Geology of the San Francisco Bay Region Oct 29 2020 "You can't really know the place where you live until you know the shapes and origins of the land around you. To feel truly at home in the Bay Area, read Doris Sloan's intriguing stories of this region's spectacular, quirky landscapes."—Hal Gilliam, author of *Weather of the San Francisco Bay Region* "This is a fascinating look at some of the world's most complex and engaging geology. I highly recommend this book to anyone interested in an understanding of the beautiful landscape and dynamic geology of the Bay Area."—Mel Erskine, geological consultant "This accessible summary of San Francisco Bay Area geology is particularly timely. We are living in an age where we must deal with our impact on our environment and the impact of the environment on us. Earthquake hazards, and to a lesser extent landslide hazards, are well known, but the public also needs to be aware of other important engineering and environmental impacts and geologic resources. This book will allow Bay Area residents to make more intelligent decisions about the geological issues affecting their lives."—John Wakabayashi, geological consultant

This is San Francisco Sep 20 2022 A pictorial tour of the city by the Golden Gate, presenting drawings of its hills, cable cars, harbor, bridges,

market areas, and flower stalls.

Weather of the San Francisco Bay Region Apr 15 2022 An introduction to the many factors which contribute to the unique weather of the San Francisco Bay region.

Bohemian San Francisco Jul 07 2021 This is a book about restaurants and dining in San Francisco including numerous Italian restaurants.

Tales Of The City Jul 27 2020 A CLASSIC OF LGBTQ LITERATURE THAT HAS BECOME A CULT SEN-SATION! THE HEROES OF THIS ENCHANTING GROUP HAVE BEEN ENJOYED BY MILLIONS OF READERS WORLDWIDE! Adapted on TV (BBC), Limited Se-ries (Netflix), Theater...and now in graphic novel form for the first time! San Francisco, 28 Barbary Lane, Anna Madrigal runs a boarding house. She wel-comes people who have nowhere else to go: the misfits. This matriarch is known for her unending kindness and her superb marijuana crop. The novel starts with the arrival of Mary Ann Singleton, a prudish, na ï ve, young woman who escaped her dull Ohio hometown for San Francisco. She settles in with her other fellow tenants: Michael “ Mouse, ” a personable young gay man, Brian Hawkins, an incor-rigible Don Juan, and Mona Ramsey, a young hippyish bisexual.

The San Francisco System and Its Legacies Sep 28 2020 In September 1951, Japan signed a peace treaty with forty-eight countries in San Francisco; in April 1952, the treaty came into effect. The San Francisco Peace Treaty is an international agreement that in significant ways shaped the post – World War II international order in the Asia-Pacific. With its associated security arrangements, it laid the foundation for the regional structure of Cold War confrontation: the "San Francisco System" fully reflected the strategic interests and policy priorities of the peace conference ' s host nation, the United States. The treaty fell far short of settling outstanding issues in the wake of the Pacific War or facilitating a clean start for the "post-war" period. Rather, critical aspects of the settlement were left equivocal, and continue to have significant and worrisome implications for regional international relations. This book examines the key developments of the contentious political and security issues in the Asia-Pacific that share a common foundation in the post-war disposition of Japan, particularly the San Francisco Peace Treaty. These include both tangible and intangible issues, such as disputes over territories and "history" problems. Taking the San Francisco System as its conceptual grounding, the authors

examine how these issues developed and have remained contentious long after the San Francisco arrangements. To provide bases for producing solutions, the chapters offer comprehensive accounts that explain and deepen our understanding of these complex regional issues and the San Francisco System as a whole. By closely and systematically examining the legacy and various ramifications of the San Francisco System, this fascinating book adds to our understanding of current and growing tensions in the region. As such, it will be of great interest to students and scholars of Asian studies, history, international relations and politics.

