Children's Illustrated World Atlas May 25 2023 A visual atlas that brings the world and its people to life with modern mapping, pictures, facts, and stories, perfect for kids ages 8-12, and fully revised and updated. Using modern mapping based on the latest seamless, cloud-free satellite image data, Children's Illustrated World Atlas takes kids on the ultimate round-the-world trip, from the Americas to Australasia and Oceania. Each detailed map is accompanied by pictures and stories that explore the society, culture, and history of each region, giving young readers an immediate sense of place not conveyed in standard atlases. Bite-size, country-by-country facts and stats are included at the start of each chapter for additional knowledge, and a place-name index identifies 7,500 locations around the world. Kids will even learn about popular discussion topics such as globalization, the environment, and the communication revolution in a contemporary introduction section. Together with facts, maps, satellite images, and local stories, this fully updated and revised Children's Illustrated World Atlas is a global yet personal experience and brings together views from all over the world - from Bolivia's bustling markets to carnival in Venice.

World Atlas of Wine Feb 27 2021 Hailed by critics worldwide as "extraordinary" and "irreplaceable," there are few volumes that have had as monumental an impact in their field as Hugh Johnson's *The World Atlas of Wine*: sales have exceeded four million copies, and it is now published in thirteen languages. World-renowned authors Hugh Johnson and Jancis Robinson once again combine their unrivalled talents to enhance this masterpiece of wine knowledge. There are now 48 extra pages, including 17 new color illustrations, 20 new maps, and-

for the first time ever-double page spreads and full-page photos in the atlas section for maximum visual impact. New World coverage has been extended for both Australia and South America; some New World regions even have their own entries for the first time, including Rutherford, Oakville, and Stag's Leap from California; Mendoza (Argentina); Limestone Coast (Australia); Central Otago and Martinborough (New Zealand); and Constantia (South Africa). And Old World coverage has grown too, with the addition of Toro (Spain), the Peloponnese (Greece), and Georgia. It's a truly incomparable book, and an essential addition to every wine lover's or professional's library.

The State of the World Atlas Dec 08 2021 The State of the World Atlas is an accessible, unique visual survey of current events and global trends, highlighting the international scope and complexity of many challenges facing the humanity today. With a bold new design, this distinctive atlas presents the latest statistics on international trade and migration, the globalization of work, aging and new health risks (up to and including the COVID-19 pandemic), food and water, energy resources and consumption, literacy, gender equality, wars and peacekeeping, and more. And for the newest edition, special attention has been brought to the way that all of these issues are affected by the ongoing climate crisis. Fascinating, troubling, and surprising, this is an important resource for anyone who seeks to better understand the world around them.

The World Atlas of Tattoo May 21 2020 "A grand tour of the world's great tattoos"--Atlas Obscura "This book--part global art historical tome, part coffee-table book of visual wonders--is a valuable corrective to many silly things that we assume about tattooing."--The New Republic A lavishly illustrated global exploration of the vast array of styles and most significant practitioners of tattoo from ancient times to today Tattoo art and practice has seen radical changes in the 21st century, as its popularity has exploded. An expanding number of tattoo artists have been mining the past for lost traditions and innovating with new technology. An enormous diversity of styles, genres, and techniques has emerged, ranging from geometric blackwork to vibrant, painterly styles, and from hand-tattooed works to machine-produced designs. With over 700 stunning color illustrations, this volume considers historical and contemporary tattoo practices in Europe, the Americas, the Middle East, North and Sub-Saharan Africa, Asia, Australia, and the Pacific Islands. Each section, dedicated to a specific geographic region, features fascinating text by tattoo experts that explores the history and traditions native to that area as well as current styles and trends. The World Atlas of Tattoo also tracks the movement of styles from their indigenous settings to diasporic communities, where they have often been transformed into creative, multicultural, hybrid designs. The work of 100 notable artists from around the globe is showcased

in this definitive reference on a widespread and intriguing art practice.

National Geographic Concise Atlas of the World Jan 29 2021 With more than 550 maps and graphics, all completely revised, this atlas provides accurate coverage of the whole world.

Introductory sections for each continent are also fully updated and feature stunning images that portray unique physical geography and highlight the sprawling extent of major cities. The flags and country facts at the end of each continental section reflect the latest statistics from national and international sources.
