Big Words for Little People Sep 11 2022 I know some Big Words. I'll teach them to you. Although you are small, you can use Big Words too. Big Words aren't scary. They're big fun to learn. I was taught once and now it's your turn. The eighth hilarious picture book by the #1 New York Times bestselling team of Jamie Lee Curtis and Laura Cornell helps little people communicate in a big person's world. With grown-up words like cooperate, respect, patience and considerate, a big, boisterous and zany family celebrates the power of language and discovers that words—big or little—are the bridge that connects us all.

Tilikum Crossing Nov 01 2021 Portland, Oregon's innovative and distinctive landmark, Tilikum Crossing Bridge of the People, is the first major bridge in the U.S, carrying trains, busses, streetcars, bicycles, and pedestrians- but no private automobiles. When regional transportation agency TriMet began planning for the first bridge to be constructed across the Willamette River since 1973, the goal was to build a something symbolic, which would represent the progressive nature of the Twenty-First Century. Part of that progressiveness was engaging in a public process that involved neighborhood associations, small businesses, environmentalists, biologists, bicycling enthusiasts, designers, engineers, and the City Council. The result of this collaboration was an entirely unique bridge that increased the transportation capacity of the city while allowing Portlanders to experience their urban home in an entirely new way--car-free.0In this book, the award winning architect of Tilikum Crossing, Donald MacDonald, and co-author Ira Nadel, tell the story of Portland through its bridges. Written in a friendly voice, readers will learn how Portland came to be known as "The City of Bridges" and the home to this new icon in the city's landscape. MacDonald uses 98 of his own drawings to illustrate the history of Portland river crossings and to show the process of building a Twenty-First Century landmark. Anyone who has ever crossed this remarkable bridge will take away a deeper understanding of how our public structures reflect who we are as a community.

Ella Deloria's The Buffalo People Sep 18 2020 "The five narratives in this book, the third in Julian Rice's examination of the

work of Ella Deloria, demonstrate Deloria's artistry in portraying the central values of Lakota (Sioux) culture. The introductory stories illustrate courage in three extraordinary women and Deloria's ability to subordinate her voice to that of different narrators. Another tale, "The Prairie Dogs," explains how the warriors' and chiefs' societies, the strongest forces for social cohesion, came into being." "The longest story, "The Buffalo People," concerns the origin of tribal identity based on such ideal qualities as the strength and generosity of the buffalo and the resiliency and grace of the corn. Following the noted storyteller Makula (Breast or Left Heron), Deloria improvises upon the poetic conventions of oral performance, from simple asides to traditional set speeches of the Buffalo Woman ceremony. Blending careful observation with creative skill, these stories offer new and often surprising perspectives on Lakota culture. They will entertain and instruct any reader with an interest in Native American societies of the past and present."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. People Person Feb 21 2021 The author of the “brazenly hilarious, tell-it-like-it-is first novel” (Oprah Daily) Queenie returns with another witty and insightful novel about the power of family—even when they seem like strangers. If you could choose your family...you wouldn't choose the Penningtons. Dimple Pennington knows of her half siblings, but she doesn't really know them. Five people who don't have anything in common except for faint memories of being driven through Brixton in their dad's gold jeep, and some pretty complex abandonment issues. Dimple has bigger things to think about. She's thirty, and her life isn't really going anywhere. An aspiring lifestyle influencer with a terrible and wayward boyfriend, Dimple's life has shrunk to the size of a phone screen. And despite a small but loyal following, she's never felt more alone in her life. That is, until a dramatic event brings her half siblings Nikisha, Danny, Lizzie, and Prynce crashing back into her life. And when they're all forced to reconnect with Cyril Pennington, the absent father they never really knew, things get even more complicated. From an author with “a flair for storytelling that appears effortlessly authentic” (Time), *People Person* is a vibrant and charming celebration of discovering family as an adult.

Natural Wine for the People Aug 18 2020 A compact illustrated guide to the emerging and enormously popular category of natural wine, a style that focuses on minimal intervention, lack of additives, and organic and biodynamic growing methods. Today, wine is more favored and consumed than it's ever been in the United States--and millennials are leading the charge, drinking more wine than any other generation in history. Many have been pulled in by the tractor beam of natural wine--that is, organic or biodynamic wine made with nothing added, and nothing taken away--a movement that has completely rocked the wine industry in recent years. While all of the hippest restaurants and wine bars are touting their natural wine lists, and while more and more consumers are calling for natural wine by name, there is still a lot of confusion about what exactly natural wine

is, where to find it, and how to enjoy it. In *Natural Wine for the People*, James Beard Award-winner Alice Feiring sets the record straight, offering a pithy, accessible guide filled with easy definitions, tips and tricks for sourcing the best wines, whimsical illustrations, a definitive list to the must-know producers and bottlings, and an appendix with the best shops and restaurants specializing in natural wine across the country, making this the must-buy and must-gift wine book of the year.