Lonely Planet Pocket San Francisco May 24 2020 Lonely Planet's Pocket San Francisco is your guide to the city's best experiences and local life - neighborhood by neighborhood. Cross the Golden Gate Bridge, explore Chinatown, and discover the Haight; all with your trusted travel companion. Uncover the best of San Francisco and make the most of your trip! Our Lady of Darkness Mar 03 2021 A horror author is drawn into a mysterious curse in this World Fantasy Award – winning novel from the author of the Fafhrd and the Gray Mouser series. Fritz Leiber may be best known as a fantasy

writer, but he published widely and successfully in the horror and science fiction fields. His fiction won the Hugo, Nebula, Derleth, Gandalf, Lovecraft, and World Fantasy Awards, and he was honored with the Life Achievement Lovecraft Award and the Grand Master Nebula Award. One of his best novels is the classic dark fantasy *Our Lady of Darkness*, winner of the 1978 World Fantasy Award. *Our Lady of Darkness* introduces San Francisco horror writer Franz Westen. While studying his beloved city through binoculars from his apartment window, he is astonished to see a mysterious figure waving at him from a hilltop two miles away. He walks to Corona Heights and looks back at his building to discover the figure waving at him from his apartment window—and to find himself caught in a century-spanning curse that may have destroyed Clark Ashton Smith and Jack London.

111 Places in San Francisco that you must not miss Mar 27 2023 San Francisco: the home of hills and valleys, of dreamers and trailblazers, of hippies and hipsters. From the gold rush to the Golden Gate, the City by the Bay has always basked in the glow of its colorful and celebrated history and world-renowned landmarks. But for those who live and love on this compact seven-mile by seven-mile

metropolis, San Francisco is a treasure trove of unusual neighborhood sights and places that sparkle with the allure of hidden pleasures and local lore. Discover a stairway that transports you from the depths of the ocean to the heights of outer space; take a spin class amidst the grand elegance of a repurposed 1920s movie palace; or slide down a century-old sundial that sits at the center of what was once California's first racetrack for cars. This is the real San Francisco. Strung together, the 111 experiences gathered here tell the B-side story of the city once romantically known as the Paris of the West.

123 San Francisco Aug 20 2022 Kids will count to 10 with some of San Francisco's most beloved symbols—the Golden Gate Bridge, cable cars, fortune cookies, Dungeness crabs, and the sea lions on Pier 39—in this board book featuring contemporary illustrations, dazzling colors, and bold, clear design. The end of the book includes a complete location list, in both English and Spanish, to help parents locate the symbols and landmarks and plan an entertaining trip to San Francisco.

The Trees of San Francisco May 29 2023 Trees of San Francisco introduces readers to the rich variety of trees that thrive in San Francisco's unique conditions. San Francisco's cool

Mediterranean climate has made it home to interesting and unusual trees from all over the world - trees as colorful and exotic as the city itself. This new guide combines engaging descriptions of sixty-five different trees with color photos that reflect the visual appeal of San Francisco. Each page covers a different tree, with several paragraphs of interesting text accompanied by one or two photos. Each entry for a tree also lists locations where "landmark" specimens of the tree can be found. Interspersed throughout the book are sidebar stories of general interest related to San Francisco's trees. *Trees of San Francisco* also includes a dozen tree tours that will link landmark trees and local attractions in interesting San Francisco neighborhoods such as the Castro, Pacific Heights and the Mission - walks that will appeal to tourists as well as Bay Area natives.

Karl the Fog May 17 2022 San Francisco, home of cable cars, the Golden Gate Bridge—and its quintessential cool gray fog. As a resident of the Silicon Valley, Karl the Fog naturally uses Twitter and Instagram accounts to document his comings and goings and the beauty of the city he loves (except for when it's sunny). Amassing roughly half a million followers across social platforms, Karl the Fog's witty takes on San Francisco paired

with beautiful, evocative photography have earned him celebrity status in the Bay Area and beyond. In this, Karl's very first book, he details his family's history and shares more than 50 scenic selfies along with brand-new, entertaining appreciations of the city, lifting his veil of mist-ery and celebrating San Francisco as only he can.

Infinite City Jan 13 2022 What makes a place? Rebecca Solnit reinvents the traditional atlas, searching for layers of meaning & connections of experience across San Francisco.

San Francisco Baby Jan 25 2023 In this snapshot of San Francisco, charming images pair with playful text to guide young readers through this unique city. Friendly babies act as tour guides, showcasing where they live and play in the city while providing an authentic tour of all things local in this sturdy and appealing board book. From famed attractions to iconic landmarks, this educational and entertaining read captures the essence of what it means to live in and visit the City by the Bay. Also included: activities and reading tips to help parents and babies read this book together over and over again!

