Judah Tuck has ten siblings, and he's on a mission to give the old woman who lives in a shoe some advice on how to manage a large family! Although a typical day in the Tuck family may contain some chaos, Judah and his siblings find a way to pull things together before Daddy comes home. Join Mom, Judah, and his brothers and sisters as they work through the day. . .and learn what family is truly all about. A mercenary outcast with a perversion no one cared to think about. A holy leader, who knows her people are on the verge of great upheaval—and who wants to know more about this new tribe of demons. A battle-mother, possibly the greatest battle-mother who ever lived—if the rules of her tribe don't force her into a battle even she can't win. A keeper of the secrets of history who would control the tides of fate—if only she could. A paleobiologist with a terrible sense of humor. They are all revolutionaries, but none of them expected anything like what they're about to experience. At the publisher's request, this title is sold without DRM (Digital Rights Management). INSTANT NATIONAL BESTSELLER NEW YORK TIMES BESTSELLER *WINNER of the 2021 Banff Mountain Book Prize in Mountain Environment and Natural History* *WINNER of the National Outdoor Book Award for Natural History Literature* *SHORTLISTED for the 2022 BC and Yukon Hubert Evans Non-Fiction Book Prize* *SHORTLISTED for the 2022 BC and Yukon Bill Duthie Booksellers' Choice Award* *SHORTLISTED for the 2021 Science Writers and Communicators of Canada Book Award* A world-leading expert shares her amazing story of discovering the communication that exists between trees, and shares her own story of family and grief. Suzanne Simard is a pioneer on the frontier of plant communication and intelligence; she's been compared to Rachel Carson, hailed as a scientist who conveys complex, technical ideas in a way that is dazzling and profound. Her work has influenced filmmakers (the Tree of Souls in James Cameron's Avatar), and her TED talks have been viewed by more than 10 million people worldwide. Now, in her first book, Simard brings us into her world, the intimate world of the trees, in which she brilliantly illuminates the fascinating and vital truths—that trees are not simply the source of timber or pulp but are a complicated, interdependent circle of life; that forests are social, cooperative creatures connected through underground networks by which trees communicate their vitality and vulnerabilities with communal lives not that different from our own. Simard describes up close—in revealing and accessible ways—how trees, living side by side for hundreds of years, have evolved; how they perceive one another, learn and adapt their behaviors, recognize neighbors, and remember the past; how they have agency about their future; how they elicit warnings and mount defenses, compete and cooperate with one another with sophistication: characteristics previously ascribed to human intelligence, traits that are the essence of civil societies. And, at the center of it all, the Mother Trees: the mysterious, powerful forces that connect and sustain the others that surround them. Simard, born and raised in the rain forests of British Columbia, spent her days as a child cataloging the trees from the forest; she came to love and respect them and embarked on a journey of discovery and struggle. Her powerful story is one of love and loss, of observation and change, of risk and reward. And it is a testament to how deeply human scientific inquiry exists beyond data and technology: it's about understanding who we are and our place in the world. In her book, as in her groundbreaking research, Simard proves the true connectedness of the Mother Tree to the forest, nurturing it in the profound ways that families and human societies nurture one another, and how these inseparable bonds enable all our survival. Mother God introduces readers to a dozen images of God inspired by feminine descriptions from Scripture. "The mother of one of the two shooters at Columbine High School draws on personal recollections, journal entries and video recordings to piece together what led to her son's unpredicted breakdown and share insights into how other families might recognize warning signs,"--NovelList. A contemporary guide for today's mother of the bride shares expert guidelines on everything from getting the most out of wedding-planning sites and navigating sticky situations to observing social media etiquette and working with future in-laws. --Publisher's description. Krys Malcolm Belc's visual memoir-in-essays explores how the experience of gestational parenthood—conceiving, birthing, and breastfeeding his son Samson—eventually clarified his gender identity. Krys Malcolm Belc has thought a lot about