Markets Never Forget (But People Do) Jul 09 2022 Sir John Templeton, legendary investor, was famous for saying, "The four most dangerous words in investing are, 'This time it's different.'" He knew that though history doesn't repeat, not exactly, history is an excellent guide for investors. In *Markets Never Forget But People Do: How Your Memory Is Costing You Money and Why This Time Isn't Different*, long-time Forbes columnist, CEO of Fisher Investments, and 4-time New York Times bestselling author Ken Fisher shows how and why investors' memories fail them—and how costly that can be. More important, he shows steps investors can take to begin reducing errors they repeatedly make. The past is never indicative of the future, but history can be one powerful guide in shaping forward looking expectations. Readers can learn how to see the world more clearly—and learn to make fewer errors—by understanding just a bit of investing past.

Modern Manners Apr 06 2022 An “extremely funny” take on the decline of civility, from the #1 New York Times–bestselling author of *How the Hell Did This Happen?* (The Plain Dealer). In *Modern Manners*, cultural guru P. J. O’Rourke provides the essential accessory for the truly contemporary man or woman—a rulebook for living in a world without rules. Traditionally, good manners were a means of becoming as bland and invisible as everyone else, thus avoiding calling attention to one’s own awkwardness and stupidity. Today, with everyone wanting to appear special, stupidity is at a premium, and manners—as outrageous and bizarre as possible—are a wonderful way to distinguish ourselves, or at least have a fine time trying. This irreverent and hilarious guide to anti-etiquette offers pointed advice on topics from sex and entertaining to reading habits and death. With the most up-to-date forms of vulgarity, churlishness, and presumption, the latest fashions in discourtesy and barbarous display, O’Rourke is our guide to the art of incivility. “Modern Manners is O’Rourke doing what he has always done: making hilarious, insightful, often vicious fun of the world and all its inhabitants.” —People “A reader who rushes through [Modern Manners] from cover to cover—like I did—will feel like a child who has gorged on chocolate cake: happy, but a bit disappointed that it’s all gone. The reason O’Rourke’s book is so successful, however, is not just his great sense of humor. O’Rourke’s writing has a cutting edge behind it, which makes a reader’s laughter just a bit thought-provoking, and just a bit rueful . . . Very funny.” —Chicago Tribune

The People of the Book Aug 30 2021 The history of Judaism has for too long been dominated by the theme of antisemitism, reducing Judaism to the recurrent saga of persecution and the struggle for survival. The history of philosemitism provides a

corrective to that abysmal view, a reminder of the venerable religion and people that have been an inspiration for non-Jews as well as Jews. There is a poetic justice – or historic justice – in the fact that England, the first country to expel the Jews in medieval times, has produced the richest literature of philosemitism in modern times. From Cromwell supporting the readmission of the Jews in the 17th century, to Macaulay arguing for the admission of Jews as Members of Parliament in the 19th century, to Churchill urging the recognition of the state of Israel in the 20th, some of England's most eminent writers and statesmen have paid tribute to Jews and Judaism. Their speeches and writing are powerfully resonant today. As are novels by Walter Scott, Disraeli, and George Eliot, which anticipate Zionism well before the emergence of that movement and look forward to the state of Israel, not as a refuge for the persecuted, but as a "homeland" rooted in Jewish history. A recent history of antisemitism in England regrettably observes that English philosemitism is "a past glory." This book may recall England – and not only England – to that past glory and inspire other countries to emulate it. It may also reaffirm Jews in their own faith and aspirations.

The People's Spiral of U. S. History May 27 2021 The People's Spiral of U.S. History tells America's organic story in six thrilling cycles... from our Indigenous Mother to the imperial Trumpocalypse... and beyond. Fast, fun and full of fury, this passionate pageant pulls no punches. You've NEVER read a history book like this one.

