A unique account of everyday life under the Third Reich and one man's opposition to the Nazi regime. A groundbreaking World War II narrative wrapped in a riveting detective story, *The Devil's Diary* investigates the disappearance of a private diary penned by one of Adolf Hitler's top aides—Alfred Rosenberg, his “chief philosopher”—and mines its long-hidden pages to deliver a fresh, eye-opening account of the Nazi rise to power and the genesis of the Holocaust. An influential figure in Adolf Hitler's early inner circle from the start, Alfred Rosenberg made his name spreading toxic ideas about the Jews throughout Germany. By the dawn of the Third Reich, he had published a bestselling masterwork that was a touchstone of Nazi thinking. His diary was discovered hidden in a Bavarian castle at war's end—five hundred pages providing a harrowing glimpse into the mind of a man whose ideas set the stage for the Holocaust. Prosecutors examined it during the Nuremberg war crimes trial, but after Rosenberg was convicted, sentenced, and executed, it mysteriously vanished. New York Times bestselling author Robert K. Wittman, who as an FBI agent and then a private consultant specialized in recovering artifacts of historic significance, first learned of the diary in 2001, when the chief archivist for the U.S. Holocaust Memorial Museum contacted him to say that someone was trying to sell it for upwards of a million dollars. The phone

call sparked a decade-long hunt that took them on a twisting path involving a pair of octogenarian secretaries, an eccentric professor, and an opportunistic trash-picker. From the crusading Nuremberg prosecutor who smuggled the diary out of Germany to the man who finally turned it over, everyone had reasons for hiding the truth. Drawing on Rosenberg's entries about his role in the seizure of priceless artwork and the brutal occupation of the Soviet Union, his conversations with Hitler and his endless rivalries with Göring, Goebbels, and Himmler, The Devil's Diary offers vital historical insight of unprecedented scope and intimacy into the innermost workings of the Nazi regime—and into the psyche of the man whose radical vision mutated into the Final Solution. Singer and Youtube star Anna Blue gives an exclusive insight into her life and opens up her diary for the first time. Find out how Anna and the love of her life Damien first met, found each other and how the hit song "So Alone" came about. You've never been so close to Anna! In addition, you get Anna's and Damien's song 'Angel' as free download! History of Nazi Germany. Hailed as one of the most important works on the Hitler period, this is an "astonishing, compelling, and unnerving" portrait of life in Nazi Germany between 1936 and 1944—from a man who nearly shot Hitler himself (The New Yorker) Friedrich Reck might seem an unlikely rebel against Nazism. Not just a conservative but a rock-ribbed reactionary, he played the part of a landed gentleman, deplored

democracy, and rejected the modern world outright. To Reck, the Nazis were ruthless revolutionaries in Gothic drag, and helpless as he was to counter the spell they had cast on the German people, he felt compelled to record the corruptions of their rule. The result is less a diary than a sequence of stark and astonishing snapshots of life in Germany between 1936 and 1944. We see the Nazis at the peak of power, and the murderous panic with which they respond to approaching defeat; their travesty of traditional folkways in the name of the Volk; and the author's own missed opportunity to shoot Hitler. This riveting book is not only, as Hannah Arendt proclaimed it, "one of the most important documents of the Hitler period," but a moving testament of a decent man struggling to do the right thing in a depraved world. Reproduces (translated into English) contemporary documents or writings with an introduction to each section. * Winner of the National Book Critics Circle Award * Silver Medal Society of Illustrators * * Named a Best Book of the Year by The New York Times, The Boston Globe, San Francisco Chronicle, NPR, Comics Beat, The Milwaukee Journal-Sentinel, Kirkus Reviews, and Library Journal This "ingenious reckoning with the past" (The New York Times), by award-winning artist Nora Krug investigates the hidden truths of her family's wartime history in Nazi Germany. Nora Krug was born decades after the fall of the Nazi regime, but the Second World War cast a long shadow over her childhood and youth in the city of Karlsruhe, Germany.

Yet she knew little about her own family's involvement; though all four grandparents lived through the war, they never spoke of it. After twelve years in the US, Krug realizes that living abroad has only intensified her need to ask the questions she didn't dare to as a child. Returning to Germany, she visits archives, conducts research, and interviews family members, uncovering in the process the stories of her maternal grandfather, a driving teacher in Karlsruhe during the war, and her father's brother Franz-Karl, who died as a teenage SS soldier. In this extraordinary quest, "Krug erases the boundaries between comics, scrapbooking, and collage as she endeavors to make sense of 20th-century history, the Holocaust, her German heritage, and her family's place in it all" (The Boston Globe). A highly inventive, "thoughtful, engrossing" (Minneapolis Star-Tribune) graphic memoir, Belonging "packs the power of Alison Bechdel's Fun Home and David Small's Stitches" (NPR.org). A leading expert on the 20th-century history of Berlin, employing new and little-known German sources to track Hitler's attitudes and plans for the city, presents a fascinating new account of Hitler's relationship with Berlin, a place filled with grandiose architecture and imperial ideals, which he used as a platform for his political agenda. Destined to take its place alongside The Diary of Anne Frank and Elie Wiesel's Night as one of the great classics of the Holocaust, I Will Bear Witness is a timeless work of literature, the most eloquent and acute testament to have emerged from