the interplay between parenthood and gender. As a nonbinary, transmasculine parent, giving birth to his son Samson clarified his gender identity. And yet, when his partner, Anna, adopted Samson, the legal documents listed Belc as “the natural mother of the child.” By considering how the experiences contained under the umbrella of “motherhood” don't fully align with Belc's own experience, The Natural Mother of the Child journeys both toward and through common perceptions of what it means to have a body and how that body can influence the perception of a family. With this visual memoir in essays, Belc has created a new kind of life record, one that engages directly with the documentation often thought to constitute a record of one's life—childhood photos, birth certificates—and addresses his deep ambivalence about the “before” and “after” so prevalent in trans stories, which feels apart from his own experience. The Natural Mother of the Child is the story of a person moving past societal expectations to take control of his own narrative, with prose that delights in the intimate dailiness of family life and explores how much we can ever really know when we enter into parenting. Every loss mama deserves to be reminded she is the mother of all mothers. Looking for some secrets to make being a mom more fun and rewarding? In this charming new book, mother- and- daughter team Linda Eyre (mother of nine) and Shawni Eyre Pothier (mother of five) share some great ideas. A mother struggles with the aftermath of a criminal accusation against her teenage son. "A son is a son until he takes him a wife," the old adage says, and Winifred, unwilling to give up her precious son at all, goes to outrageous means for preventing his wedding. A new short story from the acclaimed Southern author of Gifts, Flood and Jesus Is Already Here. "Slay Like a Mother is a feisty, clever, and fun blueprint for modern motherhood that belongs on every book shelf and in every diaper bag...As a woman and mother, you'll gain a newfound power, happiness, and ability to leap tall Lego buildings in a single bound."—Erin Falconer, author of How To Get Sh*t Done: Why Women Need to Stop Doing Everything So They Can Achieve Anything A revelatory, inspirational guide for mothers to crush their "never enough" mentality and slay every day! Katherine Wintsch knows firsthand the self-doubt that rages inside modern moms. As founder and CEO of The Mom Complex, she has studied the passions and pain points of moms worldwide to help some of the largest brands develop innovative new products and services. As a working mom of two, she was running in an exhausting cycle of

"never enough"—not strong enough, not thin enough, not patient enough, not "mom" enough. In *Slay Like a Mother*, you'll laugh, you'll cry, and you'll discover eye-opening lessons about: **THE MASK YOU'RE WEARING**. The one you hide behind when you say everything is "just fine" when it's not. **YOUR UNREALISTIC EXPECTATIONS**. The goal-setting tactics you're deploying to get ahead could be what's holding you back. **THE DIFFERENCE BETWEEN STRUGGLING AND SUFFERING**. Being a mother is a struggle — it always has been — but your suffering is optional. Brave, supportive, and insightful, the stories and advice in this book will encourage you to live more confidently, enjoy the present, and become your best self — as a woman, a mother, and beyond. Perfect for fans of *Girl Wash Your Face* and *#IMomSoHard!* ***As featured in *The Wall Street Journal* and *Parade.com**** Additional Praise for *Slay Like a Mother*: "Wintsch's style is brisk and forthright with enough humor to make readers laugh even as she illuminates dark corners. Although this is aimed at moms, any woman will find this enlightening and encouraging." —Booklist, STARRED review "Slay Like a Mother is much more than a self-help book for women; it is the end of self-doubt and the beginning of self-love... and that is nothing short of life-changing" —Rachel Macy Stafford, New York Times bestselling author of *Hands Free Mama* "Tubbs' connection to these women is palpable on the page — as both a mother and a scholar of the impact Black motherhood has had on America. Through Tubbs' writing, Berdis, Alberta, and Louise's stories sing. Theirs is a history forgotten that begs to be told, and Tubbs tells it brilliantly." —Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* and National Book Award winner Stamped from the Beginning Much has been written about Berdis Baldwin's son James, about Alberta King's son Martin Luther, and Louise Little's son Malcolm. But virtually nothing has been said about the extraordinary women who raised them. In her groundbreaking and essential debut *The Three Mothers*, scholar Anna Malaika Tubbs celebrates Black