Charles G. West's Wild River introduced readers to Little Wolf, the white man raised as Cheyenne. Now, the thrilling saga continues as Little Wolf teams up with a fugitive U.S. soldier to

escape an army of former comrades and bounty hunters... "This is the West as it really was...savage, heroic, and unforgettable."—Ralph Compton This is one of the most powerful science fiction mystery thriller's of our time. Readers claim the story is astonishing and eye-opening. The story starts as two GPS satellites mysteriously disappear from orbit just as an earthquake jolts the region. Mysteriously, the same jolt occurred worldwide. In the days to follow destructive environmental events begin to escalate. Spontaneous catastrophic tornadoes and lightning strikes intensify worldwide. A mega tsunami is detected in the Pacific Ocean that threatens to overtake the Hawaii Islands. As pandemonium and chaos spread around the world, the President of the United States engages the United Nations, major scientists and religious leaders in a summit to understand and solve the mystery. Meanwhile Jason, the son of astronauts, utilizes his graduate research at UCLA to become a key scientist who presents the probable cause and best solution for the mysterious Earth wide phenomena. Jason is torn by a dilemma. He struggles with his jealous adversaries as they attempt to discredit his profound research discoveries but he desperately needs to focus on rescuing his fiancée from a devastating fate. His choices could impact life as we know it. This is a must read for ordinary citizens." Criminal defense attorney Tex Hunter has a target on his back. Defending an accused killer is never easy, but when a homeless teenager is charged with the murder of a retired Chicago Police Detective, the pressure builds to breaking point. Sidney McCann was no ordinary cop. He wasn't a captain, he wasn't a beat cop, and he wasn't an average desk jockey—he was one of the most corrupt, twisted, and ruthless cops the Chicago Police Department had ever produced. But that history, that long line of accusations, didn't matter to the current crop of police officers. They were a family, and McCann was one of their own. They would protect the reputation of their department, no matter the cost. Fighting against police brutality, corrupt businessmen, and gang members, Hunter follows the evidence trail, leading him deeper than expected. The closer he gets to the truth, the more others want him silenced. The evidence Hunter uncovers provides

the chance to reopen a case closed more than thirty years ago...But to do that, to take that gamble, to take that chance, Tex Hunter must risk everything he loves... Family, Violence, and Revenge New York City, 1928 From Sicily to Manhattan, violence seems to follow the Consentino clan. They've led a powerful and influential Mafia Borgata for generations, but when trouble with another family begins to develop, Alonzo Consentino must make an impossible decision. In an attempt to save his children from a life of crime and violence, Alonzo sets sail with his family for The Promised Land: America. But peace and safety don't follow them for long. Will Alonzo be able to forget his past and create a new life, or will old habits die hard? Will his boys be able to live a different life, or will they follow in their father's footsteps? Set against the backdrop of prohibition and The Great Depression, flapper girls and gangsters, Sins of the Father, the first book in the Consentino Crime Saga, is a Mafia thriller sure to keep the pages turning. A serial killer. A family torn. Time travel with a twist. The continuing saga of the Wells family. This time, Ivy's grandfather, Sam, is finding himself reliving his lives over and over. Sam Wells dies at 79 years old. Then things get worse. When he opens his eyes as a young college student, he remembers everything from his past life, including the identity of the serial killer who is terrorizing their small town. Many young women are murdered, and Sam knows who did it. Over several lives, Sam struggles in a desperate race through time to stop the serial killer. All the while, he pines for the woman who got away. It's never too late to die and try again. Teens and adults alike will love this time travel thriller. Get your copy of this gripping time travel series. Ivy Mystery Series: The Many Lives of Ivy Wells - Book 1 The Many Lives of Sam Wells - Book 2 The Many Lives of Jack Wells - Book 3 The Many Lives of Georgie Wells - Book 4 There are some dark myths that run in urban ghettos that toy with our deepest desires. The secrets are kept trapped in tales of mystery, betrayal, and eternity. Eddy James was a career junkie, a human with no cares, that is until he took a mysterious drug that will change his life forever As breathtaking today as the day it was completed, Hoover Dam not only shaped the American West but

