Celebrated Ojibway author
Richard Wagamese shares the
traditions and teachings of his

people, entwining them with an account of his own life-long struggle for self-knowledge and self-respect. Richard Wagamese stares the modern world in the eye and takes careful note of its snares and perils. He sees people coveting without knowing why, people looking for roots without understanding what might constitute rootedness, people looking for acceptance without offering reciprocal respect, and people longing for love without knowing how to offer it. And underneath all lurks the seductive oblivion of substance abuse. These are the pitfalls of his own life, dangers he hopes his estranged son, Joshua, will be able to navigate with the guidance afforded by this heartfelt memoir. Richard Wagamese has no easy answers. His road to self-knowledge has been long and treacherous - and it is in part this series of trials that has furnished him if not with a complete set of answers then at least a profound understanding of the questions. Again and again Wagamese brings universal problems into astonishingly sharp focus by sharing the special wisdom of Canada's First Nations, while reminding us that we are not so different after all. My life as a Kane was lit in the Indigos, Aquamarines and Magentas of a home built on quiet faith and prayer. But Johnny changed all that. Where I had stood transfixed by the gloss on the surface of living, he called me forward from the pages of the books, away from the blinders that faith can surreptitiously place upon your eyes and out

into a world populated by those who live their lives in the shadow of necessary fictions. This final book in the New York Times-bestselling Fairyland series finds September accidentally crowned the Queen of Fairyland. But there are others who believe they have a fair and good claim on the throne, so there is a Royal Race--whoever wins will seize the crown. Along the way, beloved characters including the Wyverary, A-Through-L, the boy Saturday, the changelings Hawthorn and Tamburlaine, the wombat Blunderbuss, and the gramophone Scratch are caught up in the madness. And September's parents have crossed the universe to find their daughter. Who will win? What will become of September, Saturday, and A-Through-L? The answers will surprise you, and are as bewitching and bedazzling as fans of this series by Catherynne M. Valente have come to expect. Set mainly in a remote westerly tip of Ireland in the 1940s and '50s, this stunning new novel from one of Canada's bestselling authors is at once intimate and epic in scope. Tam, an Englishwoman, has been living in this harshly beautiful region since shortly after World War II, in which she served as an auxiliary pilot. She is now leaving her lover, Niall, who, like his father before him, is a meteorologist. On her way to New York, the airliner she is traveling on becomes grounded by heavy fog at Gander Airport in Newfoundland. As she waits for the fog to clear, she notices an enigmatic mural that moves

her to revisit not only the circumstances that brought her to Ireland but her intense relationship with Niall and his growing despondency over the disappearance of his younger brother, Kieran. We learn of Kieran's troubled childhood and of the tragedy that caused him as a boy to be separated from his family and taken in by a widowed countrywoman who lives in the mountains. There he comes to know the local people, among them a tailor, a fisherman-teacher, and a sheep farmer who is an astonishing philosopher. There is also the jeweler's daughter, a young woman who will come to change the course of several lives. Running parallel is the story of the painter Kenneth Lochhead and his creation of the mural at Gander that is Tam's only companion through three long days and nights. An elegiac novel of unusual emotional depth, *The Night Stages* explores the meaning of separation, the sorrows of fractured families, and the profound effect of Ireland's wild and elemental landscape on lives shaped by its beauty. It is Jane Urquhart's richest, most rewarding novel to date. In this hugely acclaimed author's new novel, history comes alive before us when, in the seventeenth century, a Jesuit missionary ventures into the wilderness in search of converts—the defining moment of first contact between radically different worlds, each at once old and new in its own ways. What unfolds over the next few years is truly epic, constantly illuminating and surprising, sometimes comic,

always entrancing, and ultimately all-too-human in its tragic grandeur. Christophe, as educated as any Frenchman could be about the “sauvages” of the New World whose souls he has sworn to save, begins his true enlightenment shortly after he sets out when his native guides—terrified by even a scent of the Iroquois—abandon him to save themselves. But a Huron warrior and elder named Bird soon takes him prisoner, along with a young Iroquois girl, Snow Falls, whose family he has just killed. The Huron-Iroquois rivalry, now growing vicious, courses through this novel, and these three are its principal characters. Christophe and Snow Falls are held captive in Bird’s massive village. Champlain’s Iron People have only lately begun trading with the Huron, who mistrust them as well as this Jesuit Crow who has now trespassed onto their land; and Snow Falls’s people, of course, have become the Hurons’ greatest enemy. Bird knows that to get rid of them both would resolve the issue, but he sees Christophe, however puzzling, as a potential envoy to those in New France, and Snow Falls as a replacement for the two daughters he’d lost to the Iroquois. These relationships wax and wane as life comes at them relentlessly: a lacrosse match with an allied tribe, a dangerous mission to trade furs with the French for the deadly shining wood that could save the Huron nation, shocking victories in combat and devastating defeats, then a sickness the likes of which