San Fransicko Sep 01 2023 National bestselling author of APOCALYPSE NEVER skewers progressives for the mishandling of America ' s

faltering cities. Progressives claimed they knew how to solve homelessness, inequality, and crime. But in cities they control, progressives made those problems worse. Michael Shellenberger has lived in the San Francisco Bay Area for thirty years. During that time, he advocated for the decriminalization of drugs, affordable housing, and alternatives to jail and prison. But as homeless encampments spread, and overdose deaths skyrocketed, Shellenberger decided to take a closer look at the problem. What he discovered shocked him. The problems had grown worse not despite but because of progressive policies. San Francisco and other West Coast cities — Los Angeles, Seattle, Portland — had gone beyond merely tolerating homelessness, drug dealing, and crime to actively enabling them. San Francisco reveals that the underlying problem isn't a lack of housing or money for social programs. The real problem is an ideology that designates some people, by identity or experience, as victims entitled to destructive behaviors. The result is an undermining of the values that make cities, and civilization itself, possible.

Historic San Francisco Apr 23 2020 No American city has a more colorful history than San Francisco. In this unique book, author Rand

Richards not only provides a vivid narrative of this special city from its very beginnings all the way through to the modern era, but also tells where to find the historic buildings, sites, museums, and artifacts that make that history come alive. Just a few of the things you will find in Historic San Francisco are the locations of, and the fascinating histories behind: A 1623 Spanish cannon that once guarded the entrance to the Golden Gate. A gold nugget discovered by James Marshall at Coloma in January 1848. The last surviving Nob Hill mansion. Relics from the 1906 earthquake and fire including clusters of melted dimes and pennies found in the ruins. Book jacket.

Hidden San Francisco Jan 01 2021 San Francisco is an iconic and symbolic city. But only when you look beyond the picture-postcards of the Golden Gate Bridge and the quaint cable cars do you realise that the city's most interesting stories are not the Summer of Love, the Beats or even the latest gold rush in Silicon Valley. Hidden San Francisco is a guidebook like no other. Structured around the four major themes of ecology, labour, transit and dissent, Chris Carlsson peels back the layers of San Francisco's history to reveal a storied past: behind old walls and gleaming glass facades lurk former industries, secret music and

poetry venues, forgotten terrorist bombings, and much more. Carlsson delves into the Bay Area's long prehistory as well, examining the region's geography and the lives of its inhabitants before the 1849 Gold Rush changed everything, setting in motion the clash between capital and labour that shaped the modern city. From the perspective of the students and secretaries, longshoremen and waitresses, Hidden San Francisco uncovers dozens of overlooked, forgotten and buried histories that pulse through the streets and hills even today, inviting the reader to see themselves in the middle of the ongoing, everyday process of making history together.

Black San Francisco Jul 31 2023 By 1867 black San Franciscans had gained access to public transportation. In 1869 they were granted the right to vote by the state of California. In 1875 they fought for desegregated schools and won. Yet in 1957, Willie Mays was initially denied the opportunity to purchase a home in an exclusive San Francisco neighborhood because he was black. In Black San Francisco, Albert Broussard explores race relations in a city where whites, for the most part, were outwardly civil to blacks while denying them employment opportunities and political power. Understanding the texture of the racial

caste system, he argues, is critical to understanding why blacks made so little progress in employment, housing, and politics despite the absence of segregation laws. When it came to racial equality in the early twentieth century, Broussard argues, the liberal progressive image of San Francisco was largely a facade. Illustrating how black San Franciscans struggled to achieve equality in the same manner as their counterparts in the Midwest and East, he challenges the rhetoric of progress and opportunity with evidence of the reality of inequality for black San Franciscans. Black San Francisco is considerably broader in scope than any previous study of African-Americans in the West. It provides extensive coverage of the city's black community during the Great Depression and the New Deal, details civil rights activities from 1915 to 1954, and provides extensive biographical material on local black leaders. In his reconstruction of the plight of San Francisco's black citizens, Broussard reveals a population that, despite its small size before 1940, did not accept second-class citizenship passively yet remained nonviolent into the 1960s. He also shows how World War II was a watershed for Black San Francisco, bringing thousands of southern migrants to the bay area to work in the

war industries. These migrants, in tandem with native black residents, formed coalitions with white liberals to attack racial inequality more vigorously and successfully than at any previous time in San Francisco's history.