helped launch the American century. In the depths of the Great Depression it became a symbol of American resilience and ingenuity in the face of crisis, putting thousands of men to work in a remote desert canyon and bringing unruly nature to heel. Pulitzer Prize-winning writer Michael Hiltzik uses the saga of the dam's conception, design, and construction to tell the broader story of America's efforts to come to grips with titanic social, economic, and natural forces. For embodied in the dam's striking machine-age form is the fundamental transformation the Depression wrought in the nation's very culture—the shift from the concept of rugged individualism rooted in the frontier days of the nineteenth century to the principle of shared enterprise and communal support that would build the America we know today. In the process, the unprecedented effort to corral the raging Colorado River evolved from a regional construction project launched by a Republican president into the New Deal's outstanding—and enduring—symbol of national pride. Yet the story of Hoover Dam has a darker side. Its construction was a gargantuan engineering feat achieved at great human cost, its progress marred by the abuse of a desperate labor force. The water and power it made available spurred the development of such great western metropolises as Los Angeles, Phoenix, Denver, Las Vegas, Salt Lake City, and San Diego, but the vision of unlimited growth held dear by its designers and builders is fast turning into a mirage. In Hiltzik's hands, the players in this epic historical tale spring vividly to life: President Theodore Roosevelt, who conceived the project; William Mulholland, Southern California's great builder of water works, who urged the dam upon a reluctant Congress; Herbert Hoover, who gave the dam his name though he initially opposed its construction; Frank Crowe, the dam's renowned master builder, who pushed his men mercilessly to raise the beautiful concrete rampart in an inhospitable desert gorge. Finally there is Franklin Roosevelt, who presided over the ultimate completion of the project and claimed the credit for it. Hiltzik combines exhaustive research, trenchant observation, and unforgettable storytelling to shed new light on a major turning point of twentieth-century history.

Excerpt: "On the 24th of May, 1863, my uncle, Professor Lidenbrock, rushed into his little house, No. 19 Königstrasse, one of the oldest streets in the oldest portion of the city of Hamburg . . ." "A Journey to the Center of the Earth" is an 1864 science fiction novel by Jules Verne. The story involves German professor Otto Lidenbrock who believes there are volcanic tubes going toward the centre of the Earth. He, his nephew Axel, and their guide Hans descend into the Icelandic volcano Snæfellsjökull, encountering many adventures, including prehistoric animals and natural hazards, before eventually coming to the surface again in southern Italy, at the Stromboli volcano. In this edition we include both the translations - the first known by the publisher Griffith & Farran (1871) and second by F. A. Malleon (1877). The Malleon translation is widely regarded as the best translation of this Jules Verne classic and is also the most faithful to the original French masterpiece. Jules Verne (1828-1905) was a French novelist who pioneered the genre of science fiction. A true visionary with an extraordinary talent for writing adventure stories, his writings incorporated the latest scientific knowledge of his day and envisioned technological developments that were years ahead of their time. This realistic New York Times-bestselling epic spy novel captures the thrilling story of CIA agents in the latter half of the Twentieth Century. The New York Times bestselling spy novel The Company lays bare the history and inner workings of the CIA. This critically acclaimed blockbuster from internationally renowned novelist Robert Littell seamlessly weaves together history and fiction to create a multigenerational, wickedly nostalgic saga of the CIA—known as “the Company” to insiders. Racing across a landscape spanning the legendary Berlin Base of the '50s, the Soviet invasion of Hungary, the Bay of Pigs, Afghanistan, and the Gorbachev putsch, The Company tells the thrilling story of agents imprisoned in double lives, fighting an amoral, elusive, formidable enemy—and each other—in an internecine battle within the Company itself. “Compulsive reading from start to finish.” —The Boston Globe “Hugely entertaining . . . A serious look at how our nation exercises power. . . . Popular fiction at its

finest.” —The Washington Post Book World “As it happens, this longest spy novel ever written turns out to be one of the best.”
—Chicago Tribune “Reads like a breeze . . . guaranteed to suck you right back into the Alice-in-Wonderland world of spy vs. spy.”
—Newsweek “If Robert Littell didn’t invent the American spy novel, he should have.” —Tom Clancy “It’s gung-ho, hard-drinking, table-turning fun.” —Publishers Weekly

The third novel in The End Times Saga In this Christian End Times thriller in a bleak near future, Christians suffer from persecution as the President declares himself dictator, implements the United Nations' Agenda 21 with his own agenda attached, and begins targeting his political and spiritual enemies. Meanwhile, tensions between Israel and Iran intensifies as the apocalyptic End Times approach.