none of them has ever seen. The world of *The Orenda* blossoms to include such unforgettable characters as Bird’s oldest friend, Fox; his lover, Gosling, who some believe possesses magical powers; two more Jesuit Crows who arrive to help form a mission; and boys from both tribes whose hearts veer wildly from one side to the other, for one reason or another. Watching over all of them are the spirits that guide their every move. *The Orenda* traces a story of blood and hope, suspicion and trust, hatred and love, that comes to a head when Jesuit and Huron join together against the stupendous wrath of the Iroquois, when everything that any of them has ever known or believed in faces nothing less than annihilation. A saga nearly four hundred years old, it is also timeless and eternal. This eBook edition includes a Reading Group Guide. This “extraordinary” novel of one man’s border crossing reveals “a human history of sorrow and suffering, all of it beginning with the thirst to be free” (NPR). Héctor is trapped. The water truck, sealed to hide its human cargo, has broken down. The coyotes have taken all the passengers’ money for a mechanic and have not returned. Héctor finds a name in his friend César’s phone: AnniMac. A name with an American number. He must reach her, both for rescue and to pass along the message César has come so far to deliver. But are his messages going through? Over four days, as water and food run low,

Héctor tells how he came to this desperate place. His story takes us from Oaxaca—its rich culture, its rapid change—to the dangers of the border, exposing the tangled ties between Mexico and El Norte. And it reminds us of the power of storytelling and the power of hope, as Héctor fights to ensure his message makes it out of the truck and into the world. Both an outstanding suspense novel and an arresting window into the relationship between two great cultures, *The Jaguar’s Children* shows how deeply interconnected all of us are. “This is what novels can do—illuminate shadowed lives, enable us to contemplate our own depths of kindness, challenge our beliefs about fate. Vaillant’s use of fact to inspire fiction brings to mind a long list of powerful novels from the past decade or so: *What is the What* by Dave Eggers; *The Map of Love* by Ahdaf Soueif; *The Storyteller* by Jodi Picoult.” —Amanda Eyre Ward, *The New York Times Book Review* “[A] heartbreaker . . . Wrenching . . . with a voice fresh and plangent enough to disarm resistance.” —*The Boston Globe* “Fearless.” —*The Globe and Mail* By the celebrated author of *Canada Reads* Finalist *Indian Horse*, a stunning new novel that has all the timeless qualities of a classic, as it tells the universal story of a father/son struggle in a fresh, utterly memorable way, set in dramatic landscape of the BC Interior. For male and female readers equally, for readers of Joseph Boyden,

Cormac McCarthy, Thomas King, Russell Banks and general literary. Franklin Starlight is called to visit his father, Eldon. He's sixteen years old and has had the most fleeting of relationships with the man. The rare moments they've shared haunt and trouble Frank, but he answers the call, a son's duty to a father. He finds Eldon decimated after years of drinking, dying of liver failure in a small town flophouse. Eldon asks his son to take him into the mountains, so he may be buried in the traditional Ojibway manner. What ensues is a journey through the rugged and beautiful backcountry, and a journey into the past, as the two men push forward to Eldon's end. From a poverty-stricken childhood, to the Korean War, and later the derelict houses of mill towns, Eldon relates both the desolate moments of his life and a time of redemption and love and in doing so offers Frank a history he has never known, the father he has never had, and a connection to himself he never expected. A novel about love, friendship, courage, and the idea that the land has within it powers of healing, *Medicine Walk* reveals the ultimate goodness of its characters and offers a deeply moving and redemptive conclusion. Wagamese's writing soars and his insight and compassion are matched by his gift of communicating these to the reader. A First Nations former hockey star looks back on his life as he undergoes treatment for alcoholism in this novel from the author of *Dream*

