Cary Fagan is the award-winning author of several young adult novels and picture books. This wonderful new story is about stories, and story-telling, and is sure to enchant and instruct children at home and at school for years to come. This is the story of a bored little boy, who meets a man, and together they build a story. This story within a story is charming and changes both their lives... and quite possibly the readers as well. Hats are pure fun and the perfect item to cap off any costume or ensemble. The right headgear ensures complete transformation, especially on the head of an imaginative child. The Paper Hat Book offers creative families 20 fantastic paper hats, all of which can be created quickly and easily from readily accessible papers: shopping bags, newspapers, comics, recycled story books, magazines, packaging scraps, and junk mail! Artist and designer Alyn Carlson creates hats that are perfect for birthday parties, playdates, costumes, and everyday dress up. Each hat can be styled to perfectly suit the wearer by merely selecting the right paper and colors. The hat themes range from Floral Flappers to Viking Warriors, and from superheroes and pirates to beautiful butterfly hats. This Dr. Seuss classic will have readers of all ages craving Green Eggs and Ham—no matter where they are! I do not like green eggs and ham. I do not like them, Sam-I-am. With unmistakable characters and signature rhymes, Dr. Seuss's beloved favorite has cemented its place as a children's classic. Kids will love the terrific tongue-twisters as the list of places to enjoy green eggs and ham gets longer and longer...and they might even learn a thing or two about trying new things! And don't

miss the Netflix series adaptation – featuring the voice talents of Michael Douglas, Diane Keaton, Daveed Diggs, and more! Originally created by Dr. Seuss himself, Beginner Books are fun, funny, and easy to read. These unjacketed hardcover early readers encourage children to read all on their own, using simple words and illustrations. Smaller than the classic large format Seuss picture books like *The Lorax* and *Oh, The Places You'll Go!*, these portable packages are perfect for practicing readers ages 3-7, and lucky parents too! "Personally, I've got a lot invested in reaching my stunning current age, and I'm damned if I'm going to hang on to that youthful crap. (I liked the idea of being a sixty-year-old so much I started claiming that age before I turned fifty-nine.) Parts of it, I don't like--the loss of energy that seems its inevitable accompaniment, for example--but when I consider how I used to boil that energy away as a younger man, and the things I boiled it away on, I am happy to accept a shorter tether and a more reflective way of going at things." John Jerome, author of such beloved books as *Truck and Stone Work*, entered his sixty-fifth year with a number of goals in mind: to battle the debilities of age, to master them through understanding when he could not physically defeat them, and to keep a journal of these efforts. As he puts it, "It was time to start planning an endgame." The result is a warm, compassionate, and honest look at the twelve months that led him to the gateway of old age--a survey of this time of life which ranges from strict physiology to expansive philosophy, from delicate neurosurgery to rough weather on a Canadian canoeing trip, from the despair and isolation of illness to the love and comfort of a sound marriage. The writing, in its clarity, grace, and humor, matches its author's spirit. "The quality of our lives depends on the quality of our time," Jerome reminds us. Reading this wise and funny chronicle of one man's--and everyman's--journey toward citizenship, senior division, will be time well spent, for young and old alike. It is that rare kind of book which comes to life as a companion, and even a friend. One phone call may have altered the course of my life, but one night (ok, weekend) with the sexiest man alive changes everything. When my fiancé calls me the night before his wedding to someone else to break up with me, I end up going full on cliché by going home with a man I just met, the sexiest man alive... the new head of my client company, Jack Aldridge. That one night stand turns into so much more, but what we begin takes a detour and our lives get complicated. Who knew that a stranger was going to up-end everything I knew... about life... about myself? Loving Jack is easy... but I'm convinced the universe is a bitch determined to make me crazy. This is a funny, emotional, steamy full-length romance about finding true love, dealing with what life throws at you without completely losing your mind... and ultimately finding yourself in the process. Enjoy the ride! A rhyming celebration of hats that help create costumes for the Halloween parade. Pam has a hat--until the wind blows it away. Will she and her friend Dan be able to catch it? Full color. A murder at the airport leads two detectives to an international crime ring in this "consistently good British police procedural" series (Booklist). On Christmas Day, Det. Chief Inspector Harry Brock's celebrations are interrupted when he is called to a murder at Heathrow Airport. Kerry Hammond was due to fly out to

