The Tibetan Book of the Dead May 15 2020 A classic of Tibetan Buddhism brought to life with insightful commentary by a modern master. In this classic scripture of Tibetan Buddhism—traditionally read aloud to the dying to help them attain liberation—death and rebirth are seen as a process that provides an opportunity to recognize the true nature of the mind. This translation, with insightful and concise commentary, emphasizes the practical advice that the book offers to the living, making this edition of interest to people concerned with death and dying, as well as those who seek greater spiritual understanding in everyday life. This book is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

Day of the Dead Jun 27 2021 The Day of the Dead is the most important annual celebration in Oaxaca, Mexico. Skillfully combining textual information and photographic imagery, this book begins with a discussion of the people of Oaxaca, their way of life, and their way of looking at the world. It then takes the reader through the celebration from the preparations that can begin months in advance through to the private gatherings in homes and finally to the cemetery where the villagers celebrate together — both the living and the dead. The voices in the book are of those people who have participated in the Day of the Dead for as long as they can remember. There are no ghosts here. Only the souls of loved

ones who have gone to the Village of the Dead and who are allowed to return once a year to be with their family. Very readable and beautifully illustrated, this book provides an extensive discussion of the people of Oaxaca, their way of life and their beliefs, which make the Day of the Dead logical and easily comprehensible.

Book of the Dead Oct 12 2022 Dr. Kay Scarpetta is starting over with a unique private forensic pathology practice in Charleston, South Carolina. But in this thrilling #1 New York Times bestseller, her fresh start ushers in a string of murders more baffling—and terrifying—than any that have come before... The Book of the Dead is the morgue log, the ledger in which all cases are entered by hand. For Kay Scarpetta, however, it is about to acquire a new meaning. A sixteen-year-old tennis star, fresh from a tournament win in Charleston, is found nude and mutilated near Piazza Navona in Rome. The body of an abused young boy is dumped in a desolate marsh. A woman is ritualistically murdered in her multimillion-dollar beach home. Meanwhile, in New England, problems with a prominent patient at a Harvard-affiliated psychiatric hospital begin to hint at interconnections among the deaths that are as hard to imagine as they are horrible. Scarpetta has dealt with many brutal and unusual crimes before, but never has she seen a string of death like what she's facing now. Before she is through, that book of the dead will contain many names—and the pen may be poised to write her own...

Dead in the Family Dec 02 2021 In the tenth novel in the #1 New York Times bestselling series—the inspiration for the HBO® original series True Blood—Sookie Stackhouse learns that not even her psychic abilities can help her solve all the problems in Bon Temps, Louisiana... After enduring torture and the loss of loved ones during the brief but deadly Fae War, Sookie Stackhouse is hurt and she's mad. Just about the only bright spot in her life is the love she thinks she feels for vampire Eric Northman. But he's under scrutiny by the new vampire king because of their relationship. And as the political implications of the shifters' coming-out are beginning to be felt, Sookie's connection to one particular Were draws her into the dangerous debate. Also, unknown to her, though the doors to Faery have been closed, there are still some fae on the human side—and one of them is angry at Sookie. Very, very angry.

Back from the Dead Feb 21 2021 An NBA sports star and cultural icon discusses his catastrophic spinal collapse in 2007, the excruciating pain he suffered and his slow recovery, as well as his childhood, sports career, and the political and cultural upheaval of the 1960s.

Remembering and Disremembering the Dead Jun 15 2020 This book is open access under a CC BY 4.0 licence. This book is a multidisciplinary work that investigates the notion of posthumous harm over time. The question what is and when is death, affects how we understand the possibility of posthumous harm and redemption. Whilst it is impossible to hurt the dead, it is possible to harm the wishes, beliefs and memories of persons that once lived. In this way, this book highlights the vulnerability of the dead, and makes connections to a historical oeuvre, to add critical value to similar concepts in history that are overlooked by

most philosophers. There is a long historical view of case studies that illustrate the conceptual character of posthumous punishment; that is, dissection and gibbeting of the criminal corpse after the Murder Act (1752), and those shot at dawn during the First World War. A long historical view is also taken of posthumous harm; that is, body-snatching in the late Georgian period, and organ-snatching at Alder Hey in the 1990s.