People I Met at the Gates of Heaven Jul 29 2021 This is the book you've been waiting for! Picking up where bestselling 90 Minutes in Heaven left off, Don Piper reveals for the first time the sacred, intimate details of the people who met him at the gates of heaven and the profound impact they had on his faith on earth. In this incredible follow-up to his eight-million-copy bestseller, 90 Minutes in Heaven, Don Piper shares untold stories about his encounters with people who greeted him at the gates of heaven, and offers powerful insights about the way for us to live our lives on earth. Don Piper's unforgettable account of a horrific car accident that took his life, and what happened next has riveted more than eight million readers. Something happened as he shared his story in the years since. Not only did Piper realize he had more to tell, he had yet to share the most sacred and intimate details of his time in heaven about the people who met him at the gates. "I have never left a speaking engagement without people wanting to know more," he said in THE PEOPLE I MET IN HEAVEN, Piper takes readers deeper into his experience, which includes never-before-told encounters with the people who met him when he arrived in heaven-those who helped him on his journey that led to the entrance to God's heavenly home. Even more, Piper recounts the majesty of heaven and the glorious reunion that awaits us there. He offers practical insights, inspiration, and a challenging call that while we're on earth we need to obey Jesus' command to "go and make disciples of all nations."

Sincerely, Your Autistic Child Oct 12 2022 A diverse collection of autistic voices that highlights how parents can avoid

common mistakes and misconceptions, and make their child feel truly accepted, valued, and celebrated for who they are. Most resources available for parents come from psychologists, educators, and doctors, offering parents a narrow and technical approach to autism. Sincerely, Your Autistic Child represents an authentic resource for parents written by autistic people themselves. From childhood and education to culture, gender identity, and sexuality, this anthology tackles the everyday joys and challenges of growing up while honestly addressing the emotional needs, sensitivity, and vibrancy of autistic kids, youth, and young adults. Contributors reflect on what they have learned while growing up on the autism spectrum and how parents can avoid common mistakes and overcome challenges while raising their child. Part memoir, part guide, and part love letter, Sincerely, Your Autistic Child is an indispensable collection that invites parents and allies into the unique and often unheard experiences of autistic children and teens.

People of the Book Jan 03 2022 A novel from the author of 'March' and 'Year of Wonders' takes place in the aftermath of the Bosnian War, as a young book conservator arrives in Sarajevo to restore a lost treasure.

Best Choices from the People's Pharmacy Nov 13 2022 From the trusted authors of the "People's Pharmacy" syndicated newspaper column comes Best Choices from the People's Pharmacy, an essential reference that empowers readers to make intelligent, informed choices from among the array of treatment options—home remedies, herbal and nutritional supplements, and prescription and over-the-counter drugs—available today We can read the newspaper for candid restaurant or movie reviews or consult Consumer Reports for an impartial analysis of the best buys on toasters or automobiles. But where can we find objective evaluations of popular treatments for conditions like arthritis, high cholesterol, and migraines? Joe and Teresa Graedon, the best-selling authors of The People's Pharmacy, will fill the void with a comprehensive new reference that presents all the information readers need to become savvy health-care consumers. The book offers: • best-choice treatments for 50 medical conditions—from allergies, asthma, and heartburn to high blood pressure and osteoporosis • a remedy ratings guide to compare the effectiveness and affordability of various treatment options • compelling new information on the potential dangers of generic drugs Featuring a list of the authors' must-have remedies and organized alphabetically by condition for fast, easy access, this trustworthy, practical guide should find a sizable and grateful audience.

People Share with People Jun 27 2021 In this hilariously instructive follow-up to Lisa Wheeler and Caldecott Honor–winning illustrator Molly Idle's People Don't Bite People, this cheeky and charming picture book reminds little ones that sharing is caring. Learning good behavior has never been so fun! It's good to share a blanket. It's nice to share some fries. It's great to share your crayons BEFORE somebody cries. Yes... People share with people! It's not that hard to do. So if you'd like to cozy up... I'll SHARE this book with you!

Extraordinary People Dec 14 2022 For the first time in *Extraordinary People*, the psychiatrist who was a consultant to the movie *Rain Man*, collects the most fascinating cases of Savant Syndrome both in history and modern times. Dr. Treffert documents the spectacular abilities—the islands of genius—in these remarkable persons, and describes as well the love, determination and dedication of their equally remarkable families, teachers and caretakers. He shares the observations of the far-reaching implications this astonishing condition has for understanding brain function and hidden potential in all of us.

Pocahontas's People Apr 18 2023 In this history, Helen C. Roundtree traces events that shaped the lives of the Powhatan Indians of Virginia, from their first encounter with English colonists, in 1607, to their present-day way of life and relationship to the state of Virginia and the federal government. Roundtree's examination of those four hundred years misses not a beat in the pulse of Powhatan life. Combining meticulous scholarship and sensitivity, the author explores the diversity always found among Powhatan people, and those people's relationships with the English, the government of the fledgling United States, the Union and the Confederacy, the U.S. Census Bureau, white supremacists, the U.S. Selective Service, and the civil rights movement.