Wheels. Saul Indian Horse is a child when his family retreats into the woods. Among the lakes and the cedars, they attempt to reconnect with half-forgotten traditions and hide from the authorities who have been kidnapping Ojibway youth. But when winter approaches, Saul loses everything: his brother, his parents, his beloved grandmother—and then his home itself. Alone in the world and placed in a horrific boarding school, Saul is surrounded by violence and cruelty. At the urging of a priest, he finds a tentative salvation in hockey. Rising at dawn to practice alone, Saul proves determined and undeniably gifted. His intuition and vision are unmatched. His speed is remarkable. Together they open doors for him: away from the school, into an all-Ojibway amateur circuit, and finally within grasp of a professional career. Yet as Saul's victories mount, so do the indignities and the taunts, the racism and the hatred—the harshness of a world that will never welcome him, tied inexorably to the sport he loves. Spare and compact yet undeniably rich, *Indian Horse* is at once a heartbreaking account of a dark chapter in our history and a moving coming-of-age story. “Shocking and alien, valuable and true... A master of empathy.”—Jane Smiley, Pulitzer Prize-winning author of *Golden Age* “A severe yet beautiful novel.... *Indian Horse* finds the granite solidity of Wagamese's prose polished to a lustrous sheen; brisk, brief, sharp chapters propel the

reader forward.”—Donna Bailey Nurse, *National Post* (Toronto) Includes four comic strips featuring Moomin, a teenage troll who looks like a hippopotamus and passively deals with life's troubles; including "Moomin's Winter Follies," "Moomin Mamma's Maid," "Moomin Builds a House," and "Moomin Begins a New Life." Commissioned to carve a spirit mask for a mysterious stranger, Lucas Smoke finds his life controlled by disturbing nightmares of his client, an ancient sorcerer named Him Standing, who endeavors to emerge from the dream world. “The most profound truth in the universe is this: that we are all one drum and we need each other.” —Richard Wagamese, *One Drum* Fans of Richard Wagamese's writing will be heartened by the news that the bestselling author left behind a manuscript he'd been working on until shortly before his death in 2017. *One Drum* welcomes readers to unite in ceremony to heal themselves and bring harmony to their lives and communities. In *One Drum*, Wagamese wrote, “I am not a shaman. Nor am I an elder, a pipe carrier, or a celebrated traditionalist. I am merely one who has trudged the same path many of this human family has—the path of the seeker, called forward by a yearning I have not always understood.” *One Drum* draws from the foundational teachings of Ojibway tradition, the Grandfather Teachings. Focusing specifically on the lessons of humility, respect and courage, the volume contains

simple ceremonies that anyone anywhere can do, alone or in a group, to foster harmony and connection. Wagamese believed that there is a shaman in each of us, and we are all teachers and in the world of the spirit there is no right way or wrong way. Writing of neglect, abuse and loss of identity, Wagamese recalled living on the street, going to jail, drinking too much, feeling rootless and afraid, and then the feeling of hope he gained from connecting with the spiritual ways of his people. He expressed the belief that ceremony has the power to unify and to heal for people of all backgrounds. "When that happens," he wrote, "we truly become one song and one drum beating together in a common purpose—and we are on the path to being healed."

NATIONAL BESTSELLER From the beloved, bestselling author of *Indian Horse* and *Medicine Walk*, Richard Wagamese's final novel is a rapturous and profoundly moving story of love, compassion, mercy, and the consolations to be found in the natural world. Frank Starlight has long settled into a quiet life working his remote farm, occasionally venturing into the unbroken country around his property to photograph the wild animals who thrive there. His contemplative existence comes to an abrupt end with the arrival of Emmy, a woman on the run who has committed a desperate act so she and her child can escape a life of abuse. Frank takes in Emmy and her daughter to help them get back on their feet, and, gradually,

this accidental family grows into a real one. But Emmy's violent ex-boyfriend isn't content to just let her go. He wants revenge and is determined to hunt her down. An instant national bestseller, *Starlight* was unfinished at the time of Richard Wagamese's death, yet every page radiates with his masterful storytelling, intense humanism, and insights that are as hard-earned as they are beautiful. With astonishing scenes set in the rugged backcountry of the B.C. Interior, and characters whose scars cut deep even as their journey toward healing and forgiveness lifts us, *Starlight* is a magnificent last gift to readers from a writer who believed in the power of stories to save us. **NATIONAL BESTSELLER** From the beloved, bestselling author of *Indian Horse* and *Medicine Walk*, Richard Wagamese's final novel is a rapturous and profoundly moving story of love, compassion, mercy, and the consolations to be found in the natural world. A new collection of warm, wise and inspiring stories from the author of the bestselling *One Native Life*. Since its publication in 2008, readers and reviewers have embraced Richard Wagamese's *One Native Life*. "In quiet tones and luminous language," wrote the *Winnipeg Free Press*, "Wagamese shares his hurts and joys, inviting readers to find the ways in which they are joined to him and to consider how they might be joined to others." In this new book, Richard Wagamese again invites readers to accompany him on his travels. This time his focus is on stories: how they shape us, how they empower us, how they change our lives. Ancient and contemporary, cultural and spiritual, funny and sad, the tales are grouped according to the four essential principles Ojibway traditional teachers sought to impart: humility, trust, introspection and wisdom. Bold, passionate,