The Book of the Dead Jul 09 2022 An explosive new novel from the author of *Room 207*
Playing Dead Dec 14 2022 "A darkly comic inquiry into how to fake your own death, the disappearance industry, and the lengths to which people will go to be reborn. Is it still possible to fake your own death in the twenty-first century? With six figures of student loan debt, Elizabeth Greenwood was tempted to find out."--

Books of the Dead Mar 25 2021 Redesigned and reformatted for a new generation of readers, this classic series provides illustrated introductions by distinguished writers and scholars to the worlds of mythology, symbols, and sacred traditions.

Everyone in This Room Will Someday Be Dead Jan 23 2021 "Gilda, a twenty-something, atheist, animal-loving lesbian, cannot stop ruminating about death. Desperate for relief from her panicky mind and alienated from her repressive family, she responds to a flyer for free therapy at a local Catholic church, and finds herself being greeted by Father Jeff, who assumes she's there for a job interview. Too embarrassed to correct him, Gilda is abruptly hired to replace the recently deceased receptionist Grace. In between trying to memorize the lines to Catholic mass, hiding the fact that she has a new girlfriend, and erecting a dirty dish tower in her crumbling apartment, Gilda strikes up an email correspondence with Grace's old friend. She can't bear to ignore the kindly old woman, who has been trying to reach her friend through the church inbox, but she also can't bring herself to break the bad news. Desperate, she begins impersonating Grace via email. But when the police discover suspicious circumstances surrounding Grace's death, Gilda may have to finally reveal the truth of her mortifying existence."--Amazon.

The Work of the Dead May 19 2023 The meaning of our concern for mortal remains—from antiquity through the twentieth century The Greek philosopher Diogenes said that when he died his body should be tossed over the city walls for beasts to scavenge. Why should he or anyone else care what became of his corpse? In *The Work of the Dead*, acclaimed cultural historian Thomas Laqueur examines why humanity has universally rejected Diogenes's argument. No culture has been indifferent to mortal remains. Even in our supposedly disenchanted scientific age, the dead body still matters—for individuals, communities, and nations. A remarkably ambitious history, *The Work of the Dead* offers a compelling and richly detailed account of how and why the living have cared for the dead, from antiquity to the twentieth century. The book draws on a vast range of sources—from mortuary archaeology, medical tracts, letters, songs, poems, and novels to painting and landscapes in order to recover the work that the dead do for the living: making human communities that connect the past and the future. Laqueur shows how the churchyard

became the dominant resting place of the dead during the Middle Ages and why the cemetery largely supplanted it during the modern period. He traces how and why since the nineteenth century we have come to gather the names of the dead on great lists and memorials and why being buried without a name has become so disturbing. And finally, he tells how modern cremation, begun as a fantasy of stripping death of its history, ultimately failed—and how even the ashes of the victims of the Holocaust have been preserved in culture. A fascinating chronicle of how we shape the dead and are in turn shaped by them, this is a landmark work of cultural history.

Still Dead Sep 30 2021 An anthology of horror stories based on the universe of George A. Romero features the work of Nancy Collins, Douglas Winter, Elizabeth Massie, and others, and includes the lost original script for Romero's "Day of the Dead"

The Tibetan Book of the Dead May 27 2021 As a contribution to the science of death and dying - not to mention the belief in life after death, or the belief in texts of the world, for its socio-cultural influence in this regard is without comparison."--BOOK JACKET.

Singing for the Dead Apr 13 2020 Singing for the Dead chronicles ethnic revival in Oaxaca, Mexico, where new forms of singing and writing in the local Mazatec indigenous language are producing powerful, transformative political effects. Paja Faudree argues for the inclusion of singing as a necessary component in the polarized debates about indigenous orality and literacy, and she considers how the coupling of literacy and song has allowed people from the region to create texts of enduring social resonance. She examines how local young people are learning to read and write in Mazatec as a result of the region's new Day of the Dead song contest. Faudree also studies how tourist interest in local psychedelic mushrooms has led to their commodification, producing both opportunities and challenges for songwriters and others who represent Mazatec culture. She situates these revival movements within the contexts of Mexico and Latin America, as well as the broad, hemisphere-wide movement to create indigenous literatures. Singing for the Dead provides a new way to think about the politics of ethnicity, the success of social movements, and the limits of national belonging.

Brought in Dead Nov 20 2020 When a young woman commits suicide, Detective Sergeant Nick Miller follows a hazardous trail to find the powerful man responsible for the girl's fate, only to watch him walk out of court a free man. But the dead girl's father swears to exact justice--with or without the law on his side.