motherhood by telling the story of the three women who raised and shaped some of America's most pivotal heroes. A New York Times Bestsellers Editors' Choice An Amazon Editor's Pick for February Amazon's Best Biographies and Memoirs of 2021 One of theSkimm's "16 Essential Books to Read This Black History Month" One of Fortune Magazine's "21 Books to Look Forward to in 2021!" One of Badass Women's Bookclub picks for "Badass Books We Can't Wait to Read in 2021!" One of Working Mother Magazine's "21 Best Books of 2021 for Working Moms" One of Ms. Magazine's "Most Anticipated Reads for the Rest of Us 2021" One of Bustle's "11 Nonfiction Books To Read For Black History Month — All Written By Women" One of SheReads.com's "Most anticipated nonfiction books of 2021" Berdis Baldwin, Alberta King, and Louise Little were all born at the beginning of the 20th century and forced to contend with the prejudices of Jim Crow as Black women. These three extraordinary women passed their knowledge to their children with the hope of helping them to survive in a society that would deny their humanity from the very beginning—from Louise teaching her children about their activist roots, to Berdis encouraging James to express himself through writing, to Alberta basing all of her lessons in faith and social justice. These women used their strength and motherhood to push their children toward greatness, all with a conviction that every human being deserves dignity and respect despite the rampant discrimination they faced. These three mothers taught resistance and a fundamental belief in the worth of Black people to their sons, even when these beliefs flew in the face of America's racist practices and led to ramifications for all three families' safety. The fight for equal justice and dignity came above all else for the three mothers. These women, their similarities and differences, as individuals and as mothers, represent a piece of history left untold and a celebration of Black motherhood long overdue. This super special notebook or journal is both a personal and functional gift idea and a great way to express your gratitude and joy to a bride-to-be on her own special day. Give her something she can use over and over again as she plans for the big day. Filled with double sided sheets to help you plan for flowers, the caterer, photos and so much more, this memorable and useful note book makes a wonderful present for just about any bride for any occasion such as Valentine's Day, Anniversaries, Christmas or birthdays too. Included: 8.5x11 in size Beautiful cover image Makes a perfect gift or present for special brides-to-be Good for writing, note taking, planning, sketching and more When her village is raided, a teenage girl finds herself on a brutal journey to the coast of Africa and across the Atlantic. Her only comfort is a small child who clings to her for protection. But once they board the slave ship, the child reveals her rebellious nature and warns that her mother—a fierce warrior—is coming to claim them all. This is a mother's account of her experience as a disciple of her own son - Andrew Cohen, a well-known American guru - and of her struggle to free herself from his control. What had been a close, affectionate relationship slowly becomes a nightmare of domination. The story begins quietly in India and unfolds with growing intensity as Andrew, his mother, and a few people who have gathered around him, travel to England, Holland, Israel, and finally the United States, but which time Andrew has attracted hundreds of devotees to his "meetings." The abuse of power, incessant fear, and the psychology of obsession are all explored here from an intimate perspective. Since brainwashing cults and their grandiose gurus are proliferating - in this country and all over the world - this book is not only a mother's lament, but also a finger pointing to the growing appeal everywhere of authoritarianism and absolutism. Margaret Barker traces the veneration of the Mother of the Lord back to the Old Testament and a female deity in the first Jewish temple. In a poignant memoir of the mother-daughter relationship, a woman who has seen three daughters marry shares her insights into the entire bittersweet process, from engagement rings to "here comes the bride." Reprint. MOM MOTHERS DAY Stay organized. EASY and CONVENIENT to use. 6x9 Inches with 120 pages Point Grid and Matte Finish. A collection of feminist essays steeped in "Solnit's unapologetically observant and truth-speaking voice on toxic, violent masculinity" (The Los Angeles Review). In a timely and incisive follow-up to her national bestseller *Men Explain Things to Me*, Rebecca Solnit offers sharp commentary on women who refuse to be silenced, misogynistic violence, the fragile