and more urgent than ever, Debra Magpie Earling's powerful classic novel is reborn in this new edition. On the Flathead Indian Reservation, summer is ending, and Louise White Elk is determined to forge her own path. Raised by her Grandmother Magpie after the death of her mother, Louise and her younger sister have grown up into the harsh social and physical landscape of western Montana in the 1940s, where Native people endure boarding schools and life far from home. As she approaches adulthood, Louise hopes to create an independent life for herself and an improved future for her family—but three persistent men have other plans. Since childhood, Louise has been pursued by Baptiste Yellow Knife, feared not only for his rough-and-tumble ways, but also for the preternatural gifts of his bloodline. Baptiste's rival is his cousin, Charlie Kicking Woman: a man caught between worlds, torn between his duty as a tribal officer and his fascination with Louise. And then there is Harvey Stoner. The white real estate mogul can offer Louise her wildest dreams of freedom, but at what cost? As tensions mount, Louise finds herself trying to outrun the bitter clutches of winter and the will of powerful men, facing choices that will alter her life—and end another's—forever. A lyrical, captivating retelling of the Palm Sunday and Easter story from National Book Award nominee Mitali Perkins, author of *Rickshaw Girl*, that is sure to become a beloved tradition for families of faith. *Little Wind*

and the trees of Jerusalem can't wait for Real King to visit. But *Little Wind* is puzzled when the king doesn't look how he expected. His wise friend Bare Tree helps him learn that sometimes strength is found in sacrifice, and new life can spring up even when all hope seems lost. This story stands apart for its imagination, endearing characters, and how it weaves Old Testament imagery into Holy Week and the promise of Jesus's triumphant return. While the youngest readers will connect to the curious *Little Wind*, older children and parents will appreciate the layers of meaning and Scriptural references in the story, making it a book families can enjoy together year after year. *Lonesome Animals* was named as a Best Book of 2012 by both *The Seattle Times* and *Slate*, a literary debut sparking with beautiful language set against the rugged landscape of 1920s Washington state. Holbert returns with *The Hour of Lead*, an epic family novel and coming of age story that is once again imbibed with the mythology of the west. After losing both his twin and his father in a brutal, unexpected snowstorm, Matt Lawson must take over the family ranch. As his mother disappears into grief, Matt learns the hardest lesson the west has to teach: he is on his own. The necessity of work stabilizes young Matt against the pitfalls of first love with Wendy, the daughter of a local grocer, and their ragged end will sent Matt on a journey across the county, leaving Wendy to tend the ranch with

local schoolteacher Linda Jefferson and her unwieldy son Lucky. It will take decades for Matt to learn his way back home, and that long journey will have great impact on all of those around him. Invoking the same beautiful landscape and language of his critically-acclaimed debut, *The Hour of Lead* is a wider, more expansive novel, less violent but just as affecting, another important contribution to the literature of the west. "Life sometimes is hard. There are challenges. There are difficulties. There is pain. As a younger man I sought to avoid them and only ever caused myself more of the same. These days I choose to face life head on—and I have become a comet. I arc across the sky of my life and the harder times are the friction that lets the worn and tired bits drop away. It's a good way to travel; eventually I will wear away all resistance until all there is left of me is light. I can live towards that end." —Richard Wagamese, *Embers* In this carefully curated selection of everyday reflections, Richard Wagamese finds lessons in both the mundane and sublime as he muses on the universe, drawing inspiration from working in the bush—sawing and cutting and stacking wood for winter as well as the smudge ceremony to bring him closer to the Creator. *Embers* is perhaps Richard Wagamese's most personal volume to date. Honest, evocative and articulate, he explores the various manifestations of grief, joy, recovery, beauty, gratitude, physicality and