Spirits of San Francisco Jun 05 2021 The bestselling book from two prizewinning, critically acclaimed contemporary chroniclers of San Francisco—a rich, illustrated, idiosyncratic portrait of this great city. In *Spirits of San Francisco*, #1 bestselling *Cool* author Gary Kamiya joins forces with celebrated, bestselling artist Paul Madonna to take a fresh look at this one-of-a-kind city. Marrying image and text in a way no book about this city has done before, Kamiya's illuminating narratives accompany Madonna's masterful pen-and-ink drawings, breathing life into San Francisco sites both iconic and obscure. Paul Madonna's atmospheric images will awe: his wide-angle drawings offer a new perspective on the “crookedest street in the world” and vistas across the city. And Kamiya's engaging prose, accompanying each image, offers striking vignettes of this incredible city: witness his story of “Dumpville,” the bizarre community that sprang up in the 19th century on top of a massive garbage dump. Handsome and irresistible—much like the city

it chronicles-Spirits of San Francisco is both a visual feast and a detailed, personal, loving, informed portrait of a beloved city.

San Francisco Feb 23 2023 Hello, World is an exciting book series that pairs early learning concepts with colorful, stylish illustrations of cities around the world. From the Golden Gate Bridge to seals to cable cars, there ' s no shortage of bright, bold, and interesting things to count in San Francisco. Explore numbers through the best the city has to offer in this gorgeous board book!

Women and the Everyday City Jan 30 2021 In Women and the Everyday City, Jessica Ellen Sewell explores the lives of women in turn-of-the-century San Francisco. A period of transformation of both gender roles and American cities, she shows how changes in the city affected women's ability to negotiate shifting gender norms as well as how women's increasing use of the city played a critical role in the campaign for women's suffrage. Focusing on women's everyday use of streetcars, shops, restaurants, and theaters, Sewell reveals the impact of women on these public places-what women did there, which women went there, and how these places were changed in response to women's presence. Using the diaries of three women in San Francisco-Annie Haskell, Ella Lees

Leigh, and Mary Eugenia Pierce, who wrote extensively on their everyday experiences-Sewell studies their accounts of day trips to the city and combines them with memoirs, newspapers, maps, photographs, and her own observations of the buildings that exist today to build a sense of life in San Francisco at this pivotal point in history. Working at the nexus of urban history, architectural history, and cultural geography, *Women and the Everyday City* offers a revealing portrait of both a major American city during its early years and the women who shaped it-and the country-for generations to come.

San Francisco and the Long 60s Oct 10 2021 San Francisco and the Long 60s tells the fascinating story of the legacy of popular music in San Francisco between the years 1965-69. It is also a chronicle of the impact this brief cultural flowering has continued to have in the city – and more widely in American culture – right up to the present day. The aim of *San Francisco and the Long 60s* is to question the standard historical narrative of the time, situating the local popular music of the 1960s in the city's contemporary artistic and literary cultures: at once visionary and hallucinatory, experimental and traditional, singular and universal. These qualities defined the aesthetic

experience of the local culture in the 1960s, and continue to inform the cultural and social life of the Bay Area even fifty years later. The brief period 1965-69 marks the emergence of the psychedelic counterculture in the Haight-Ashbury neighbourhood, the development of a local musical 'sound' into a mainstream international 'style', the mythologizing of the Haight-Ashbury as the destination for 'seekers' in the Summer of Love, and the ultimate dispersal of the original hippie community to outlying counties in the greater Bay Area and beyond. San Francisco and the Long 60s charts this period with the references to received historical accounts of the time, the musical, visual and literary communications from the counterculture, and retrospective glances from members of the 1960s Haight community via extensive first-hand interviews. For more information, read Sarah Hill's blog posts here: <http://blogs.cardiff.ac.uk/musicresearch/2014/05/15/san-francisco-and-the-long-60s> <http://blogs.cardiff.ac.uk/musicresearch/2014/08/22/city-scale/> <http://blogs.cardiff.ac.uk/musicresearch/2015/07/21/fare-thee-well/>

See San Francisco Jul 19 2022 From internationally popular design blogger SF Girl By Bay comes the ultimate love letter to San

Francisco. This gorgeously photographed lifestyle guide gives readers an insider's tour of the City by the Bay through Victoria Smith's unique lens.