Newes from the Dead Jan 03 2022 "Intriguing and captivating."—Celia Rees, author of Witch Child WRONGED. HANGED. ALIVE? (AND TRUE!) Anne can't move a muscle, can't open her eyes, can't scream. She lies immobile in the darkness, unsure if she'd dead, terrified she's buried alive, haunted by her final memory—of being hanged. A maidservant falsely accused of infanticide in 1650 England and sent to the scaffold, Anne Green is trapped with her racing thoughts, her burning need to revisit the events—and the man—that led her to the gallows. Meanwhile, a shy 18-year-old medical student attends his first

*dissection and notices something strange as the doctors prepare their tools . . . Did her eyelids just flutter? Could this corpse be alive? Beautifully written, impossible to put down, and meticulously researched, *Newes from the Dead* is based on the true story of the real Anne Green, a servant who survived a hanging to awaken on the dissection table. *Newes from the Dead* concludes with scans of the original 1651 document that recounts this chilling medical phenomenon. *Newes from the Dead* is a 2009 Bank Street - Best Children's Book of the Year.*

*This Party's Dead Aug 30 2021 What if we responded to death... by throwing a party? By the time Erica Buist's father-in-law Chris was discovered, upstairs in his bed, his book resting on his chest, he had been dead for over a week. She searched for answers (the artery-clogging cheeses in his fridge?) and tried to reason with herself (does daughter-in-law even feature in the grief hierarchy?) and eventually landed on an inevitable, uncomfortable truth: everybody dies. While her husband maintained a semblance of grace and poise, Erica found herself consumed by her grief, descending into a bout of pyjama-clad agoraphobia, stalking friends online to ascertain whether any of them had also dropped dead without warning, unable to extract herself from the spiral of death anxiety... until one day she decided to reclaim control. With Mexico's Day of the Dead festivities as a starting point, Erica decided to confront death head-on by visiting seven death festivals around the world – one for every day they didn't find Chris. From Mexico to Nepal, Sicily, Thailand, Madagascar, Japan and finally Indonesia – with a stopover in New Orleans, where the dead outnumber the living ten to one – Erica searched for the answers to both fundamental and unexpected questions around death anxiety. *This Party's Dead* is the account of her journey to understand how other cultures deal with mortal terror, how they move past the knowledge that they're going to die in order to live happily day-to-day, how they celebrate rather than shy away from the topic of death – and how when this openness and acceptance are passed down through the generations, death suddenly doesn't seem so scary after all.*

Book of the Dead Mar 17 2023 Discover how the ancient Egyptians controlled their immortal destiny! This book, edited by Foy Scalf, explores what the Book of the Dead was believed to do, how it worked, how it was made, and what happened to it.

*Book of the Dead Jan 15 2023 "One of cinema's most enduring monsters, the zombie has been terrifying audiences around the world for decades. *Book of the Dead* charts the ghoulish history of zombie cinema, from the creature's origins in Haitian voodoo and its cinematic debut in 1932's *White Zombie*, right up to recent blockbuster hits like *28 Days Later*, *Shaun of the Dead* and *Land of the Dead*." "Covering hundreds of movies from America, Europe and Asia, this exhaustive history chronicles the zombie's on-screen evolution from Caribbean bogeyman to flesh-eating corpse. Along the way, *Book of the Dead* takes in Bela Lugosi B-movies, Italian gore films, blind monk zombies, shot-on-video backyard epics, all-time classics such as *I Walked with a Zombie*, *Night of the Living Dead* and *Dawn of the Dead*, and the videogame phenomenon of *Resident Evil*." "Complete with*

hundreds of stills and artwork including 64 pages of colour illustrations, and an exhaustive filmography, Book of the Dead explains why we continue to be so fascinated by these fugitives from the undertaker."--BOOK JACKET.

The Baltimore Book of the Dead Sep 11 2022 "This book is both brief and miraculous, and it will be finished before you're ready to let it go. Like life." —Ann Patchett, author of Commonwealth When Cheryl Strayed was asked by The Boston Globe to name a book she finds herself recommending time and again, she chose The Glen Rock Book of the Dead. Now, a decade later, that beloved book has a moving companion volume. The Baltimore Book of the Dead is a new collection of portraits of the dead, weaving an unusual, richly populated memoir of compressed narratives. Approaching mourning and memory with intimacy, humor, and an eye for the idiosyncratic, the story starts in the 1960s in Marion Winik's native New Jersey, winds through Austin, Texas, and rural Pennsylvania, and finally settles in her current home of Baltimore. Winik begins with a portrait of her mother, the Alpha, introducing locales and language around which other stories will orbit: the power of family, home, and love; the pain of loss and the tenderness of nostalgia; the backdrop of nature and public events. From there, she goes on to create a highly personal panorama of the last half century of American life.