spirituality—concepts many find hard to express. But for Wagamese, spirituality is multifaceted. Within these pages, readers will find hard-won and concrete wisdom on how to feel the joy in the everyday things. Wagamese does not seek to be a teacher or guru, but these observations made along his own journey to become, as he says, "a spiritual bad-ass," make inspiring reading. Four chronically homeless people—Amelia One Sky, Timber, Double Dick and Digger—seek refuge in a warm movie theatre when a severe Arctic Front descends on the city. During what is supposed to be a one-time event, this temporary refuge transfixes them. They fall in love with this new world, and once the weather clears, continue their trips to the cinema. On one of these outings they meet Granite, a jaded and lonely journalist who has turned his back on writing "the same story over and over again" in favour of the escapist qualities of film, and an unlikely friendship is struck. A found cigarette package (contents: some unsmoked cigarettes, three \$20 bills, and a lottery ticket) changes the fortune of this struggling set. The ragged company discovers they have won \$13.5 million, but none of them can claim the money for lack proper identification. Enlisting the help of Granite, their lives, and fortunes, become forever changed. *Ragged Company* is a journey into both the future and the past. Richard Wagamese deftly explores the nature of the comforts these friends find in

their ideas of "home," as he reconnects them to their histories. From one of Norway's leading writers, translated into English for the very first time, comes a transatlantic novel of dreams, sacrifice, and transformation set at the turn of the twentieth century. The year is 1874. Nesje is a recent widower with a young son, working as a haymaker on an estate in the town of Molde and steadily clearing his own small holding. Then he meets Serianna—an outsider, looking for work, who takes him fishing and smokes a pipe and is thoroughly unlike anyone he's met before. Soon the two fall in love and marry, and Nesje begins to dream of a prosperous future. But prosperity is hard to come by. Some Norwegians—including Serianna's spirited sister, Gjertine—have begun to immigrate to the American West, attracted by the glimmer of land and commerce. One of Nesje's sons follows, while another moves to the city and becomes a wealthy merchant, and another is adopted by Serianna's childless brother and sister-in-law. In Norway and in America, however, the turn of the century is approaching: mechanization is superseding skilled labor, the moneyed classes are growing ever more powerful, and sacrifices don't always deliver what was promised. *Haymaker in Heaven* is a sprawling saga—drawn from Edvard Hoem's own family history—and a vivid portrait of two countries at a critical moment of intersection. Far less expensive than comparable

guides, *Reading and Writing about Literature: A Portable Guide* is an ideal supplement for writing courses where literature anthologies and individual literary works that lack writing instruction are assigned. This brief guide introduces strategies for reading literature, explains the writing process and common writing assignments for literature courses, provides instruction in writing about fiction, poetry, and drama, and includes coverage of writing a research paper and of literary criticism and theory. This volume in the popular Bedford/St. Martin's series of *Portable Anthologies and Guides* offers a trademark combination of high quality and great value. A First Nations man helps his estranged father find a place to die in this novel by the award-winning author of *One Drum and Indian Horse*. "Richard Wagamese is a born storyteller."—Louise Erdrich When Franklin Starlight is called to visit his father, he has mixed emotions. Raised by the old man he was entrusted to soon after his birth, Frank is haunted by the brief and troubling moments he has shared with his father, Eldon. When he finally travels by horseback to town, he finds Eldon on the edge of death, decimated from years of drinking. The two undertake a difficult journey into the mountainous backcountry, in search of a place for Eldon to die and be buried in the warrior way. As they travel, Eldon tells his son the story of his own life—from an impoverished childhood to

combat in the Korean War and his shell-shocked return. Through the fog of pain, Eldon relates to his son these desolate moments, as well as his life's fleeting but nonetheless crucial moments of happiness and hope, the sacrifices made in the name of love. And in telling his story, Eldon offers his son a world the boy has never seen, a history he has never known. "Deeply felt and profoundly moving...written in the kind of sure, clear prose that brings to mind the work of the great North American masters; Steinbeck among them."—Jane Urquhart, award-winning author of *The Night Stages* "A novel about the role of stories in our lives, those we tell ourselves about ourselves and those we agree to live by."—Globe and Mail Listen is a book where characters ask readers to do just that: listen to their stories, especially because many aren't the type of people who often get listened to - even though they should. These characters' trials, missed connections, and sundry challenges are full of surprises - some good, some bad, some funny, some wise, and some all this at once. Perhaps most surprising of all, there's tenderness here and a lot of heart - which often gets the collection's characters into a lot of trouble. Before internationally acclaimed author Joseph Boyden penned his bestselling novel *Three Day Road* and his Scotiabank Giller Prize-winning novel, *Through Black Spruce*, he published a powerful collection of thirteen stories about modern

