Originally published in 1830, this guidebook provides practical information for emigrants to

various British colonies. It includes descriptions of the climate, geography, and resources of each region, as well as advice on travel and settling in. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. This information packed guide covers the popular places and hidden haunts, the best beaches and scenic drives. South Wales Sport covers the area to the south of the Brecon Beacons, spanning the land and sea cliffs from

the River Wye on the Welsh border to Pembrokeshire in the west. The area is home to a wealth of sport climbing on a multitude of venues ranging from small inland quarries to extensive limestone sea cliffs. The climbing is easily split into four main areas - Valleys Sandstone, Gower, the inland and coastal limestone crags and Camarthenshire's sea cliffs. The variation in climbing on offer is remarkable for such a compact area and access is easy. This book will be the first book to bring together these various crags into a single edition with many never having been properly covered in print before. Although many of the crags are new, the increasing popularity of sport climbing ensures that this book is likely to be a big seller for years to come. The guidebook is illustrated with a large number of superb action photos and the latest full colour topos as well as up-to-date information on where to stay, eat, drink and relax. Field Guide to Royal National Park, New South Wales Discover this beautiful country with

the most incisive and entertaining guidebook on the market. Whether you plan to hike through the wilds of Snowdonia, follow in Wordsworth's footsteps at Tintern Abbey or explore Welsh music and theatre in Swansea, The Rough Guide to Wales will show you the ideal places to sleep, eat, drink and shop along the way. Inside The Rough Guide to Wales - Independent, trusted reviews written with Rough Guides' trademark blend of humour, honesty and insight, to help you get the most out of your visit, with options to suit every budget - Full-colour maps throughout - navigate the arcades of central Cardiff or the peaks of Brecon Beacons National Park without needing to get online. - Stunning, inspirational images - Itineraries - carefully planned routes to help you organize your trip. - Detailed regional coverage - whether off the beaten track or in more mainstream tourist destinations, this travel guide has in-depth practical advice for every step of the way. Areas covered include: Cardiff, Swansea and the southeast; the southwest; the

Brecon Beacons and Powys; the Cambrian coast; the Dee Valley; Snowdonia and the Llyn; the north coast and Anglesey. Attractions include: Cardiff Bay; St David's Cathedral; Pembrokeshire National Park; Conwy Castle; Cadair Idris; Ffestiniog Railway; Hay Festival; the beaches of the Llyn and Gower peninsulas. - Basics - essential pre-departure practical information including getting there, local transport, accommodation, food and drink, the media, health, festivals and events, maps, sports and outdoor activities and LGBT Wales. - Background information - a Contexts chapter devoted to Welsh history, politics, natural history, music, film and books, plus a handy language section. Make the Most of Your Time on Earth with the Rough Guide to Wales. Discover superb beaches, arid outback plains, ancient Aboriginal sites and Sydney's bright lights with this definitive guide to New South Wales and the Australian Capital Territory. -- 80 regional and town maps -- a tippler's tour of the

best wine regions in the state -- notes on more than 60 national parks, including Kosciuszko and the Blue Mountains -- hundreds of places to stay, from camp sites and hotels to country B&Bs -- action attractions: cycling, bushwalking, climbing, surfing, and swimming Rick spends four months each year exploring Europe, and his candid, humorous advice will steer you to the very best sights and museums that London has to offer. You'll beat the lines at the major monuments. You'll find hotels and restaurants that make the most of your vacation budget. You'll navigate the city like a local, using Rick's walking tours as your guide. In this extensive photo-location and visitor guidebook, award winning landscape and wildlife photographer Drew Buckley describes the most beautiful places in South Wales to visit and photograph whether you are using a high-end DSLR or a mobile phone camera. PHOTOGRAPHING SOUTH WALES is a photography-location and visitor guidebook. An essential companion for

anyone with a camera who is visiting South Wales. South Wales is a land of big skies above majestic mountains, lush green countryside, idyllic wooded river valleys and towering waterfalls, all fringed by a coastline of sea cliffs, golden beaches and turquoise waters. Explore the Brecon Beacons National Park and the coastline of the Pembrokeshire Coast National Park, home to quaint fishing harbours, secret coves, grey seals and puffins. Then venture to hidden spots on the Gower and South East Wales, and as far north as Ceredigion and Aberystwyth in Mid Wales. South Wales is rich with history, myths and legends. You will discover the remains of iron age forts, bronze age burial chambers and prehistoric stones with many medieval castles bringing drama to the picturesque landscape. FEATURING: 62 locations and over 500 beautiful photographs Topographic maps Sat nav and map co-ordinates Sun compass Best times to visit and seasonal highlights Photographic tips Accessibility notes

Travel information The best places to stay, eat and drink 140 great kayaking, canoeing and stand up paddling destinations The Historical Guide to New South Wales is a unique reference work. Never before has there been an attempt to succinctly record the location, history, industries, buildings, calamities and the population of over 9,700 cities, towns, villages, hamlets and localities (outside Sydney), whether extant or defunct. Neither has a record ever been made of the numerous surveyors who laid out our towns and the architects, engineers and builders who designed and built their most important structures. The small size of most of these places has never justified their inclusion in any standard reference book and, until now, their location and history have been a mystery to most. This book attempts to collate the significant details of each place from 1788 to 2020. More specifically, it indicates when a place was settled, surveyed, gazetted and established; the local produce of the district; the

public services available and when they were provided; the natural disasters, accidents, epidemics and infestations that affected the inhabitants; the churches where they were baptised and married; the factories, mills and mines in which they worked; and the graveyards and cemeteries where they were buried. In addition, it gives details of many thousands of churches, industrial structures, public buildings, public works and utilities etc. and, in many cases, who designed them, when they were built and by whom. The Historical Guide to New South Wales will be indispensable to historians, geographers, librarians, heritage consultants, local historical societies, local councils, journalists, those tracing families, and inquisitive tourists. The official guides of the Wales Tourist Board, packed with tourist information and accommodation listings. Reveals hidden places in Wales, and the Herefordshire and Shropshire Marches. Secret beaches, sea caves and coastering. Wild swimming and

waterfalls. Easy scrambles and gorge walks. Sunset hill forts and unknown peaks. Sacred sites, holy wells and standing stones. Ruined castles and more. Written and designed by outdoor experts, these authoritative guidebooks give long-distance and local walkers everything they need to enjoy the Wales Coast Path with confidence. With clear, expertly-written and numbered directions, enhanced Ordnance Survey mapping for the whole route, stunning professional photographs, and fascinating interpretation of points of interest along the way, these guides set a new standard in clarity and ease-of-use. The guide breaks the South Wales Coast section ċ from Swansea to Chepstow on the Welsh/English border ċ down in to nine handy day sections
