All In Bible Study Guide May 16 2020 When did we start believing that God wants to send us to safe places to do easy things? Jesus didn't die to keep us safe. He died to make us dangerous. The will of God is not an insurance plan; it's a daring plan. It's time to quit living as if the purpose of your life is to arrive safely at death. All In, a four-session video-based Bible study (DVD/digital video sold separately) by New York Times bestselling author Mark Batterson, challenges participants to resolutely follow God wherever he leads by pointing out that if Jesus is not Lord of all, he is not Lord at all. Most people think they are following Jesus. They may think they are following Jesus, but the reality is, they've invited Jesus to follow them. They call him Savior, but they've never surrendered to him as Lord. Are you following Jesus? Or have you invited Jesus to follow you? Participants will find Batterson's teaching filled with his customary vivid, contemporary stories as well as biblical characters like Shamgar, Elisha, Jonathan, and Judas. It's time to go all in for God. Sessions include: Now or Never: Pack Your Coffin All In: Charge! All Out: Rim Huggers All in All: Burn the Ships Designed for use with All In Video Study 9780310333104 (sold separately).

Tintinalli's Emergency Medicine: A Comprehensive Study Guide, 8th edition Aug 23 2023 The most widely used and highly regarded textbook and reference of emergency medicine -- Endorsed by the American College of Emergency Physicians The 8th edition of Tintinalli's Emergency Medicine provides the depth and breadth of coverage that reflects the complexity and expertise needed to practice emergency medicine successfully in today's fast-paced environments. It is an important contemporary clinical emergency care resource for physicians, NPs, and PAs who practice emergency medicine and for emergency medicine and pediatric emergency medicine fellows. It remains the preferred study guide for in-training and board examinations and recertification. NEW to this edition: • Full-color design with more tables than ever to succinctly present key information • Extensive updates to all sections, incorporating the latest guidelines,

evidence-based protocols, and relevant research • Expanded pediatric section, with complete clinical information for general and pediatric emergency physicians • Expanded coverage of common emergency department procedures, with improved illustrations • Online access to more than 30 videos, covering a wide range of procedural and diagnostic topics and focusing on the latest ultrasound-guided techniques From the reviews of the seventh edition: "Collectively, they have once again produced an excellent text that manages to cover the broad scope of emergency medicine while remaining an easily readable and practical resource....Last, for the inevitable comparison of this current edition of Tintinalli's Emergency Medicine with other available emergency medicine textbooks available: in my opinion, Tintinalli's still comes out on top. It is more concise and easier to read than some, yet it covers the breadth of emergency medicine practice more comprehensively than others....Just as previous editions did, the seventh presents all of the most pertinent and up-to-date information in a well-organized format that is comprehensive yet easy to read. That and many of the attractive new features in this current edition will ensure its place on my bookshelf for years to come."—JAMA

Legendborn Apr 26 2021 An Instant New York Times Bestseller! Winner of the Coretta Scott King -

John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA contemporary fantasy reinvents the King Arthur legend and "braids together Southern folk traditions and Black Girl Magic into a searing modern tale of grief, power, and self-discovery" (Dhonielle Clayton, New York Times bestselling author of *The Belles*). After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC-Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called "Legendborn" students that hunt the creatures down. And a mysterious teenage mage who calls himself a "Merlin" and who attempts—and fails—to wipe Bree's memory of everything she saw. The mage's failure unlocks Bree's own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there's more to her mother's death than what's on the police report, she'll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them deeper into the society's secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur's knights and explain that a magical war is coming, Bree has to decide how far she'll go for the truth and whether she should use her magic to take the society down—or join the fight.