Financing and Payment Strategies to Support High-Quality Care for People with Serious Illness May 07 2022 Millions of people in the United States live with serious illnesses such as cancer, heart disease, chronic obstructive pulmonary disorder (COPD), amyotrophic lateral sclerosis, Parkinson's disease, and dementia—often for many years. Those facing serious illness have a range of interconnected medical and non-medical needs, and the way their care is financed has a large impact on the care they receive. Medicare is the predominant payer, but both Medicaid and private payers also play significant roles in financing care for serious illness. In an effort to address the complex needs of people with serious illness, public and private health care payers are testing innovative financing strategies and alternative payment models. These innovative approaches signal a gradual transition from the traditional-fee-for-service system that pays providers based on the quantity of services to a system based on the value of care provided and a heightened focus on improved quality of care at lower cost. To explore this evolving financing and payment landscape for serious illness care within public- and private-sector programs, the Roundtable on Quality Care for People with Serious Illness developed a workshop, *Financing and Payment Strategies to Support High-Quality Care for People with Serious Illness*. The workshop convened clinicians, researchers, policy analysts, and patient advocates, as well as representatives from academia, government and private health care plans, and insurers to discuss challenges and opportunities in financing high-quality care for people with serious illness. This publication summarizes the presentations and discussions from the workshop.

A People of One Book Feb 16 2023 Although the Victorians were awash in texts, the Bible was such a pervasive and dominant presence that they may fittingly be thought of as 'a people of one book'. They habitually read the Bible, quoted it, adopted its

phraseology as their own, thought in its categories, and viewed their own lives and experiences through a scriptural lens. This astonishingly deep, relentless, and resonant engagement with the Bible was true across the religious spectrum from Catholics to Unitarians and beyond. The scripture-saturated culture of nineteenth-century England is displayed by Timothy Larsen in a series of lively case studies of representative figures ranging from the Quaker prison reformer Elizabeth Fry to the liberal Anglican pioneer of nursing Florence Nightingale to the Baptist preacher C. H. Spurgeon to the Jewish author Grace Aguilar. Even the agnostic man of science T. H. Huxley and the atheist leaders Charles Bradlaugh and Annie Besant were thoroughly and profoundly preoccupied with the Bible. Serving as a tour of the diversity and variety of nineteenth-century views, Larsen's study presents the distinctive beliefs and practices of all the major Victorian religious and sceptical traditions from Anglo-Catholics to the Salvation Army to Spiritualism, while simultaneously drawing out their common, shared culture as a people of one book.

How To Win Friends and Influence People May 15 2020 Updated for today's readers, Dale Carnegie's timeless bestseller *How to Win Friends and Influence People* is a classic that has improved and transformed the professional and personal and lives of millions. Achieve your maximum potential with this updated version of a classic—a must-read for the 21st century.

People Love You Dec 02 2021 What you experience is what you remember. The more emotional the experience, the deeper it is branded into your memory. Experience has a massive impact on buying decisions. Every touch point, every time you or someone in your company engages a customer, it creates an experience - something they remember. When they have a negative experience, they tend to vote with their feet (and their wallets) and head straight to your competitors. When customers have positive emotional experiences, it anchors them to your brand, your product or service, and ultimately to you. In the twenty-first century, competitive advantages derived from unique products are services are short-lived because competitors are able to quickly and easily duplicate or match your offering. Likewise a focus on customer satisfaction and loyalty will no longer give you the competitive edge. Delivering a legendary customer experience has emerged as the single most important competitive advantage for companies across all industries. In *People Love You* you'll learn the real secrets of customer experience

including: 7 Essential Principles of Customer Engagement 5 Levers for Creating a Legendary Customer Experience The Secret to Bridging the Experience Gap How to Leverage the Pull Strategy to become a Trusted Advisor 2 Most Important Rules for Dealing with Pissed-off Customers In a hypercompetitive, global marketplace protecting your company's customer base, the lifeblood of your business, must become your number one priority. The rubber hits the road with account managers, project managers, sales professionals, and customer service professionals—the people most connected to customers—who are on the frontlines of customer experience. They build unique and enduring emotional connections with customers that creating long-term revenue and profit streams. In *People Love You*, human relationship guru, Jeb Blount, gives you a powerful playbook for interacting with customers in a way that creates deep, enduring, visceral connections that withstand relentless economic and competitive assaults.