masculinity of the literary canon, the gender binary, the recent history of rape jokes, and much more. In characteristic style, "Solnit draw[s] anecdotes of female indignity or male aggression from history, social media, literature, popular culture, and the news . . . The main essay in the book is about the various ways that women are silenced, and Solnit focuses upon the power of storytelling—the way that who gets to speak, and about what, shapes how a society understands itself and what it expects from its members. The Mother of All Questions poses the thesis that telling women's stories to the world will change the way that the world treats women, and it sets out to tell as many of those stories as possible" (The New Yorker). "There's a new feminist revolution—open to people of all genders—brewing right now and Rebecca Solnit is one of its most powerful, not to mention beguiling, voices." —Barbara Ehrenreich, New York Times—bestselling author of *Natural Causes* "Short, incisive essays that pack a powerful punch." —Publishers Weekly "A keen and timely commentary on gender and feminism. Solnit's voice is calm, clear, and unapologetic; each essay balances a warm wit with confident, thoughtful analysis, resulting in a collection that is as enjoyable and accessible as it is incisive." —Booklist Orb had a rare gift—the magic which manifested whenever she sang or played her harp. No one could resist her music. But she knew that greater magic lay in the Llano, the mystic music that controlled all things. The quest for the Llano occupied Orb's life. Until she met Natasha, handsome and charming, and an even finer musician. But her mother Niobe came as an Aspect of Fire, with the news that Orb had been chosen for the role of Incarnation of Nature--The Green Mother. But she also warned of a prophecy that Orb was to marry Evil. Could she be sure that Natasha was not really Satan, the Master of Illusion, laying a trap for her...? Hussein's illegal pork business has started to cause some headaches, and not just because of his permanent hangovers-- the town is tired of the smell, a mujahid has arrived on his doorstep, his American niece is visiting, and his sister has joined the Syrian rebel cause, but worst of all, his sow is severely depressed "It's not a story." With four words, Helena's quiet life goes up in flames. When her childhood friend returns to tell her she is the prophesied ruler of the Chosen—those blessed with the gift of magic—there's no avoiding her destiny. Suddenly, Helena is surrounded by a circle of protectors, each man having sworn their loyalty to her since her birth. All except for one: her Mate. It's not enough that she learn how to use her magic and undergo a trial to prove her worthiness; in order to claim her title, Helena must also find the man who carries the other half of her soul. Exiled due to a past he had no part in, Von is the last man the Chosen expect Helena to select. Despite their protests, his soul calls to

hers, and there's no denying he was made for her. But the prophecy stands...and all isn't as it seems. There's an enemy lurking within plain sight who will stop at nothing to destroy her. • "Deliciously entertaining!" —People Magazine's "People Pick" • Entertainment Weekly's "MUST List" • O Magazine's "15 Best Beach Books of the Year So Far" • Bustle "Best Book of April" • Refinery29 "Best Book of April" • Cosmopolitan "Best Book of April" • Woman's Day's "27 Fiction Books of 2019 to Add to Your Reading List ASAP" • BookBub's "Biggest Books of April" • PopSugar's "30 Must-Read Books of 2019" A twisty, compelling new novel about one woman's complicated relationship with her mother-in-law that ends in death... From the moment Lucy met her husband's mother, she knew she wasn't the wife Diana had envisioned for her perfect son. Exquisitely polite, friendly, and always generous, Diana nonetheless kept Lucy at arm's length despite her desperate attempts to win her over. And as a pillar in the community, an advocate for female refugees, and a woman happily married for decades, no one had a bad word to say about Diana...except Lucy. That was five years ago. Now, Diana is dead, a suicide note found near her body claiming that she longer wanted to live because of the cancer wreaking havoc inside her body. But the autopsy finds no cancer. It does find traces of poison, and evidence of suffocation. Who could possibly want Diana dead? Why was her will changed at the eleventh hour to disinherit both of her children, and their spouses? And what does it mean that Lucy isn't exactly sad she's gone? Fractured relationships and deep family secrets grow more compelling with every page in this twisty, captivating new novel from Sally Hepworth. Praise for Sally Hepworth: "With jaw-dropping discoveries, and