaiming our minds and our lives.”—John Ortberg, senior pastor of Menlo Church and author of I'd Like You More If You Were More Like Me You'd be hard-pressed to overstate the extent to which fear, anxiety, and worry permeate our lives today. Fear wreaks havoc on our relationships and communities. It leads us into making bad decisions. It holds us back from the very pursuits that promise fulfillment and joy. As the senior pastor of a large, diverse church in America's heartland, Adam Hamilton has seen the cost of fear up close. When he surveyed his congregation on how fear affects them, 2,400 people responded—and what they said was eye-opening. Eighty percent admitted to living with moderate or significant levels of fear. Unafraid is Hamilton's insightful and impassioned response. Drawing on recent research, inspiring real-life examples, and fresh biblical insight, Hamilton uses a mixture of facts and faith to help readers understand and counter fears related to such outside perils as death and illness, as well as the everyday anxieties all of us encounter. He invites us to: Face our fears with a bias of hope Examine our fears in light of the facts Attack our anxieties with action Release our cares to God Writing with generosity and intelligence, Hamilton shows how believer and unbeliever alike can develop sustaining spiritual practices and embrace Jesus's recurring counsel: “Do not be afraid.” For anyone struggling with fear or wondering how families and communities can thrive in troubled times, Unafraid offers an informed and inspiring message full of practical solutions.

Life Without Limits Mar 09 2022 In *Life Without Limits*, Bassett asks, "If you could have, do, and be anything right now, what would you ask for?" Eight out of ten people are unable to answer this simple question. How about you? Do you know how to get what you want? Do you even know what you want? What do you see when you look in the mirror? A self-confident, radiant person who is living life to the fullest? Or do you see a frustrated, insecure, dissatisfied person who doesn't know how to change things? Bassett says, "In my work, I am continually amazed at the number of people who are personally, professionally, and financially frustrated. But the worst part is, if they could change things, they aren't sure how, or even what they would change." People stop dreaming, settling for a life that is neither satisfying nor rewarding because their fears and insecurities prevent them from seeing what they want in life, and how to get it. Acquiring happiness, wealth, or success on any level is difficult when you aren't clear about what you want and you don't have a plan. Before you know it, years pass by, and you're looking back with regrets. "In my work over the past fourteen years, I have encountered two types of people. The first group is the "doers." They are the movers and the shakers. They plan their life and are strongly motivated. They are on a clear path, know exactly what they want, and they are willing to take the risks to get it. The second group is the "drifters." They drift through life with no real sense of direction, ending up frustrated. This can happen to people in the most prestigious occupations. The drifters have a hard time establishing a sense of true happiness, satisfaction, or security because they know they aren't where they "should be," but they don't know what to do about it. *Life Without Limits* helps you clarify what you want in every area of your life. By using Bassett's powerful techniques you will change, therefore your life will change. Your thoughts are magnets attracting everything from the type of people you meet to the types of opportunities that come your way. Your thinking must be clear, distinct, and sharply defined. Your focused thoughts elicit emotion; your emotions ignite your actions and have a tremendous effect on the universal energy that surrounds you. You control your life. You control your destiny. And only you can take steps to change it. *Life Without Limits* helps you take back your power. *Life Without Limits* is the complete guide to attaining abundance in every area of your life. It will help you to achieve satisfaction and fulfillment personally, professionally, and financially. Once you have defined what success means for you, you will clarify your dreams and start pursuing them. Opportunities will present themselves, new doors will open, and you will begin to live the life you were meant to live: a life without limits. "Begin now to change the person you are into the person you know you have the potential to become." -- Lucinda Bassett

No Limits Jul 21 2020 #1 New York Times bestselling author John C. Maxwell's latest book will enhance the lives of leaders, professionals, and anyone who wants to achieve success and personal growth. We often treat the word capacity as if it were a natural law of limitation. Unfortunately, most of us are much more comfortable defining what we perceive as off limits rather than what's really possible. Could it be that many of us have failed to expand our potential because we have allowed what we perceive as capacity to define us? What if our limits are not really our limits? In his newest book, John Maxwell identifies 17 core capacities. Some of these are abilities we all already possess, such as energy, creativity and leadership. Others are aspects of our lives controlled by our choices, like our attitudes, character, and intentionality. Maxwell examines each of these capacities, and provides clear and actionable advice on how you can increase your potential in each. He will guide you on how to identify, grow, and apply your critical capacities. Once you've blown the "cap" off your capacities, you'll find yourself more successful--and fulfilled--in your daily life.