Aboriginal life that made readers and reviewers take notice. These stories of love, loss, rage and resilience match virtuosic style with clever wit to turn stereotypes on their head and reveal the traditions and grace of our First Peoples. Readers come to know a butterfly-costumed boy fascinated by the world of professional wrestling, a young woman who falls in love with a wolf, to the leader of an all-girl Native punk band and Painted Tongue, the unforgettable character from *Through Black Spruce*. Though each story is told in a different and distinct voice, they are all united by their captivating vitality, nuanced perceptions and vigorous prose. From the celebrated author of *Medicine Walk* and *Indian Horse*, a deeply moving self-portrait, in the form of letters to the son from whom he was estranged. Following the Scotiabank Giller Prize-shortlisted *Son of a Trickster* comes *Trickster Drift*, the second book in Eden Robinson's captivating *Trickster* trilogy. In an effort to keep all forms of magic at bay, Jared, 17, has quit drugs and drinking. But his troubles are not over: now he's being stalked by David, his mom's ex—a preppy, khaki-wearing psycho with a proclivity for rib-breaking. And his mother, Maggie, a living, breathing badass as well as a witch, can't protect him like she used to because he's moved away from Kitimat to Vancouver for school. Even though he's got a year of sobriety under his belt (no thanks to his enabling, ever-partying mom), Jared also

struggles with the temptation of drinking. And he's got to get his grades up, find a job that doesn't involve weed cookies, and somehow live peacefully with his Aunt Mave, who has been estranged from the family ever since she tried to "rescue" him as a baby from his mother. An indigenous activist and writer, Mave smothers him with pet names and hugs, but she is blind to the real dangers that lurk around them--the spirits and supernatural activity that fill her apartment. As the son of a Trickster, Jared is a magnet for magic, whether he hates it or not--he sees ghosts, he sees the monster moving underneath his Aunt Georgina's skin, he sees the creature that comes out of his bedroom wall and creepily wants to suck his toes. He also still hears the Trickster in his head, and other voices too. When the David situation becomes a crisis, Jared can't ignore his true nature any longer. Lambda Literary Award winner, Best Gay Fiction A revelatory novel about being queer and Muslim, set in war-torn Iraq in 2003. Ramy is a young gay Iraqi struggling to find a balance between his sexuality, religion, and culture. Ammar is a sheikh whose guidance Ramy seeks, and whose tolerance is tested by his belief in the teachings of the Qur'an. Full of quiet moments of beauty and raw depictions of violence, *God in Pink* poignantly captures the anguish and the fortitude of Islamic life in Iraq. Hasan Namir was born in Iraq in 1987. *God in Pink* is his first novel. *Medicine Walk* explores

the benefits of "special places," and includes notes and exercises as aids to control stress, overcome fear, and foster the ability to concentrate and meditate. It opens up avenues of self-discovery and enables the reader to experience the natural, therapeutic value of the healing world of nature. *Medicine Walk* also includes a section on the spiritual nature of plants and their medicinal value. Richard Wagamese, one of Canada's most celebrated Indigenous authors and storytellers, was a writer of breathtaking honesty and inspiration. Always striving to be a better, stronger person, Wagamese shared his journey through writing, encouraging others to do the same. Following the success of *Embers*, which has sold almost seventy thousand copies since its release in 2016, this new collection of Wagamese's non-fiction works, with an introduction by editor Drew Hayden Taylor, brings together more of the prolific author's short writings, many for the first time in print, and celebrates his ability to inspire. Drawing from Wagamese's essays and columns, along with preserved social media and blog posts, this beautifully designed volume is a tribute to Wagamese's literary legacy. This novel by Emmanuel Dongala, author of *THE BRIDGETOWER SONATA*, details the struggle between classes in a central African nation in which a group poor women forms a union to battle corporate forces that leads to unexpected results. The strange odysseys of two young