Organized by neighborhood, each chapter features enchanting photos of hidden corners, local color, landmarks, and hotspots, revealing why so many people—Victoria included—are falling head over heels for this amazing city. Brimming with original, dreamy photography and packaged as a gorgeous jacketed hardcover, this lovely book makes a perfect gift for photography fans, San Francisco dwellers, visitors to the city, or anyone who has left their heart in San Francisco.

Secret San Francisco Apr 03 2021 Did you know that there is a redwood forest in the middle of San Francisco? Have you ever heard a brass marching band leading funerals through Chinatown, or taken an underground sewer tour of the city? Where can you wander through a labyrinth where the land meets the sea? It's all revealed in *Secret San Francisco: A Guide to the Weird, Wonderful, and Obscure*. Not your traditional guidebook, it will lead you to unlock the secrets and little-known stories behind the city's most enduring icons. You'll find directions to the real crookedest street, windmills, and an airport for flying boats. Along the way you'll encounter some bizarre and often hilarious history.

For example, did you know that both Burning Man and Santa Con started here? Or that San Francisco was the site of the last American duel? Learn the story of how the city nearly broke Tony Bennett's heart, and almost allowed public nudity.

International travel writer Ruth Wertzberger Carlson left no detail overlooked as she researched and wrote about her hometown. Her book will take you places locals would rather keep for themselves" – "that is, if they even know about them!

The Ohlone Way Jun 25 2020 A look at what Native American life was like in the Bay Area before the arrival of Europeans. Two hundred years ago, herds of elk and antelope dotted the hills of the San Francisco – Monterey Bay area. Grizzly bears lumbered down to the creeks to fish for silver salmon and steelhead trout. From vast marshlands geese, ducks, and other birds rose in thick clouds " with a sound like that of a hurricane. " This land of " inexpressible fertility, " as one early explorer described it, supported one of the densest Indian populations in all of North America. One of the most ground-breaking and highly-acclaimed titles that Heyday has published, The Ohlone Way describes the culture of the Indian people who inhabited Bay Area prior to the arrival of

Europeans. Recently included in the San Francisco Chronicle ' s Top 100 Western Non-Fiction list, The Ohlone Way has been described by critic Pat Holt as a “ mini-classic. ” Praise for The Ohlone Way “ [Margolin] has written thoroughly and sensitively of the Pre-Mission Indians in a North American land of plenty. Excellent, well-written. ” —American Anthropologist “ One of three books that brought me the most joy over the past year. ” —Alice Walker “ Margolin conveys the texture of daily life, birth, marriage, death, war, the arts, and rituals, and he also discusses the brief history of the Ohlones under the Spanish, Mexican, and American regimes . . . Margolin does not give way to romanticism or political harangues, and the illustrations have a gritty quality that is preferable to the dreamy, pretty pictures that too often accompany texts like this. ” —Choice “ Remarkable insight in to the lives of the Ohlone Indians. ” —San Francisco Chronicle “ A beautiful book, written and illustrated with a genuine sympathy . . . A serious and compelling re-creation. ” —The Pacific Sun

San Francisco Bay Shoreline Guide May 05 2021

“ The San Francisco Bay Shoreline Guide takes us on a walking and cycling journey around San Francisco Bay, unfolding the wonder, drama and beauty of one of the great estuaries of the

world. ” --Robert Redford "From the bustling waterfronts of our cities and towns, to our wild, windswept, and thankfully, protected natural wetlands, this is our fantastic guide to all of the magnificence of the San Francisco Bay Shoreline. Grab it and go on world-class journeys in our own backyard. I'll see you along the trail!"--Doug McConnell, Television Producer and Reporter

“ This guide helps to create an awareness and appreciation of San Francisco Bay. ” --Sylvia McLaughlin, co-founder of Save the Bay Praise from the previous edition "There are absorbing stories here for the armchair reader and detailed guides for the active explorer. Read, enjoy, and cultivate your roots in the region."—Harold Gilliam "Comprehensive and copiously illustrated, this Guide is a treasure-house of user-friendly information. It reveals the equivalent of a national park hitherto unknown in our midst."—Margot Patterson Doss "This book is a complete guide to the Bay Area. All that's missing are the smells, so perhaps the next edition should be scratch and sniff."—Robin Williams

San Francisco, Baby! Feb 11 2022 Baby takes a tour of San Francisco and sees Golden Gate Bridge, Fisherman's Wharf, Alcatraz and the other sights in the City by the Bay.