*What Moves the Dead Jul 29 2021 An Instant USA Today & Indie Bestseller A Barnes & Noble Book of the Year Finalist A Goodreads Best Horror Choice Award Nominee From T. Kingfisher, the award-winning author of The Twisted Ones, comes What Moves the Dead, a gripping and atmospheric retelling of Edgar Allan Poe's classic "The Fall of the House of Usher." *A very special hardcover edition, featuring foil stamp on the casing and custom endpapers illustrated by the author.* When Alex Easton, a retired soldier, receives word that their childhood friend Madeline Usher is dying, they race to the ancestral home of the Ushers in the remote countryside of Ruritania. What they find there is a nightmare of fungal growths and possessed wildlife, surrounding a dark, pulsing lake. Madeline sleepwalks and speaks in strange voices at night, and her brother Roderick is consumed with a mysterious malady of the nerves. Aided by a redoubtable British mycologist and a baffled American doctor, Alex must unravel the secret of the House of Usher before it consumes them all. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.*

Picture the Dead Aug 18 2020 Jennie's connection with her twin brother, Toby, grew stronger after he died in 1864. Now Jennie must rely on her ability to communicate with his spirit to find out what has happened to her beloved fiancé, Will, while he was off at war. The army says he died honorably in battle. But his brother confides that Will became a violent criminal and died in a prison camp. Jennie begins to doubt that anyone is telling her the truth. With the help of a spiritualist photographer, the spirit of her dead fiancé, and the clues she discovers and keeps in her scrapbook, Jennie must put together the pieces of this mystery before she loses her home, her fortune, and possibly her life.

All the Living and the Dead Oct 20 2020 A deeply compelling exploration of the death industry and the people—morticians, detectives, crime scene cleaners, embalmers, executioners—who work in it and what led them there. We are surrounded by death. It is in our news, our nursery rhymes, our true-crime podcasts. Yet from a young age, we are told that death is something to be feared. How are we supposed to know what we're so afraid of, when we are never given the chance to look? Fueled by a childhood fascination with death, journalist Hayley Campbell searches for answers in the people who make a living by working with the dead. Along the way, she encounters mass fatality investigators, embalmers, and a former executioner who is responsible for ending sixty-two lives. She meets gravediggers who have already dug their own graves, visits a cryonics facility in Michigan, goes for late-night Chinese with a homicide detective, and questions a man whose job it is to make crime scenes disappear. Through Campbell's incisive and candid interviews with these people who see death every day, she asks: Why would someone choose this kind of life? Does it change you as a person? And are we missing something vital by letting death remain hidden? A dazzling work of cultural criticism, *All the Living and the Dead* weaves together reportage with memoir, history, and philosophy, to offer readers a fascinating look into the psychology of Western death.

The Dead Mar 05 2022 The second heart-stopping, mind-blowing book in this killer series - the Enemy is back. A terrible disease is striking everyone over the age of fourteen. Death walks the streets. Nowhere is safe. Maxie, Blue and the rest of the Holloway crew aren't the only kids trying to escape the ferocious adults who prey on them. Jack and Ed are best friends, but their battle to stay alive tests their friendship to the limit as they go on the run with a mismatched group of other kids - nerds, fighters, misfits. And one adult. Greg, a butcher, who claims he's immune to the disease. They must work together if they want to make it in this terrifying new world. But as a fresh disaster threatens to overwhelm London, they realize they won't all survive

The Book of the Dead Jul 17 2020 Written in response to the Hawk's Nest Tunnel disaster of 1931 in Gauley Bridge, West Virginia, *The Book of the Dead* is an important part of West Virginia's cultural heritage and a powerful account of one of the worst industrial catastrophes in American history. The poems collected here investigate the roots of a tragedy that killed hundreds of workers, most of them African American. They are a rare engagement with the overlap between race and environment in Appalachia. Published for the first time alongside photographs by Nancy Naumburg, who accompanied Rukeyser to Gauley Bridge in 1936, this edition of *The Book of the Dead* includes an introduction by Catherine Venable Moore, whose writing on the topic has been anthologized in *Best American Essays*.

The Quick and the Dead May 07 2022 PULITZER PRIZE FINALIST • From one of our most heralded writers comes the “poetic, disturbing, yet very funny” (*The Washington Post Book World*) life-and-death adventures of three misfit teenagers in the American desert.