Crime and Thriller Writing: A Writers' & Artists' Companion is an essential guide to writing in these exciting genres. **PART 1** explores the nature and history of the genre and helps you get started with ideas, planning and research. **PART 2** includes tips by bestselling crime writers: Mark Billingham, S.J. Bolton, Alafair Burke, Lee Child, N. J. Cooper, Meg Gardiner, Tess Gerritsen, Sophie Hannah, Jim Kelly, Laura Lippman, Gayle Lynds, Alex McBride, Val McDermid, Dreda Say Mitchell, Sara Paretsky, Jill Paton Walsh, George Pelecanos, Ian Rankin, Peter Robinson, S. J. Rozan, Guy Saville, Yrsa Sigurðardóttir, Dana Stabenow, Andrew Taylor, Charles Todd and Laura Wilson. **PART 3** contains practical advice--from shaping plots and exploring your characters to the meaning of writer's block, the power of the rewrite, and how to find an agent when your novel is complete.

"20,000 Leagues Under the Sea" is a classic science fiction novel by Jules Verne published in 1870. It tells the story of Captain Nemo and his submarine Nautilus, as seen from the perspective of Professor Pierre Aronnax. The title refers to the distance travelled while under the sea and not to a depth, as 20,000 leagues is over six times the diameter, and nearly three times the circumference of the Earth. The greatest depth mentioned in the book is four leagues. The book uses metric leagues, which are four kilometres each. A literal translation of the French title would end in the plural "seas", thus implying the "seven seas"

through which the characters of the novel travel. The book was highly acclaimed when released and still is now; it is regarded as one of the premiere adventure novels and one of Verne's greatest works. Jules Verne (1828-1905) was a French novelist, poet, and playwright best known for his adventure novels and his profound influence on the literary genre of science fiction. *A Journey to the Centre of the Earth* is an 1864 science fiction novel by Jules Verne. The story involves German professor Otto Lidenbrock who believes there are volcanic tubes going toward the centre of the Earth. He, his nephew Axel, and their guide Hans descend into the Icelandic volcano Snæfellsjökull, encountering many adventures, including prehistoric animals and natural hazards.

The Mysterious Island - The plot focuses on the adventures of five Americans on an uncharted island in the South Pacific. During the American Civil War, five northern prisoners of war decide to escape, during the siege of Richmond, Virginia, by hijacking a balloon. During their stay on the island, the group endures bad weather, and domesticates an orangutan, Jupiter. There is a mystery on the island in the form of an unseen *deus ex machina*, responsible for Cyrus' survival after falling from the balloon, the mysterious rescue of Top from a dugong, the appearance of a box of equipment (guns and ammunition, tools, etc.), and other seemingly inexplicable occurrences...

BOSTON IS IN RUINS Jon Hudson, head of the Department of Homeland Security's Fusion Center - Paranormal division, is haunted by Boston's destruction at the hands of Nemesis, a three-hundred-foot tall monster with the heart of a murdered little girl, Maigo. In the time since Boston fell and Nemesis retreated to the ocean's depths, Hudson has helped prepare the United States against future attacks. But no one is prepared for what rises from the depths.

THE WORLD BURNS Five Kaiju attack cities and consume the world's citizens in an unstoppable rampage around the globe. But it soon becomes apparent that these attacks aren't all random events. Hudson is targeted, putting the FC-P headquarters, known as the Crow's Nest, and his team, in the very large crosshairs. General Lance Gordon, a man who carries Nemesis's vengeful heart in his chest, directs the Kaiju, and when Hudson finds protection from an unlikely source, the General turns his attention to his next target.

THE NATION'S CAPITOL IS NEXT While Gordon and his Kaiju storm toward Washington D.C., Hudson, along with his team and some new and unusual allies, race to stand in their path, hoping to spare the nation-and the world-from destruction. But salvation at the end of all things will come only through the gravest of sacrifices. --- With Project Nemesis, Jeremy Robinson introduced the world of popular fiction to Kaiju, a word that has become popularized by the movie Pacific Rim, and is associated with classic movie monsters such as Godzilla and Gamera. In the year since the release of Project Nemesis, the book has become the bestselling original Kaiju novel of all time, and it is being featured in the video game Colossal Kaiju Combat: Fall of Nemesis. In Project Maigo, Robinson amps up the scale, the characters and the city-stomping action, treating readers to a truly monstrous experience typically reserved for the big screen. Still surrounded by the spell of the breathtaking realm of fantastic technology, wise Professor Kaplan, his bold disciple