realistic consequences, this novel is not to be missed. Perfect for lovers of Big Little Lies." —Library Journal, starred review "Hepworth deftly keeps the reader turning pages and looking for clues, all the while building multilayered characters and carefully doling out bits of their motivations." —Booklist The groundbreaking biography of Maria Branwell reveals a remarkable woman who has been lost in the shadows of her gifted children, Charlotte, Emily and Anne Brontë. The witty, clever and intrepid Cornish lady of letters, lover of Patrick and mother of genius has been missing for too long. The extraordinary Brontës were a family like no other and it all began when Maria met Patrick. "Mother of the Unseen World is absolutely riveting, deeply searching, and thought-provoking."—Gretchen Rubin For readers interested in the mysteries of spiritual awakening, an exploration of the Indian "avatar" Mother Meera, known as an embodiment of the Divine Feminine Throughout history there have been rare individuals who transcend what seems humanly possible, "enlightened" beings born with knowledge and experience that defy explanation. Kamala Reddy was a ten-year-old servant in rural India when her mysterious powers were recognized; she is believed to be an "avatar"—a divine incarnation in human form—and was soon given the name Mother Meera. Over the past forty years, she has welcomed millions of seekers from all faiths to have darshan (silent blessing) at her homes in Germany and India. Mother Meera has no dogma, offers her gifts free of charge, and belongs to no particular religion. Her transformational work is done using a particular light, she explains, which she transmits through her fingertips when she touches each person's head during darshan, undoing "energetic knots" and quickening a person's spiritual development. "Like electricity, the light is everywhere, but one must know how to activate it. I have come for that," she says. Mark Matousek was a nonbeliever when he met Mother Meera in 1985. Yet, in her presence, he experienced inexplicable occurrences that forced him to challenge his worldview. Now, in this deeply moving and wise book, he takes us as close as possible to this extraordinary woman. Is divine incarnation truly possible, he asks, as most of the world's religions insist? Who is Mother Meera, really? Speaking to members of her inner circle, working at her school for the poor in India, and interviewing the elusive master herself, Matousek takes the reader on a mysterious quest into the "unseen world" where the divine and human intersect. Advance praise for Mother of the Unseen World "Mother of the Unseen World reads like a classic adventure novel, with one exception—much of the adventure goes on inside the reader as we follow Mark Matousek's everyman journey from pain and doubt to discovery and awakening."—Elizabeth Lesser, author of Broken Open and co-founder of Omega Institute "Mark Matousek brings us to the feet of Mother Meera in this transcendent, rapturous, astonishing book."—Eve Ensler, author of The Vagina Monologues and In the Body of the World "At once a spiritual autobiography and an exploration of one of the most mystical beings of our time."—Dani Shapiro "Mother Meera's message of peace and love has touched me profoundly."—Ringo Starr Eve, Noah's wife, Sarah, Tamar, Asenath, and others played a critical role in shaping the nation and faith of Israel. But we need to look closely at their stories to fully understand their impact. Respected Hebrew scholar and archaeologist Tammi Schneider takes us into the biblical account by carefully reading the stories of all the women in Genesis and illuminating the text with cultural background and archaeological insights. Her careful and creative approach challenges traditional ways of seeing these women and gives a fresh perspective on familiar stories. The result is a readable, thoughtful, and biblically grounded look at the roles and functions of Genesis women and a solid resource for studies of Genesis, women in the Bible, and women's issues. She's the most famous woman in history, yet almost nothing is known about her. Although she's portrayed as the gentlest and most tragic of all women, her name has been used as an excuse for internecine hatred and wars between peoples. But who was Mary, mother of Jesus Christ? What type of family did she have? What was the community like in which she grew from child to teenager forced to marry a man three times her age? And why have virtually all the details of her early life been obscured and censored by the writers of the Bible? In *The Book of Mary*, novelist Alan Gold looks at first century Israel under the iron heels of Roman occupation and uncovers what life was like for a young woman in a