*Alice, Corvus, and Annabel, each a motherless child, are an unlikely circle of friends. One filled with convictions, another with loss, the third with a worldly pragmatism, they traverse an air-conditioned landscape eccentric with signs and portents—from the preservation of the living dead in a nursing home to the presentation of the dead as living in a wildlife museum—accompanied by restless, confounded adults. A father lusts after his handsome gardener even as he's haunted (literally) by his dead wife; a heartbroken dog runs afoul of an angry neighbor; a young stroke victim drifts westward, his luck running from worse to awful; a sickly musician for whom Alice develops an attraction is drawn instead toward darker imaginings and solutions; and an aging big-game hunter finds spiritual renewal through his infatuation with an eight-year-old—the formidable Emily Bliss Pickless. With nature thoroughly routed and the ambiguities of existence on full display, life and death continue in directions both invisible and apparent. Gloriously funny and wonderfully serious, *The Quick and the Dead* limns the vagaries of love, the thirst for meaning, and the peculiar paths by which all creatures are led to their destiny. A panorama of contemporary life and an endlessly surprising tour de force: penetrating and magical, ominous and comic, this is the most astonishing book yet in Joy Williams's illustrious career. Joy Williams belongs, James Salter has written, "in the company of Céline, Flannery O'Connor, and Margaret Atwood."*

The Egyptian Book of the Dead Dec 22 2020 Reissue of the legendary 3,500-year-old Papyrus of Ani, the most beautiful of the ornately illustrated Egyptian funerary scrolls ever discovered, restored in its original sequences of text and artwork.

The Toronto Book of the Dead Feb 16 2023 Explores the history of Toronto through the final moments of the famous (and infamous) who made it their final resting place. From ancient First Nations burial mounds to the murder of Toronto's first lightkeeper; from the rise and fall of the city's greatest Victorian baseball star to the final days of the world's most notorious anarchist.

*Art of the Dead Nov 13 2022 The "Art of the Dead" showcases the vibrant, charismatic poster art that emerged from the streets of San Francisco in 1964 and 1966. It traces the cultural, political, and historical influences of posters as art back to Japanese wood blocks through Bell Epoque, on to the Beatniks, the Free Speech Movement, and the Acid Tests. Featuring interviews and profiles of the key artists, including Rick Griffin, Stanley "Mouse" Miller, Alton Kelley, Wes Wilson, and Victor Moscoso. The book uses Grateful Dead as the vehicle to tell the story of poster art as *The Dead* were the band that ultimately proved to be the most substantive and engaged partner for the artists and hence featured the best art of any rock 'n' roll band ever. The book will follow a chronological evolution of the art from the band's origination in 1965 through Jerry Garcia's death in 1995.*

Knee-Deep in the Dead Apr 25 2021 The Gates were there on Phobos when mankind first arrived. Inert, unyielding, impossibly alien constructs, for twenty years they sat lifeless, mute testaments to their long-vanished creators, their secrets hidden. Then one day, they sprang to

life... Meet Corporal Flynn Taggart, United States Marine Corps; serial number 888-23-9912. He's the best warrior the twenty-first century has to offer, which is a damn good thing. Because Flynn Taggart is all that's standing between the hell that just dropped in on Mars and an unsuspecting planet Earth...

Generation Dead Apr 06 2022 All over the tri-state area, something strange is happening. Teenagers who die aren't staying dead. They are coming back to life, but they come back different - they stutter and their reactions to everything are slower. Termed 'living impaired' or 'differently biotic', there are lots of conspiracy theories to explain this new phenomenon. But as their numbers keep on growing, so does the discomfort of the living people in the community. When Phoebe falls for Tommy Williams, her best friend and star of the football team, Adam, has conflicting emotions. And when Tommy decides to try out for the football team, it sets off a chain of events that escalates into deadly violence.

The Victorian Book of the Dead Feb 04 2022 Macabre tales of death and mourning in Victorian America.

The Modern Book of the Dead Jul 21 2023 A modern, all-encompassing exploration of what happens after death combines spirituality with philosophy, history, and science, all of which guide readers toward the timeless truth that human consciousness lives on after death. Sea of the Dead Sep 18 2020 Kehl hates pirates. His father, the Warrior Prince, has always told him they were responsible for his mother's death. So when he is kidnapped by Temoc, the Pirate King, Kehl is more furious than frightened. But Temoc is mapping the vast seas known as the Carrillon and needs Kehl's cartography expertise. As Kehl spends more and more time with Temoc and his crew, he comes to realize that his father has not been honest with him and that his past is linked to the future of the new world he is mapping.