100 People Who Made History Apr 25 2021 There are nearly 7 billion people in the world today. We are living longer, healthier, and better lives than anyone who has gone before. And this is the result of a whole chain of people who have invented or discovered something that has changed our world. Where would we be without inventors, philosophers, economists, politicians, explorers, and other "ideas" people? Some of our historical heroes were lone geniuses but many were influenced by other great thinkers and ideas. There would be no Facebook without the internet-and no internet with computers. And there could be no computers without the great mathematicians and philosophers of ancient times. So who's the Genius-Mark Zuckerberg, or Pythagoras? We think it's both. This is why every spread features a panel called "They couldn't have done it without...", revealing the people who made earlier contributions to the cause. With chapters on medicine and food processes, entertainment and culture, there's something in *100 People Who Made History* for everyone. Full of true-life stories and famous celebs, *100 People* proves that history can be exciting and relevant. So let's hear it for the heroes from throughout the ages: those who save lives, those who improve lives, and those who make our lives just that bit more enjoyable.

Normal People Nov 20 2020 NOW AN EMMY-NOMINATED HULU ORIGINAL SERIES • NEW YORK TIMES BESTSELLER • “A stunning novel about the transformative power of relationships” (People) from the author of *Conversations with Friends*, “a master of the literary page-turner” (J. Courtney Sullivan). ONE OF THE TEN BEST NOVELS OF THE DECADE—Entertainment Weekly TEN BEST BOOKS OF THE YEAR—People, Slate, The New York Public Library, Harvard Crimson AND BEST BOOKS OF THE YEAR—The New York Times, The New York Times Book Review, O: The Oprah Magazine, Time, NPR, The Washington Post, Vogue, Esquire, Glamour, Elle, Marie Claire, Vox, The Paris Review, Good Housekeeping, Town & Country Connell and Marianne grew up in the same small town, but the similarities end there. At school, Connell is popular and well liked, while Marianne is a loner. But when the two strike up a conversation—awkward but

electrifying—something life changing begins. A year later, they're both studying at Trinity College in Dublin. Marianne has found her feet in a new social world while Connell hangs at the sidelines, shy and uncertain. Throughout their years at university, Marianne and Connell circle one another, straying toward other people and possibilities but always magnetically, irresistibly drawn back together. And as she veers into self-destruction and he begins to search for meaning elsewhere, each must confront how far they are willing to go to save the other. *Normal People* is the story of mutual fascination, friendship and love. It takes us from that first conversation to the years beyond, in the company of two people who try to stay apart but find that they can't. Praise for *Normal People* “[A] novel that demands to be read compulsively, in one sitting.”—The Washington Post “Arguably the buzziest novel of the season, Sally Rooney’s elegant sophomore effort . . . is a worthy successor to *Conversations with Friends*. Here, again, she unflinchingly explores class dynamics and young love with wit and nuance.”—The Wall Street Journal “[Rooney] has been hailed as the first great millennial novelist for her stories of love and late capitalism. . . . [She writes] some of the best dialogue I’ve read.”—The New Yorker

People Cities Sep 30 2021 Over the last 50 years architect Jan Gehl has changed the way that we think about architecture and city planning--moving from the Modernist separation of uses to a human-scale approach inviting people to use their cities. *People Cities* tells the inside story of how Gehl learned to study urban spaces and implement his people-centered approach in car-dominated cities. It discusses the work, theory, life, and influence of Gehl from the perspective of those who have worked with him in cities across the globe. It will inspire anyone who wants to create vibrant, human-scale cities and understand the ideas and work of the architect who has most influenced urban design.

Other People's Houses Aug 10 2022 “Abbi Waxman is both irreverent and thoughtful.”—#1 New York Times bestselling author Emily Giffin The author of *The Garden of Small Beginnings* returns with a hilarious and poignant new novel about four families, their neighborhood carpool, and the affair that changes everything. At any given moment in other people's houses, you can find...repressed hopes and dreams...moments of unexpected joy...someone making love on the floor to a man who is most definitely not her husband... *record scratch* As the longtime local carpool mom, Frances Bloom is sometimes an unwilling witness to her neighbors' private lives. She knows her cousin is hiding her desire for another baby from her spouse, Bill Horton's wife is mysteriously missing, and now this... After the shock of seeing Anne Porter in all her extramarital glory, Frances vows to stay in her own lane. But that's a notion easier said than done when Anne's husband throws her out a couple of days later. The repercussions of the affair reverberate through the four carpool families--and Frances finds herself navigating a moral minefield that could make or break a marriage.