Dylan and their skillful robot Toby, with their unique air-land-space-sea-submarine-underground convertible time machine travel to diverse past settings where they once again will face the most original, captivating and exciting adventures. This time, these daring characters will fight huge dinosaurs in the Stone Age as well as fierce lions in a Roman arena, will cross the Delaware with George Washington and will meet the real Tom Sawyer near the Mississippi River apart from being present at spooky Dracula's castle and on one of Christopher Columbus ships among other interesting, hazardous and unexpected enterprises and feats to share risk, danger and adventure at different points in History. --Second book of the trilogy by Mario J Torres on The Incredible Adventures of Kaplan and Dylan When two happy-go-lucky college guys meet two beautiful Chinese pilots, the result is love at first sight and unforeseen peril. They must overcome multicultural differences and a madman pursuing them from the Rio Grande to the Yangtze to save the Chinese leadership and their love lives. Nothing less than the future of China and the world is at stake. Originally published in 1926, this biography tells the rousing tale of Billy the Kid, once of the most well known outlaws in the Old West. The Saga of Billy the Kid focuses on a period of time where two dangerous gangs tore a bloody path across Lincoln, New Mexico. After being shot to death in 1881 by the intrepid Lincoln County sheriff Pat Garret, Billy the Kid became a romanticized symbol of the wildness that laced the American west. Interest in the outlaw's wild life grew after Burn's initial publication, setting Billy the Kid up as one of the finest examples of the loss of the Wild West. As the US grew more industrialized, the stories of saloons, train robberies, and lone cowboys became even more important, and still remain important today. In a rousing tale that is partly truth, partly fiction, read the story that started its own wild frontier in the most influential version out there. From a "born storyteller," a historical saga of a wrongly imprisoned woman's reunion with her child and the man she loves (Times & Citizen). It is 1870 and Emma Grady has spent seven years of servitude as a convict in Australia. Now, having earned her ticket-of-leave, she is held by chains of honor and

friendship. Emma's loyalty to her kind and gentle employer Roland Thomas, and her unwillingness to desert fellow convict and beloved friend Nelly, prevent her from leaving. Yet Emma lives for the days when she will return to England, to face those who cheated and betrayed her. And to Marlow Tanner, the man she loves, and whose tragic child she lost. As Emma battles against adversity, she is unaware that in England the child she has given up for dead is being lovingly raised by Marlow's sister Old Sal. Will Emma ever be reunited with Marlow? And even if she finds him, will he still love her? Despite seemingly insurmountable obstacles, her love can never be denied, or forgotten. The breathtaking second novel of The Emma Grady Sagas Praise for the writing of Josephine Cox: "Hailed quite rightly as a gifted writer in the tradition of Catherine Cookson" —Manchester Evening News "Cox's talent as a storyteller never lets you escape." —Daily Mail "Driven and passionate." —The Sunday Times "...a better love story than Twilight!" --the Internet

Condemned to death by a corrupt theocracy, young Jimmy Stick had no idea his troubles were only just beginning. Sent to hell for his sins, Jimmy despairs of ever again seeing his true love, Claire. But Claire has problems of her own. There's a new Jimmy Stick in town, and he's got a shiny metal chest and glowing red eyes. He's a God-fearing robot built by the government, and he says that he loves her. But does he mean those tender words? Cheer as Jimmy Stick fights his way out of Hell! Gasp as the Robot pursues its logical seduction of Claire! Thrill to Jimmy's battle with the zombie mummies of Egypt! Choose your side as the original Jimmy returns from the dead to challenge his cold steel counterpart for Claire's hand! All that and more in this thrilling saga of Romance and High Adventure, an absurd and satirical romp through an alternate reality where Love might not conquer all ... but in the end, it's all we've got! Snapped Murder happens in Houston, but when the most recent murders take on disturbing similarities, local law enforcement officers fear a serial killer is roaming their streets. Former sheriff's department sergeant Jade Monroe has just graduated from the FBI's serial crimes unit in homicide and is called to Houston with her partner,