The Brief History of the Dead Jun 20 2023 From Kevin Brockmeier, one of this generation's most inventive young writers, comes a striking new novel about death, life, and the mysterious place in between. The City is inhabited by those who have departed Earth but are still remembered by the living. They will reside in this afterlife until they are completely forgotten. But the City is shrinking, and the residents clearing out. Some of the holdouts, like Luka Sims, who produces the City's only newspaper, are wondering what exactly is going on. Others, like Coleman Kinzler, believe it is the beginning of the end. Meanwhile, Laura Byrd is trapped in an Antarctic research station, her supplies are running low, her radio finds only static, and the power is failing. With little choice, Laura sets out across the ice to look for help, but time is running out. Kevin Brockmeier alternates these two storylines to create a lyrical and haunting story about love, loss and the power of memory.

We the Dead Jun 08 2022 Locked away in refrigerated vaults, sanitized by gas chambers, and secured within bombproof caverns deep under mountains are America's most prized materials: the ever-expanding collection of records that now accompany each of us from birth to death. This data complex backs up and protects our most vital information against decay and destruction, and yet it binds us to corporate and government institutions whose

power is also preserved in its bunkers, infrastructures, and sterilized spaces. *We the Dead* traces the emergence of the data complex in the early twentieth century and guides readers through its expansion in a series of moments when Americans thought they were living just before the end of the world. Depression-era eugenicists feared racial contamination and the downfall of the white American family, while contemporary technologists seek ever denser and more durable materials for storing data, from microetched metal discs to cryptocurrency keys encoded in synthetic DNA. Artfully written and packed with provocative ideas, this haunting book illuminates the dark places of the data complex and the ways it increasingly blurs the lines between human and machine, biological body and data body, life and digital afterlife.

Journey Through the Afterlife Aug 22 2023 With contributions from leading scholars and detailed catalog entries that interpret the spells and painted scenes, this fascinating and important work affords a greater understanding of ancient Egyptian belief systems and poignantly reveals the hopes and fears about the world beyond death.

What Does Dead Mean? Apr 18 2023 *What Does Dead Mean?* is a beautifully illustrated book that guides children gently through 17 of the 'big' questions they often ask about death and dying. Questions such as 'Is being dead like sleeping?', 'Why do people have to die?' and 'Where do dead people go?' are answered simply, truthfully and clearly to help adults explain to children what happens when someone dies. Prompts encourage children to explore the concepts by talking about, drawing or painting what they think or feel about the questions and answers. Suitable for children aged 4+, this is an ideal book for parents and carers to read with their children, as well as teachers, therapists and counsellors working with young children.

Drive Your Plow Over the Bones of the Dead Aug 10 2022 **WINNER OF THE NOBEL PRIZE IN LITERATURE** "A brilliant literary murder mystery." —Chicago Tribune "Extraordinary. Tokarczuk's novel is funny, vivid, dangerous, and disturbing, and it raises some fierce questions about human behavior. My sincere admiration for her brilliant work." —Annie Proulx In a remote Polish village, Janina devotes the dark winter days to studying astrology, translating the poetry of William Blake, and taking care of the summer homes of wealthy Warsaw residents. Her reputation as a crank and a recluse is amplified by her not-so-secret preference for the company of animals over humans. Then a neighbor, Big Foot, turns up dead. Soon other bodies are discovered, in increasingly strange circumstances. As suspicions mount, Janina inserts herself into the investigation, certain that she knows whodunit. If only anyone would pay her mind . . . A deeply satisfying thriller cum fairy tale, *Drive Your Plow over the Bones of the Dead* is a provocative exploration of the murky borderland between sanity and madness, justice and tradition, autonomy and fate. Whom do we deem sane? it asks. Who is worthy of a voice?

Plague of the Dead Nov 01 2021 The Morningstar virus. Those infected suffer delirium, fever, violent behaviour ... and a hundred per cent mortality rate. But that's not the worst of

it. The victims return from the dead to walk the earth. And when a massive military operation fails to contain the plague of the living dead, it escalates into a worldwide pandemic. On one side of the world, thousands of miles from home, a battle-hardened general surveys the remnants of his command: a young medic, a veteran photographer, a rash private, and dozens of refugees -- all of them his responsibility. Meanwhile in the United States, an army colonel discovers the darker side of Morningstar and collaborates with a well-known journalist to leak the information to the public...