distant outpost of the most aggressive and merciless Empire in history. Following Mary's story from teenager to a young woman married to a widower, to mother, and then to become a devotee of the new religion her Son had created. This tragic yet virtually unknown woman is forced to witness the excruciating pain of her son's crucifixion. "Mother of Orphans is the compelling true story of Alice, an Irish-American woman who defied rigid social structures to form a family with a black man in Ohio in 1899. Alice and her husband had three children together, but after his death in 1912, Alice mysteriously surrendered her children to an orphanage. One hundred years later, her great-grand daughter, Dedria Humphries Barker, went in search of the reasons behind this mysterious abandonment, hoping in the process to resolve aspects of her own conflicts with American racial segregation and conflict. This book is the fruit of Barker's quest. In it, she turns to memoir, biography, historical research, and photographs to unearth the fascinating history of a multiracial community in the Ohio River Valley during the early twentieth century.... Part personal journey, part cultural biography, *Mother of Orphans* examines a little-known piece of this country's past: interracial families that survived and prevailed despite Jim Crow laws, including those prohibiting mixed-race marriage."—Amazon.com, viewed April 17, 2020. A New York Times Notable Book A Library Journal Best Book of 2021 A "marvelous...superbly effective" (The New Yorker) debut novel about a young woman coming of age with a dazzling yet damaged mother who lived and loved in extremes. Met by rave reviews in The New Yorker, The New York Times, and more, this stunning translation of Violaine Huisman's "witty, immersive autofiction showcases a Parisian childhood with a charismatic, depressed parent" (Oprah Daily). Beautiful and magnetic, Catherine, a.k.a. "Maman," smokes too much, drives too fast, laughs too hard, and loves too extravagantly, and her daughter Violaine wouldn't have it any other way. But when Maman is hospitalized after a third divorce and a breakdown, everything changes. Even as Violaine and her sister long for their mother's return, once she's back Maman's violent mood swings and flagrant disregard for personal boundaries soon turn their home into an emotional landmine. As the story of Catherine's own traumatic childhood and adolescence unfolds, the pieces come together to form an indelible portrait of a mother as irresistible as she is impossible, as triumphant as she is transgressive. With spectacular ferocity of language, a streak of dark humor, and stunning emotional bravery, *The Book of Mother* is an exquisitely wrought story of a mother's dizzying heights and devastating lows, and a daughter who must hold her memory close in order to surrender, and finally move on. The author of the critically acclaimed *A Cupboard Full of Coats* makes her hardcover debut with a provocative and timely novel about an emotionally devastated mother's struggle to understand her teenage son's death, and her search for meaning and hope in the wake of incomprehensible loss. The unimaginable has happened to Marcia Williams. Her bright and

beautiful sixteen-year-old son, Ryan, has been brutally murdered. Consumed by grief and rage, she must bridle her dark feelings and endure something no mother should ever have to experience: she must go to court for the trial of the killer—another teenage boy—accused of taking her son's life. How could her son be dead? Ryan should have been safe—he wasn't the kind of boy to find himself on the wrong end of a knife carried by a dangerous young man like Tyson Manley. But as the trial proceeds, Marcia finds her beliefs and assumptions challenged as she learns more about Ryan's death and Tyson's life, including his dysfunctional family. She also discovers troubling truths about her own. As the strain of Ryan's death tests their marriage, Lloydie, her husband, pulls farther away, hiding behind a wall of secrets that masks his grief, while Marcia draws closer to her sister, who is becoming her prime confidant. One person seems to hold the answers—and the hope—Marcia needs: Tyson's scared young girlfriend, Sweetie. But as this anguished mother has learned, nothing in life is certain. Not anymore. A beautiful, engrossing novel that illuminates some of the most important and troubling issues of our time, *The Mother* is a moving portrait of love, tragedy, and survival—and the aftershocks from a momentary act of cruel violence that transforms the lives of everyone it touches. To a mother and daughter on an illuminating pilgrimage, this is what the desert said: Carry only what you need. Burn what can't be saved. Leave the remnants as an offering.