women animate this "hypnotic and glowing" American gothic novel that blurs the line between the real and the supernatural (Gregory Maguire, *The New York Times Book Review*). A *New York Times* Editors' Choice A Paris Review Staff Pick Ruth and Nat are seventeen. They are orphans living at The Love of Christ! Foster Home in upstate New York. And they may be able to talk to the dead. Enter Mr. Bell, a con man with mystical interests who knows an opportunity when he sees one. Together they embark on an unexpected journey that connects meteor sites, utopian communities, lost mothers, and a scar that maps its way across Ruth's face. Decades later, Ruth visits her niece, Cora. But while Ruth used to speak to the dead, she now doesn't speak at all. Even so, she leads Cora on a mysterious mission that involves crossing the entire state of New York on foot. Where is she taking them? And who—or what—is hidden in the woods at the end of the road? "[A] gripping novel...The narratives, which twist together into a shocking dénouement, are marked by ghost stories."—*The New Yorker* A cowboy forced into early retirement bonds with a stubborn teenager in this novel from the award-winning author of *Indian Horse* and *Medicine Walk*. Canadian champion bull-rider Joe Willie Wolfchild is poised to win the most sought-after title in rodeo when a devastating accident at the National Finals leaves his body and ambitions in tatters. Unsure of what else to do, he

retires to the panoramic family ranch, Wolfcreek, to mend. Claire Hartley and her fifteen-year-old son Aiden have nearly been torn apart by abusive boyfriends and an unjust world when a friend sends them to the Wolfchild ranch. Thrown together by terrible circumstance, it appears Aiden and Joe Willie have more in common than their childhoods would suggest. After a rocky start, they strike a deal: Aiden will help Joe Willie repair his '34 Ford V8 pickup if the former champion teaches the city kid how to ride a bull. As Wagamese reveals their story, he rewrites the history of the North American cowboy. In taut, muscular prose, Wagamese explores how independence, self-determination, and a return to cultural tradition can heal body, mind, and community. "Richard Wagamese is a born storyteller, and *Dream Wheels* is his finest book yet. Cover to cover, a ripping read."—Louise Erdrich, *New York Times* - bestselling author of *The Night Watchman* "A worthy testament to the healing power of family and tradition."—*Publishers Weekly* "Ojibwa author Wagamese mixes cowboy lore and Native American mysticism in this affecting novel about the healing effects of family.... His soaring descriptions of the desert landscape, action-packed rodeo scenes, and reverence for hearth and home will strike a chord with readers."—*Booklist* On a lake in northernmost Minnesota, you might find Naledi Lodge--only two cabins still standing, its

pathways now trodden mostly by memories. Vacationland is a moving portrait of a place--timeless and of the moment, composed of conflicting dreams and shared experience--and of the woman bound to it by legacy and sometimes longing, but not necessarily by choice. Three decades after the first publication of Forrest Gump, Winston Groom returns to fiction with this sweeping American epic. Long fascinated with the Mexican Revolution and the vicious border wars of the early twentieth century, Winston Groom brings to life a much-forgotten period of history in this sprawling saga of heroism, injustice, and love. El Paso pits the legendary Pancho Villa against a thrill-seeking railroad tycoon known only as the Colonel—whose fading fortune is tied up in a colossal ranch in Chihuahua, Mexico. But when Villa kidnaps the Colonel's grandchildren and absconds into the Sierra Madre, the aging New England patriarch and his son head to El Paso, hoping to find a group of cowboys brave enough to hunt down the Generalissimo. Replete with gunfights, daring escapes, and an unforgettable bullfight, El Paso becomes an indelible portrait of the American Southwest in the waning days of the frontier, one that is "sure to entertain" (Jackson Clarion-Ledger). When Garnet Raven was three years old, he was taken from his home on an Ojibway Indian reserve and placed in a series of foster homes. Having reached his mid-teens, he escapes at the first available opportunity, only to find

himself cast adrift on the streets of the big city. Having skirted the urban underbelly once too often by age 20, he finds himself thrown in jail. While there, he gets a surprise letter from his long-forgotten native family. The sudden communication from his past spurs him to return to the reserve following his release from jail. Deciding to stay awhile, his life is changed completely as he comes to discover his sense of place, and of self. While on the reserve, Garnet is initiated into the ways of the Ojibway--both ancient and modern--by Keeper, a friend of his grandfather, and last fount of history about his people's ways. By turns funny, poignant and mystical, Keeper'n Me reflects a positive view of Native life and philosophy--as well as casting fresh light on the redemptive power of one's community and traditions. In 2005, award-winning writer Richard Wagamese moved with his partner to a cabin outside Kamloops, B.C. In the crisp mountain air Wagamese felt a peace he'd seldom known before. Abused and abandoned as a kid, he'd grown up feeling there was nowhere he belonged. For years, only alcohol and moves from town to town seemed to ease the pain. In One Native Life, Wagamese looks back down the road he has travelled in reclaiming his identity and talks about the things he has learned as a human being, a man and an Ojibway in his fifty-two years. Whether he's writing about playing baseball, running away with the circus,