J.T. Harper, to take on her first assignment—apprehending the person responsible for these gruesome crimes. With victims piling up and the clock ticking, Jade and J.T. need to intensify their search because there's no sign the killer is slowing down. After a late-night epiphany while she's alone, Jade suddenly comes face to face with the killer, and now Jade is missing. The clock continues to tick—but this time it's for her. Justified They can't keep up with the body count he leaves behind. FBI agents Jade Monroe and J.T. Harper are on the trail of their most recent serial killer, but they know his whereabouts only by the carnage left in his wake. By the time they reach his most recent location, he's long gone. Without a clear description of the man, they're chasing a shadowy figure that people see from a distance—a ghost—that's killing at an alarming rate. A stroke of luck brings the agents face-to-face with a survivor. What they learn from the woman's hospital bed description of her brutal attacker changes everything. The situation has suddenly become more than dangerous—and to Jade, more than personal. Donors It's the dead of winter, and FBI Agents Jade Monroe and J.T. Harper are asked to assist the Gary, Indiana, police force in a possible serial killer case that has everyone stumped. A body, frozen stiff and drained of blood, is found by children playing near an old quarry. Several weeks later, a second body is discovered in an abandoned house, and the manner of death is identical. The agents race to Gary when word of a third victim comes in. With no clues and multiple frozen bodies, the agents have no idea when these women died or what the FBI is facing, yet the body count rises, and the manner of death remains the same. Jade wonders whether they're heading into the dark, unknown world of the occult, a place she knows nothing about—and has no desire to. The most well-known occult leader in the area is in their sights and currently their only lead. Are the agents and local law enforcement heading down the wrong path? The final blindside shakes Jade to her core and leaves the entire police force stunned. "This book explores the dramatic identity and design of the American political thriller, tracking the close correlation between the evolution of the genre and the history of the United States from the Cuban Missile Crisis

to the 9/11 terrorist attacks and the ensuing War on Terror"--
"One of the best thriller writers we have." —Harlan Coben, #1
New York Times bestselling author From the international and
instant New York Times bestselling author of The Dirty South, the
white-knuckled Charlie Parker series returns with this heart-
pounding race to hunt down the deadliest of war criminals. In
Amsterdam, four bodies, violently butchered, are discovered in a
canal house, the remains of friends and confidantes of the
assassin known only as Louis. The men responsible for the
murders are Serbian war criminals. They believe they can escape
retribution by retreating to their homeland. They are wrong. For
Louis has come to Europe to hunt them down: five killers to be
found and punished before they can vanish into thin air. There is
just one problem. The sixth. With John Connolly's trademark
"dark, haunting, and beautifully told" (Booklist) prose and
breathless twists and turns, *The Nameless Ones* is an
unputdownable thriller that will keep you on the edge of your
seat. Written with palm-sweating intensity from a seasoned air
combat veteran whose prose puts you right in the cockpit, this
highly praised historical thriller highlights the heroism and
bravery of Allied soldiers in a forgotten chapter of World War II. A
powerfully authentic and thrilling saga based on the true story of
Operation Halyard, WWII's most daring and successful rescue
mission, from air combat veteran and acclaimed author Tom
Young... Summer 1944: Yugoslavia is locked in a war within a war.
In addition to fighting the German occupation, warring factions
battle each other. Hundreds of Allied airmen have been shot down
over this volatile region, among them American lieutenant Bill
Bogdonavich. Though grateful to the locals who are risking their
lives to shelter and protect him from German troops, Bogdonavich
dreams of the impossible: escape. With three failed air missions
behind him, Lieutenant Drew Carlton is desperate for redemption.
From a Texas airbase he volunteers for a secretive and dangerous
assignment, codenamed Operation Halyard, that will bring
together American special operations officers, airmen, and local
guerilla fighters in Yugoslavia's green hills. This daring plan—to
evacuate hundreds of stranded airmen while avoiding detection

