**The Outlander Series Bundle: Books 1, 2, 3, and 4** Jun 15 2020 There's never been a better time to discover the novels behind the blockbuster Starz original series Outlander. Blending rich historical fiction with riveting adventure and a truly epic love story, here are the first four books of Diana Gabaldon's New York Times bestselling saga that introduced the world to the brilliant Claire Randall and valiant Highlander Jamie Fraser: OUTLANDER DRAGONFLY IN AMBER VOYAGER DRUMS OF AUTUMN Scottish Highlands, 1945. Claire Randall, a former British combat nurse, is just back from the war and reunited with her husband on a second honeymoon when she walks through a standing stone in one of the ancient circles that dot the British Isles. Suddenly she is a Sassnach—an “outlander”—in a Scotland torn by war and raiding clans in the year of Our Lord . . . 1743. Claire is catapulted into the intrigues of a world that threatens her life, and may shatter her heart. Marooned amid danger, passion, and violence, her only chance of safety lies in Jamie Fraser, a gallant young Scots warrior. What begins in compulsion becomes urgent need, and Claire finds herself torn between two very different men, in two irreconcilable lives. Praise for Diana Gabaldon's Outlander novels “Marvelous and fantastic adventures, romance, sex . . . perfect escape reading.”—San Francisco Chronicle, on Outlander “History comes deliciously alive on the page.”—New York Daily News, on Outlander “Gabaldon is a born storyteller. . . . The pages practically turn themselves.”—The Arizona Republic, on Dragonfly in Amber “Triumphant . . . Her use of historical detail and a truly adult love story confirm Gabaldon as a superior writer.”—Publishers Weekly, on Voyager “Unforgettable characters . . . richly embroidered with historical detail.”—The Cincinnati Post, on Drums of Autumn

*Small Town Perfect Boxed Set 4* Jan 15 2023 Small town romantic women's fiction with love, hope, second chances, and a happy ending! Note from Mary: I love secondary characters: writing them, reading about them, even watching them on the big screen. Secondary characters support the “stars”; make them more vibrant and compelling. But when the story ends, I'm often left wondering what they'd do if they were in the “spotlight”. That's why I've created special boxed sets that were part of That Second Chance series and the Truth in Lies series. These boxed sets let the reader follow the before and after of select characters as they first appear in That Second Chance series and later in the fictional town of my bestselling Truth in Lies series. Boxed Set Four contains Paradise Found and A Family Affair: The Wish. I invite you to follow their journey! Paradise Found How does one see truly—with the heart or with the eyes? Matt Brandon has it all—wealth, power, looks, and talent. Women want him; men want to be like him. When a freak ski accident strips him of one of life's most basic needs—his sight—he struggles to accept the possibility that his blindness may be permanent. Enter psychologist Sara Hamilton, a woman who has known her own share of grief and loss and may just be the one person who can help Matt redefine his new world. Sara is every woman's woman—she's not a toothpick or a Cosmo girl, has never been prom queen, or dated the blond-haired god with the big white teeth. She's honest and decent and real...and lives on the perimeter, applauding her patients' successes, nursing them through their failures, but never acknowledging or accepting what she lacks in her own life. She's loved and lost once and has been so emotionally scarred, she's not willing to risk those feelings again. Of course, she's never met a man like Matt Brandon. As Matt and Sara explore the delicate balance between “blind” trust and hope, they will discover that sometimes you have to lose everything to find what you are truly looking for... A Family Affair: The Wish Bree Kinkaid is finally going to get her happily-ever-after with Adam Brandon (from Paradise Found, That Second Chance series), but it's not going to be quick or easy. You won't want to miss the fireworks as one of Magdalena's favorites meets Mr. West Coast. Should I mention he's handsome, intelligent, wealthy, and an all-around good guy? (Oh, but he has a broken heart...forgot about that.) Guess that makes him a wounded hero in need of a second chance, and we all know Magdalena's just the place for second chances. And I know many of you have no time or patience for the “bad girl” of Magdalena, Natalie Servetti. She's done her share of wrong and worse than wrong, including almost breaking up Nate and Christine Desantro. But those of you who read A Family Affair: The Secret know she's trying to right her past misdeeds, and now she's met a man who might just give her a chance at happily-ever-after. Will her past destroy that chance or will love indeed conquer all? Small Town Perfect Series: Boxed Set 1 includes Pulling Home and A Family Affair: The Promise Boxed Set 2 includes The Way They Were and A Family Affair: The Secret Boxed Set 3 includes Simple Riches and A Family Affair: Winter Boxed Set 4 includes Paradise Found and A Family Affair: The Wish Boxed Set 5 includes Not Your Everyday Housewife and A Family Affair: The Gift Boxed Set 6 includes The Butterfly Garden and A Family Affair: The Return

She lives with her brother and sister in Bighorn, Texas, where her father works as a judge, a man known for his fairness in dealing with outlaws and criminals, doling out justice that suited almost everyone involved. When her socialite sister is abducted at a party thrown in his honor, instead of telling her parents what's happened, Mattie sets off on a journey of her own, accompanied by her loving and devoted brother Franklin to find their stolen sister. Dylan Sullivan and his business partner, Luke Turner, are just trying to find the money to start their own magazine for men, espousing all the wonderful traits of men while exploring why the female of the species is so inept. It doesn't take long after he meets Mattie Holbrook for Daniel to begin to question his chauvinistic ways. Dylan and Luke join Mattie and Franklin in the search for Lauren, at time confused to be dealing with bandits that seem to change their plans frequently – if they have plans at all. Dylan suspects they are making things up as they go along, with no real end in sight. Will he and Mattie rescue Lauren without coming up against each other in conflicts of their beliefs? Or will love win the day, creating a different world for everyone involved? A Bride's Edition Isabella's an Italian beauty that's determined to make a go of it in this new wild country called America. She and her brother take a boat and make their way to Texas. Texas! Luke Turner love his job, managing a magazine he owns with his best friend. He loves his life. Luckily, a beautiful Italian belle has made her way to their town and has agreed to work in the magazine's office. His wonders if his head will be turned when he gets correspondence from an interested lady? The Runaway Bride Alistair's life is almost completely perfect. He's got the ideal job, in the ideal town. He's only missing one thing. A wife. That would complete his life and make it perfect. He reaches out to his friends Luke and Dylan who have a magazine and they help him compose an advertisement for a bride. Lo and behold, he's pleasantly surprised when a lady from Virginia responds. He's even more surprised when she appears—practically on his doorstep—ahead of schedule and darned near with no notice. Lydia's got a problem. A huge one that has a heavy hand and a short temper. So what's she to do? She leaves town and heads toward the man she's been corresponding with. A man who's captured her heart with his words. She didn't plan to arrive early and without much notice, but with her life at stake, what else can a woman do? Now what's she going to do when Alistair starts to ask the hard questions? The ones she is loath to answer. A Bride for the Ranch Hand Sophia loves Bighorn. She loves her job as a nanny. Her life is complete. Except... She's not getting any younger and she'd like to settle down. Particularly with a certain ranch hand she's got her eye on. Owen fancies Sophia. She makes his heart beat a little faster. Oh, who is he kidding. She makes it race. He's so excited that he will spend the evening escorting her to the party at the ranch. It all seems fine until catastrophe strikes. Will a calamity force these two apart or will it bring them together?