Hitler's Germany. Volume Two begins in 1942, the year the Final Solution was formally proposed, and carries us through to the Allied bombing of Dresden and Germany's defeat. No documentation of National Socialism can be undertaken without the explicit recognition that the "German Renaissance" promised by the Nazis culminated in unprecedented horror—World War II and the genocide of European Jewry. With The Third Reich Sourcebook, editors Anson Rabinbach and Sander L. Gilman present a comprehensive collection of newly translated documents drawn from wide-ranging primary sources, documenting both the official and unofficial cultures of National Socialist Germany from its inception to its defeat and collapse in 1945. Framed with introductions and annotations by the editors, the documents presented here include official government and party pronouncements, texts produced within Nazi structures, such as the official Jewish Cultural League, as well as documents detailing the impact of the horrors of National Socialism on those who fell prey to the regime, especially Jews and the handicapped. With thirty chapters on ideology, politics, law, society, cultural policy, the fine arts, high and popular culture, science and medicine, sexuality, education, and other topics, The Third Reich Sourcebook is the ultimate collection of primary sources on Nazi Germany. Friedrich von Holstein (1837-1909) was Bismarck's subordinate at the German Foreign Office. Since his death historians have combined to make him a

monster of sinister and self-seeking policy. A selection of his Nachlass, which was first published in volume form between 1955 and 1963, is presented here. The original effect of this publication prompted an entire re-judgement of Bismarck, of German foreign policy at that time and since, and of Holstein himself. Though he had been advised by Bismarck that it was indiscreet to keep a diary, Holstein began to do so in the 1880s, and passed the pages to a cousin as they were completed up to 1886, when they died out. This diary (Volume 2) gives an incomparable fresh and direct description of life in the German foreign ministry at the time as well as Holstein's own mordant comments on the general trend of international politics. Offers fascinating perspectives on the war from two German immigrants. This title is suitable for those interested in ethnicity and immigration. This report is based on findings from newly-declassified decades-old Army and CIA records released under the Nazi War Crimes Disclosure Act of 1998. These records were processed and reviewed by the National Archives-led Nazi War Crimes and Japanese Imperial Government Records Interagency Working Group. The report highlights materials opened under the Act, in addition to records that were previously opened but had not been mined by historians and researchers, including records from the Office of Strategic Services (a CIA predecessor), dossiers of the Army Staff's Intelligence Records of the Investigative Records Repository, State Dept. records, and files of the Navy Judge Advocate General. Journal: The Wanderer Above The Sea Of Fog by Caspar Friedrich. 6 x 9 personal notebook journal diary. Journal has 140 blank pages and is thin lined, wide ruled. Great for use as a journal, notebook, diary, field notes, travel logs, random thoughts and ideas, spiritual experiences, dates, appointments and more. Makes a great gift! From the author of To Hell and Back, a fascinating and original exploration of how the Third Reich was willing and able to fight to the bitter end of World War II

Countless books have been written about why Nazi Germany lost the Second World War, yet remarkably little attention has been paid to the equally vital questions of how and why the Third Reich did not surrender until Germany had been left in ruins and almost completely occupied. Drawing on prodigious new research, Ian Kershaw, an award-winning historian and the author of *Fateful Choices*, explores these fascinating questions in a gripping and focused narrative that begins with the failed bomb plot in July 1944 and ends with the death of Adolf Hitler and the German capitulation in 1945. *The End* paints a harrowing yet enthralling portrait of the Third Reich in its last desperate gasps. "Superb, sensitive, honest and compelling . . . a simple but terrifying tale of the destruction of a single Jewish family."--The New York Times Winner of the Mildred L. Batchelder Award His best friend thought Friedrich was lucky. His family had a good home and enough money, and in Germany in the early 1930s, many were unemployed. But when Hitler came to power, things began to change. Friedrich was expelled from school, and then his mother died and his father was deported. For Friedrich was Jewish. This first-time translation into English of key writings by Nietzsche, opens up new vistas on the evolution of his thinking and will prove to be invaluable to anyone studying his philosophy. The personal writings of a remarkable couple who lived parallel lives during the Second World War, surviving persecution and exile. "First published in Great Britain by Little, Brown Book Group." A frank and candid glimpse into the early life of the maturing poet. Victor Klemperer was Professor of French Literature at Dresden University. As a Jew, he was removed from his post in 1935, only surviving thanks to his marriage to an Aryan. Presenting a study of language and its engagement with history, this book draws from Klemperer's conviction that the language of the Third Reich helped to create its culture. #1 NEW YORK TIMES BESTSELLER • OPRAH'S BOOK CLUB PICK •