attending a sacred bundle ceremony or meeting Pierre Trudeau, he tells these stories in a healing spirit. Through them, Wagamese celebrates the learning journey his life has been. Free of rhetoric and anger despite the horrors he has faced, Wagamese's prose resonates with a peace that has come from acceptance. Acceptance is an Aboriginal principle, and he has come to see that we are all neighbours here. One Native Life is his tribute to the people, the places and the events that have allowed him to stand in the sunshine and celebrate being alive. Winner of the Amazon.ca First Novel Award and a finalist for the Rogers Writers' Trust Fiction Prize and the Governor General's Literary Award, The Break is a stunning and heartbreaking debut novel about a multigenerational Métis-Anishnaabe family dealing with the fallout of a shocking crime in Winnipeg's North End. When Stella, a young Métis mother, looks out her window one evening and spots someone in trouble on the Break — a barren field on an isolated strip of land outside her house — she calls the police to alert them to a possible crime. In a series of shifting narratives, people who are connected, both directly and indirectly, with the victim — police, family, and friends — tell their personal stories leading up to that fateful night. Lou, a social worker, grapples with the departure of her live-in boyfriend. Cheryl, an artist, mourns the premature death of her sister Rain. Paulina, a single mother, struggles to

trust her new partner. Phoenix, a homeless teenager, is released from a youth detention centre. Officer Scott, a Métis policeman, feels caught between two worlds as he patrols the city. Through their various perspectives a larger, more comprehensive story about lives of the residents in Winnipeg's North End is exposed. A powerful intergenerational family saga, *The Break* showcases Vermette's abundant writing talent and positions her as an exciting new voice in Canadian literature. Set in the first half of the twentieth century, but reaching back to Bavaria in the late nineteenth century, *The Stone Carvers* weaves together the story of ordinary lives marked by obsession and transformed by art. At the centre of a large cast of characters is Klara Becker, the granddaughter of a master carver, a seamstress haunted by a love affair cut short by the First World War, and by the frequent disappearances of her brother Tilman, afflicted since childhood with wanderlust. From Ontario, they are swept into a colossal venture in Europe years later, as Toronto sculptor Walter Allward's ambitious plans begin to take shape for a war memorial at Vimy, France. Spanning three decades, and moving from a German-settled village in Ontario to Europe after the Great War, *The Stone Carvers* follows the paths of immigrants, labourers, and dreamers. Vivid, dark, redemptive, this is novel of great beauty and power. Set against the magnificent

backdrop of Alaska in the waning days of World War II, *The Cloud Atlas* is an enthralling debut novel, a story of adventure and awakening—and of a young soldier who came to Alaska on an extraordinary, top-secret mission...and found a world that would haunt him forever. Drifting through the night, whisper-quiet, they were the most sublime manifestations of a desperate enemy: Japanese balloon bombs. Made of rice paper, at once ingenious and deadly, they sailed thousands of miles across the Pacific...and once they started landing, the U.S. scrambled teams to find and defuse them, and then keep them secret from an already anxious public. Eighteen-year-old Louis Belk was one of those men. Dispatched to the Alaskan frontier, young Sergeant Belk was better trained in bomb disposal than in keeping secrets. And the mysteries surrounding his mission only increased when he met his superior officer—a brutal veteran OSS spy hunter who knew all too well what the balloons could do—and Lily, a Yup'ik Eskimo woman who claimed she could see the future. Louis's superior ushers him into a world of dark secrets; Lily introduces Louis to an equally disorienting world of spirits—and desire. But the world that finally tests them all is Alaska, whose vastness cloaks mysteries that only become more frightening as they unravel. Chasing after the ghostly floating weapons, Louis embarks upon an adventure that will lead him deep into the

tundra. There, on the edge of the endless wilderness, he will make a discovery and a choice that will change the course of his life. At once a heart-quickenning mystery and a unique love story, *The Cloud Atlas* is also a haunting, lyrical rendering of a little-known chapter in history. Brilliantly imagined, beautifully told, this is storytelling at its very best.