New York with her husband—but never made it further than the car park. Brock and his sidekick, DS Dave Poole, put Kerry's husband at the top of their suspect list, but the case becomes increasingly complex, and they find themselves embroiled in a complex case of smuggling that stretches from the South of France to Central London. Writing as always "for readers who enjoy their mysteries laced with witty dialogue and lightly comedic moments," Graham Ison delivers another delightful package of mystery (Booklist). A collection of craft ideas for kids that create a minimum of mess. In Rome, the assassination of the Pope on Christmas Day sets off a massive investigation that stretches across the globe. But behind the veil of Rex Deus—the Templar cabal that silently wields power in the twenty-first century—the plot has only just begun. When retired Army Ranger Lt. Col. John Holliday uncovers the true motive behind the pontiff's murder, he must unravel a deadly design to extend the Templar influence to the highest levels of power. Story Time with Signs & Rhymes presents playful stories for read-aloud fun! This rhythmic tale invites readers to chant along and learn American Sign Language signs for clothing such as pants, boots, and hats. Bring a new, dynamic finger-play experience to your story time! Looking Glass Library is an imprint of Magic Wagon, a division of ABDO Group. Grades P-4. Georgie is back and hanging the stockings with care when a murder interrupts her Christmas cheer in this all-new installment in the New York Times bestselling Royal Spyness series from Rhys Bowen. Georgie is excited for her first Christmas as a married woman in her lovely new home. She suggests to her dashing husband, Darcy, that they have a little house party, but when Darcy receives a letter from his aunt Ermintrude, there is an abrupt change in plans. She has moved to a house on the edge of the Sandringham estate, near the royal family, and wants to invite Darcy and his new bride for Christmas. Aunt Ermintrude hints that the queen would like Georgie nearby. Georgie had not known that Aunt Ermintrude was a former lady-in-waiting and close confidante of her royal highness. The letter is therefore almost a royal request, so Georgie, Darcy, and their Christmas guests: Mummy, Grandad, Fig, and Binky all head to Sandringham. Georgie soon learns that the notorious Mrs. Simpson, mistress to the Prince of Wales, will also be in attendance. It is now crystal clear to Georgie that the Queen expects her to do a bit of spying. There is tension in the air from the get-go, and when Georgie pays a visit to the queen, she learns that there is more to her request than just some simple eavesdropping. There have been a couple of strange accidents at the estate recently. Two gentlemen of the royal household have died in mysterious circumstances and another has been shot by mistake during a hunt. Georgie begins to suspect that a member of the royal family is the real target but her investigation will put her new husband and love of her life, Darcy, in the crosshairs of a killer. A rhyming story of Silly Sally, who makes many friends as she travels to town--backward and upside down. "London, 1953. Mrs Harriet Wallis is found guilty of the murder of her husband, Cecil. One year earlier, and Harriet's life is thrown into turmoil by the reappearance of a man she did not expect to ever see again. A new nanny, Jean Corbett, arrives at the Wallis household - a young woman still traumatised by the devastating loss of her

entire family during the War. And two policemen come to the house investigating a theft at Mr Wallis's shipping firm. Thus, a chain of events is set in place, and when Mr Wallis makes the momentous decision to purchase a television set on which to watch the Coronation, his and Harriet's fates are sealed." --Publisher description. Lucky for Sophie and Chloe, Grandma Tillie knows how to royally entertain her grandchildren. To their delight, whenever Grandma Tillie babysits, she seems to disappear, only to be replaced by a parade of lovable characters. There's Tillie Vanilly with the bright pink hair, star of The Tillie Vanilly Show, who loves to tell jokes and dance the conga; Chef Silly Tillie with the lampshade hat who offers up a dinner of Worm Chili with Glue Gravy; and Madame Frilly Tillie with the sparkly eyeglasses and towel turban, the world's most creative bath-bubble stylist. Sophie and Chloe wonder who will appear to tuck them into bed: Hiker Hilly Tillie, Explorer Chilly Tillie, or Zoo-lady Gorilly Tillie? To their surprise, it's the best character of all—just plain Grandma Tillie.

Today's teens are faced with more financial opportunities—and threats—than ever before, from summer jobs and scholarships to credit card applications and student loans. How are young people supposed to learn to avoid early pitfalls that could devastate their financial futures and instead take steps that can set them up for a future filled with security, contentment, and generosity? The Money Challenge for Teens can help. Author Art Rainer introduces readers to some fictional young friends who are navigating financial waters and learning how God would want them to face college choices and car loans and thoughts about retirement (yes, even as a teenager!). While reading about the fictional friends' steps and missteps, readers will learn simple, practical lessons and adopt real-life goals to start their journey to a healthy and godly financial future.

Quilting has existed for thousands of years, spanning the globe, practiced by women as well as men, and bringing together communities and generations. F is for Friendship: A Quilt Alphabet examines the subject of quilting, as an art form as well as an item of utility, tracing its early history from a cave in Mongolia to patchwork bedcoverings transported in overland wagon trains to present-day exhibits at renowned museums. Topics include patterns, inventions, and fabric choices, as well as quilts as vehicles of American history. Helen L. Wilbur also authored Lily's Victory Garden and Z is for Zeus: A Greek Mythology Alphabet. A former librarian who now works on the electronic side of the publishing world, she lives in New York City. Gijsbert van Frankenhuyzen has illustrated more than 20 books with Sleeping Bear Press, including the best-selling The Legend of Sleeping Bear and The Edmund Fitzgerald: Song of the Bell. He and his wife, Robbyn, live in Bath, Michigan. From the author of Norman the Slug with the Silly Shell comes a sweet, silly, and sassy picture book about a cat who has a hat that seems magical—but the powers of the hat aren't quite what they seem. Meet Keith—a very cute cat with a magical hat! When Keith wears the hat, it makes bunnies appear out of nowhere! It even makes a stick move all on its own! But when Keith's hat falls off, will the magic still work and save the day? Enough's Enough: Teens may not listen to authority figures, but they do listen to each other. These firsthand stories of the constant fear,