“An instant American classic and almost certainly the keynote nonfiction book of the American century thus far.”—Dwight Garner, The New York Times ***The Pulitzer Prize-winning, bestselling author of The Warmth of Other Suns examines the unspoken caste system that has shaped America and shows how our lives today are still defined by a hierarchy of human divisions. #1 NONFICTION BOOK OF THE YEAR: Time ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, The New York Times, Los Angeles Times, The Boston Globe, O: The Oprah Magazine, NPR, Bloomberg, The Christian Science Monitor, New York Post, The New York Public Library, Fortune, Smithsonian Magazine, Marie Claire, Slate, Library Journal, Kirkus Reviews Winner of the Carl Sandberg Literary Award • Winner of the Los Angeles Times Book Prize • National Book Award Longlist • National Book Critics Circle Award Finalist • Dayton Literary Peace Prize Finalist • PEN/John Kenneth Galbraith Award for Nonfiction Finalist • PEN/Jean Stein Book Award Longlist • Kirkus Prize Finalist*** ***“As we go about our daily lives, caste is the wordless usher in a darkened theater, flashlight cast down in the aisles, guiding us to our assigned seats for a performance. The hierarchy of caste is not about feelings or morality. It is about power—which groups have it and which do not.”*** ***In this brilliant book, Isabel Wilkerson gives us a masterful portrait of an unseen phenomenon in America as she explores, through an immersive, deeply researched, and beautifully written narrative***

and stories about real people, how America today and throughout its history has been shaped by a hidden caste system, a rigid hierarchy of human rankings. Beyond race, class, or other factors, there is a powerful caste system that influences people's lives and behavior and the nation's fate. Linking the caste systems of America, India, and Nazi Germany, Wilkerson explores eight pillars that underlie caste systems across civilizations, including divine will, bloodlines, stigma, and more. Using riveting stories about people—including Martin Luther King, Jr., baseball's Satchel Paige, a single father and his toddler son, Wilkerson herself, and many others—she shows the ways that the insidious undertow of caste is experienced every day. She documents how the Nazis studied the racial systems in America to plan their outcasting of the Jews; she discusses why the cruel logic of caste requires that there be a bottom rung for those in the middle to measure themselves against; she writes about the surprising health costs of caste, in depression and life expectancy, and the effects of this hierarchy on our culture and politics. Finally, she points forward to ways America can move beyond the artificial and destructive separations of human divisions, toward hope in our common humanity. Original and revealing, Caste: The Origins of Our Discontents is an eye-opening story of people and history, and a reexamination of what lies under the surface of ordinary lives and of American life today. Destined to take its place alongside The Diary of Anne

Frank and Elie Wiesel's Night as one of the great classics of the Holocaust, I Will Bear Witness is a timeless work of literature, the most eloquent and acute testament to have emerged from Hitler's Germany. Volume Two begins in 1942, the year the Final Solution was formally proposed, and carries us through to the Allied bombing of Dresden and Germany's defeat. Friedrich Reck-Malleczewen, a Prussian aristocrat, began a secret diary in May 1936, which describes how a psychosis enveloped an entire society, enabling Hitler's rise to power, and the Nazi regime. His insider observations are set down with passion, outrage and almost unbearable sadness. Friedrich Nietzsche and the Politics of Transfiguration provides a comprehensive analysis of the politics that are implicit and explicit in Nietzsche's work. Tracy B. Strong's discussion shows that Nietzsche's writings are of a piece and have as their common goal a politics of transfiguration: a politics that seeks radical change in how human beings live and act in the modern Western world. This edition includes a new introduction that demonstrates how the styles of Nietzsche's writings expand our notions of democratic politics and democratic understanding. "Diary of a Prussian army doctor recruited by the Siamese to build up a medical services department for the army"--Page 4 of cover. Please note: This is a companion version & not the original book. Sample Book Insights: #1 Spengler was a man of great human greatness and small and large frailties. He was the kind of man who liked to eat

alone, and he would often declaim the entire time. #2 Spengler was the most humorless man I have ever met. He was also the most sensitive to even the smallest criticism. He despised humbug, but he would not allow any inaccuracies or errors to stand uncorrected. #3 Spengler's prophecy of the approaching Dostoyevskian Christianity was made in 1922 in the second volume of Decline. But his followers began to leave him around 1926, when he made his peace with contemporary Germany and its businessmen-on-horseback. #4 The German Revolution is based on simple blackmail. The Nazis found out in 1932 that Oskar von Hindenburg owed 13 million marks, and used this to blackmail him into naming Hitler chancellor. Friedrich Wilhelm Heinrich Zehme was born in Alten Gandersheim, Kreis Gandersheim, Braunschweig Province, Germany, July 22, 1840 and died July 21, 1895 probably in Chicago, Illinois.