When Kimberly Meyer gave birth to her first daughter, Ellie, during her senior year of college, the bohemian life of exploration she had once imagined for herself was lost in the responsibilities of single motherhood. For years, both mother and daughter were haunted by how Ellie came into being—Kimberly through a restless ache for the world beyond, Ellie through a fear of abandonment. Longing to bond with Ellie, now a college student, and longing, too, to rediscover herself, Kimberly sets off with her daughter on a quest for meaning across the globe. Leaving behind the rhythms of ordinary life in Houston, Texas, they dedicate a summer to retracing the footsteps of Felix Fabri, a medieval Dominican friar whose written account of his travels resonates with Kimberly. Their mother-daughter pilgrimage takes them to exotic destinations infused with mystery, spirituality, and rich history—from Venice to the Mediterranean through Greece and partitioned Cyprus, to Israel and across the Sinai Desert with Bedouin guides, to the Palestinian territories and to Cairo and Alexandria in Egypt. In spare and gorgeous prose, *The Book of Wanderings* tells the story of Kimberly and Ellie's journey, and of the intimate, lasting bond they forge along the way. A meditation on stripping away the distractions, on simplicity, on how to live, this is a vibrant memoir with the power to both transport readers to far-off lands and to bring them in closer connection with themselves. It will appeal to anyone who has contemplated the road not taken, who has experienced the gnawing feeling that there is something more, who has faced the void-of offspring leaving, of mortality looming, of searching for someplace that feels, finally, like home. **NEW YORK TIMES BESTSELLER** "Bittersweet, sexy, morally fraught." —The New York Times Book Review "Fantastic... a book that feels alive on the page." —The Washington Post

From the New York Times bestselling author of *The Vanishing Half*, the beloved novel about young love and a big secret in a small community. Set within a contemporary black community in Southern California, Brit Bennett's mesmerizing first novel is an emotionally perceptive story about community, love, and ambition. It begins with a secret. "All good secrets have a taste before you tell them, and if we'd taken a moment to swish this one around our mouths, we might have noticed the sourness of an unripe secret, plucked too soon, stolen and passed around before its season." It is the last season of high school life for Nadia Turner, a rebellious, grief-stricken, seventeen-year-old beauty. Mourning her own mother's recent suicide, she takes up with the local pastor's son. Luke Sheppard is twenty-one, a former football star whose injury has reduced him to waiting tables at a diner. They are young; it's not serious. But the pregnancy that results from this teen romance—and the subsequent cover-up—will have an impact that goes far beyond their youth. As Nadia hides her secret from everyone, including Aubrey, her God-fearing best friend, the years move quickly. Soon, Nadia, Luke, and Aubrey are full-fledged adults and still living in debt to the choices they made that one seaside summer, caught in a love triangle they must carefully maneuver, and dogged by the constant, nagging question: What if they had chosen differently? The possibilities of the road not taken are a relentless haunt. In entrancing, lyrical prose, *The Mothers* asks whether a "what if" can be more powerful than an experience itself. If, as time passes, we must always live in servitude to the decisions of our younger selves, to the communities that have parented us, and to the decisions we make that shape our lives forever. If you're looking for the inside scoop on what it's really like to have a baby, you've come to the right place. This comprehensive guide features a friendly, fresh, and fun approach to the greatest adventure life has to offer. Based on the best advice from over 100 Canadian parents and panel of experts, this information is served up with a uniquely Canadian spin. *The Mother of All Pregnancy Books* is funny, entertaining, and packed with tons of nuts-and-bolts information and presents expectant parents with all the facts on such perennial hot topics as pain relief during labor, episiotomy, and circumcision, empowering them to make informed personal choices. Unique and innovative, this book is packed with helpful tools readers won't find anywhere else, including charts highlighting the risks of using various over-the-counter drug products during pregnancy, tables summarizing the functions of the 10 most important nutrients during pregnancy, lists of the 10 best-and worst-baby products, and much, much more. Featuring a glossary of pregnancy-related terms, a sample birth plan and a set of emergency childbirth procedures, *The Mother of All Pregnancy Books* isn't afraid to tackle difficult subjects, like infertility, high-risk pregnancy, and pregnancy and infant loss -- topics that most other pregnancy books shy away from. New features include: *The Pregnancy Roadmap*: a week-by-week; month-by-month; and trimester-by-trimester overview of the key pregnancy milestones and highlights *Pregnancy Q & As* *Baby Gear 101* *Your Post-Partum Body* And a brand new section called "The Truth About Pregnancy Brain" National Book Club Conference 'Book of the Year' Award Winner