Meanwhile in San Francisco Nov 22 2022 Take a stroll through the City by the Bay with renowned artist Wendy MacNaughton in this collection of illustrated documentaries. With her beloved city as a backdrop, a sketchbook in hand, and a natural sense of curiosity, MacNaughton spent months getting to know people in their own neighborhoods, drawing them and recording their words. Her street-smart graphic journalism is as diverse and beautiful as San Francisco itself, ranging from the vendors at the farmers' market to people combing the shelves at the public library, from MUNI drivers to the bison of Golden Gate Park, and much more. Meanwhile in San Francisco offers both lifelong residents and those just blowing through with the fog an opportunity to see the city with new eyes.

San Francisco Noir Dec 12 2021 This collection by the acclaimed photographer reveals the shadowy side of the City by the Bay. Following in the footsteps of classic films like *The Maltese Falcon* and *The Lady from Shanghai*, veteran photographer Fred Lyon creates images of San Francisco in high contrast with a sense of mystery. In this latest offering from the photographer of *San Francisco: Portrait of a City 1940 – 1960*, Lyon presents a darker tone, exploring the hidden

corners of his native city. Images taken in the foggy night are illuminated only by streetlights, neon signs, apartment windows, and the headlights of classic cars. Sharply dressed couples stroll out for evening shows, drivers travel down steep hills, and sailors work through the night at the old Fisherman ' s Wharf. In many of the photographs, the noir tone is enhanced by double exposures, elements of collage, and blurred motion. These strikingly evocative duotone images expose a view of San Francisco as only Fred Lyon could capture.

A Short History of San Francisco Aug 27 2020 A concise, “ colorful, well-told ” history of the City by the Bay, from the Gold Rush to the Summer of Love to the twenty-first century (Los Angeles Times). This is the story of San Francisco, a unique and rowdy tale with a legendary cast of characters. It tells of the Indians and the Spanish missions, the arrival of thousands of gold seekers and gamblers, crackbrains and dreamers, the building of the transcontinental railroad and the cable car, labor strife and political shenanigans, the 1906 earthquake and fire, two World Wars, two World's Fairs, two great bridges, the beatniks and hippies and New Left—a story that is so marvelous and wild that it must be true. A new afterword from the author in this updated third edition brings

The City into the twenty-first century—a time just as hectic, experimental, and opportunistic as its rambunctious past.

San Francisco Central District Study Sep 08
2021

Only in San Francisco Nov 10 2021 Known as the "voice and conscience" of San Francisco, Herb Caen once wrote of his "Baghdad by the Bay": "The crowded garages and the empty old buildings above them, the half-filled nightclubs and the overfilled apartment houses, the saloons and the skies and the families huddled in the basements, the Third Street panhandlers begging for handouts in front of pawn shops filled with treasured trinkets, the great bridges and the rattle-trap street cars, the traffic that keeps moving although it has no place to go, thousands of newcomers glorying in the sights and sounds of a city they suddenly decided to love instead of leave." Only in San Francisco.

Music and Politics in San Francisco Mar 15 2022
“ Leta Miller ’ s long-awaited study is a tightly woven, fast-paced, and luminous chronicle of San Francisco ’ s musical coming of age. Her keen insights into Chinese opera, night club jazz, and two international expositions go far to rekindle the era ’ s spirited mix of talent, taste, patronage, and