danger and violence of life inside a gang are a way to reach young people on the cusp of making the life-destroying decision to join a gang. Also included are interviews with adult and juvenile inmates who talk about their gang experiences, posters and discussion questions to use with the stories. This book contains 206 pages packed with information to aid any life skills or gang prevention program in saving young lives. One-of-a-kind cultural critic and New York Times bestselling author Chuck Klosterman “offers up great facts, interesting cultural insights, and thought-provoking moral calculations in this look at our love affair with the anti-hero” (New York magazine). Chuck Klosterman, “The Ethicist” for The New York Times Magazine, has walked into the darkness. In *I Wear the Black Hat*, he questions the modern understanding of villainy. When we classify someone as a bad person, what are we really saying, and why are we so obsessed with saying it? How does the culture of malevolence operate? What was so Machiavellian about Machiavelli? Why don’t we see Bernhard Goetz the same way we see Batman? Who is more worthy of our vitriol—Bill Clinton or Don Henley? What was O.J. Simpson’s second-worst decision? And why is Klosterman still haunted by some kid he knew for one week in 1985? Masterfully blending cultural analysis with self-interrogation and imaginative hypotheticals, *I Wear the Black Hat* delivers perceptive observations on the complexity of the antihero (seemingly the only kind of hero America still creates). As the Los Angeles Times notes: “By underscoring the contradictory, often knee-jerk ways we encounter the heroes and villains of our culture, Klosterman illustrates the passionate but incomplete computations that have come to define American culture—and maybe even American morality.” *I Wear the Black Hat* is a rare example of serious criticism that’s instantly accessible and really, really funny. Young readers are encouraged to count all of the hats worn by one clever cricket, three elegant elephants and others. Have a ball with Dr. Seuss and the Cat in the Hat in this classic picture book...but don't forget to clean up your mess! A dreary day turns into a wild romp when this beloved story introduces readers to the Cat in the Hat and his troublemaking friends, Thing 1 and Thing 2. A favorite among kids, parents and teachers, this story uses simple words and basic rhyme to encourage and delight beginning readers. Then he said "That is that." And then he was gone With a tip of his hat. Originally created by Dr. Seuss himself, Beginner Books are fun, funny, and easy to read. These unjacketed hardcover early readers encourage children to read all on their own, using simple words and illustrations. Smaller than the classic large format Seuss picture books like *The Lorax* and *Oh, The Places You'll Go!*, these portable packages are perfect for practicing readers ages 3-7, and lucky parents too! “Combines spare text and art to deliver no small measure of laughs in another darkly comic haberdashery whodunit. . . . Hats off!” —Kirkus Reviews (starred review) When a tiny fish shoots into view wearing a round blue topper (which happens to fit him perfectly), trouble could be following close behind. So it’s a good thing a certain enormous fish hasn’t woken up. And even if he does, it’s not like he’ll ever know what happened, right? Deadpan visual humor swims to the fore in this Caldecott Medal–winning title in the celebrated hat trilogy. Mr.

Brown loves hats and can't leave the house without wearing just the right one. But on this day, every time he opens the door to leave, the situation changes, and Mr. Brown must change his hat accordingly. At last, wearing every hat he owns, Mr. Brown is on his way. When he finally arrives at his destination, we find that it's Mr. Brown's birthday, and his friends have just the right hat for that as well. The Reluctant Immigrant was written to help readers understand what it can really feel like to be an immigrant in a strange new country, far away from home. Many immigrants seeking the opportunity of a better life or a safer life arrive on American shores not able to speak the English/American language. The immigrant in this story, however, was English, and had not expected to ever leave her homeland, an event which led to her life changing dramatically. Life in London, her birth city and where she was brought up, was exciting, beautiful, and full of the richness of its history and culture. During the sixties word went out from large American Corporations looking to employ highly qualified scientists, it was called the 'Brain Drain' and her husband qualified. Perplexed and heavy-hearted she forced herself through the process of dismantling her London home and tearing her children away from sad, aging relative and friends. It was never an adventure, but a duty. Gradually the homesickness of the early years began to subside, but feeling dismally equipped to embrace this unwanted adventure she decided that some serious history lessons were necessary. Piecing together the historical underpinnings of each new state, city and town where she made a home naturally brought frequent connections to her own homeland and provided the link and the bridge that brought her curiosity and appreciation of both pieced into play, leading to exciting success. The biggest and best collection of jokes for all the family to enjoy. 8,000 rib-ticklers, covering every subject under the sun from Aardvarks to Zombies, including chicken jokes, doctor-doctor jokes, elephant jokes, horror jokes, knock-knock jokes, excruciating puns, riddles, school jokes, sports jokes and waiter jokes. Most of the jokes are sharp one-liners but there is also a scattering of slightly longer stories. Teenage Drop Out Prevention Curriculum.