A People's Guide to Los Angeles Jun 20 2023 This book documents 115 little-known sites in Los Angeles where struggles

related to race, class, gender, sexuality, and the environment have occurred. They introduce us to people and events usually ignored by mainstream media and, in the process, create a fresh history of Los Angeles.

Pablo Neruda Jan 15 2023 Describes the life and times of the Nobel Prize-winning Chilean poet.

People of the Book May 19 2023 Halbertal provides a panoramic survey of Jewish attitudes toward Scripture, provocatively organized around problems of normative and formative authority, with an emphasis on the changing status and functions of Mishnah, Talmud, and Kabbalah.

The Book of Other People Jul 21 2023 A stellar host of writers explore the cornerstone of fiction writing: character The Book of Other People is about character. Twenty-five or so outstanding writers have been asked by Zadie Smith to make up a fictional character. By any measure, creating character is at the heart of the fictional enterprise, and this book concentrates on writers who share a talent for making something recognizably human out of words (and, in the case of the graphic novelists, pictures). But the purpose of the book is variety: straight "realism"-if such a thing exists-is not the point. There are as many ways to create character as there are writers, and this anthology features a rich assortment of exceptional examples. The writers featured in The Book of Other People include: Aleksandar Hemon Nick Hornby Hari Kunzru Toby Litt David Mitchell George Saunders Colm Tóibín Chris Ware, and more Read Zadie Smith's newest novel, *Swing Time*.

Andrew Wyeth Dec 22 2020 The major paintings of iconic American artist Andrew Wyeth (1917–2009) presented together in an accessible volume. Andrew Wyeth is an essential introduction to the enduring masterworks of this profoundly popular American artist. Published on the occasion of the centennial of the artist's birth, this handsome book highlights works spanning the entirety of the artist's seven-decade career painting the landscapes and people he knew in Chadds Ford, Pennsylvania, where he lived, and in Maine, where he summered. Many of his most important landscapes and portraits were created in and around his Chadds Ford studio, now part of the Brandywine River Museum of Art, with which Andrew Wyeth was intimately connected since its founding in 1971. A short introduction provides an overview of his life, and descriptive captions contextualize some fifty of the artist's finest and most beloved paintings, including *Pennsylvania Landscape* (1942), *Wind from the Sea* (1947), *Christina's World* (1948), *Trodden Weed* (1951), *Roasted Chestnuts* (1956), *Braids* (1977), and *Pentecost* (1989). Readers will also be treated to works previously unseen, such as *Betsy's Beach* (2006) and *Crow Tree* (2007).

Read People Like a Book: How to Analyze, Understand, and Predict People's Emotions, Thoughts, Intentions, and Behaviors
Jun 08 2022 Speed read people, decipher body language, detect lies, and understand human nature. Is it possible to analyze people without them saying a word? Yes, it is. Learn how to become a "mind reader" and forge deep connections. How to get inside people's heads without them knowing. *Read People Like a Book* isn't a normal book on body language of facial

expressions. Yes, it includes all of those things, as well as new techniques on how to truly detect lies in your everyday life, but this book is more about understanding human psychology and nature. We are who we are because of our experiences and pasts, and this guides our habits and behaviors more than anything else. Parts of this book read like the most interesting and applicable psychology textbook you've ever read. Take a look inside yourself and others! Understand the subtle signals that you are sending out and increase your emotional intelligence. Patrick King is an internationally bestselling author and social skills coach. His writing draws of a variety of sources, from scientific research, academic experience, coaching, and real life experience. Learn the keys to influencing and persuading others. •What people's limbs can tell us about their emotions. •Why lie detecting isn't so reliable when ignoring context. •Diagnosing personality as a means to understanding motivation. •Deducing the most with the least amount of information. •Exactly the kinds of eye contact to use and avoid Find shortcuts to connect quickly and deeply with strangers. The art of reading and analyzing people is truly the art of understanding human nature. Consider it like a cheat code that will allow you to see through people's actions and words. Decode people's thoughts and intentions, and you can go in any direction you want with them.