politics. The groundbreaking work of an accomplished music and social historian, *Music and Politics in San Francisco* is a most welcome companion to Catherine Parsons Smith's *Making Music in Los Angeles*. " —Jonathan Elkus, Lecturer in Music Emeritus, UC Davis " From three disastrous days in April 1906 through the onset of an even greater disaster in 1941, from the San Francisco Conservatory through the performances of the Chinese Opera, Leta Miller traces the musico-political history of ' the Paris of the West ' in meticulous detail. This important book adds immeasurably to our knowledge of West Coast American music, whilst simultaneously challenging a number of historiographical shibboleths. " —David Nicholls, contributing editor of *The Cambridge History of American Music* "Leta Miller's *San Francisco's Musical Life* is a pure pleasure to read. Miller manages that rare feat of digesting what must have been many years of digging through newspapers and archives into a fun, lively, highly readable narrative. Each chapter strikes a comfortable balance among factual exposition, colorful anecdote, and historical analysis. Miller brings equal depth and insight to each of her disparate subjects, she writes with charm and clarity throughout, and the whole is arranged in a

way that is clear and logical, never monotonous."
—Mary Ann Smart, author of *Mimomania: Music and Gesture in Nineteenth-Century Opera*

San Francisco Like a Local Dec 24 2022

Immerse yourself in the San Francisco scene with this insider's e-guide. Home to waterfront esplanades, major museums, and a nightlife scene like no other, this cultural city is endlessly enticing. stuffer or travel souvenir. Children will love looking for the items among some of San Francisco's most popular and iconic sights and landmarks, including: Fisherman's Wharf Ferry Building Marketplace California Academy of Sciences Muir Woods National Monument Golden Gate Park Union Square Aquarium of the Bay Ocean Beach San Francisco International Airport San Francisco Zoo

JR: The Chronicles of San Francisco Oct 22 2022 World renowned artist, TED Prize winner, Oscar nominee, and one of Time's 100 most influential people of 2018, JR is a contemporary art superstar. In 2018, he brought his legendary photo truck to San Francisco. More than 1,000 citizens posed for his camera and told their stories, and JR compiled their portraits into an astounding photographic mural, a portrait of the city. To be installed at the San Francisco Museum of Modern Art, it is the latest of his ground-breaking and deeply compelling art projects. This rich volume features all the individual portraits and selected stories alongside behind-the-scenes photos, a foreword by Neal Benezra, and an introduction by JR. A removable poster showcases the entire mural. For JR's legions of fans and anyone who loves or lives in San Francisco, this book reveals

art and urban community from a new angle.

Arresting Dress Nov 30 2020 In 1863, San Francisco ' s Board of Supervisors passed a law that criminalized appearing in public in “ a dress not belonging to his or her sex. ” Adopted as part of a broader anti-indecency campaign, the cross-dressing law became a flexible tool for policing multiple gender transgressions, facilitating over one hundred arrests before the century ' s end. Over forty U.S. cities passed similar laws during this time, yet little is known about their emergence, operations, or effects. Grounded in a wealth of archival material, Arresting Dress traces the career of anti-cross-dressing laws from municipal courtrooms and codebooks to newspaper scandals, vaudevillian theater, freak-show performances, and commercial “ slumming tours. ” It shows that the law did not simply police normative gender but actively produced it by creating new definitions of gender normality and abnormality. It also tells the story of the tenacity of those who defied the law, spoke out when sentenced, and articulated different gender possibilities.

100 Things to Do in San Francisco Before You Die Aug 08 2021 In 100 Things to Do in San Francisco Before You Die, the authors talk top attractions - the famous Painted Ladies, the

bridges, the countless scenic vistas - but they focus on guiding visitors and residents alike to the out-of-the-way places that locals love, places that reveal the soul of this world-class city. Based on personal experience, the authors suggest where to grab a Mission-style burrito, introduce the kids to a giant Pacific octopus, join a sea chantey sing-along, get tipsy on an alcoholic malt, buy tie-dye in Haight-Ashbury, rock out at a free music festival, track down a food cart selling bacon-wrapped hot dogs, and relax in a redwood grove. The book also provides insider info on where to experience yoga on a labyrinth, rent a bike in Golden Gate Park, taste exotic olive oils, soak up spectacular ocean views on an urban hiking trail, brunch on beignets, take a free walking tour, and catch a glimpse of the city's wild parrots on the wing. In short, 100 Things to Do in San Francisco Before You Die reveals many of the reasons why millions of people routinely leave their hearts in this amazing place!