by the Germans—faces overwhelming odds. What follows is one of the greatest stories of World War II heroism, an elaborate rescue that required astonishing courage, sacrifice, and resilience. As breathtaking today as when it was completed, Hoover Dam ranks among America's most awe-inspiring, if dubious, achievements. This epic story of the dam—from conception to design to construction—by Pulitzer Prize-winning journalist and Los Angeles Times columnist Michael Hiltzik exposes the tremendous hardships and accomplishments of the men on the ground—and in the air—who built the dam and the demonic drive of Frank Crowe, the boss who pushed them beyond endurance. It is a tale of the tremendous will exerted from start to finish, detailing the canny backroom dealings by Herbert Hoover and Franklin D. Roosevelt, the herculean engineering challenges Crowe faced, and the terrific union strikes by the men who daily fought to beat back the Colorado River. Colossus tells an important part of the story of America's struggle to pull itself out of the Great Depression by harnessing the power of its population and its natural resources. Fans of Evie Dunmore, Sarah MacLean, and Eloisa James will delight in this innovative, empowering, and sexy story from acclaimed author Minerva Spencer. Join the Rebels of the Ton as they subvert Regency norms and expectations...and manage to find true love along the way. "Unique characters and emotional depth...a winner. Spencer gives you all the feels!" —Sabrina Jeffries "Brilliantly crafted...an irresistible cocktail of smart characterization, sophisticated sensuality, and sharp wit." —Booklist STARRED REVIEW "Sparkling...impossible not to love." —Popsugar A PopSugar Best New Romance of November | A She Reads Fall Historical Romance Pick | A Bookclubz Recommended Read The cure for a willful wife . . . Drusilla Clare is full of opinions about why a woman shouldn't marry. But that doesn't stop the rush of desire she feels each time her best friend's brother, notorious rake Gabriel Marlinton, crosses her path. So imagine her dismay when she finds herself in the clutches of a scoundrel, only to be rescued by Gabriel himself. And when Gabriel's heartless--and heart-pounding--proposal comes, it's enough to make Dru's formidable resolve crumble is a

smitten husband. She's sharp-tongued, exasperating--and due to one careless moment--about to become his wife. Still, something about Drusilla has Gabriel intrigued. First there's the delicious flush of her skin every time she delivers a barb--and then the surprisingly sensual feel of her in his arms. Gabriel even finds himself challenged by her unusual philosophies. And when he discovers a clandestine rival for Dru's affection, his temperature flares even hotter. But the real threat to their happiness is one neither of the newlyweds sees coming. If they're to save their future--and their very lives--they'll need to trust in each other and their growing love. "Packed full of fiery exchanges and passionate embraces, this is for those who prefer their Regencies on the scandalous side." - Library Journal "Strong, complex, and believable." - Publishers Weekly

Seren is going nowhere in her life. She knows that and she's not trying to fight against it. At just twenty two years old she's already accepted that a crappy boyfriend and a low paying bar job are the best she's going to get. That is, until she comes home one day to find a purple haired girl in her bed with her boyfriend at her side. Seren realizes that things are about to fall apart, but she can hardly focus on that, because she's being followed by a woman in a red dress. When they finally meet face to face the woman reveals secrets about Seren's past, about her mom who abandoned her and the reasons behind why she has the same recurring dream every night. Is the woman in the red dress a person from Seren's past or is she just a crazy woman looking to take advantage? Dive into this gripping story as Seren discovers her true Stardark. The Bates Motel. The ominous house on the hill. The shower. . . . Few movies have proven as enduringly fascinating to audiences, film buffs, and moviemakers as Hitchcock's horrific 1960 shocker Psycho. This book offers the complete, colorful account of the production, shooting, and aftermath of this mesmerizing, electrifying film. 50 photos.

Lyn Andrews' engaging and heart-warming saga **LIVERPOOL LAMPLIGHT** is not to be missed by readers of Kate Thompson and Kitty Neale

Georgie Deegan will do anything for money. His sister will do anything for love . . . Since they were kids in the backstreets of Liverpool, brother and sister Georgie and

Katie Deegan have fought like cat and dog. Now Katie is at Moorehouse's lemonade factory, whilst Georgie has a good job at the B & A - and when he comes home he puts his feet up. Unlike Katie, who does her turn in their mother Molly's fish and game shop. Yet when their father dies suddenly, Georgie assumes the shop is his - and that his chance has come to rule the Deegan roost. Katie has other ideas, as does her strong-minded mother Molly. But, as World War II draws closer and Georgie's illegal money-making schemes gain momentum, neither Katie nor her mother has any idea what troubles lie in store for the women whose lives the ruthless Georgie Deegan is set to control - at any cost . . .Praise for Lyn Andrews' unforgettable novels:'A compelling read' Woman's Own'Gutsy . . . A vivid picture of a hard-up, hard-working community . . . will keep the pages turning' Daily Express'A page-turning and beautifully written novel' Irish World Presented for the first time, three classic war novels from the generals of the genre, Len Deighton, Jack Higgins & Alistair MacLean. Gale Researcher Guide for: The Spy Thriller: John le Carré is selected from Gale's academic platform Gale Researcher. These study guides provide peer-reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research. 'The Facets of Life' is a collection of 8 short stories, each of which explores a myriad of human emotions. The strength of the book lies in the weakness of the protagonist of each story. The author hopes that the stories will strike a note with the readers and they can relate to the feelings the characters experience as the stories progress. The author has made use of simple narration style keeping the masses in mind. Each story carries a message for the readers to decipher and ponder over. Miss You Forever by Josephine Cox, Sunday Times bestselling author of Lonely Girl and Whistledown Woman, is a classic heartbreaking tale. As a woman lies at death's door in hospital, her touching story, encapsulated in her diaries, springs back to life. One winter's night, in the coal-hole in her yard, Rosie finds that a woman sheltering there has been severely beaten by thugs. At a glance, Kathleen looks like an unkempt, aged vagabond who tramps the

