Mathematics year 4 set 8 Jan 07 2022

Power Maths Year 4 Textbook 4A Jun 24 2023 The whole-class mastery approach that works for every child. Underpinned by the most effective teaching practices, and created by a team of mastery experts led by Series Editor Tony Staneff, Power Maths is designed to make the whole-class mastery teaching approach work for you, your children and your school. The powerful lesson structure of Power Maths comes to life through the high-quality textbooks. They provide a coherent structure through the curriculum and support children on their journey to deeper understanding. The textbooks set out the core learning objectives for the whole class. 'Discover', 'Share' and 'Think Together' sections help promote discussion and ensure mathematical ideas are introduced to children in a logical way to support conceptual understanding. Engaging contexts for problem solving help children to discover patterns and concepts for themselves in a meaningful way. Clear mathematical structures and representations (using the Concrete-Pictorial-Abstract approach) ensure children make connections and grasp concepts. Lovable characters prompt and question children to promote reasoning skills and help to build a growth mindset.

1999 Abacus Year 4 / P5: Textbook Number 2 Jun 19 2020 These textbooks allow independent practice of mathematical skills. They present the concepts at an appropriate reading level. Activities with an investigative or process-skill focus encourage creative and mathematical thinking. Problem-solving is included.

Maths Textbook (Year 4) Aug 14 2022 This Maths textbook links directly to the National Curriculum and mixes clear accessible teaching with opportunities to talk about and practice key mathematical concepts. Each textbook is accompanied by a Planning and Assessment Guide, which is designed to support the teacher in planning and assessing the content of the programme. The Planning and Assessment Guide also links to the highly-acclaimed 100 Maths Lessons series, which can be used alongside the textbook programme to build secure foundations and deep understanding of all of the key mathematical concepts in Year 4.

Rising Stars Mathematics Year 4 Textbook Aug 26 2023 The full-colour, engaging Textbook for Year 4 is designed to aid high-quality teaching and learning. Characters introduce and discuss a common misconception for each concept, supported by visual representations. A set of practice activities is provided per concept, offering bare practice, through to practice in context and then open-ended investigation, to build conceptual understanding. This textbook has been written and reviewed by mathematics experts with extensive classroom experience.