From her more than three hundred appearances for film and television, stage and cabaret, performing comedy or drama, as an unforgettable lead or a scene stealing supporting character, Jenifer Lewis has established herself as one of the most respected, admired, talented, and versatile entertainers working today. This "Mega Diva" and costar of the hit sitcom *black-ish* bares her soul in this touching and poignant—and at times side-splittingly hilarious—memoir of a Midwestern girl with a dream, whose journey took her from poverty to the big screen, and along the way earned her many accolades. With candor and warmth, Jenifer Lewis reveals the heart of a woman who lives life to the fullest. This multitalented "force of nature" landed her first Broadway role within eleven days of her graduation from college and later earned the title "Reigning Queen of High-Camp Cabaret." In the audaciously honest voice that her fans adore, Jenifer describes her transition to Hollywood, with guest roles on hits like *The Fresh Prince of Bel-Air* and *Friends*. Her movie *Jackie's Back!* became a cult favorite, and as the "Mama" to characters portrayed by Whitney Houston, Tupac Shakur, Taraji P. Henson, and many more, Jenifer cemented her status as the "Mother of Black Hollywood." When an undiagnosed mental illness stymies Jenifer's career, culminating in a breakdown while filming *The Temptations*, her quest for wholeness becomes a harrowing and inspiring tale, including revelations of bipolar disorder and sex addiction. Written with no-holds-barred honesty and illustrated with more than forty color photographs, this gripping memoir is filled with insights gained through a unique life that offers a universal message: "Love yourself so that love will not be a stranger when it comes."

Based on the true story of two Jaffa teenagers, Mother of Strangers follows the daily lives of Subhi, a fifteen-year-old mechanic, and Shams, the thirteen-year-old student he hopes to marry one day. In this prosperous and cosmopolitan port city, with its bustling markets, cinemas, and cafés on the hills overlooking the Mediterranean Sea, we meet many other unforgettable characters as well, including Khawaja Michael, the elegant and successful owner of orange groves above the harbor; Mr. Hassan, the tailor who makes Subhi's treasured English suit, which he hopes will change his life; and the very mischievous and outrageous Uncle Habeeb, who insists on introducing Subhi to the local bordello. With a thriving orange export business, Jaffa had always been a city welcoming to outsiders—the "Mother of Strangers"—where Muslims, Jews, and Christians lived peacefully together. Once the bombardment of the city begins in April 1948, Suad Amiry gives us the grim but fascinating details of the shock, panic, and destruction that ensues. Jaffa becomes unrecognizable, with neighborhoods flattened, families removed from their homes and separated, and those who remain in constant danger of arrest and incarceration. Most of the population flees eastward to Jordan or by sea to Lebanon in the north or to Egypt and Gaza in the south. Subhi and Shams will never see each other again. Suad Amiry has written a vivid and devastating account of a seminal moment in the history of the Middle East—the beginning of the end of Palestine and a portrait of a city irrevocably changed. Among maternal deities of the Greek pantheon, the Mother of the Gods was a paradox. Conflict and resolution were played out symbolically, Munn shows, and the goddess of Lydian tyranny was eventually accepted by the Athenians as the Mother of the Gods and a symbol of their own sovereignty.

Thank you totally much for downloading **Margaret Beaufort Mother Of The Tudor Dynasty**. Most likely you have knowledge that, people have seen numerous periods for their favorite books taking into consideration this Margaret Beaufort Mother Of The Tudor Dynasty, but end going on in harmful downloads.

Rather than enjoying a good ebook similar to a cup of coffee in the afternoon, otherwise they juggled in the same way as some harmful virus inside their computer. **Margaret Beaufort Mother Of The Tudor Dynasty** is within reach in our digital library an online entry to it is set as public consequently you can download it instantly.