roads carrying all her worldly possessions in a grubby tapestry bag. Her only friend is the mangy old dog who accompanies her; the sum of her life is in the diaries she so zealously guards. Yet close up, Rosie can see that Kathleen has a gracious beauty - the 'look' of a respectable lady of means. In hospital, fighting for her life, yet moved by Rosie's care and compassion, Kathleen entrusts the diaries to her, urging her to look at them. There, in the soft glow of the lamp, Rosie reads a heartrending tale of stolen dreams, true love, heartache and loss. A tale that, somehow, must have a happy ending . . .

REVIEWS OF OTHER BOOKS IN THE SERIES

A wonderful story of English History that is not dry and withered, but alive and fresh. The characters are believable and the story flows as smooth as a river. I cannot wait for the next book. The characters were easy to follow; the tale was crisp and to the point. The violence was well described but not overdone for the sake of it. Intriguing and thrilling from the start; really looking forward to the next book. If it is as good as this one you will not be able to put it down.

BOOK DESCRIPTION

Jørren's peaceful existence is disrupted when thousands of Vikings from Frankia invade Cent. After driving the invaders into East Anglia his dream of returning to a quiet life with his family is torn to shreds when his nemesis, Edward the Ætheling, is made Sub-king of Cent by his father, King Ælfred. It isn't long before Edward replaces Jørren as ealdorman and seizes his lands. Ælfred supports his son, much to Jørren's disgust, and he's forced to flee with his family to Mercia. He becomes Ealdorman of Cheshire only to discover that it's something of a poisoned chalice. Not only has the old Roman city of Chester been occupied by Hæsten's Viking horde but the whole shire is a desolate and lawless land from which the Anglo-Saxon inhabitants have largely been driven out by Norse invaders. Jørren becomes heavily involved in the war with Hæsten and his Vikings as they rape and pillage their way through Wessex, Mercia and East Anglia, not once, but several times. Eventually, learning that Hæsten had gone into winter quarters nearby, Jørren sets out for a final confrontation. The Way of the Raven, set during the twilight years of Ælfred the Great's reign, brings the four-book Saga of Wessex and the Danes

to a thrilling conclusion. Not every victim is found to be innocent ... Frank Delaney, investigative journalist and sometime spy, is on assignment in Phuket, Thailand, in the aftermath of the tsunami that killed thousands of people, foreigners and locals alike. Disaster victim identification teams from police forces across the globe have descended on this idyllic holiday location to carry out their gruesome work. Delaney discovers that, against all logic, someone is trying to prevent identification of one of the bodies lying in makeshift beachside morgues. His search for the reason follows a trail through Thailand's seedy child sex trade to an elaborate cover-up in Germany and France, where those with everything to lose use increasingly desperate measures to stop him dead. The Tsunami File was shortlisted for the Arthur Ellis Award for Best Crime Novel, 2008. In the multi-million-copy-bestselling tradition of the Wagons West and White Indian series comes the thrilling saga of a frontier so wild, so free, so magnificent that only men and women of unyielding courage could claim it. Trail of the Spanish Bit begins the saga of the Elk-Dog People, the first Native Americans of the Central Plains to tame the horse for use in hunting and in warring. Juan Garcia rode as an arrogant conquistador into the heart of an unexplored continent. One day, on a lone patrol, he was injured and lost. He knew that his chances of survival were pretty grim. But what happened to Juan Garcia on that day changed him forever. The Indians who called themselves 'the People' healed him and showed him their ways. In return, he brought them the Spanish Bit - a talisman that transformed their society.