My Kind of People Apr 13 2020 From the author of *The Salt House* and *This Is Home* comes a profound novel about the power of community and a small town's long-buried secrets as a group of New England islanders come together for a recently orphaned girl. On Ichabod Island, a jagged strip of land thirteen miles off the coast of Massachusetts, ten-year-old Sky becomes an orphan for the second time after a tragic accident claims the lives of her adoptive parents. Grieving the death of his best friends, Leo's life is turned upside down when he finds himself the guardian of young Sky. Back on the island and struggling to balance his new responsibilities and his marriage to his husband, Leo is supported by a powerful community of neighbors, many of them harboring secrets of their own. Maggie, who helps with Sky's childcare, has hit a breaking point with her police chief husband, who becomes embroiled in a local scandal. Her best friend Agnes, the island busybody, invites Sky's estranged grandmother to stay for the summer, straining already precarious relationships. Their neighbor Joe struggles with whether to tell all was not well in Sky's house in the months leading up to the accident. And among them all is a mysterious woman, drawn to Ichabod to fulfill a dying wish. Perfect for fans of Celeste Ng and Ann Leary, *My Kind of People* is a riveting, impassioned novel about the resilience of community and what connects us all in the face of tragedy.

The Seven Habits of Highly Effective People Mar 17 2023 A revolutionary guidebook to achieving peace of mind by seeking the roots of human behavior in character and by learning principles rather than just practices. Covey's method is a pathway to wisdom and power.

[We Too are the People](#) Jul 17 2020

CRISPR People Oct 20 2020 What does the birth of babies whose embryos had gone through genome editing mean--for science and for all of us? In November 2018, the world was shocked to learn that two babies had been born in China with DNA edited while they were embryos--as dramatic a development in genetics as the cloning of Dolly the sheep was in 1996. In this book, Hank Greely, a leading authority on law and genetics, tells the fascinating story of this human experiment and its consequences. Greely explains what Chinese scientist He Jiankui did, how he did it, and how the public and other scientists learned about and reacted to this unprecedented genetic intervention.

Sketching People Jun 15 2020 Life Lessons: Learn How to Capture a World Constantly in Motion Fluid, fast and expressive life drawing starts here. Step by step, you'll learn to render fleeting gestures from memory, capture expressions simply and more quickly, give your drawing a life of its own with body language, and more. Along the way, you'll develop a more spontaneous approach for successfully working from life. Inside you'll find: • A comprehensive course on drawing from life, based on classic principles • Essential techniques for drawing gesture, figures, clothing, expression, body language and more • Lots of exercises that bring lessons to life The skills you'll learn from this book are so fundamental that every artist will find something in these useful lessons for making the most of all the inspiration that life has to offer.

People of the Book Aug 22 2023 The author examines the "cultural and literary identity among Western Christians which the centrality of 'the Book' has helped to create, and the Christian use of the phrase 'People of the book.'" --Preface.

Cities for People Mar 05 2022 For more than forty years Jan Gehl has helped to transform urban environments around the world based on his research into the ways people actually use—or could use—the spaces where they live and work. In this revolutionary book, Gehl presents his latest work creating (or recreating) cityscapes on a human scale. He clearly explains the methods and tools he uses to reconfigure unworkable cityscapes into the landscapes he believes they should be: cities for people. Taking into account changing demographics and changing lifestyles, Gehl emphasizes four human issues that he sees as essential to successful city planning. He explains how to develop cities that are Lively, Safe, Sustainable, and Healthy. Focusing on these issues leads Gehl to think of even the largest city on a very small scale. For Gehl, the urban landscape must be considered through the five human senses and experienced at the speed of walking rather than at the speed of riding in a car or bus or train. This small-scale view, he argues, is too frequently neglected in contemporary projects. In a final chapter, Gehl makes a plea for city planning on a human scale in the fast-growing cities of developing countries. A “Toolbox,” presenting key principles, overviews of methods, and keyword lists, concludes the book. The book is extensively illustrated with over 700 photos and drawings of examples from Gehl’s work around the globe.

Safe People Feb 04 2022 Finding safe people provides the foundation for building healthy, lasting relationships. Here's how to

identify safe people. This workbook applies the lessons of 'Safe People' to help people find those relationships that will help them grow.

