The Cottage Fairy Companion Nov 10 2021 A Cottagecore Inspired Guide For Mindful Living Anywhere #1 Best Seller in Small Homes & Cottages, Folkcrafts, Architectural Decoration and Ornaments, Fiber Arts & Textiles, Seasonal Crafts, Architecture, Home Design Decorating & Design The Cottage Fairy Companion is your accessible and beautiful guide to mindful living. It teaches the fundamentals of cottagecore style through the practices of The Cottage Fairy's daily life. Romanticize your life anywhere. The Cottage Fairy Companion helps readers open their eyes to the everyday magic right in front of them. It gives a new perspective by revealing the lessons nature teaches about finding beauty

through the good times and the bad. Everyone—from city-dwellers to country bobkins—can find delight in this book. It shows that you do not need a cottage in the rustic countryside to achieve a cottagecore aesthetic, or to apply aspects of slow living to your daily life. Use mindfulness for healing and fulfillment. Paola Merrill, author and creator behind the popular YouTube channel *The Cottage Fairy*, left a hectic life in the city for the rural mountains in search of a deeper connection to herself and the world. She learned that nature is the biggest teacher of all—if we open our eyes to its wisdom. Mindful living can be applied in most walks of life, and Merrill's writing encourages you to find healing and fulfillment, wherever you are. Inside this enchanting book on mindful living, you'll find:

- Insight to creating a cozy and inspiring space, living in alignment with natural cycles and seasons, and gardening and making tea
- Original illustrations and breathtaking photos of the author's cottage, crafts, and the countryside
- Calming, meditative prose to promote tranquility and stillness in a hectic world

If you liked *Cozy White Cottage*, *Simply Living Well*, or *The Little Book of Cottagecore*, you'll love *The Cottage Fairy Companion*.

*The Gentleman's Companion Jan 01 2021
Charles Baker traveled the world in search of exotic food and drink in addition to interesting*

people with whom he could share them. Both drink travelogue and cookbook, *The Gentleman's Companion* is the summation of Baker's culinary and drinking experiences abroad. Baker accents his tales of high adventure with recipes for foods and cocktails that were considered unusual specimens in the 1920s and 30s. Baker, a captivating storyteller, wrote about food and drink for a number of well-known magazines. In this travelogue he relates how notorious figures, including Hemmingway and Faulkner, numbered among his drinking companions. At once a culinary guidebook and haughty memoir, *The Gentleman's Companion*, initially published in 1939, provides a one-of-a-kind glimpse into the bombastic and glamorous world of travel in the mid-twentieth century. This edition combines both volumes of the original work: *The Exotic Cookery Book* and *The Exotic Drinking Book*.

A Knitter's Home Companion Jan 25 2023 "A cozy and charming collection of essays about the joys of knitting—complete with lovely patterns and yummy recipes" (Kate Jacobs, author of *The Friday Night Knitting Club*). *A Knitter's Home Companion* is an illustrated collection of stories, patterns, and recipes from beloved knitter and essayist Michelle Edwards. This heartwarming title will appeal to knitters interested in not only stitches, yarn, and patterns, but also in the lives of other knitters, the lessons that can be learned from their craft, the ways knitting helps knitters cope during difficult times, and the role of knitting in family life. "Let [this book] keep you

company when you need another knitter's voice beside you," Edwards writes in her introduction. Like a good friend, A Knitter's Home Companion will inspire readers to laugh, cry, remember, be thoughtful, cook, and, of course, pick up their needles—sometimes to soothe, sometimes to celebrate, and sometimes to just pass the time. Divided into four chapters—Motherhood, Home, Community, and Legacy—stories range from "But She Doesn't Have Any Underpants," about the challenges of knitting for family to "Home Ec Workshop and the Mystery of the Indian Slipper," about finding community at a local yarn shop. Projects range from mittens and socks to a baby blanket and afghan.