Temporary People Mar 25 2021 Winner of the Restless Books Prize for New Immigrant Writing "Guest workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, starred review In the United Arab Emirates, foreign nationals constitute over 80 percent of the population. Brought in to construct and serve the towering monuments to wealth that punctuate the skylines of Abu Dhabi and Dubai, this labor force is not given the option of citizenship. Some ride their luck to good fortune. Others suffer different fates. Until now, the humanitarian crisis of the so-called “guest workers” of the Gulf has barely been addressed in fiction. With his stunning, mind-altering debut novel *Temporary People*, Deepak Unnikrishnan delves into their histories, myths, struggles, and triumphs. Combining the linguistic invention of Salman Rushdie and the satirical vision of George Saunders, Unnikrishnan presents twenty-eight linked stories that careen from construction workers who shapeshift into luggage and escape a labor camp, to a woman who stitches back together the bodies of those who’ve fallen from buildings in progress, to a man who grows ideal workers designed to live twelve years and then perish—until they don’t, and found a rebel community in the desert. With this polyphony of voices, Unnikrishnan maps a new, unruly global English and gives personhood back to the anonymous workers of the Gulf. "Guest workers of the United Arab Emirates embody multiple worlds and identities and long for home in a fantastical debut work of fiction, winner of the inaugural Restless Books Prize for New Immigrant Writing.... The author's crisp, imaginative prose packs a punch, and his whimsical depiction of characters who oscillate between two lands on either side of the Arabian Sea unspools the kind of immigrant narratives that are rarely told. An enchanting, unparalleled anthem of displacement and repatriation." —Kirkus Reviews, Starred Review "Inventive, vigorously empathetic, and brimming with a sparkling, mordant humor, Deepak Unnikrishnan has written a book of Ovidian metamorphoses for our precarious time. These absurdist fables, fluent in the language of exile, immigration, and bureaucracy, will remind you of the raw pleasure of storytelling and the unsettling nearness of the future." —Alexandra Kleeman, author of *You Too Can Have a Body Like Mine* “Inaugural winner of the Restless Books Prize for New Immigrant Writing, this debut novel employs its own brand of magical realism to propel readers into an understanding and appreciation of the experience of foreign workers in the Arab Gulf States (and beyond). Through a series of almost 30 loosely linked sections, grouped into three parts, we are thrust into a narrative alternating between

visceral realism and fantastic satire.... The alternation between satirical fantasy, depicting such things as intelligent cockroaches and evil elevators, and poignant realism, with regards to necessarily illicit sexuality, forms a contrast that gives rise to a broad critique of the plight of those known euphemistically as ‘guest workers.’ VERDICT: This first novel challenges readers with a singular inventiveness expressed through a lyrical use of language and a laserlike focus that is at once charming and terrifying. Highly recommended.” —Henry Bankhead, Library Journal, Starred Review “Unnikrishnan’s debut novel shines a light on a little known world with compassion and keen insight. The Temporary People are invisible people—but Unnikrishnan brings them to us with compassion, intelligence, and heart. This is why novels matter.” —Susan Hans O’Connor, Penguin Bookshop (Sewickley, PA) “Deepak Unnikrishnan uses linguistic pyrotechnics to tell the story of forced transience in the Arabian Peninsula, where citizenship can never be earned no matter the commitment of blood, sweat, years of life, or brains. The accoutrements of migration—languages, body parts, passports, losses, wounds, communities of strangers—are packed and carried along with ordinary luggage, blurring the real and the unreal with exquisite skill. Unnikrishnan sets before us a feast of absurdity that captures the cruel realities around the borders we cross either by choice or by force. In doing so he has found what most writers miss: the sweet spot between simmering rage at a set of circumstances, and the circumstances themselves.” —Ru Freeman, author of *On Sal Mal Lane* “Deepak writes brilliant stories with a fresh, passionate energy. Every page feels as if it must have been written, as if the author had no choice. He writes about exile, immigration, deportation, security checks, rage, patience, about the homelessness of living in a foreign land, about historical events so strange that, under his hand, the events become tales, and he writes tales so precisely that they read like history. Important work. Work of the future. This man will not be stopped.” —Deb Olin Unferth, author of *Revolution* “From the strange Kafka-esque scenarios to the wholly original language, this book is amazing on so many different levels. Unlike anything I’ve ever read, *Temporary People* is a powerful work of short stories about foreign nationals who populate the new economy in the United Arab Emirates. With inventive language and darkly satirical plot lines, Unnikrishnan provides an important view of relentless nature of a global economy and its brutal consequences for human lives. Prepare to be wowed by the immensely talented new voice.” —Hilary Gustafson, Literati Bookstore (Ann Arbor, MI) “Absolutely preposterous! As a debut, author Unnikrishnan shares stories of laborers, brought to the United Arab Emirates to do menial and everyday jobs. These people have no rights, no fallback if they have problems or health issues in that land. The laborers in *Temporary People* are sewn back together when they fall, are abandoned in the desert if they become inconvenient, and are even grown from seeds. As a collection of short stories, this is fantastical, imaginative, funny, and even more so, scary, powerful, and ferocious.” —Becky Milner, Vintage Books (Vancouver WA)
